

The Kinsey Institute New Report On Sex What You Must Know To Be Sexually Literate

Bisexual Perspectives on the Life and Work of Alfred C. Kinsey - Ron Suresha 2016-02-22

The books commonly known as the Kinsey Report were Dr Alfred C. Kinsey's monumental scientific publishing achievement in 1948, often compared to the atomic bomb for its impact on the American public. On the sexagennial anniversary of the publication of *Sexual Behavior in the Human Male*, this book focuses on Alfred C. Kinsey's work and life. Sixteen chapters consider the Kinsey legacy, tracing the development of modern American bisexuality, and posing an intriguing and illuminating look at many aspects of bisexuality in Kinsey's life as depicted and lived in popular biographical culture and media. Contributors to this stellar collection of outstanding writing include the final surviving member of Kinsey's original research team, Dr Paul H. Gebhard, PhD, as well as leading names in the fields of sex research, GLBTIQA activism, and bisexual writing. This book was published as a special issue of the *Journal of Bisexuality* and was a Finalist for the Lambda Literary Award for Excellence in Bisexual Literature.

[The Kinsey Institute New Report on Sex: what You Must Know to be Sexually Literate](#) - June M. Reinisch 1990

Erotic Attunement - Cristina L. H. Traina 2011-06-15

Heightened awareness of the problem of sexual abuse has led to deep anxiety over adults touching children in nearly any context. This book probes the disquieting issue of how we can draw a clear line between natural affection towards children and perverse exploitation of them.

Strangers to the Law - Lisa Melinda Keen 2000-05-23

DIVDescribes the legal challenge to the Colorado anti-gay civil rights initiative /div

Sexuality and the Sacred - James B. Nelson 1994-01-01

This volume is rooted in two convictions: first, sexuality is far more comprehensive and more fundamental to our existence than simply genital sex, and, second, sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality. The authors address what our sexual experience reveals about God, the ways we understand the gospel, and the ways we read scripture and tradition and attempt to live faithfully.

Sex Matters for Women - Sallie Foley 2011-12-13

A guide to help women understand how their bodies work and to take charge of their sexuality, discussing anatomy, body image, trauma, overcoming difficulties, and related topics.

[Human Sexuality](#) - Vern L. Bullough 2014-01-14

First Published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

The Kinsey Institute New Report on Sex - June Machover Reinisch 1990

In the late 1940s and early 1950s, the Kinsey Institute "wrote the book" on sex, shocking America and forever changing notions of what is sexually "normal". The 1990s finds America facing the tragedy of AIDS and the extraordinary rates of teenage pregnancy. This report is based on a news-breaking survey that demonstrates the disturbing sexual illiteracy that plagues America. Illustrations and diagrams.

Current Catalog - National Library of Medicine (U.S.) 1992

First multi-year cumulation covers six years: 1965-70.

Sexualities: Making a sociology of sexualities - Kenneth Plummer
2002

Volume 3: Difference and Diversity of Sexualities. This section examines the politics, power and critique of sexual categories -including bisexuality, sex addiction, prostitution and sadomasochism.

The Wiley Handbook on the Theories, Assessment and Treatment of Sexual Offending - Douglas P. Boer 2016-11-14

The Wiley Handbook on the Theories, Assessment and Treatment of Sexual Offending is a three-volume collection of up-to-date readings contributed by international experts relating to the assessment, intervention, and theoretical foundations of sexual offending. Includes in-depth and up-to-date assessment and treatment approaches for adult male, female, juvenile, and cognitively-impaired offenders Features contributions by leading experts in each specialized field from around the world including Bill Marshall, Bill Lindsay, and Tony Ward Offers cutting-edge theories of sexual offending, including the latest multifactorial and single-factor theories

The Kinsey Institute new report on sex - June M. Reinisch 1990

New York Magazine - 1990-10-22

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Sex Research and Sex Therapy - Ross Morrow 2013-06-17

Gynaecologist William Howell Masters and psychologist Virginia Eshelman Johnson pioneered research into the nature of human sexual response and the diagnosis and treatment of sexual disorders and dysfunctions from 1957 until the 1990s. This book examines their influential scientific sex research and its groundbreaking implications for

sex therapy and the study of human sexuality. Until now, these developments have been largely ignored in sociology. The book illuminates how Masters and Johnson have constructed their apparently scientific ideas about sexual function and dysfunction with reference to dominant Western discourses about sexuality. In addition, the book will explore some of the wider theoretical, conceptual and historical issues relating to the study of human sexuality. These will include a critical evaluation of conventional accounts of the history of the sociology of sex, particularly in the United States, major theoretical frameworks used in the study and understanding of human sexuality, and some of the key concepts underpinning sex research and sex therapy.

