

In Sickness And In Health One Womans Story Of Love Loss And Healing

Grace and Grit - Ken Wilber 2001-02-06

Here is a deeply moving account of a couple's struggle with cancer and their journey to spiritual healing. Grace and Grit is the compelling story of the five-year journey of Ken Wilber and his wife Treya Killam Wilber through Treya's illness, treatment, and, finally, death.

Grace on Time - Meideli Saw 2012-09

"The Story of Sian is the story of an overseas Chinese couple whose lives were intertwined in the fast moving history of British Malaya, Malaya and then Malaysia"--Page 4 of cover

Past Perfect! Present Tense - Julie Donner Andersen 2003-03

Past: Perfect! Present: Tense! Insights From One Woman's Journey As The Wife Of A Widower, an exciting new book and the first of its genre, offers readers a personal glimpse into the life of a "WOW" (Wife Of a Widower). Sensitively written by Julie Donner Andersen, a WOW herself, the book is a clear and honest portrayal of the roller coaster ride of emotional ups and downs that most new WOW's endure, and includes reassuring quotes from fellow WOW's who validate Mrs. Andersen's research. The author also empathetically describes the heart of a widower and how the WOW can relate compassionately to his grief issues while at the same time, protecting her own sense of security, self worth, and dignity. Best of all, this book offers valuable and sensible advice from someone "in the know" regarding how to deal with WOW-related issues in marriage.

Worth Fighting For - Lisa Niemi Swayze 2012-01-05

Lisa Niemi and Patrick Swayze first met as teenagers at his mother's dance studio. He was older and just a bit cocky; she was the gorgeous waif who refused to worship the ground he walked on. It didn't take long for them to fall in love. Their thirty-four year marriage -- which they explored together in *The Time of My Life* -- was a uniquely passionate partnership. Now, for the first time, Lisa will share what it was like to care for her husband as he battled Stage IV pancreatic cancer, and will describe his last days when she simply tried to keep him comfortable. She writes searingly about her grief in the aftermath of Patrick's death, and candidly discusses the challenges that the past fourteen months without him have posed. But while this is an emotionally honest and unflinching depiction of illness, death, and loss, it is also a hopeful and life-affirming exploration of the power of the human spirit. Lisa shows that no matter how dark the prospect of another day may seem, there are always reserves of strength to call upon, and the love shared between two people will never truly die.

The Saving Power of Love - Joan Colleran Hoxsey Dmin 2020-08-26

Dr. Joan Hoxsey invites you into her life in this deeply personal, yet universally significant story. This is a spiritual memoir that takes a candid look at intergenerational trauma, and, more importantly, how love can heal those deep wounds. We are all on a journey. Experience the Saving Power of Love. Joan Colleran Hoxsey, DMin, sets the stage of her book by revealing the tragedies endured by her parents and their families. She was born into a seemingly fragile, broken world-one in which intergenerational trauma left its mark on all of her family relationships, especially with her mother. Despite these barriers, love and faith have guided Dr. Hoxsey to a fulfilling life. The love of her husband, Michael, was a healing force like no other. This book offers insight and hope for all who may think they come from a dysfunctional family. Couples wanting to strengthen their marriages will find the book invaluable. In this compelling series of personal stories, Dr. Hoxsey, mother of six, takes us on the faith journey of her life. She shares the pain of a father who deserted her family, the anguish of a Catholic Church filled with abuse, and the tremendous sorrow of losing her youngest child and her husband. And yet, she has not only survived these trials, she has been a leader in helping others through them. This is a love story about a woman and a man who have tried to live their Catholic faith in good times and in bad, in sickness and in health, and even in death, they are still together.

Leaning Into Love - Elaine Mansfield 2014-10-07

"I'll find a way to be all right," Elaine promised Vic, her dying husband and best friend of 42 years. Leaving the hospital after he passed, she had no idea how. Her uplifting story of love, hope, determination, and

triumph is a gift to the half million women who lose spouses each year.

Eat, Pray, Love - Elizabeth Gilbert 2007-03-05

The Number One international bestseller, *Eat, Pray Love* is a journey around the world, a quest for spiritual enlightenment and a story for anyone who has battled with divorce, depression and heartbreak.

Forthcoming Books - Rose Arny 2003-04

Living in Color - Mike Murphy 2011-10-11

Mike Murphy's dream came true when he found the love of his life. Nine months later, he found a lump in her breast that would change the course of their love story forever. In this moving and honest memoir, Mike tells the story of his wife Margot's nine-year battle with cancer and the courageous attitude with which she lived each day of her life. He also offers a window into the often-overlooked role of the caregiver, sharing his own struggles with unflinching honesty, humor and insight.

In Sickness and in Health - Dorothy Lipscomb 2018-12-09

Our love for each other and our faith in God remained strong as my husband battled Acute Myeloid Leukemia while grieving the death of our son.

Never Be Sick Again - Raymond Francis 2002-09

Presents a practical theory of health and disease that aims to revolutionize the way we look at illness. This book provides readers a holistic approach to living that will empower them to get well - and stay well.

Books in Print - 1991

A Moment in Snowdrop - Ellis Brennan 2021-01-28

Ellis had always dreamed of being a mother. This story tells of her journey to motherhood and experiences of being a mum to her daughter, Paige, before Paige died at seven weeks old on a Neonatal Intensive Care Unit. No parent can prepare for the worst, but *A Moment in Snowdrop* shares an insight into the realities of loss and exposes the experiences, heartache and grief that come when a baby dies. Highlighting Ellis's desperation for some way to 'feel better', to find her identity, and how she thought she would never smile again, *A Moment in Snowdrop* is a book of immense love, despair and longing with hope for happier days to come.

An Introduction to the New Testament - M. Eugene Boring 2012-01-01

A user-friendly introduction to the New Testament for beginning students

A Little Life - Hanya Yanagihara 2016

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

The Immune Spirit - Susan Ryan Jordan 2001-09-15

On the brink of her fortieth birthday, Susan Ryan Jordan heard the dreaded words "You have breast cancer." In shock over what she thought was a certain death sentence, Jordan began to read a book her doctor, the now famous Bernie Siegel, gave to her, which challenged cancer patients to heal themselves. Immersed in this hopeful message Jordan took stock of her life. While shocking, Jordan's cancer diagnosis was somehow strangely expected. She had become ensnared in the trap of "fitting in," obeying the dictates of her religion, her family and the social strictures of her town. A painful divorce and temporary leave of her four children for financial reasons only fueled her guilt and overwhelming sense of loss. Despair and self-deprecation had left her open to this life-threatening illness. Jordan's beautifully written and very poignant personal account reveals how changing negative feelings to hope and confidence can, indeed, reverse the course of a disease-even cancer. She also reveals how the still unresolved and painful split with her daughter, actress Meg Ryan, was caused by her newfound self-confidence and strength, and writes that the journey to health sometimes involves loss, but always leads to understanding and serenity. This is a book of hope-an affirmation that true healing and peace is within everyone's each.

Navigating Through a Strange Land - Tricia Ann Roloff 2001

Includes practical advice along with the moving personal stories of brain tumor patients, their family members, and their professional caregivers.

In Sickness and in Health - Gail Lynch 2001-12

In this well-crafted memoir, a woman recounts her husband's battle with terminal brain cancer.

Bowker's Complete Video Directory - 2000

Living in Color - Michael Murphy 2017-06-18

For readers facing imminent life or death issues and their caretakers, *Living in Color* is a powerful, emotional, authentic story of courage that comforts as well as uplifts as told through its unique lens by author Michael Murphy.
