SCM Core Text Theology and Sexuality - Susannah Cornwall
2013-02-18

The SCM Core Text Theology and Sexuality provides a clear overview of the theological debate surrounding sexuality as broadly understood. It gives an outline of the major themes surrounding sexuality in theological perspective, focusing on key thinkers, concepts, and areas of discussion. This student-friendly textbook is aimed at theology students and ordinands studying at undergraduate level 3 and MA level who are undertaking modules on theology and sexuality, gender, sex and the human body. It is also accessible to Christian clergy and laypeople who wish to engage with issues of sexuality in congregations. The use of extensive glossaries, breakout definitions and examples makes the book accessible to those with little existing knowledge of contemporary debates on theology and sexuality. The book includes chapters on definitions of

sexuality, sexuality in the Christian tradition, Christian approaches to marriage, celibacy and virginity and same-sex relationships.

Sexuality Today - Gary F. Kelly 2004

Balances the psychological, biological/physiological, and social elements of human sexuality, integrating the research findings and social trends. Presenting various sides of controversial topics in a neutral voice, here, students are trusted to weigh the facts with their own ideas and the views of others in a class.

Sexual Conduct - William Simon 2017-07-05

The first edition of *Sexual Conduct*, published in 1973, swiftly became a landmark text in the sociology of sexuality. It went on to profoundly shape the ideas of several generations of scholars and has become the foundation text of what is now known as the "social constructionist" approach to sexuality. The present edition, revised, updated, and containing new introductory and concluding

materials, introduces a classic text to a new generation of students and professionals. Traditional views of human sexuality posit models of man and woman in which biological arrangements are translated into sociocultural imperatives. This is best summarized in the phrase "anatomy is destiny." Consequently, the almost exclusive concern has been with the power of biology and nature in sexual conduct as opposed to understanding the significance and impact of social life. In *Sexual Conduct*, Gagnon and Simon lucidly argue that sexual activities, of all kinds, may be understood as the outcome of a complex psychosocial process of development. Using the social script theory, the authors trace the ways in which sexuality is learned and fitted into particular moments in the lifecycle and in different modes of behavior. *Sexual Conduct* is a major attempt to consider sexuality within a non-biological, social psychological framework. It is a valuable

addition to the study of human sexuality, and will be of interest to students of sociology, psychology, psychiatry, social work, and medicine.

Human Sexuality Today - Bruce M. King 2005

"This appealing, readable and humanistic guide to human sexuality achieves a sound balance between facts and understanding, giving readers the information they need to make responsible decisions and helping them feel comfortable about themselves while learning about their sexuality. A wide range of chapter topics discuss hormones and sexuality, similarities and differences in our sexual responses, sexually transmitted and sexually related diseases, birth control, pregnancy and childbirth, communicating about sex, gender identity and gender roles, sexual orientation, love and relationships, sexual problems and therapy, sexual victimization, and sex and the law. For individuals seeking to learn more about human

sexuality and its most current issues. " -- Amazon.com viewed March 15, 2021.

[Making Sexual History](#) - Jeffrey Weeks 2013-05-28

Jeffrey Weeks has established an international reputation as one of the most original and influential writers on the social history of sexuality.

[America's Sexual Transformation](#) - Gary F. Kelly 2011-11-15

This book explains how the short-lived sexual revolution 50 years ago has led to the current evolution of our sexual values and behaviors and social standards among youth culture, examining topics such as communication technologies and sex, teen pregnancy, and divorce rates in the Bible Belt. Is an increase in sexual activity during adolescence a normal part of the transition to adulthood, or evidence of a societal problem? Why would conservative religious youth become sexually active earlier than their peers and be more likely to have an unintended pregnancy or sexually transmitted disease? How are

women continuing to lead our society's sexual transformation? Written by an author whose 40-year career in sexology and university administration provides a uniquely qualified perspective upon both sex research and the changing sexual perceptions of American youth, this comprehensive book is must-read for both parents and policy makers. America's Sexual Transformation traces the philosophical, cultural, and scientific developments responsible for the beginning and end of America's sexual revolution that have now spawned a more substantive sexual transformation. It examines traditional theories and attitudes regarding sex, and demonstrates how the findings of sex research provide entirely new paradigms that should replace outmoded and harmful theories. This groundbreaking book also explains who we are as sexual individuals and how we got to be that way.

Human Sexuality Today:

Pearson New International

Edition PDF eBook - Bruce M. King 2013-10-03

For Human Sexuality courses in psychology, sociology, anthropology, health and biology departments. (SP0801) This appealing, readable and humanistic guide to human sexuality achieves a sound balance between facts and understanding, giving students the information they need to make responsible decisions and helping them feel comfortable about themselves while learning about their sexuality. The text continues its reputation as the best value for the money with a built-in study guide at the end of each chapter. This new edition comes in an attractive, new four color design.

