*The Recipe Box* - Sandra Lee  
2013-07-02  
From New York Times bestselling author Sandra Lee comes her debut novel, a heartwarming story about food, family, and forgiveness. Grace Holm-D'Angelo is at her wit's end, trying to create a new life from broken pieces. Newly divorced, she is navigating suddenly becoming a single mother to her fourteen-year-old daughter. Emma, resentful about being uprooted from Chicago to LA and still reeling from the divorce, is generally giving her mother a hard time. Then Grace's best friend, Leeza, succumbs to breast cancer after a long battle, and Grace realizes that you don't get a second chance at life. She returns to her hometown of New London, Wisconsin, to try to reconcile with her own mother, Lorraine, with whom she's been estranged for longer

than she cares to remember. Over the course of the summer, Grace rediscovers the healing powers of cooking, coming to terms with your past, and friendship, and learns you can go home again, and sometimes that's exactly where you belong. *The Recipe Box* celebrates mothers, daughters, and friendships, and also features Sandra's delicious original recipes.

**Simply Irresistible** - Jennifer Banash 2009-07-07  
in her high rise. She's climbing the social ladder, to the dismay of her neighbor and rival, Madison Macallister. And Casey could end up as popular as Madison now that the two are set to star in their own reality show, "De-Luxe." But reality TV can be so unreal... Madison loves the attention, but having every bit of her life caught on tape is often less than glamorous. Yet fame

comes at a price-and she's willing to pay. Meanwhile, now that Casey and her almost-boyfriend Drew Van Allen are currently more off than on, she's beginning to wonder if everything in her life is just an illusion-and how much longer the illusion can last.

**Vintage Fashion & Couture** - Kerry Taylor 2017-02-13

"I thought I knew almost everything about the history of fashion until I met Kerry Taylor. The inside-out knowledge she has of garments will inspire both students and designers to look at fashion with fresh eyes." - Sarah Mower, US Vogue "This beautiful book by Kerry Taylor - the go-to woman for vintage and antique couture - is a treat for collectors and fashion lovers alike." - The Wall Street Journal "Whatever my question about vintage, Kerry Taylor has the answer. Her expertise, knowledge and historical anecdotes have raised the level of interest in this subject hugely." -Lisa Armstrong, Daily Telegraph Named one of Glamour Magazine's "Must-

Read Style Books"! Profiled by Vogue and The New York Times and courted by style icons with wardrobes to sell and top designers in search of inspiration, Kerry Taylor is one of the world's leading experts on vintage fashion and couture. In this lavishly illustrated book, Kerry tells the story of a century of fashion through the work of its key design talents and the memorable women who have worn their creations. All the fashion stars are here from Poiret to McQueen via Lanvin, Chanel, Schiaparelli, Madame Grès, Dior, Balenciaga, Mary Quant, Ossie Clark, Vivienne Westwood, Alaïa, and Margiela. For each designer Kerry explores their career through a dazzling range of clothes and accessories, explaining what makes each item so desirable to the collector or wearer of vintage fashion. Each chapter includes at least one 'style icon' whose relationship with fashion has had a lasting impact, including Baba D'Erlanger, Lauren Bacall, Grace Kelly, Catherine Deneuve, Paloma

**25 Albums that Rocked the World** - Chris Charlesworth  
2009-12-09

From Elvis Presley's Sun Sessions to Radiohead's OK Computer, here is the very best of rock and pop music of the Twentieth Century. A consumer's critical guide to the music, enabling the reader to select the very best of an artist's repertoire before making a buying decision.  
*Ripped: T-Shirts from the Underground* - Cesar Padilla  
2010-03-09

A visual history of counterculture music T-shirts, spanning the defining era of indie music. *Ripped* is the first book to document the shirts of the post-punk and indie period, after the submission of 1960s rock 'n' roll to mass popularity and before the onset of ironic consumerism. Carefully selected from the archives of vintage fashion collector Cesar

Padilla, the 200 T-shirts in this book are classic examples of rare and extremely limited shirts created by and for the very bands who embodied the true essence of the DIY and indie movements—from The Ramones to Sonic Youth, John Cale, Talking Heads, Madonna, X, Pil, The Germs, and many others. Each shirt has been photographed in all its gritty, sweat-stained glory just as it was found—on the street, in a thrift store, or inherited from a friend. Introduced by Lydia Lunch, the book includes recollections and ruminations from musicians, fashion designers, and pop culture personalities on the enigmatic and enduring appeal of the rock band T-shirt.

