

Sexual Behaviour In Britain

Sex Before the Sexual Revolution - Simon Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.

Sex and Sexuality in Victorian Britain - Violet Fenn 2020-05-30

Peek beneath the bedsheets of nineteenth-century Britain in this affectionate, informative and fascinating look at sex and sexuality during the reign of Queen Victoria. It examines the prevailing attitudes towards male and female sexual behavior, and the ways in which these attitudes were often determined by those in positions of power and authority. It also explores our ancestors' ingenious, surprising, bizarre and often entertaining solutions to the challenges associated with maintaining a healthy sex life. Did the people in Victorian times live up to their stereotypes when it came to sexual behavior? This book will answer this question, as well as looking at fashion, food, science, art, medicine, magic, literature, love, politics, faith and superstition through a new lens, leaving the reader uplifted and with a new regard for the ingenuity and character of our great-great-

grandparents.

Empire and Sexuality - Ronald Hyam 2004

Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as it did on the subordinate societies, the "Studies in Imperialism" series seeks to develop the new socio-cultural approach which has emerged through cross-disciplinary work on popular culture, media studies, art history, the study of education and religion, sports history and children's literature. The cultural emphasis embraces studies of migration and race, while the older political, and constitutional, economic and military concerns are never far away. It incorporates comparative work on European and American empire-building, with the chronological focus primarily, though not exclusively, on the 19th and 20th centuries, when these cultural exchanges were most powerfully at work. This work explores the sexual attitudes and activities of those who ran the British Empire. The study explains the pervasive importance of sexuality in the Victorian Empire, both for individuals and as a general dynamic in the working of the system. Among the topics included in the book are prostitution, the manners and mores of missionaries and aspects of race in sexual behaviour.

Family Newspapers? - Adrian Bingham 2009-02-26

Family Newspapers? provides the first detailed historical study of the modern popular press's coverage of sex and private life, from the start of the mass newspaper reading boom in 1918 to the triumph of the Sun's sexualised journalism in 1978. In this period, newspapers were at the heart of British popular culture, and Fleet Street's preoccupation with sex meant that the press was a hugely significant source of knowledge and imagery about sexual behaviour, personal relationships, and moral codes. Focusing on changing ideas of what sexual content was deemed 'fit to print', Adrian Bingham reveals how editors negotiated the

tension between exploiting public curiosity about sex and ensuring that their journalism remained within the bounds of acceptability for a 'family newspaper'. The study challenges established interpretations of social change by drawing attention to the ways in which the press opened up the public discussion of sexuality before the 'permissiveness' of the 1960s.

Exploring the spectacular diversity of the press's sexual content - from advice columns to pin-ups, from court reports to celebrity revelations - Bingham offers a rich and thought-provoking investigation of a media form that has done much to shape the character of modern Britain. *Shame and Modernity in Britain* - Anne-Marie Kilday 2017-02-20

This book argues that traditional images and practices associated with shame did not recede with the coming of modern Britain. Following the authors' acclaimed and successful nineteenth century book, *Cultures of Shame*, this new monograph moves forward to look at shame in the modern era. As such, it investigates how social and cultural expectations in both war and peace, changing attitudes to sexual identities and sexual behaviour, new innovations in media and changing representations of reputation, all became sites for shame's reconstruction, making it thoroughly modern and in tune with twentieth century Britain's expectations. Using a suite of detailed micro-histories, the book examines a wide expanse of twentieth century sites of shame including conceptions of cowardice/conscientious objection during the First World War, fraud and clerical scandal in the interwar years, the shame associated with both abortion and sexual behaviour redefined in different ways as 'deviant', shoplifting in the 1980s and lastly, how homosexuality shifted from 'Coming Out' to embracing 'Pride', finally rediscovering the positivity of shame with the birth of the 'Queer'.

[Sex, Gender and Social Change in Britain since 1880](#) - Lesley A. Hall 2017-09-16

Sexual attitudes and behaviour have changed radically in Britain between the Victorian era and the twenty-first century. However, Lesley A. Hall reveals how slow and halting the processes of change have been, and how many continuities have persisted under a façade of modernity. Thoroughly revised, updated and expanded, the

second edition of this established text: • explores a wide range of relevant topics including marriage, homosexuality, commercial sex, media representations, censorship, sexually transmitted diseases and sex education • features an entirely new last chapter which brings the narrative right up to the present day • provides fresh insights by bringing together further original research and recent scholarship in the area. Lively and authoritative, this is an essential volume for anyone studying the history of sexual culture in Britain during a period of rapid social change.

Sexual Behaviour and AIDS in Britain - Ernest George Knox 1993

How will the AIDS epidemic grow in Britain and how might it be contained? This report investigates contemporary sexual behaviour in Britain, reviewing the progress of the epidemic to date and describing the social and political responses to it.

