The Billionaire Next Door Roxy Jordan 2019-11-20 Sarah bounced through the halls of her high school on her way to her locker to get her gym bag. She was so excited for the homecoming game she could barely contain herself. She and the rest of the cheerleading squad had been working for weeks now on their halftime routine. She grabbed her gym bag out of her locker and headed to the locker room to change. She walked in the locker room and found her girlfriends. Excited about the game they laughed and gossiped about the boys at school as they got ready. "So what do you think about the Amanda Trey fiasco?" one of the girls, Helen asked the group. "What I want to know is how Sarah plans on dealing with her Matt and Ryan fiasco," said her best friend since the third grade, Christine Clark. "Oh yuck, I don't want to talk about that right now," Sarah said. "Oh you mean you don't want to talk about you two most favorite people?" Christine teased her. "Ugh, fine since you're making me. Basically they are horrible, always staring and gawking at me from the back of the science lab. They are such freaks. Matt is the worst and is always trying to find some excuse or reason to talk to me. He's been doing it so much that even and the other football players made some snide comment about him being my puppy dog. He even asked me to homecoming, with flowers!!! Like I would even go with someone as nerdy as him. It's terrible! I can't stand him," Sarah told the girls. "But enough of that. It's game time. Let's get out there and cheer girls!" and the rest of the squad followed her out onto the field. They cheered on the team as the game progressed. It came time for the halftime show and the girls took the center of the field and flawlessly performed their show. The home team wound up winning the game and that night Sarah got to make-out with her big crush Evan. Geez those were the days she thought as she smiled to herself. She was so much younger and had so much more hope for her future back then. Dreaming that she would someday make it big as a fashion designer. She had wanted to go away to design school after her senior year of high school but wound up staying at the local community college so that she could stay close to her high school sweet heart. Even and Sarah had continued their relations past that first night of making out and dated all the through high school and into college. During their sophomore year of college he had asked her to marry him. Young and in love and very naive she said yes. Just knowing that he was perfect for her. Even though so many signs throughout the years had told her that he was no good. It started in high school. The rumors that he was sleeping with other girls. One time she had even caught him kissing her friend Helen. That night had not ended well and she and Helen's friendship ended forever. But Evan did as most men do and begged and pleaded and promised that he would never do anything like that again and she had stupidly believed him. The truth was he did stuff like that all the time and continued abuse her trust in their relationship, sleeping with almost whomever he could get his hands on behind her back. Sarah was blind with love and enamored by his coolness and his good looks so she continued to play the fool unknowingly for years. They finally got married after their senior year of college. It was a simple and beautiful wedding with all of their friends and family by their side as they said, "I do." Neither of them came from a family with much money so they took a little honeymoon to the hot springs which were near

to their town. By no means was it anything to write home about but she was happy with Evan and loved their little life together. **WARNING:** This is a single mom and CEO billionaire Romance short story which contains some very steamy love scenes. One Night in London Sandi Lynn 2016-02-01 Have sex with a stranger in a foreign country. It was on my list. It was something I'd never done before and I wasn't sure if I could go through with it. But I did. Don't tell him anything about yourself. No names. No personal information. Nothing. It's all about the thrill. The mystery man. Keep him a stranger. That one night was the best night of my entire life. He was sexy, intense, and made me feel things I had never felt before. The next morning, the thrill was over and he was gone before I woke up. What happened in London should have stayed in London, but it didn't. I was never supposed to see him again, but the universe had other plans and now my happy little world was turned upside down by a man named Sebastian Bennett. She refused to tell me her name. Normally, I wouldn't care. But something inside me needed to know who she was. She was stunningly beautiful and a name would complete her. It didn't matter anyway. In the morning, I'd be gone before she woke up and I'd never see her again. It was probably for the best anyway. I would hurt her and she would ultimately hate me. It's what I did. It's all I knew. I was never supposed to see her again, but I did, and my desire for her was stronger than before. I had money, looks, and a heart made of pure stone. Touch of the Billionaire 2 & 3 Boxed Set Danielle Jamesen 2016-09-05 Book 2 Description Adrian was still getting settled into her routine of shuttling Courtney to school and getting to work on time. Andrew Cole, and more to the point his assistant Marie, had been more than patient with her as she juggled all of her new priorities. She had immediately started the habit of packing her own lunch when she packed Courtney's and she hoped it would save her a noticeable amount of money. There was a large breakroom on her floor at work, and she was also hoping to meet a few people because the space was usually pretty crowded between 11:30 and 1:30. Marie was very kind as she passed off the information she had regarding the upcoming foundation luncheon, as well as details about other past events. Adrian was grateful that Marie seemed to be on her side and did not feel a sense of competition with her. She had been worried when she first learned that Marie used to handle the events, but the older woman seemed happy to have the help. Book 3 Description There are consequences to