**A Vintage Murder** - Michele Scott 2015-12-16

When things in the land down under start to heat up, murder steps in. Nikki and her boss-turned-boyfriend came to Australia to visit the Hahndorf Winery, but it seems they've also walked onto a movie set. And when lead actress Lucy Swanson is found dead in her

trailer, bitten by a poisonous snake, Nikki must comb the vineyards of the valley to catch a killer with a venomous streak—before she's struck herself.

*Safe with a SEAL - Taming the Bodyguard* - Maura Troy  
2022-02-08

Why should she trust the man who got her kidnapped? Because he's her only hope of getting out alive. Erienne Stuart is on a mission, and her plan to seduce a sexy stranger is working out better than she'd hoped. Fitz is hot, charming, and just the right bad boy she was looking for to help tear down her very personal roadblock. But her night of seduction takes a chilling turn when she becomes the pawn of the ruthless enemies who want Fitz dead, and they won't think twice about killing her to extract their revenge. Much as she now wishes she never laid eyes on Fitz, he's her only chance for survival. He'd wanted to savor every inch of her body. Now he needs to save her life. OASIS operative and former

Navy SEAL Mordecai "Fitz" Fitzjames should have known it wasn't meant to be with the blonde goddess who'd practically fallen into his lap. The minute Erienne walked into the local biker bar, he'd known she was both out of her depth and out of his league. But that didn't mean he couldn't take her for the walk on the wild side she'd come looking for. His plans for a single night of passion are obliterated when the vicious drug lord he's investigating snatches Erienne, forcing Fitz to become her bodyguard instead of her lover. Knowing it's his fault she's in this lethal mess, he will lay down his life to save hers.

**Making Steven Famous** - Dave Walker 2022-12-01  
Columnist Donny Love, after twenty years of chasing dreams, returns to his gritty hometown of Hamilton, Ontario with his wife Allison, whose patience is wearing thin. They're expecting their first child and the pressure's on. He takes a job writing an entertainment column for the

Hamilton Gazette, the steel town's daily paper. In the midst of a mid-life crisis, he writes a series of columns inventing a heroic and fantastic past for a long-lost friend named Steven McCartney. The columns take on a life of their own, as the public goes crazy for this mythical figure. Soon, Donny's exaggerated claims begin to haunt him in unexpected and humorous ways, as the column spreads like wildfire across North America. Even Hollywood latches onto the story, with ridiculous results!  
**Nephilim** - John Barrowman  
2017-05-04

Seventeen-year-old Rémy is a Conjuror - someone who can alter reality with his music. But such a talent comes with a price. He and his superpowered friends, Matt and Em Calder, are engaged in a dangerous battle to save humanity as we know it. If they are to succeed, they must first decide who to trust. An amoral seventeenth-century artist? A quick-witted gang leader? Or a nephilim, half angel and half human, with silver-flecked

wings? But time is running out. The friends must take action soon. For when fallen angels rule, chaos will reign.

**Winona Ryder** - Nigel Goodall  
2023-05-02

Using none of the traditional routes, Winona Ryder established herself as the single most exciting actress of her generation. From her Hollywood movie debut at the age of thirteen to starring alongside Sigourney Weaver in *Alien Resurrection*, this affectionate biography traces the events and circumstances that shaped her career and propelled her from teen star to cultural icon. This specially prepared digital edition has been completely revised by restoring passages cut out of the original 1998 manuscript together with the addition of new material.

