

Quotes To Get A Womans Attention

A Vindication of the Rights of Woman - Mary Wollstonecraft 1833

This is Wollstonecraft's classic treatise on women's oppression and women's rights which served as a model for many feminist arguments later in the 19th century.

Open Your Mouth and Speak - Mellisa Lambert 2013-08-06

OPEN YOUR MOUTH AND SPEAK 365 AFFIRMATIONS AND

POWERFUL QUOTES "START YOUR DAY OFF RIGHT" There is so much power in what we say. Life and death lies in the power of the tongue. I usually tell myself that I am who God says I am and I can do what God has called and anointed me to do. I believe "Open Your Mouth and Speak is a great book to help affirm yourself and will allow you to be uplifted and inspired to move into your destiny. Author Talitha Davis Damsel, Arise To The New You: This Is Your Journey Of Resurrection Often times, we have not because we ask not. People from all walks of life should

open their mouths and speak positive affirmation into their own lives if they really want to blaze the trail of motivation for themselves and loved ones. This book is a great read for many looking to change their lives by the words they speak. William E. Lee Jr. Bestselling author of Breaking the Mold www.WilliamLeeOnline.com Open Your Mouth and Speak, is a great book to use night before you sleep as well as when you rise in the morning. This book has some outstanding affirmations and quotes that are words to live by to help uplift your spirits and keep them lifted up. I've found multiple favorite affirmations and quotes inside that I have on post-it notes that I strategically place throughout my house so that I can see and acknowledge them throughout my day. LaKesha T. Hall, BSN, RN, Professional Life Coach It's about time we had a book that teaches one how to utilize the power of words that come out from our mouths. "Open Your Mouth and Speak" is that book. it shows us how to use our words in affirmations that uplift, empower and inspire. I look forward to speaking the powerful and positive affirmations in this book. our words have so much power and to assure that we are using them to our benefit we must pay attention to how and why we are saying what we say. This powerful book is written by a woman that knows first-hand how to take her words and command her entire day and life. The book itself is an example of her use of powerful affirmations that you speak each day. We are living in a time like never before when we need to speak what want to see. Positive words will go a long way in your personal, professional and spiritual growth and development as you continue to achieve your God given purpose. Author, Speaker, Coach, Trainer Lilisa J. Williams, MBA "Release Your Power"

Fight Like A Girl - Clementine Ford 2018-08-02

An incendiary debut taking the world by storm, Fight Like A Girl is an

essential manifesto for feminists new, old and soon-to-be. Online sensation and fearless feminist heroine, Clementine Ford is a beacon of hope and inspiration to thousands of women and girls. In the wake of Harvey Weinstein and the #MeToo campaign, Ford uses a mixture of memoir, opinion and investigative journalism to expose just how unequal the world continues to be for women. Personal, inspiring and courageous, *Fight Like A Girl* is an essential manifesto for feminists new, old and soon-to-be. The book is a call-to-arms for women to rediscover the fury that has been suppressed by a society that, despite best efforts, still considers feminism to be a threat. Urgently needed, *Fight Like A Girl* is a passionate, rallying cry that will awaken readers to the fact they are not alone and there's a brighter future where men and women can flourish equally - and that's something worth fighting for.

Quotes, Ruminations & Contemplations - Corey Wayne 2021-03-04

A random selection of quotes and commentary from Corey Wayne's articles and video coaching newsletters on pickup, dating, relationships, success mindsets, self-reliance, personal responsibility, philosophy, purpose, negotiation, health, inspiration, high achievement, goal setting, time management, career, entrepreneurship, wealth creation and sales.

Positive thinking yields to many benefits. Your mental, physical and spiritual wellness grows, and you might learn to think differently about life around you. By being little more happier and staying positive you can even extend your life!

