

Poem For New Love Relationship

To the Love of My Life - Donna Fargo 2002-08-01

"Deep within my soul, where my secrets are kept from even me, sometimes I feel feelings that I cannot describe. They're sacred and they're private, and they're all about you and me. They tell our beautiful love story, for you are the love of my life." - Donna Fargo In this exquisitely tender collection of love poems, Grammy Award-winning singer and songwriter Donna Fargo shares her most personal thoughts on love, relationships, and the special person in her life. Her words, written especially for the one true love of her life, speak of gratitude for the blessed gift of love she has been given and of the enduring happiness it brings to her life. They speak of devotion: of honoring each other's dreams and supporting each other in times of need. Recognizing that unhappy moments and difficult times occur in every relationship, her poetry speaks to the importance of trust, understanding, and forgiveness, and of learning to accept the ups, downs, and all the times in between. Donna's poems flow naturally and thoughtfully from one into another... each revealing another aspect of warmth and emotion. From missing each other when you're apart to being there for each other, no matter what, this book beautifully exemplifies the multitude of feelings that come when you know you've found that one special person who is... the love of your life."

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Love at First Sight - Wislawa Szymborska 2022-11-08

A poem by the winner of the Nobel Prize for Literature, illustrated for readers of all ages that will challenge assumptions about falling in love. They're both convinced / that a sudden passion joined them. Such certainty is beautiful, / but uncertainty is more beautiful still. Love at First Sight is a poem about love and chance and destiny by the 1996 Polish winner of the Nobel Prize for Literature. Illustrated by Italian artist Beatrice Gasca Queirazza, Szymborska's poem comes to life in entirely new ways for her readers and for lovers everywhere in this oversized book perfect for gift giving. Szymborska tells of two young lovers bound

together in an instant—or were they? As the poem unfolds, the reader's assumptions—like those of the lovers themselves—about certainty and destiny are utterly upended, revealing the paradox and mystery of fate. Here is randomness, tricks of memory, and chance, where noticing the smallest details of our intertwined lives is more essential than asking, Are we meant for each other? "Every beginning / is only a sequel, after all..."

Love Poems - Pablo Neruda 2008-01-17

Sensual, earthy love poems that formed the basis for the popular movie Il Postino, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Noble Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor..." Written on the paradisaical island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, Love Poems embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

Love by Night - SK Williams 2021-02-02

More of a story than a collection of poetry, Love by Night will whisk you away from your world and into the dreamy romantic night. Love by Night begins with anxious hesitation and nervous attraction, grows into tender affection, blossoms into passionate love, delves deep into whimsical dreams, and finally builds an image of an idyllic future together, as the reader develops along with the two characters of this poetic story. Written as a conversation between two points of view in constant change and flux with each other, this book invites the reader into the conversation about the love that connects one person to another, but also all of us to each other. Through this written testament to the emotional journeys books can take us on, S. K. Williams breaks down stereotypes, sexism, relationship roles, and brings awareness to mental health, grief, anxiety, depression, how to move forward, how to love in a healthy way, and, most of all, how to love yourself when it feels impossible.

Desire Returns for a Visit - Sandra De Helen 2018-11-09

"[Sandra de Helen's] book of poems is a great way to read a truthful, witty, poignant memoir about lesbian love." Judy Grahn, Ph.D., poet, writer, trailblazer "I didn't need to read beyond the first line of the first poem in Sandra de Helen's collection *Desire Returns* to know I'd be loving this book: "Wearing makeup is as unnecessary as / painting crickets." What a fanciful imagination. What a cohesive, splendidly ordered body of work. It's not often I find poems that speak so directly of and to my lesbian heart. Love poems all, even when love kicks and confuses, this poet portrays the lesbian core. Nor does de Helen speak to lesbians only.

The universality of love, erotic desire, heartbreak, romantic struggle, all are here. From the poem "Donations" comes this lovely metaphor: "My pail of dreams has been tipped out." She allows her gentle humor free reign, as in a poem about falling for cast-off lovers. Sandra de Helen is a fine poet, by turns earthy, erotic, ethereal, funny, a lesbian herstorian, a lover, a beloved. Her poems will be loved as well."

Lee Lynch, novelist, essayist, short story writer, trailblazer
