

Sick Bastards A Novel Of Extreme Horror Sex And Gore

Porn - Matt Shaw 2014-08-05

WARNING: THIS IS AN EXTREME HORROR NOVEL. There is gore. There is bad language. There are scenes of a sexual nature. PORN tells the tragic tale of Victoria Sheldon - a young lady who wanted nothing more than to become an actress. With times being hard Victoria finds herself in the world of the Adult Movie Industry where she soon carves a name for herself. The offers are flowing in, as is the money, as she becomes more and more popular amongst the producers but then she meets him...A man with an offer she can't refuse even if she wanted to. A man who has other ideas about how pornographic films should be filmed. A man catering for a much, much darker audience. From the Dark Mind behind Sick B*stards, Tortured and Rotting Dead F*cks - PORN is a violent tale of sex and revenge. It is intended for a mature audience only.

Live Girls - Ray Garton 2018-01-15

The garish neon lights of New York City's Times Square can be very seductive. And so can the promises of dark pleasures on the seedier side streets. To Davey Owen, the lure of a glowing sign advertising "Live Girls" was too hard to resist. He was looking for a little entertainment. He found instead a nightmare in the form of a beautiful but strangely pale woman. A woman who offers him passion, ecstasy—and eternal life—but takes in exchange his lifeblood and his very soul. It's scary, it's involving, and it's also mature and thoughtful." — Stephen King on Dark Channel "The most nightmarish vampire story I have ever read." — Ramsey Campbell "Garton never fails to go for the throat!" — Richard Laymon "Garton has a flair for taking veteran horror theories and twisting them to evocative or entertaining effect." — Publishers Weekly "Ray Garton has consistently created some of the best horror ever set to print." — Cemetery Dance

SickER B*stards - Matt Shaw 2014-12-08

The sequel to Sick B*stards WARNING: THIS IS AN EXTREME HORROR NOVEL. There is gore. There is bad language. There are scenes of a sexual nature. But hidden underneath it all is also a chilling story. Please do not purchase this book if you are easily shocked, disgusted or offended. This book is not for you. Home truths pave the way for a journey of self-discovery and revenge in the direct sequel to Matt Shaw's Sick Bastards.

The Metamorphosis of Prime Intellect -

Roger Williams 2003-10-14

In a time not far from our own, Lawrence sets out simply to build an artificial intelligence that can pass as human, and finds himself instead with one that can pass as a god. Taking the Three Laws of Robotics literally, Prime Intellect makes every human immortal and provides instantly for every stated human desire. Caroline finds no meaning in this life of purposeless ease, and forgets her emptiness only in moments of violent and profane exhibitionism. At turns shocking and humorous, "Prime Intellect" looks unflinchingly at extremes of human behavior that might emerge when all limits are removed. An international Internet phenomenon, "Prime Intellect" has been downloaded more than 10,000 times since its free release in January 2003. It has been read and discussed in Australia, Canada, Denmark, Germany, Japan, Mexico, the Netherlands, Slovenia, South Africa, and other countries. This Lulu edition is your chance to own "Prime Intellect" in conventional book form.

Sick B*stards - Matt Shaw 2014-06-10

If the bombs dropped... If life as we know it stopped... If everything went to Hell... How far would you go to survive? WARNING: THIS IS AN EXTREME HORROR NOVEL. There is gore. There is bad language. There are scenes of a sexual nature. But hidden underneath it all is also a chilling story. Please do not purchase this book if you are easily shocked, disgusted or

offended. This book is not for you. A family will do anything to survive after a nuclear attack has left their world in ruins. Actions which even surprise them...

'Salem's Lot - Stephen King 2008-12-11

With a stunning new cover look, King's chilling classic of a small New England town about to be engulfed in terror. Turn off the television - in fact, why don't you turn off all the lights except for the one over your favourite chair? - and we'll talk about vampires here in the dim. I think I can make you believe in them. Stephen King, from the Introduction. 'Salem's Lot is a small New England town with the usual quota of gossips, drinkers, weirdos and respectable folk. Of course there are tales of strange happenings - but not more than in any other town its size. Ben Mears, a moderately successful writer, returns to the Lot to write a novel based on his early years, and to exorcise the terrors that have haunted him since childhood. The event he witnessed in the house now rented by a new resident. A newcomer with a strange allure. A man who causes Ben some unease as things start to happen: a child disappears, a dog is brutally killed - nothing unusual, except the list starts to grow. Soon surprise will turn to bewilderment, bewilderment to confusion and finally to terror . . .

