RECOVERY, AND THE STORY OF A DEATH THAT BROUGHT NEW LIFE. In 2009 Natalie Cole was on dialysis, her kidneys failing. Without a kidney transplant, her future was uncertain. Throughout Natalie's illness one of her biggest supporters was her beloved sister Cooke. But then Cooke herself became ill, with cancer. Astonishingly, as Cooke lay dying in a hospital, Natalie received a call that a kidney was available, but the surgery had to be performed immediately. Natalie couldn't leave her sister's side—but neither could she refuse the kidney that would save her own life. This is a story of sisters, Natalie and Cooke, but also of the sisters who made the transplant possible, Patty and Jessica. It was Jessica's death that gave new life to Natalie, even as Natalie experienced the devastating loss of Cooke. Patty, too, suffered her own terrible loss, but when she met Natalie, she found that her sister's spirit still lived. Through the gift of life, Natalie and Patty became sisters in

spirit. Love Brought Me Back is a story of loss and recovery, sorrow and joy, success and despair—and, finally, success again. It will touch you as few memoirs ever have.

Waiting for You to Love Me Back - Kayanne Page  
2019-01-07

The Author, Kayanne Page, takes the readers on an adventure through introspection. She dives deep into raw emotions of self-hatred and depression. Waiting For You To Love Me Back is triumph over personal demons and devastations. Her story is told through poetry, prose, and short stories. This is Kayanne's authentic personal truths on how she rekindled her spirit.

"Cole!" I call out, and he turns and looks at me. "You turn your back on me and walk out of that door, don't think for a goddamn second this baby and I will be around when your memory comes back," I tell him gravely, and he walks over to me and stares into my eyes. "Don't threaten me!" He

shouts, glaring at me. "It's not a threat. It's a goddamn fact!" I scream at him. \*\*\*\*\*Shayla and Cole finally get married, and with the exciting news of a baby on the way, the happy couple couldn't be more ecstatic. However, as they blissfully await the arrival of their firstborn child, life throws another curve ball their way. They're forced to face the ultimate challenge when Cole has a tragic accident, and the last four years gets wiped from his memory. Will Shayla be able to make him remember the love he once had for her? Will they survive this test, or will their great love crash and burn? \*The Sequel to The Accidental Wife\*

**I Want to Bribe You with this Book Please Love Me Back** - Revel Craft 2019-05-28  
I want to bribe you with this book please love me back. This is a lined notebook (lined front and back). Simple and classy. 100 pages, high quality cover and (6 x 9) inches in size  
*Love Me Back to Life* - Anna Campitelli 2015-08-18  
Kendall Matthews is

intelligent, quick on her feet, and compassionate - everything you'd want in an ICU nurse. When a fatal accident turns her world upside down, she struggles to pick up the pieces, uncertain that she'll ever regain control or rediscover her sense of self. Dr. Anson Allaway is a renowned neurosurgeon ... and an unapologetic playboy. Kendall's colleague at South Florida's Gold Coast General, he would never consider dipping his pen in the company ink (despite rumors to the contrary). But everything changes when Kendall brazenly looks to Anson for an escape from her grief - and he unexpectedly finds his way back from the burdens of his own past.

*I Love You, Call Me Back* - Sabrina Benaim 2021-10-19  
From one of the most-viewed spoken word poets of all time, a poetry collection exploring themes of loneliness, anxiety and longing, while also celebrating the gifts that come with being alone—the chance to live on your own terms, to learn to love yourself without

any distractions, and to become your own biggest champion. Over the past few years, Sabrina Benaim toured nonstop across North America and beyond in support of her first book, *Depression & Other Magic Tricks*, performing, connecting with readers, and leading writing workshops. People constantly thank Sabrina for giving them the confidence and language they needed to acknowledge their own mental health struggles and ask for help, as well as for providing them with a safe refuge. Then, suddenly, Sabrina's long-term relationship ended, the world went into lockdown, and her mother fell ill. Living alone in a different country, with nowhere else to go, Sabrina returned to the page. Unfurling over the course of July 2020—a blisteringly hot month spent in isolation—and in 75 original poems, *I Love You, Call Me Back* dares to embrace loneliness in all its permutations: the sorrow of getting your mother's voicemail when you call to say "I love

you"; the bittersweetness when your dog takes up your ex's side of the bed; the joy of eating ice cream for dinner and singing badly, loudly. Here, Sabrina attempts to work out who she is when nobody else is around, and she comes out the other side with a whole new sense of strength and self-worth. *I Love You, Call Me Back* is an ode to Sabrina's mom, a celebration of life in the face of so many unknowns, and the cathartic, healing balm we all need right now and for years to come. In her words, "Sometimes self-care is just surviving." And that's okay. Sabrina shows us that there's beauty and courage in that, too.

**Because You Love Me** - Rita Thomas 2022-11-14

*Because You Love Me*, a women's devotional book, is a journey of faith, love, and direction for women seeking to develop an intimate relationship with God. Women share a unique place in God's heart because we are redeemed and chosen with a real purpose in His plan.

Discovering that purpose is sometimes difficult because of who we believe we are in God's order, but we must allow God to deliver us from our preconceived notions to find our real purpose. When we develop a relationship with God, we learn that we are complete with Him, daughters of the Highest, with spiritual gifts at our command. In these pages, you will find daily scripture, commentary, and prayers that give comfort, inspiration, and spiritual blessing to grow you into the woman that God intended you to be. There are fifty-two weeks of devotions included in this book--one devotional for every day to lead and guide you through your spiritual journey with God.

