A guide to dating and sexuality for young people. *Women of Desire* - Habeeb Akande 2021-07-01 Sexually empowered women have long existed in Islam but their stories are often untold. Female sex experts and pleasure-positive Muslim women were often cited in erotic Arabic literature dating back to the ninth century. According to early African and Arab writers, feminine women have a greater capacity for desire and pleasure

than men. The medieval manuals emphasised the physical needs of women and the importance of emotional intimacy for a fulfilling marital relationship. Natural aphrodisiacs and sensual practices were recommended to improve connection and sexual satisfaction. Drawing upon ancient erotica and contemporary research, this book provides a cross-cultural guide for God-conscious women to overcome desire problems and achieve sexual compatibility with a spouse. The book presents stories of 40 sexually empowered Muslim women in history including religious scholars, poets, activists, anti-FGM campaigners, sex educators, and historical figures.

How can you experience sizzling and satisfying sex in your marriage if you can't even talk about it? Yet couples often struggle to understand their spouse and discuss their sex life. Getting the conversation started can be awkward, create more confusion, or result in conflict. *Pillow Talk: 40 Conversations about Sex for Married Couples* provides the right framework for productive communication on a myriad of issues, from physical health to building trust to sexual fantasies. *Pillow Talk* teaches you how you to ask questions, listen, and converse in a way that will avoid argument and promote understanding and intimacy. Each chapter introduces a topic, presents questions to ask one another, outlines a biblical viewpoint on the subject, and concludes with active steps to help your progress sink

in. From bestselling Christian sex author, blogger, and podcaster J. Parker, of *Hot, Holy & Humorous, Pillow Talk* will help your marriage bed move from awkward to amazing.

Sex before Marriage. What's the harm? -

Daniele Luciano Moskal 2014-12-13

God is a holy God who feels very strongly about SEX before marriage and has listed it in the Holy Bible as one of His most serious offenses we can commit. He has made a strong moral statement on how He feels about unmarried people and sex relations which is found in the Book of 1 Corinthians, chapter 6, verses 9-10. ""Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God."" Many people know that in marriage adultery is wrong, but don't realize that God considers pre-marital sex

Things I Wish I'd Known Before We Got Married

- Gary Chapman 2010-09-01

OVER 500,000 COPIES SOLD! "Most people spend far more time in preparation for their vocation than they do in preparation for marriage." With more than 45 years of experience counseling couples, Gary has found that most marriages suffer due to a lack of preparation and a failure to learn to work together as intimate teammates. So he put together this practical little book, packed with wisdom and tips that will help many develop the loving, supportive, and mutually beneficial marriage they envision, such as: What the adequate foundation for a successful marriage truly is What to expect about the roles and

influence of extended family How to solve disagreements without arguing How to talk through issues like money, sex, chores, and more Why couples must learn how to apologize and forgive Ideal for newly married couples and those considering marriage, the material lends itself to heart-felt, revealing, and critical conversations for relational success. Read this book and you'll be prepared for—not surprised by—the challenges of marriage. - Bonus features include: Book suggestions and an interactive website to enhance the couples' experience "Talking it Over" questions and suggestions to jumpstart conversations over each chapter Appendix on healthy dating relationships and an accompanying learning exercise

From Single to Serious - Dana M. Malone 2018-01-31

College students hook up and have sex. That is what many students expect to happen during their time at university—it is part of growing up and navigating the relationship scene on most American campuses today. But what do you do when you're a student at an evangelical university? Students at these schools must

negotiate a barrage of religiously imbued undercurrents that impact how they think about relationships, in addition to how they experience and evaluate them. As they work to form successful unions, students at evangelical colleges balance sacred ideologies of purity, holiness, and godliness, while also dealing with more mainstream notions of popularity, the online world, and the appeal of sexual intimacy. In *From Single to Serious*, Dana M. Malone shines a light on friendship, dating, and, sexuality, in both the ideals and the practical experiences of heterosexual students at U. S. evangelical colleges. She examines the struggles they have in balancing their gendered and religious presentations of self, the expectations of their campus community, and their desire to find meaningful romantic relationships.

Premarital Sex in America - Mark Regnerus

2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? *Premarital Sex in America* combines illuminating personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young

people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, *Premarital Sex in America* will serve as a touchstone for years to come.

True Love Dates - Debra K. Fileta 2013-10-08
It is possible to find true love through dating. In *True Love Dates*, Debra Fileta encourages singles not to "kiss dating goodbye" but instead

to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. *True Love Dates* provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, *Truelovedates.com*, and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of

hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

Sex Before the Sexual Revolution - Simon Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the

body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.

[Time for The Talk](#) - Steve Zollos 2011-01-01
Time for The Talk will help fathers walk their sons through one of the most important conversations of their lives. "The Talk" is much broader than just a talk about sexuality; it's a conversation about manhood, about right decisions, about Christ. Time for The Talk will help you give your son what he needs to steer through the moral and spiritual confusion of this world and make wise, godly, character-forming decisions. You will be equipping him to enter true manhood—a passage that many young men today simply never make. Time for The Talk provides a complete framework for discussing the key areas of manhood that every boy should

Sex Before Marriage - Ashlyn R Watkins

2019-07-21

If you are feeling chained to or curious about sex, but also trying to live your life for God, this book is for you. It sounds crazy to form a sentence that way, but that is who I was. I was a young girl who loved God and deeply wanted to live a good Christian life but became caught up in wanting to feel wanted. I found myself falling into bed with terrible decisions and the worst thing is I had no one to talk to about it. I had a loving church community, but unfortunately, no one talked openly about the secret struggles of sex. Religion somehow kept us together on the outside but trapped to secrecy on the inside. If only someone felt free enough to listen to me and brave enough to help me understand that my sexual curiosities were normal, then maybe I would have kept my virginity. If only someone

would have taken the time to be real with me and share their mistakes about sex, then maybe I would have stopped after the first guy. If only someone was willing to step away from performing church and actually be the church, then maybe I would not have ended up with so many regrets. However, since I did not get that then, I will be that for someone else now. I will not live in those regrets; instead, I will allow my pain to become a lesson for you. I will give you the truth about sex before marriage in the honesty I wish was given to me. Although you will read scriptures, I guarantee you this will not be your average Bible group purity class. You will read details of my experiences in a way that is not taught in church but needed to help you overcome temptation. If you are comfortable enough to embrace that, then this book will bring you the understanding you need to keep yourself from having sex before marriage.