*The Secret Lives of Teachers* - Anonymous  
2015-09-11

Welcome to "East Hudson," an elite private school in New York where the students are attentive, the colleagues are supportive, and the tuition would make the average

person choke on its string of zeroes. You might think a teacher here would have little in common with most other teachers in America, but as this veteran educator—writing anonymously—shows in this refreshingly honest account, all teachers are bound by a common thread. Stripped of most economic obstacles and freed up by anonymity, he is able to tell a deeper story about the universal conditions, anxieties, foibles, generosityes, hopes, and complaints that comprise every teacher's life. The results are sometimes funny, sometimes scandalous, but always recognizable to anyone who has ever walked into a classroom, closed the door, and started their day. This is not a how-to manual. Rather, the author explores the dimensions of teaching that no one else has, those private thoughts few would dare put into a book but that form an important part of the day-to-day experience of a teacher. We see him ponder the clothes that people wear, think frankly about money (and the

imbalance of its distribution), get wrangled by parents, provide on-the-fly psychotherapy, drape niceties over conversations that are actually all-out warfare, drop an f-bomb or two, and deal with students who are just plain unlikeable. We also see him envy, admire, fear, and hope; we see him in adulation and uncertainty, and in energy and exhaustion. We see him as teachers really are: human beings with a complex, rewarding, and very important job. There has been no shortage of commentary on the teaching profession over the decades, but none quite like this. Unflinching, wry, and at times laugh-out-loud funny, it's written for every teacher out there who has ever scrambled, smirked, or sighed—and toughed it out nonetheless.

**The T-shirt Book** - Charlotte Brunel 2002

During the 1950s, the T-shirt, rebelliously cultivated by such legends as James Dean and Marlon Brando, became an essential item in every adolescent's wardrobe, and it

has remained so ever since.

Both democratic and fashionable, this basic yet timeless piece of clothing is an expressive forum coveted by political movements, the art world, and advertising alike. The T-shirt--herald of striking messages, carrier of poignant slogans--has written the history of the modern world. Whether vintage or personalized, the T-shirt truly deserves a genuine biography.

**Sex and Seditonaries** - PunkPistol 2006

*Beautiful Liars* - Kylie Adams  
2012-03-01

The rich and glamorous never need to sleep alone. At least, that's the theory. Gorgeous, successful, and pampered women like Emma Ronson and Simone Williams, the hosts of TV's hottest new daily talk show, *The Beehive*, seem to have New York--and all of the men in it--at their feet. But behind the scenes, it's a much different story. . . Emma left a career in serious journalism for daytime popularity, and now she's interviewing barely

literate reality stars as she watches her credibility slip away. Even worse, she's also sharing the Beehive couch with Sutton, an aging news diva who's doesn't miss a chance to stick her claws into Emma for stealing her media mogul boyfriend. Simone, a Black American Princess and former teen model, is drowning in debt that her Beehive salary can't begin to cover, and her famous ex has just crossed the line from stalker to psycho. Caught up in a wild mix of cheating boyfriends, scheming rivals, velvet-rope catfights, backstabbing exes, and bloodthirsty gossip columnists, the city's most beautiful people are about to discover just how ugly life at the top can get. . .

Kylie Adams is the author of *Ex-Girlfriends*, *Fly Me to the Moon*, *Baby, Baby*, and the USA Today bestsellers *The Only Thing Better than Chocolate* (with Janet Dailey and Sandra Steffen) and *Santa Baby* (with Lisa Jackson, Elaine Coffman, and Lisa Plumley). She is a contributing editor to *The South*, a regional

bimonthly magazine that features her pop culture/humor column, "Kylie Says." She lives in Brandon, Mississippi, where she is currently at work on her next novel.

