**The Five Love Languages** - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

*Romance 101* - Paul Director 2020-04-23

Romance 101 is the ultimate relationship guide for anyone looking to make the most out of their relationship. The book gives healthy relationship tips and advice to help you understand that the key to any relationship is romance. This book will help break down the different aspects of romance in a relationship, giving clear and engaging strategies to help you overcome any relationship issues. In other words, it is couples therapy without the therapist! How to be romantic and rekindle love The best relationships do not start with physical action, rather they start in the mind. This book outlines how to build a tighter and more intimate bond between the couple, which in turn can help to rekindle love and romance in the relationship. Many relationship guides only focus on very specific issues within love or marriage, and fail to give practical advice. However, this book offers a variety of healthy relationship tips that anyone can use to immediately start improving the romance in their relationship. How to spice things up in a relationship Romance is not just about love, but also about the sexual attraction couples share. If you want to spice things up in the bedroom, or improve the sex in your relationship, you first have to understand your partner on a deeper level. It is no surprise that couples in long-term relationships, or couples that are struggling to be romantic, may see sexual acts as a chore rather than a pleasurable activity. The key to rekindling this romance is to re-attract your partner by understanding exactly what they want. In turn, this will allow your sex life and love life to flourish simultaneously. Overall, this book offers great relationship advice for men and women alike to help couples rebuild their relationships, rekindle their love, and establish a happy future together.
