Twelve Years A Slave, Illustrated Edition - Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Oliver the Cat Lady Presents the Story of Miss Purrfect - Studios321 2022-01-16

Miss Purrfect is the tail of a lovable kitten born at a ketchup factory. Raised to catch mice but too kind to eat any, she finds a clever solution to safely remove them. One day while trying to save a mouse something goes terribly wrong, and she ends up on Mouse Island with a desire to return home.

Overthinking About You - Allison Raskin 2022-05-03

Dating is hard—but when you live with anxiety, OCD, and/or depression, dating can feel like a minefield. At last, a book that focuses solely on mental health and dating—an intersection that demands attention, given that one in five Americans will experience a mental illness in a given year. *Overthinking About You* is a memoir-driven self-help book that explores the complex connection between brain and heart, for an engaging, useful, and relatable read for anyone whose mental health has gotten in the way of successful romantic relationships.

The Expatriates - Janice Y. K. Lee 2016-01-12

I raced through this enthralling story' Liane Moriarty 'Brilliantly plotted and written, utterly absorbing' Daily Mail 'An emotionally gripping page-turner' Elle Mercy, a young Korean American and recent Columbia graduate, is adrift, undone by a terrible incident in her recent past. Hilary, a wealthy housewife, is haunted by her struggle to have a child, something she believes could save her foundering marriage. Meanwhile, Margaret, once a happily married mother of three, questions her identity in the wake of a shattering loss. As each woman struggles with her own demons, their lives collide in ways that have irreversible consequences for them all. *The Expatriates* is an atmospheric, moving, and utterly compelling story of motherhood and family set against the unforgettable backdrop of Hong Kong.

The Tattoo Chronicles - Kat Von D 2012-06-26

The Tattoo Chronicles is an illustrated diary that offers an intimate look at a crucial year in the personal and professional life of Kat Von D, the charismatic, no-holds-barred tattooer and star of *LA Ink*. When Kat does a tattoo, she writes an entry about it in her journal, reflecting not only on the significance of the tattoo

for the person who is receiving it but also on how the experience of creating this tattoo affects her personally. In these diary entries—some poignant, some hilarious, some confessional—Kat lays it on the line about how doing these tattoos influences her life and art. Here are the highs and the lows, the good, the bad, and the ugly—including her feelings about her fame, family, love life, friends, and fans. Visually stunning, this graphically compelling diary is jam-packed with tons of Kat's images, from sketches of her tattoos to the finished works, and candid shots of her unusual personal collections—all photographed by Kat herself. Fans will love reading about her array of clients from all walks of life, including Motörhead's Lemmy Kilmister, Dave Navarro, and members of Metallica, Green Day, Kings of Leon, and the Eagles. Throughout *The Tattoo Chronicles* are captivating, color photographs of Kat that were taken specifically for the book, published here for the first time. Here she is: the real Kat Von D: unscripted and uncensored!

Teacherpreneurs - Barnett Berry 2013-08-12

We need a bold new brand of teacher leadership that will create opportunities for teachers to practice, share, and grow their knowledge and expertise. This book is about "teacherpreneurs"—highly accomplished classroom teachers who blur the lines of distinction between those who teach in schools and those who lead them. These teacherpreneurs embody the concept that teachers can teach as well as lead the transformation of teaching and learning. It's about empowering expert teachers who can buoy the image of teaching and enforce standards among their ranks while all along making sure that their colleagues as well as education policymakers and the public know what works best for students. The book follows a small group of teacherpreneurs in their first year. We join their journey toward becoming teacher leaders whose work is not defined by administrative fiat, but by their knowledge of students and drive to influence policies that allow them and their colleagues to teach more effectively. The authors trace the teacherpreneurs' steps—and their own—in the effort to determine what it means to define and execute the concept of "teacherpreneurism" in the face of tough demands and resistant organizational structures.

The Sunday Girl - Pip Drysdale 2019-04-04

The Girl on the Train meets *Before I Go to Sleep* with a dash of *Bridget Jones* in this chilling tale of love gone horribly wrong ... Some love affairs change you forever. Someone comes into your orbit and swivels you on your axis, like the wind working on a rooftop weather vane. And when they leave, as the wind always does, you are different; you have a new direction. And it's not always north.' Any woman who's ever been involved with a bad, bad man and been dumped will understand what it feels like to be broken, broken-hearted and bent on revenge. Taylor Bishop is hurt, angry and wants to destroy Angus Hollingsworth in the way he destroyed her: 'Insidiously. Irreparably. Like a puzzle he'd slowly dissembled ... stolen a couple of pieces from, and then discarded, knowing that nobody would ever be able to put it back together ever again.' So Taylor consults *The Art of War* and makes a plan. Then she takes the next irrevocable step - one that will change her life forever. Things start to spiral out of her control - and *The Sunday Girl* becomes impossible to put down.

Words to Rhyme with - Willard R. Espy 2001

An easy-to-use dictionary of over 80,000 rhyming words.