The Vindications: The Rights of Men and The Rights of Woman - Mary Wollstonecraft 1997-06-16

The works of Mary Wollstonecraft (1759-1797) ranged from the early *Thoughts on the Education of Daughters* to *The Female Reader*, a selection of texts for girls, and included two novels. But her reputation is

founded on *A Vindication of the Rights of Woman* of 1792. This treatise is the first great document of feminism—and is now accepted as a core text in western tradition. It is not widely known that the germ of Wollstonecraft's great work came out of an earlier and much shorter vindication—*A Vindication of the Rights of Men* (1790), written in the context of the issues raised by the French Revolution. This edition, which follows the model of other Broadview Editions in including a range of materials that help the reader to see the work in the context of its era out of which it emerged, is arranged chronologically, opening with Wollstonecraft's "other vindication." It also includes a wide range of other documents in appendices, as well as a comprehensive and authoritative introduction, chronology, and full index.

A Vindication of the Rights of Woman - Mary Wollstonecraft 2022-10-03

One of the earliest works of feminist philosophy, 'A Vindication of the Rights of Woman' argues that women should receive a rational education. A response to the educational and political theorists of the 18th century at the time, Wollstonecraft's essay invites readers today to peak behind the scenes at the early fight for rights for women. Whilst the term 'feminist' did not emerge until years after the publication - and death of Wollstonecraft - 'A Vindication' remains today an influential step in the advocacy for women's education and equal social status. A must-read for fans of Helena Bonham Carter and Carey Mulligan in Netflix's acclaimed 'Suffragette' film. The founding feminist philosopher, Mary Wollstonecraft (1759-1797) was an English writer, philosopher, and advocate of women's rights. Whilst her unconventional relationships attracted more attention than her writing at the time, Wollstonecraft is best known for 'A Vindication of the Rights of Women'; a ground-breaking work arguing that women are not naturally inferior to men. Despite her posthumously published 'Memoir' overshadowing her writing career for almost a century, Wollstonecraft remains today an influential figure in the advocacy for women's rights following the feminist movement at the turn of the 20th century. She died giving birth to her second daughter, Mary Shelly, the accomplished author of

'Frankenstein'.

A Woman's ABC's of Life - Beca Lewis 2022-06-04

This collection of life lessons and wisdom gleaned from women who learned the hard way covers dozens of subjects learned through the turmoil of life and tempered in the fires of fortune and misfortune. From "How to Recognize and Keep a Good Man" to "Owning Your Own Business", this book is filled with practical, fun, and entertaining insights about life.

The Pursuit of Attention - Charles Derber 2000-06-15

"Enough about me," goes the old saying, "what about you? What do you think about me?" Hence the pursuit of attention is alive and well. Even the Oxford English Dictionary reveals a modern coinage to reflect the chase in our technological age: "ego-surfing"--searching the Internet for occurrences of your own name. What is the cause of this obsessive need for others' recognition? This useful and popular volume, now in a second edition that features major new introductory and concluding essays, entertainingly ponders this question. Derber argues that there is a general lack of social support in today's America, one which causes people to vie hungrily for attention, and he shows how individuals will often employ numerous techniques to turn the course of a conversation towards themselves. Illustrating this "conversational narcissism" with sample dialogues that will seem disturbingly familiar to all readers, this book analyzes the pursuit of attention in conversation--as well as in politics and celebrity culture--and demonstrates the ultimate importance of gender, class, and racial differences in competing for attention. Derber shows how changes in the economy and culture--such as the advent of the Internet--have intensified the rampant individualism and egotism of today. And finally, in a new afterword, he focuses on solutions: how to restructure the economy and culture to humanize ourselves and increase the capacity for community, empathy, and attention-giving.

So Said Yoko Ono - Sreechinth C

SO SAID YOKO ONO ~ Biggest Collection of Yoko Ono Quotes ~ Yoko Ono, a Japanese singer, is well known to music world as the widow of

John Lennon, the founder member of music band "The Beatles." The couple had gained attention through their protest to Vietnam War. Yoko is also commendable for her feministic ideas that she shared through her lyrics. Yoko Ono's charismatic personality reflects in her quotes also. Here we have collected sayings and quotes of Yoko Ono which consists of quotations about various topics like acting, movies, life, success, violence, god, relationship, and a lot more. You can find many motivational, humorous and mood shifting quotes among those she had spoken. This book, 'So Said Yoko Ono: Biggest Collection of Yoko Ono Quotes' contains the sayings and quotes of Yoko Ono, probably the biggest collection of Yoko Ono quotes that you can find.