Extreme Horror - Matt Shaw 2022-07-20

They said I could not become a filmmaker. They said my screenplays were dull and clumsy with thin characterisation. My plots were predictable and endings lame. They said my directing was uninspired and ideas translated poorly to screen. They said my acting was laughable; scenes that were supposed to be tragic caused ripples of laughter. They said I would never make it and that - even if I did - no one wants horror anymore. They want fantasy. They want drama. Comedy, even has its place in the market. Not horror. It's stale. It is stagnant and done to death. Well, whatever they say, I am bringing horror back to the mainstream. It will be shown on every television station and shared across millions of social networking profiles. I am bringing horror back whether the audience wants it or not and it's going to be extreme...

Insane Bastards - Wade Garrett 2018-04-25

Two idiots, Leonhard "Rocky" Krauss and Byron "Twig" Schlaeger, escape from a mental

institution, Cedar Hill Sanitarium, and go on a murderous rampage. Rocky is a large man suffering from gigantism, and Twig is a foul-mouthed and perverted midget. Separately, they had always been mistreated and bullied, but together, they are unstoppable, unleashing sadistic and barbaric acts of violence on the assholes of society. Warning! This is an extreme-horror/splatterpunk story that contains adult content, including, but not limited to: profanity, sexuality, brutality, and obscenities. If you're not a seasoned extreme-horror reader, it's highly advised not to embark on this journey. It will save you distress and me a negative review.

The Angel of Vengeance - Wade Garrett 2013-08-01

In a dimly lit cell, a man has awakened to find himself surrounded by the most unimaginable and barbaric things that not even his worst nightmare could conjure up. His captor, Seth Coker, takes the man on a journey into his twisted world of vengeance. A world that runs parallel with the horrors that could only be found in the deepest and darkest parts of hell. A world that bestows a wrath of chaos upon the wicked of our society who have fallen through the cracks of the judicial system. Seth wasn't born a vigilante, nor did he seek out the role-it sought him out. A portion of our society feels that rapists, molesters, murderers and abusers should have rights, and anything beyond the normal punishment of confinement would be cruel and inhumane. Seth knows that the innocent are left without justice, while the wicked are roaming our streets without any remorse about the cruel and inhumane punishment that they bestow upon others. Offering up heart-pumping tales of revenge, suspense and horror in all its guises, this book is filled with dark humor, political incorrectness, gruesome and sadistic acts from beginning to end. WARNING! Contains GRAPHIC CONTENT, ADULT LANGUAGE & POLITICAL INCORRECTNESS, and may be disturbing to sensitive readers.

Chapman - River Dixon 2021-04-16

WARNING! The following story contains language and graphic depictions of extreme sexual fetish and violence which may offend and disturb some readers. A little over three years ago, I met the woman of my dreams. Considering

who I am, I never thought I would meet another human being that I was compatible with. Then Alicia came into my life like a storm, and we hit it off right from the start. Ours is a story of true love, the kind of love that only comes around once in a lifetime, if ever. Most people will not recognize the beauty of the life we have made together or understand the necessity of our deeds, but that doesn't matter to us. Because Alicia and I are ready to spread the light of our love across this darkened world, and there is nothing anyone can do to stop us.

Albion's Seed - David Hackett Fischer
1991-03-14

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Home-Video - Matt Shaw 2015-06-10
Imagine the scene. You receive a DVD in the post. You do not know who it is from. You put it into your player and settle down to see what it is about. Your partner is in the shot. They're tied to what appears to be a dentist chair in the middle of an abandoned looking warehouse. They look scared. They tell you they love you and the screen goes dark. The words appear stating that you can report your partner as missing and her captors will kill her immediately but her suffering is over... Or... Each day you will receive a new DVD of what they're doing to her right up until the day they release her..... Put them out of their misery and live with the grief and knowledge it was your decision if help can't reach them before they're killed or wait and see what shows up in the post, hopeful that they'll get bored and release them back to your loving arms? From Matt Shaw (Sick B*stards) and Michael Bray (Whisper), the authors behind MONSTER and ART, comes a new horror to push your boundaries of comfort...