The Jasmine Project - Meredith Ireland 2021-09-07

Jenny Han meets *The Bachelorette* in this "sparkling, witty, warm-hearted gem" (Karen M. McManus, #1 New York Times bestselling author of *One of Us Is Lying*) of a romantic comedy about a teen Korean American adoptee who unwittingly finds herself at the center of a competition for her heart, as orchestrated by her overbearing, loving family. Jasmine Yap's life is great. Well, it's okay. She's about to move in with her long-time boyfriend, Paul, before starting a nursing program at community college—all of which she mostly wants. But her stable world is turned upside down when she catches Paul cheating. To her giant, overprotective family, Paul's loss is their golden ticket to showing Jasmine that she deserves

much more. The only problem is, Jasmine refuses to meet anyone new. But...what if the family set up a situation where she wouldn't have to know? A secret Jasmine Project. The plan is simple: use Jasmine's graduation party as an opportunity for her to meet the most eligible teen bachelors in Orlando. There's no pressure for Jasmine to choose anyone, of course, but the family hopes their meticulously curated choices will show Jasmine how she should be treated. And maybe one will win her heart. But with the family fighting for their favorites, bachelors going rogue, and Paul wanting her back, the Jasmine Project may not end in love but total, heartbreaking disaster.

Written with the experts at Neal's Yard, experts in holistic, healthy living, featuring over 200 functional foods, from carrots to clementines, with notes to highlight the bits that are best for you and how to get to the goodness fast. Make your way through over 130 "recipes that heal" and take advantage of daily plans to help you eat the right foods to target a particular area of health. Whether you're looking for the best ways to use exotic foods or simply wish to find out which everyday staples will help address a particular health problem, Neal's Yard Remedies Healing Foods will give you all the information you need to use healing foods from around the world.

Be the Change - Chandra Clarke 2014-07-20

Can You Save The World?It's so easy to be overwhelmed by everything that is wrong in the world. In 2010, there were 660,000 deaths from malaria. Dire predictions about climate change suggest that sea levels could rise enough to submerge both Los Angeles and London by 2100. Bees are dying, not by the thousands but by the millions. But what can you do? You're just one person, right? The good news is that you *can* do something. It's called citizen science, and it's a way for ordinary people like you and me to do real, honest-to-goodness, help-answer-the-big-questions science. This book introduces you to a world in which it is possible to go on a wildlife survey in a national park, install software on your computer to search for a cure for cancer, have your smartphone log the sound pollution in your city, transcribe ancient Greek scrolls, or sift through the dirt from a site where a mastodon died 11,000 years ago-even if you never finished high school. Part I of Be the Change: Saving the World with Citizen Science will show you what citizen science is, how important it is, and why we need more of it. You will also find out how it can personally benefit you, how you can get involved, and what it might mean to you if you did. Part II provides a large list of projects that you can join right now, concisely explained, and organized by the level of involvement required. Citizen science is fun, it's easy, and you can get started today. Be the Change: Saving the World with Citizen Science will show you how. Show less

Truly Bitten - Nyesha 2017-01-30

Misty has no interest in looking for love, but that doesn't mean it won't find her. When she meets Derrick it's beyond unexpected, not to mention unwanted. She just wants to live her normal life that's not so normal now. Derrick has been dreaming of the day he would meet his companion and now he's finally found her if only she would cooperate. He wants to give her the world and shower her with love, but she fights him at every turn. What can he do to make her see reason, his reason?

Jenny and the Jaws of Life - Jincy Willett 2008-05-27

Critically acclaimed when it was first published in 1987, this timeless collection of stories features eccentric, complex characters who think and do the unconventional.

Sissy Dreams: From Boyfriend to Girlfriend - Paul Zante

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

100 Ways to Calm - Adams Media 2021-01-19

365 Style - Nicky Hilton 2014

Exposed to the top tier of the fashion industry from childhood, a style icon shares the tips and tricks she learned along the way and shares her unique formula with readers so that they can create their own signature style.

Bucky - Fred W. Veil 2012-10

Bucky Veil was a professional baseballer who played the game in the early years of the twentieth century, a time when baseball was beginning to evolve into America's national pastime. As a twenty-two-year-old rookie with the 1903 Pittsburg Pirates, he pitched in the first World Series of modern major league baseball, thus witnessing firsthand an important milestone in the history of the sport. No less an authority than Hall of Famer Honus Wagner predicted that Bucky would be "a great star." Bucky is a story of baseball in the Deadball Era, told from the perspective of the author's grandfather, Fred "Bucky" Veil, and other professionals who played a game that was very different from that of the modern era. It was a game that emphasized strategy over power-Babe Ruth and the long ball were a decade or more in the future-and relied upon speed; smart, aggressive base-running; good bunting techniques; and timely hitting, all designed to advance runners into positions from which they could score. Baseball in the Deadball Era was played with a passion that is largely absent in the modern game. Bucky was blessed to have had the opportunity to play professional baseball in an era when it truly was a game. Fred W. Veil currently lives in Prescott, Arizona. A native Pennsylvanian and a Marine Corps veteran, he is a graduate of Washington & Jefferson College and the Duquesne University School of Law. Previously published works include articles in the Duquesne Law Review and the Journal of Arizona History. He and his wife, Sally, have two adult children and one grandchild.

Barle's Story - Else Poulsen 2014

When a 19-year old female polar bear named Barle is rescued from the inhumane conditions of a circus in the Caribbean and flown to safety in Detroit, zookeeper Else Poulsen -- renowned throughout the world for her work rehabilitating bears who have been abused -- is on hand to meet her and help her on the road to recovery and self-discovery. Thus begins Barle's gradual introduction into the world of polar bears. Slowly she forges relationships with the other bears in the zoo and eventually mates with a young male and successfully raises a cub. By living in a caring, enriched environment focused on her welfare, Barle is able to recover from the trauma she had suffered at the circus and develop skills that are important to thriving as a polar bear. As Poulsen documents, however, not all captive bears are so fortunate. Augmented with black-and-white photographs, Barle's Story provides a rich and moving portrait of a remarkable bear and of the author's inspiring work to help her discover her true polar bear ways.