Sex and Sexuality in Stuart Britain - Andrea Zuvich 2020-09-19

An expert in Stuart England examines the sexual lives of Britons in the seventeenth and early eighteenth centuries in this frank, informative, and revealing history. Acclaimed Stuart historian Andrea Zuvich explores the sexual mores of Stuart Britain, including surprising beliefs, bizarre practices, and ingenious solutions for infertility, impotence, sexually transmitted diseases, and more. Along the way, she reveals much about the prevailing attitudes towards male and female sexual behavior. Zuvich sheds light not only on the saucy love lives of the Royal Stuarts, but also on the dark underbelly of the Stuart era with histories of prostitution, sexual violence, infanticide, and sexual deviance. She looks at everything from what was considered sexually attractive to the penalties for adultery, incest, and fornication. *Sex and Sexuality in Stuart Britain* touches on the fashion, food, science, art, medicine, magic, literature, love, politics, faith and superstition of the day.

Rules of Desire - Cate Haste 1992

This book tells the history of the changing sexual attitudes of 20th-century Britain: the free love debate, the sex psychologists, the bright young things, homosexual life in the thirties, secret sex and World War II, the sixties and the pill, gay rights, rape laws, the impact of AIDS and whole

body sensuality.

Sexual Behaviour in Britain - Kaye Wellings 1994

Originally commissioned by the NHS - partly as a response to the growing problem of AIDS - this book provides comprehensive information on the sexual attitudes and lifestyles of the British population. Its conclusions are based on statistical analysis of the response given by 20,000 Britons.

Sex and Sexuality in Georgian Britain - Mike Rendell 2020-12-14

"A thorough examination of the morals and mindset of Georgian Britons towards sex and sexuality . . . well-written, engaging and educational." —Caitlyn Lynch, USA Today- bestselling author Peek beneath the bedsheets of eighteenth- and early nineteenth-century Britain in this affectionate, informative and fascinating look at sex and sexuality during the reigns of Georges I-IV. It examines the prevailing attitudes towards male and female sexual behavior, and the ways in which these attitudes were often determined by those in positions of power and authority. It also explores our ancestors' ingenious, surprising, bizarre and often entertaining solutions to the challenges associated with maintaining a healthy sex life. Did the people in Georgian Britain live up to their stereotypes when it came to sexual behavior? This book will answer this question, as well as looking at fashion, food, science, art, medicine, magic, literature, love, politics, faith and superstition through a new lens, leaving the reader enlightened and with a new regard for the ingenuity and character of our ancestors. "This book was funny, at times, and for a slim volume is quite comprehensive . . . Good introduction to the period, very easy to read and entertaining." —Rosie Writes . . .

[The True Sexual Behaviour of the British](#) - Colin Francome 2012

Sex Life in England - Iwan Bloch 2017-04-20

First published in 1934, "Sex Life in England" explores the history and development of sexual behaviour in England throughout history, looking at the concept of debauchery, famous people and cases, sexual perversion in the Arts, and much more. This volume will appeal to those with an interest in how ideas surrounding sex

have changed over the years, and it would make for a fantastic addition to collections of allied literature. Contents include: "Debauchers of Court Life," "Gallant Ladies," "Famous Rakes," "Indecent Fashions," "Sexual Quacks," "Homosexuality," "Sadism and Masochism," "Curious Sexual Instruments," "Flagellation," "Sexual Perversions," "Indecency in the Theatre," "Music and Immorality," "Erotic Dancing and Pastimes," etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality, edition complete with the original text and artwork.

Sex and the British - Paul Ferris 1993

Sexuality in Eighteenth-century Britain - Paul-Gabriel Boucé 1982

Empire and sexuality - Ronald Hyam 2017-03-01

Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as it did on the subordinate societies, the "Studies in Imperialism" series seeks to develop the new socio-cultural approach which has emerged through cross-disciplinary work on popular culture, media studies, art history, the study of education and religion, sports history and children's literature. The cultural emphasis embraces studies of migration and race, while the older political, and constitutional, economic and military concerns are never far away. It incorporates comparative work on European and American empire-building, with the chronological focus primarily, though not exclusively, on the 19th and 20th centuries, when these cultural exchanges were most powerfully at work. This work explores the sexual attitudes and activities of those who ran the British Empire. The study explains the pervasive importance of sexuality in the Victorian Empire, both for individuals and as a general dynamic in the working of the system. Among the topics included in the book are prostitution, the manners and mores of missionaries and aspects of race in sexual behaviour.

Sexual Attitudes and Lifestyles - Anne M Johnson 1994-03-30

The field of sexual behaviour has been notoriously neglected in social research and there has been no major survey of sexual behaviour since the Kinsey report in the late 1950s. Various social and health problems, including the AIDS epidemic and the increase in teenage pregnancies have recently underlined the need for an up to date and authoritative analysis of current sexual behaviour. *Sexual Attitudes and Lifestyles* is the result of a major statistical survey of the sexual behaviours and attitudes of 20,000 UK citizens, collected by written questionnaires and face to face interviews. It is the most comprehensive and up to date source of information on human sexual behaviour available and the first official UK-based resource ever published.

Sex, Death and Punishment - Richard Peter

Treadwell Davenport-Hines 1990

In this book the author examines attitudes to sexuality in Britain with a special emphasis on the prudery, fear and hatred of deviance that underly those attitudes. He describes the self-hatred that often leads to persecution of homosexuals and sufferers of venereal disease, including AIDS.

Attitudes Towards Sexual Behaviour of British Born Chinese Teenagers - Juping Yu 2004

Sex Education - Philip Meredith 1989

In this book Phillip Meredith focuses upon the British situation in order to investigate the political management of sex education in schools.