**Love Me** - Catherine M. Clifton  
2012-05

From the outside, Rhonda Brown appears to be a normal, straight-A college student in Tallahassee, Florida. In reality, she's a drug dealer, fashioning

cocaine into high-priced and highly sought after dolls. Justifying her crimes, she believes she was forced into this lifestyle after the death of her parents; after all, she needs the money to support her and her older sister, Caroline. But Rhonda's patience with Caroline, who is battling her own demons, is coming to an end. Anything to do with Caroline is a lose-lose situation, and Rhonda is ready to get out. Just as she plans to leave, Caroline hints there is more to her sad life story than drugs, prostitution, and self-loathing. Unwilling to let go, Rhonda initiates her own investigation into Caroline's past--and what she uncovers hits her and everyone around her like a whirlwind. Rhonda soon discovers the story she has always known about her life is actually nothing but a lie. Surrounded by drugs, lies, and a long list of betrayals, Rhonda must come to terms with the decisions she has made, and the journey she takes to get there will change her life forever.

**Love Me Back, David's Rock, and Crazy Noah** - Diane

Barrett James 2014-03

Why did God create a world He knew would turn its back on Him and suffer through its own sin? "Love Me Back" attempts to explain what God was thinking when he created us. This poetic narrative takes us into the heart of God, through man's struggle with sin and toward redemption with Jesus Christ. Additional text explains the loving nature of God with emphasis on our free will to choose what we believe. "David's Rock" and "Crazy Noah" bring the two men to life and end with proof texts and details that suggest similarities among David, Noah, and Jesus. This book takes these well-known stories to the next level of understanding of how the Old Testament foreshadows the New Testament and the life of our Lord. Hopefully it will also help bridge the gap of understanding of God during the age of accountability in the lives of young adolescents. Original oil paintings by the author are included.

*love-me-back***Mama, Do You Love Me?** -

Barbara M. Joesse 2017-11-28

In this beautifully illustrated children's book, a heartwarming tale of motherly love unfolds in the Arctic north. In a timeless and universal story, a child tests the limits of independence and comfortingly learns that a parent's love is unconditional and everlasting. The lyrical text introduces young readers to a distinctively different culture, while at the same time showing that the special love that exists between parent and child transcends all boundaries of time and place. The story is complemented by graphically stunning illustrations featuring whales, wolves, puffins, and sled dogs. This tender and reassuring book is one that both parents and children will turn to again and again.

destined to be with her childhood sweetheart, Trent Basso. Throughout the complicated road she has traveled with Trent, someone else has had a strong presence in Maddy's life. Trent's older brother Gabe has always been someone she could count on, therefore neither of them can be blamed when lines blur from friendship to something more. However, promises made between brothers threaten to ensure that neither of them will have a permanent place in her life. When Maddy returns to her hometown for her brother's wedding, she is forced to face both Trent and Gabe for the first time in two years. While the two Basso brothers fight to win her heart, she is busy struggling with a past that won't seem to let her go. Whether she wants to or not, Maddy must decide to either forfeit her own happiness or forever tear a family apart.

**Love Me Back** - Shannon M. Middleton 2009-01-24

Loving in today's world is difficult. Under what circumstances do you love

others? How is it possible to love yourself? This book is a quick, happy read, accompanied by unique artwork from the author. It's a delightful package with the aim of helping you learn to love others-and yourself-in every circumstance.

**Love Me Back** - Merritt Tierce 2016-01-14

Marie is a waitress at an upscale Dallas steakhouse, attuned to the appetites of her patrons and gifted at hiding her private struggle as a young single mother behind an easy smile and a crisp white apron. It's a world of long hours and late nights, and Marie often gives in to self-destructive impulses, losing herself in a tangle of bodies and urgent highs as her desire for obliteration competes with a stubborn will to survive.

Pulsing with a fierce and feral energy, *Love Me Back* is an unapologetic portrait of a woman cutting a precarious path through early adulthood and the herald of a powerful new voice in American fiction.

**Don't Love You Back** - Jessica Luther 2020-09-01

Triumphant wins, gut-wrenching losses, last-second shots, underdogs, competition, and loyalty—it's fun to be a fan. But when a football player takes a hit to the head after yet another study has warned of the dangers of CTE, or when a team whose mascot was born in an era of racism and bigotry takes the field, or when a relief pitcher accused of domestic violence saves the game, how is one to cheer? Welcome to the club for sports fans who care too much. In *Loving Sports When They Don't Love You Back*, acclaimed sports writers Jessica Luther and Kavitha A. Davidson tackle the most pressing issues in sports, why they matter, and how we can do better. For the authors, "sticking to sports" is not an option—not when our taxes are paying for the stadiums, and college athletes aren't getting paid at all. But simply quitting a favorite team won't change corrupt and deplorable practices, and the root causes of many of these problems are

endemic in our wider society. An essential read for modern fans, *Loving Sports When They Don't Love You Back* challenges the status quo and explores how we might begin to reconcile our conscience with our fandom.

**Work Won't Love You Back** - Sarah Jaffe 2022-01-20

Whether it's working for free in exchange for 'experience', enduring poor treatment in the name of being 'part of the family', or clocking serious overtime for a good cause, more and more of us are pushed to make sacrifices for the privilege of being able to do work we enjoy. *Work Won't Love You Back* examines how we all bought into this 'labour of love' myth: the idea that certain work is not really work, and should be done for the sake of passion rather than pay. Through the lives and experiences of various workers--from the unpaid intern and the overworked teacher, to the nonprofit employee, the domestic worker and even the professional athlete--this compelling book

reveals how we've all been tricked into a new tyranny of work. Sarah Jaffe argues that understanding the labour of love trap will empower us to work less and demand what our work is worth. Once freed, we can finally figure out what actually gives us joy, pleasure and satisfaction.