Octopus - Matt Shaw 2019
With mounting debt, and her career not going in the direction she'd hoped for, Jessica Ann took a modelling job at the Larsen's lavish party. What should have been an easy evening soon takes a nightmarish turn when she finds herself embroiled in an insane plot to awaken The Old Great One... There are scenes of a sexual nature, and violence within this book.

The Mist - Stephen King 2021-09-09
The No. 1 bestselling author Stephen King's terrifying novella about a town engulfed in a dense, mysterious mist - originally published in the acclaimed short story collection *Skeleton Crew* and made into a feature film by Frank Darabont - is now available as a stand-alone publication. A man staggered into the market . . . 'Something in the fog!' he screamed Following a freak summer storm, David Drayton, his son Billy, and their neighbour Brent Norton join dozens of others and head to the local grocery store to replenish supplies. Once there, they become trapped by a strange mist that has enveloped the town. Violent forces concealed in the mist are starting to emerge. And there is another shocking threat from within - one group

of survivors, led by a religious zealot, is calling for a sacrifice. Now David and his son must try to escape. But what's outside may be even more dangerous. This exhilarating novella explores the horror in both the enemy you know - and the one you can only imagine.

The Surgeon - Tess Gerritsen 2004-08

In her most masterful novel of medical suspense, New York Times bestselling author Tess Gerritsen creates a villain of unforgettable evil-- and the one woman who can catch him before he kills again.

WARNING: THIS IS AN EXTREME HORROR NOVEL. There is gore. There is bad language. There are scenes of a sexual nature. But hidden underneath it all is also a chilling story. Please do not purchase this book if you are easily shocked, disgusted or offended. This book is not for you. Part of the Black Cover Range. Prostitution is the oldest profession in the world. Sessions range in price from the cost of a pint - for a quick fumble in an alleyway with some jacked up junkie - to an arm and a leg for an 'elite' escort. But some men pay more for their appointment. Some men pay with their lives. From Matt Shaw, the author of Sick B*stards and PORN comes WHORE - the tale of a working girl who likes to teach all 'cheating' men a lesson they'll never forget.

The Little Stranger - Sarah Waters 2009-05-05

From the multi-award-winning and bestselling author of The Night Watch and Fingersmith comes an astonishing novel about love, loss, and the sometimes unbearable weight of the past. In a dusty post-war summer in rural Warwickshire, a doctor is called to see a patient at lonely Hundreds Hall. Home to the Ayres family for

over two centuries, the once grand house is now in decline, its masonry crumbling, its garden choked with weeds. All around, the world is changing, and the family is struggling to adjust to a society with new values and rules. Roddie Ayres, who returned from World War II physically and emotionally wounded, is desperate to keep the house and what remains of the estate together for the sake of his mother and his sister, Caroline. Mrs. Ayres is doing her best to hold on to the gracious habits of a gentler era and Caroline seems cheerfully prepared to continue doing the work a team of servants once handled, even if it means having little chance for a life of her own beyond Hundreds. But as Dr. Faraday becomes increasingly entwined in the Ayreses' lives, signs of a more disturbing nature start to emerge, both within the family and in Hundreds Hall itself. And Faraday begins to wonder if they are all threatened by something more sinister than a dying way of life, something that could subsume them completely. Both a nuanced evocation of 1940s England and the most chill-inducing novel of psychological suspense in years, The Little Stranger confirms Sarah Waters as one of the finest and most exciting novelists writing today.

A Clockwork Orange - Anthony Burgess 2011

"A brilliant novel . . . a savage satire on the distortions of the single and collective minds." - New York Times "Anthony Burgess has written what looks like a nasty little shocker, but is really that rare thing in English letters: a philosophical novel." -Time
