The Sexual Teachings of the White Tigress Hsi Lai

2001-08-01 • Reveals how the sexual practices of the White Tigress can preserve and restore a woman's physical youthfulness and mental energy. • The first modern guide to White Tigress techniques, the only sexual teachings exclusively for women. • Reveals for the first time in English the hidden teachings of immortal Hsi Wang Mu, a White Tigress from 3,000 years ago. • Provides Western medical correlations to substantiate White Tigress practices. White Tigress women undertake disciplined sexual and spiritual practices to maintain their beauty and youthfulness, realize their full feminine potential, and achieve immortality. Revealed here for the first time in English are the secrets of the White Tigress that have all but disappeared from the world. Under the guidance of Madame Lin, the matriarch of a distinguished White Tigress lineage still in existence in Taiwan, Hsi Lai was given the privilege to study these practices and record them from a modern perspective so they will be forever preserved. The vast majority of Taoist texts on alchemy, meditation, and sexuality are directed at male practitioners. The *Sexual Teachings of the White Tigress* presents traditions that focus on women, traditions that stem from a long line of courtesans and female Taoists. Translations of the ancient teachings from a rare White Tigress manual dating back 3,000 years explain the sexual and spiritual refinement of ching (sexual energy), chi (vital energy), and shen (consciousness)--the Three Treasures of Taoism--the secret to unlocking eternal youthfulness and immortality.

Sex, Secrets, and Lies Marie Miranti Burnett Ph. D. 2005-02 In *Sex, Secrets, and Lies*, author Marie Miranti Burnett, PhD, encourages husbands and wives to rethink their vows and consider whether sexual exclusivity should remain the rigid foundation of a good marriage, an ideal that too often leads to secrets and lies and the dissolution of relationships meant to last a lifetime. To strengthen the vow "until death do us part" it may be necessary to place less importance on the vow "to forsake all others." Honest conversations about our sexual needs could lead to real changes in the institution of marriage for the twenty-first century. To guide the conversation, Dr. Burnett draws on her thirty years of clinical experience, listening to the secrets of men and women grappling with their warring needs for freedom and commitment. She shares the stories told to her by urban, educated, thirty-something clients whose values and struggles reflect the significant changes in our sex lives over the past half-century. In *Sex, Secrets, and Lies*, Dr. Burnett informs couples that a solid marriage consists of an honest, ongoing conversation requiring courageous disclosure and respectful listening that promotes understanding and forgiveness--and that having someone to count on for a lifetime may be the true meaning of monogamy.

Oh, you may think you have, at times eliciting vocal responses or squirms of seeming pleasure from your partner. And in comparison to your peers, your intimate moments may be a step above the curve. But according to author of *Slow Sex Secrets: Lessons from the Master Masseur Adam Tokunaga*, you haven't. Why? Because only he has had truly earthshattering sex, and because only he has unlocked the secrets to the kind of sex that even the ancient Indian masters of the Kama Sutra envy. A word-of-mouth bestseller in Japan, *Slow Sex Secrets: Lessons from the Master Masseur* enlightens today's selfish man to the debilitating effects of self-centered sex. Through in-depth analyses, based on more than a thousand sexual encounters with women, Japanese sexpert Adam Tokunaga reveals the secrets to having mind-blowing sex. Concepts and strategies include: • "Time"—the magic word. But don't be fooled; "longer" is not necessarily the key, but an important facet to be married with "quality." • The plague of "junk sex"—men's concept of orgasming as if the act were the finish line of a race to be run as quickly as possible, leaving women to become disillusioned with sex, causing them to become "frigid." • The "Adam Touch"—Tokunaga's secret massage-derived technique that drives women wild. • Adam's G-spot, the amazing T-spot, and uncovering the secrets of the mysterious A-spot.