sleeping with your gorgeous billionaire boss and Adrian realized that little fact by Tuesday morning. She had fled his penthouse apartment that morning after leaving a cowardly note behind. She was grateful that Courtney was still with her estranged father when she got home. Acting like everything was normal would not have been possible. Then again, if Michael had not shown up at the office ranting and raving, and Courtney had been staying with her that week, going to dinner and then going home with Andrew would not have happened. It was such a tangled web that Adrian's head throbbed. Or that could have been the wine from dinner. Either way, she immediately started a pot of coffee and as it brewed, she tossed her grey suit into the corner of her room and slid into her yoga pants with a heavy sigh. A Man Worthy Cassandra Ormand 2014-09-23 □ From RWA Award-Winning Author, Cassandra Ormand! Thaddeus Nolan is the quintessential alpha male. Drop a pampered rich girl into the Australian outback, add a healthy dose of male sex appeal with no time or patience for the demands of a woman wearing high heels, and you either get a serious battle of wills or a firestorm of chemistry. A mix-up in travel plans thrusts Chelsea Bowden of Boston into the midst of a group of uncouth men set to journey through the Australian desert, guided by the disturbingly attractive Thaddeus Nolan. Expecting the amenities of a posh Sydney hotel suite, Chelsea finds herself instead having to bear up to the rigors of a life that is altogether unfamiliar to her. She suffers the swarming flies, punishing heat, masses of mosquitoes, and a backside bruised from being forced to travel by camel, yet still the desert manages to captivate her with its beauty and mystery. Under a relentless sun, through the trials of an unforgiving land, she comes to know herself like never before. And she realizes that she is engaged to the wrong man. It's Thaddeus Nolan she wants, the rugged outdoorsman who doesn't fit into her circle of society. □□□□ Beautiful Love Story. A romantic story usually involves only two people, and for *A Man Worthy* (Romance) Australian safari guide Thaddeus Nolan and American financial analyst Chelsea Bowden are the two lovers. But, there are other "loves" in this love story, that for lack of a better word, I have to call a "pentangle". The Australian outback, a dingo named Buckie and a camel named Cornelius are active participants in this romance. This is the second book by Cassandra Ormand that I have read and once again, she did not disappoint. The first one was *A Lover's Moon* (Romance) wherein the love story took place in the South Dakota Badlands. The two books are similar in the sense that Ms. Ormand's description of the setting is so compelling that you can actually feel the heat and the insect bites, the roughness of the stones and most of all, you can see the beauty of the place in your mind's eye. And that's only the bonus! The real meat is the love story itself. Cassandra Ormand gives you the POV of both lovers. Hence, as a reader, you can identify with the character. Add the fact that the characters are so fleshed out nicely, even the supporting ones, there really is a lot to take in and enjoy in the story. This book is PG 13 due to situational drama of travelling in the Australian outback. There is one mild sex scene. □□□□ Great! The book was well written and interesting. the characters were fun and full of life. Thank you for a product worth purchasing. □□□□ Great Romance. I could not put this book down, I loved the twists and turns. Great adventure in Australia; which is heated up with love and the struggle between a man and woman from two different worlds. Touch of the Billionaire 3 Danielle Jamesen 2016-09-05 There are consequences to sleeping with your gorgeous billionaire boss and Adrian realized that little fact by Tuesday morning. She had fled his penthouse apartment that morning after leaving a cowardly note behind. She was grateful that Courtney was still with her estranged father when she got home. Acting like everything was normal would not have been possible. Then again, if Michael had not shown up at the office ranting and raving, and Courtney had been staying with her that week, going to dinner and then going home with Andrew would not have happened. It was such a tangled web that Adrian's head throbbed. Or that could have been the wine from dinner. Either way, she immediately started a pot of coffee and as it brewed, she tossed her grey suit into the corner of her room and slid into her yoga pants with a heavy sigh. Daniel Connor, owner and CEO of Connor Hotels, and Eleanor Sawyer, the fixer he hired to solve his company's problems in the American market, have come to the US to do research and get a closer view of what might be going wrong. The problem is, before they left the UK, they shared a number of adventures and one steamy kiss that left them both wanting more... and afraid to admit it. Now that they're in the US and Daniel has decided to play tourist, they're in for a few new adventures, and with all the feelings they've got bubbling under the surface, and another steamy kiss on the schedule, both are wondering whether they're going to be able to see this contract out and save the chain of hotels... or throw in the towel and make the most unprofessional move ever by admitting their feelings for one another. Book 3 Sometimes sacrifices are worth the cost. Even, or perhaps most especially, those made out of love. Eleanor Sawyer is a fixer. People pay her to fix their companies for them, and she's never met a problem she couldn't figure out. Until Daniel Connor hired her. And it's not his company she's having problems with. No, she has a plan for how to increase Connor Hotels' sales in the American market, and it's good enough that she's impressing even herself. When it comes to figure out Daniel himself, though, and those flashing eyes, smiling lips, and flirty looks... along with the occasional kiss... she's finding herself at a complete loss. She doesn't know if she wants to play along or tell him to remember who she is: just another employee. Because now she's got an even bigger problem. She's starting to fall in love with him.