**Dreams of the Dead** - Saralin Cook

I know what you're thinking. But forget what you know about the *Morningstar*. This isn't a cute adaptation, this is my eternity, and being the half-demon daughter of a god isn't all it's cracked up to be. From privileged princess to weaponized demon hunter... it's time to prove I can fight my way home. A princess of the Fire Realm isn't supposed to fall in love. I was promised to a son of the Cloud Realm to end a millennia's old war between the two. But fate had other plans for me. Now I'm being punished for my rebellion, and my banishment means an eternity on Terran cleaning up demonic messes until I hit my quota. One thousand demonic souls banished back to the Fire Realm. That's the deal. I'm almost there. I'm almost halfway home, and not a

moment too soon. Three hundred years on Terran is starting to mess with my head. But hey, we all have our demons. ... I always get into trouble in Los Angeles, but there has to be a reason that I'm here. The only problem is, I can't decide whether it's the visions that have pulled me here... or something else. Kids go missing in this city all the time, but Alice is different, and I have to find out why. The only reason I know this is different? Because there's a man on my doorstep with an LAPD badge asking for my help, and when Adam comes knocking, I can't say no. My immortal soulmate knows I will do anything for him, but that's how it is after centuries of being in love. Where there's smoke there's fire, they say. And I can smell brimstone from a mile away. Los Angeles is rank with it, except there's only one demon I'm looking for, and I need to send it packing before it does some real damage. But first, I'm going to need more coffee. From author Saralin Cook, *Dreams of the Dead* is Book 1

in the ongoing Hellbound saga. Welcome to a world of magic, adventure, immortal love, mouthy (but loyal) cat sidekicks, and a kick-ass heroine saving the human world... one demon at a time. Reader Be Warned: this book contains adult situations and language, and a healthy helping of graphic violence. *Rock Tease* - Erica Easley 2006-09

The authors present 200 photos of the greatest rock T-shirts from three decades. The socio-fashion phenomenon, the creativity, and artistic freedom on display is matched only by the music behind the names. [Classic Rock T-shirts](#) - Lisa Kidner 2012-03

T-shirts have become an essential fashion statement--a form of self-definition for both the average person and those in cutting-edge subcultures. This fascinating compilation takes you on a visual journey through the most popular, style-setting rock-based tees from the 1970s and '80s. [Punk Shirts](#) - Bryan Ray Turcotte 2019-07

Hundreds of examples from the author's personal collection of well-worn vintage punk shirts line the pages of bestselling author Bryan Ray's latest book. Amazing one-of-a-kind pieces including internationally famous t-shirts such as Sid Vicious' personal Sex Pistols shirt, Joe Strummer's, 'Rude Boy', hand painted red brigade Tee and Darby Crash's personal Vivian Westwood 'Boobs' seditonaries T-Shirt. Turcotte's collection also features gems such as a hand drawn Ric Clayton (RxCx) Suicidal Tendencies button-up featured on the back of the band's first LP, dozens of Malcolm McLaren / Vivienne Westwood creations and loads of very rare band tees

including Misfits, The Cramps, The Clash, Sex Pistols, The Screamers, Germs, Mentors and more.

**Cult T-Shirts** - Michael Reach 2022-07-21

Seminal and subversive. Iconic and experimental. Radical and underground. This collection of over 500 vintage T-shirts has them all. Symbols of rebellion - worn by skaters, punks, metalheads and surfers alike - T-shirts have dominated pop culture for decades. Featuring stunning photographs of each tee, interviews from die-hard collectors and rare treasures from celebrated designers, Cult T-Shirts is a nostalgic dive into the world of 70s and 80s rebel subcultures.

kind, she's unbelievably rich, and she has the perfect boyfriend. Until she meets Alexi Vronsky. He's a notorious playboy, totally gorgeous, and he only has eyes for Anna. Despite everyone who matters in New York talking about her, Anna still just can't resist Vronsky. Even if it means her carefully crafted life could come crashing down. Perfect for fans of Crazy Rich Asians and Gossip Girl this is an

addictive and subversive reimagining of Leo Tolstoy's timeless love story Anna Karenina. "A fresh and wickedly smart take on a classic story. Anna is even more scandalously fun now, in the age of stilettos and social media, than she was in 19th century Russia. I couldn't put this one down." Katharine McGee, New York Times bestselling author of American Royals