The Kinsey Institute - Judith A. Allen 2017-09-01

An in-depth history of Alfred Kinsey's groundbreaking Institute for Sex Research and the cultural awakening it inspired in America—"it has no rival" (Angus McLaren). While teaching a course on Marriage and Family at Indiana University, biologist Alfred Kinsey noticed a surprising dearth of scientific literature on human sexuality. He immediately began conducting his own research into this important yet neglected field of inquiry, and in 1947, founded the Institute for Sex Research as a firewall against those who opposed his work on moral grounds. His frank and dispassionate research shocked America with the hidden truths of our own sex lives, and his two groundbreaking reports —Sexual Behavior in the Human Male (1948) and Sexual Behavior in the Human Female (1953)—both became New York Times bestsellers. In *The Kinsey Institute: The First Seventy Years*, Judith A. Allen and her coauthors provide an in-depth history of Kinsey's groundbreaking work and explore how the Institute has continued to make an impact on our culture. Covering the early years of the Institute through the "Sexual Revolution," into the AIDS pandemic of the Reagan era, and on into the "internet hook-up" culture of today, the book illuminates the Institute's enduring importance to society.

Straight - Hanne Blank 2012-01-31

It's surprising that the term "heterosexuality" is less than 150 years old and that heterosexuality's history has never before been written, given

how obsessed we are with it. In *Straight*, independent scholar Hanne Blank delves deep into the contemporary psyche as well as the historical record to chronicle the realm of heterosexual relations--a subject that is anything but straight and narrow. Consider how Catholic monasticism, the reading of novels, the abolition of slavery, leisure time, divorce, and constipation of the bowels have all at some time been labeled enemies of the heterosexual state. With an extensive historical scope and plenty of juicy details and examples, *Straight* provides a fascinating look at the vagaries, schisms, and contradictions of what has so often been perceived as an irreducible fact of nature.

Menstrual Health in Women's Lives - Alice J. Dan 1992

Frau / Psychologie.

The Unchanging Heart of the Priesthood - Thomas Acklin 2006

In *The Unchanging Heart of the Priesthood*, Father Thomas Acklin presents an apologetic for that which is immutable?that which cannot change since it is found in the unchanging heart of Christ. Father Acklin refutes modern misconceptions and false understandings of the priesthood, while uncovering the beauty, strength, and hope that is found in God's plan. This book will encourage the heart of every priest and help the laity to understand and appreciate the reality and mystery of the priesthood in the Church. In *The Unchanging Heart of the Priesthood* Father Thomas Acklin presents an apologetic for the immutability of the priesthood?that which cannot change since it is found in the unchanging heart of Christ. Father Acklin refutes modern misconceptions, while uncovering the beauty, strength, and hope that is found in God's plan, bringing the reader to an appreciation of the reality and mystery of the priesthood in the Church.

101 Questions about Sex and Sexuality (Revised Edition) - Faith Hickman Brynie 2013-01-01

As in previous books in this critically acclaimed series, Brynie polled hundreds of high school students across the country to find out what they wanted to know most about sex and sexuality. Using an accessible question-and-answer format, Brynie helps readers discover and learn facts about the sex and sexuality. Brynie's appealing and clear writing style makes learning about sex and sexuality for students easy and understandable.

EBOOK: Sexuality, Sexual Health and Ageing - Merryn Gott 2004-12-16

·What factors underpin dominant understandings of later life sexuality? · How do older people experience and prioritise sexuality and sexual health? ·What sexual health issues are relevant to older people and how are these addressed by health care professionals? This is the first book to integrate theoretical insights into sexuality, sexual health and ageing, with research findings from studies conducted with older people and the professionals that work with them. The book is split into three sections. In the first section stereotypes that typify contemporary understandings of sexuality and ageing are explored, particularly the 'myth of asexual old age' and the more recent stereotype of the 'sexy oldie'. Section two identifies what we actually know about ageing and sexuality by reviewing current literature, as well as presenting findings from one of the first qualitative studies to explore sexuality from the perspective of older people themselves. The final section of the book explores what 'sexual health' means within the context of ageing and focuses on issues relevant to health professionals working with older people. *Sexuality, Sexual Health and Ageing* provides key reading for students, researchers, practitioners and policymakers working within gerontology, sociology, psychology, social work, health sciences, nursing and medicine. This book is likely to become essential reading for all academics and professionals working with older people or in the area of sexual health.
