Appealed - Emma Chase 2016-01-19

The New York Times bestselling author of the Tangled books returns with the third standalone romance in the Legal Briefs series, a collection of sexy novels about first crushes, second chances, and the final verdict of the heart. When Brent Mason looks at Kennedy Randolph, he doesn't see the awkward, sweet girl who grew up next door. He sees a self-assured, stunning woman...who wants to crush the most intimate—and prized—parts of his anatomy beneath the heels of her Louboutins. When Kennedy looks at Brent, all she sees is the selfish, Abercrombie & Fitch catalogue-worthy teenager who humiliated her in high school in order to join the popular crowd. A crowd that made those years a living hell for her. But she's not a lovesick social outcast anymore—she's a Washington, DC, prosecutor with a long winning streak. Brent is the opposing attorney in her next case, and Kennedy thinks it's time to put him through a little hell of his own. But things aren't exactly working out the way she planned. Brent has his sights set on Kennedy, and every fiery

exchange only makes him want her more—and makes her wonder if he's as passionate in the bedroom as he is in the courtroom. In the end, they may just find themselves in love...or in contempt of court.

 Entre parenthèses met en scène le couple formé par Jake & Chelsea, héros de la saison 2 de Sexy Lawyers, la comédie sexy et romantique qui a bouleversé les lectrices. Il fut un temps où Jake Becker contrôlait sa vie, sa carrière et ne laissait aucune place à l'imprévu et aux sentiments. Mais ça, c'était avant... Aujourd'hui Jake est associé dans son propre cabinet d'avocats avec ses amis Stanton, Sofia et Brent, mais c'est aussi un mari et un père génial. Principles, Definitions and Model Rules of European Private Law - Study Group on a European Civil Code 2008

In this volume, the Study Group and the Acquis Group present the first academic Draft of a Common Frame of Reference (DCFR). The Draft is based in part on a revised version of the Principles of European Contract Law (PECL) and contains Principles, Definitions and Model Rules of European Private Law in an interim outline edition. It covers the books on contracts and other juridical acts, obligations and corresponding rights, certain specific contracts, and non-contractual obligations. One purpose of the text is to provide material for a possible "political" Common Frame of Reference (CFR) which was called for by the European Commission's Action Plan on a More Coherent European Contract Law of January 2003.

Overruled - Emma Chase 2015-04-28

Emma Chase, New York Times bestselling author of the Tangled series, returns with the first installment of the Legal Briefs series! A Washington, DC, defense attorney, Stanton Shaw keeps his head cool, his questions sharp, and his arguments irrefutable. They don't call him the Jury Charmer for nothing—with his southern drawl, disarming smile, and captivating green eyes, he's a hard man to say no to. Men want to be him, and women want to be thoroughly cross examined by him. Stanton's a man with a plan. And for a while, life was going according to that plan. Until the day he receives an invitation to the wedding of his high school sweetheart, the mother of his beloved ten-year-old daughter. Jenny is getting married—to someone who isn't him. That's definitely not part of the plan. *** Sofia Santos is a city-raised, no-nonsense litigator who plans to become the most revered criminal defense attorney in the country. She doesn't have time for relationships or distractions. But when Stanton, her "friend with mind-blowing benefits," begs her for help, she finds herself out of her element, out of her depth, and obviously out of her mind. Because she agrees to go with him to The-Middle-Of-Nowhere, Mississippi, to do all she can to help Stanton win back the woman he loves. Her head tells her she's crazy...and her heart says something else entirely. What happens when you mix a one-stop-light town, two professional arguers, a homecoming queen, four big brothers, some Jimmy Dean sausage, and a gun-toting Nana? The Bourbon flows, passions rise, and even the best-laid plans get overruled by the desires of the heart.

The Black Jacobins - C. L. R. James 2001-05-31

In 1789 the West Indian colony of San Domingo supplied two-thirds of the overseas trade of France. The entire structure of what was arguably the most profitable colony in the world rested on the labour of half a million slaves. In 1791 the waves of unrest inspired by the French Revolution reached across the Atlantic dividing the loyalties of the white population of the island. The brutally treated slaves of Saint Domingo seized at this confusion and rose up in rebellion against masters. In this classic work, CLR James chronicles the only successful slave revolt in history and provides a critical portrait of their leader, Toussaint

L'Ouverture, 'one of the most remarkable men of a period rich in remarkable men'.