Practicing Safer Texts -

Kenneth Stone 2005-05-30

This book uses the ubiquitous comparison between food and sex as a framework for examining a number of texts from the Hebrew Bible, as well as later readings of those texts and interpretive issues raised by the texts. A range of biblical texts in which both food and

sex appear are analyzed in an interdisciplinary fashion with the help of both traditional tools of biblical scholarship and less traditional tools such as Queer studies and cultural anthropology. By utilizing a reading lens that relates food and sex to one another intentionally, rather than treating them separately, the book will among other things question the tendency of readers of the Bible to overstress the gravity of sexual matters in relation to other matters of potential ethical, theological, exegetical and cultural concern, such as food. At the same time, as the title *Practising Safer Texts* indicates, the book also proposes a pragmatic approach to biblical interpretation that uses strategies of "safer sex" as a sort of loose model. Such an approach assesses texts and readings of the Bible not in a universalizing fashion but rather in terms of their likely effects, for good or ill, on particular readers in particular contexts and situations (just as notions of "safer sex" ask us to

assess sexual acts not in a moralizing fashion but, rather, in terms of their likely effects on particular persons.

The Sex Texts - Arthur L. 2013-09-16

For all intent, virtually all accepted mainstream Catholic Christian tenets remain untouched for the past two millennia. It follows then that we take for evident truths—for example, our views on the Creator and creation’s sexuality, gender issues, and human relationship concerns—may in fact be nothing but establishment dogmas gleaned from wrong interpretation or translation of the original text and intent of Jesus Christ and the Bible authors. Now, isn’t the mere chance of that being true too scary? The Sex Texts: Sexuality, Gender, and Relationships in the Bible by L. Robert Arthur raises just that possibility, despite the strong likelihood of facing stiff criticism from many sectors, mostly of the established Catholic persuasion. Yet those inclined to know the true

message of Jesus Christ and his closest disciples may well take heed to scrutinize, at the very least, what Robert is trying to point out in his work. The Sex Texts: Sexuality, Gender, and Relationships in the Bible promises to raise a storm, but the public debate it could engender may yet start a new direction for the rest of humanity.

Human Sexuality Today - Bruce M. King 2014

Examines how human sexuality impacts students' lives today Human Sexuality Today Plus NEW MyPsychLab with eText - Access Card Package, 8/e ,is an appealing, readable, and humanistic guide to human sexuality, with a sound balance between facts and understanding. that helps measure students' success. With MyDevelopmentLab, students can watch videos on human sexuality, study key terms and concepts with flashcards, and develop critical thinking skills through writing.

Sexuality Today - Gary F. Kelly 1994

Exploring the Dimensions of Human Sexuality - Jerrold S.

Greenberg 2010-03-10

Exploring the Dimensions of Human Sexuality, Fourth Edition addresses all aspects of sexuality—biological, spiritual, psychological, and sociocultural—and presents the information both factually and impartially. Throughout the text, students will find an emphasis on health and well-being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality. Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality, sexual health, and sexual responsibility. Important

Voracious Children - Carolyn Daniel 2006

First Published in 2006.

Routledge is an imprint of Taylor & Francis, an informa company.

Postmodern Texts and Emotional Audiences -

Kimberly Chabot Davis 2007

Analyzes contemporary texts that bond together two seemingly antithetical sensibilities: the sentimental and the postmodern. This book presents case studies of audience responses to "The Piano", "Kiss of the Spider Woman", and "Northern Exposure". It argues that sentimental postmodernism deepened leftist political engagement.

Texts After Terror - Rhiannon Graybill 2021

"It is widely recognized that the Hebrew Bible is filled with rape and sexual violence. However, feminist approaches to the topic remain dominated by Phyllis Trible's 1984 *Texts of Terror*, which describes feminist criticism as a practice of "telling sad stories." Pushing beyond Trible, *Texts after Terror* offers a new framework for reading biblical sexual violence, one that draws on recent work in feminist, queer, and affect theory and activism against sexual violence and rape culture. In the Hebrew

Bible as in the contemporary world, sexual violence is frequently fuzzy, messy, and icky. Fuzzy names the ambiguity and confusion that often surround experiences of sexual violence. Messy identifies the consequences of rape, while also describing messy sex and bodies. Icky points out the ways that sexual violence fails to fit into neat patterns of evil perpetrators and innocent victims. Building on these concepts, *Texts after Terror* offers a number of new feminist strategies and approaches to sexual violence: critiquing the framework of consent, offering new models of sexual harm, emphasizing the importance of relationships between women (even in the context of stories of heterosexual rape), reading biblical rape texts with and through contemporary texts written by survivors, advocating for "unhappy reading" that makes unhappiness and open-endedness into key feminist sites of possibility. *Texts after Terror* also discusses a wide

range of biblical rape stories, including Dinah (Gen. 43), Tamar (2 Sam. 13), Lot's daughters (Gen. 19), Bathsheba (2 Sam. 11), Hagar (Gen. 16 and 21), Daughter Zion (Lam. 1 and 2), and the Levite's concubine (Judg. 19)"--

Human Sexuality in a World of Diversity - Spencer A. Rathus 2005

The perfect balance between science and pedagogy. "Human Sexuality in a World of Diversity," 7e examines the rich diversity found in human sexuality and helps students develop their own opinions by promoting critical thinking skills, personal sexual health awareness, and responsible decision-making. Firmly rooted in science, the text systematically encourages students to apply the research to their own lives.

Human Sexuality Today - Bruce M. King 1991

Perspectives on Human Sexuality - Anne Bolin
1999-07-01

Presents the first book-length examination of both the biological and cultural factors in human sexuality.

Human Sexuality Today - Bruce M. King 2002