How to Get Your Husband's Attention - David Hawkins 2008-03-01

In this concise and inspiring guide, Hawkins offers straightforward, intelligent answers to nagging questions women face in dealing with this sensitive topic: How can a wife get a husband's undivided attention?

A Vindication of the Rights of Woman (Illustrated) - Mary Wollstonecraft 2022-05-24

I wish also to steer clear of an error, which many respectable writers have fallen into; for the instruction which has hitherto been addressed to women, has rather been applicable to LADIES, if the little indirect advice, that is scattered through Sandford and Merton, be excepted; but, addressing my sex in a firmer tone, I pay particular attention to those in the middle class, because they appear to be in the most natural state. Perhaps the seeds of false refinement, immorality, and vanity have ever been shed by the great. Weak, artificial beings raised above the common wants and affections of their race, in a premature unnatural manner, undermine the very foundation of virtue, and spread corruption through the whole mass of society! As a class of mankind they have the strongest claim to pity! the education of the rich tends to render them vain and helpless, and the unfolding mind is not strengthened by the practice of those duties which dignify the human character. They only live to amuse themselves, and by the same law which in nature invariably produces certain effects, they soon only afford barren amusement.

Women with Attention Deficit Disorder - Sari Solden 2012-07-15

Women with Attention Deficit Disorder, psychotherapist Sari Solden's, groundbreaking book, explains how every year, millions of withdrawn little girls and chronically overwhelmed women go undiagnosed with Attention Deficit Disorder because they don't fit the stereotypical profile: they're not fast-talking, hyperactive, or inattentive, and they are not male. This pioneering book explores treatment and counseling options, and uses real-life case histories to examine the special challenges women with AD/HD face, such as the shame of not fulfilling societal expectations. Solden explains that AD/HD affects just as many women as men, and often results in depression, disorganization, anxiety, and underachievement. Included in this revised edition is a brand new chapter on friendship challenges for women with AD/HD. Three empowering steps -- restructuring one's life, renegotiating relationships, and redefining self-image -- help women take control of their lives and enjoy success on their own terms. "Sari Solden has used her personal and professional experience to shine some light into the dark closet inhabited by far too many ADD women... She empowers ADD women by validating their experience as worthwhile human beings who struggle with serious organizational problems in many areas of their lives." (Kate Kelly and Peggy Ramundo, authors of *You Mean I'm Not Lazy, Stupid, or Crazy*)

Girl Power - Kitty Malone 1998

An essential guide for the smart girl about town who knows what she wants and how to go about getting it. It's style, pizzazz, fashion and flair.

Emma - Jane Austen 2023-04-08

Step into the elegant world of Georgian England with Jane Austen's beloved classic, "Emma". Meet Emma Woodhouse, a young woman with a passion for matchmaking who is convinced she knows best when it comes to matters of the heart. Despite her best intentions, Emma's meddling often leads to unintended consequences and heartache for those around her. Follow Emma as she navigates the intricate social hierarchy of her community, charming and exasperating those around

her in equal measure. Along the way, she must confront her own flaws and biases, learning valuable lessons about friendship, love, and the consequences of her actions. Austen's signature wit and incisive social commentary are on full display in "Emma". Her richly drawn characters, including the endearing Mr. Knightley, the boisterous Harriet Smith, and the hapless Mr. Elton, are sure to capture your heart and imagination. First published in 1815, "Emma" has become a timeless classic, beloved by generations of readers for its engaging plot, memorable characters, and insightful commentary on human nature. Whether you are a lifelong Austen fan or a newcomer to her works, "Emma" is sure to enchant and delight you. So curl up with a cup of tea and lose yourself in the captivating world of "Emma".

Woman in the Nineteenth Century - Margaret Fuller 2012-03-30

'I solicit a sincere and patient attention from those who open the following pages at all. I solicit of women that they will lay it to heart to ascertain what is for them the liberty of law. [...] From men I ask a noble and earnest attention to anything that can be offered on this great and still obscure subject, such as I have met from many with whom I stand in private relations.'

The Life I Have - Yellow Media 2019-11-02

Gratitude Journal Exercise your happiness daily with a diary for gratitude filled with actionable prompts and quotes.
