The Woman's Dictionary of Symbols and Sacred Objects - Barbara G. Walker 2013-05-07

This fascinating guide to the history and mythology of woman-related symbols features: Unique organization by shape of symbol or type of sacred object 21 different sections including Round and Oval Motifs, Sacred Objects, Secular-Sacred Objects, Rituals, Deities' Signs, Supernaturals, Body Parts, Nature, Birds, Plants, Minerals, Stones and Shells, and more Introductory essays for each section 753 entries and 636 illustrations Alphabetical index for easy reference Three-Rayed Sun The sun suspended in heaven by three powers, perhaps the Triple Goddess who gave birth to it (see Three-Way Motifs). Corn Dolly An embodiment of the harvest to be set in the center of the harvest dance, or fed to the cattle to 'make them thrive year round' (see Secular-Sacred Objects). Tongue In Asia, the extended tongue was a sign of life-force as the tongue between the lips imitated the sacred lingam-yoni: male within female genital. Sticking out the tongue is still a polite sign of greeting in northern India and Tibet (see Body Parts). Cosmic Egg In ancient times the primeval universe-or the Great Mother-took the form of an egg. It carried all numbers and letters within an ellipse, to show that everything is contained within one form at the beginning (see Round and Oval Motifs).

Goddesses in Older Women - Jean Shinoda Bolen 2001-03-06

At some point after fifty, every woman crosses a threshold into the third phase of her life. As she enters this uncharted territory -- one that is generally uncelebrated in popular culture -- she can choose to mourn what has gone before, or she can embrace the juicy crone years. In this celebration of Act 3, Jungian analyst Jean Shinoda Bolen names the powerful new energies and potentials, or archetypes, that come into the psyche at this momentous time, suggesting that women getting older have profound and exciting

reasons for welcoming the other side of fifty. As Bolen has explained in her remarkable body of work, there are goddesses in every woman, deep archetypal sources of wisdom, authenticity and spirituality that, once tapped, energize us and give us a sense of meaning and self-acceptance. The knowledge of which archetypes are active within us at each phase of life-maiden, mother (or matron), and crone supports us in making choices that are true to who we are instead of conforming to others' ideas of who we should be. In Bolen's bestselling *Goddesses in Everywoman*, the classic work of the women's spirituality movement, the Greek goddesses personified these archetypes as they affected the first two phases of a woman's adult life. Now she explains that in the third stage, marked physiologically by menopause, there emerges a whole new cast of inner archetypes that a woman can draw on for guidance, creativity, personal integration, and joy. Once we learn to recognize these forces, we can feel empowered and wise, introspective and spiritual, sexually bold and full of mirth. For it is in the "wisewoman" years, when a woman has lived long enough to resolve the tasks of younger and middle adulthood, that she can fully and authentically become who she deeply is. The generation of women who are approaching or who have reached the crone years is historically unique. Influenced by the women's movement, they have benefited from educational opportunities, women's support networks, and economic resources as excellent preparation for decades of active postmenopausal life. By recognizing the goddess archetypes that emerge in this phase, women of this special generation will be enabled to transform the crone years into the best years of their lives.

Blessings - Christin Lore Weber 1989

Provides a Christian feminist analysis of the Sermon on the Mount, using anecdotes and prayers to relate the scriptures to women's experiences

Celebrating the Crone - Ruth Gardner 1999

Urging the reader to embrace silver hairs, wrinkles and the change of life, this text shows how to create your own ceremony of age and to recognise the power, wisdom and the Goddess within.

No Time to Spare - Ursula K. Le Guin 2017

From acclaimed author Ursula K. Le Guin, a collection of thoughts--always adroit, often acerbic--on aging, belief, the state of literature, and the state of the nation

Feminist Fairy Tales - Barbara G. Walker
2013-04-16

Prominent feminist author Barbara Walker has revamped, retold, and infused with life some of your favorite classic fairy tales. No longer are women submissive, helpless creatures in need of redemption through the princely male! Instead they are vibrantly alive, strong women who take fate into their own hands.

The Crone - Alison Files Winterle 2007

Altered copy of The Crone, woman of age, wisdom and power, by Barbara G. Walker, Harper & Row, 1985. Artist used water color, ink, and collage to illustrate and `enhance the book.

Women's Rituals - Barbara G. Walker
1990-03-30

Discusses women's spirituality, and provides information on holidays, herbs, chants, robes, altars, mandalas, crystals, the laws of the Goddess, and rites of passage

Crone's Book of Magical Words - Valerie Worth 1999

Crone's Book of Magical Words (previously published as The Crone's Book of Words) by Valerie Worth is the book you've been waiting for! In its pages are over 125 spells, incantations, and charms. If you can think of a purpose for a spell, it's probably in this book. Need a spell to summon a ghost? Or perhaps you want the opposite: a spell to free a house from being haunted. They're both in this book. Do you need something to help you lose weight or have longevity? You'll find them here. Or perhaps you want to pass through a locked door. It's all in this book. Even if you don't know a thing about magic, you can use this book. The spells are easy, poetic, and evocative. For example, to cure a wart the instructions are: "Stamp within a silver cup mullein and houseleek together. Stir them with a sparrow's feather. Let it draw the

juices up; Twenty times upon one day, brush them over the excrescence; Under sunlight dry the essence--Soon the wart must shrink away." The range in this book is phenomenal. You'll find a simple fertility charm and a way to conjure with smoke. You'll read about how to bring rain and how to stop rain from falling. You'll learn how to tell fortunes with sand or with tea leaves. This is more than just a book about magic, it is a folklorist's bonanza. If you're ready to win another's love or to sweeten someone's disposition, if you want to turn hair long and golden or discover tree spirits, this is the book you must have. Whether you have been doing magic for a long time or are a beginner, this book is a must.

Maiden, Mother, Crone - Deanna J. Conway
1995-06

MAIDEN, MOTHER, CRONE presents the Trinity as ancient symbols of the Goddess, predating Christianity by thousands of years. The book explores longstanding myths and symbols, illuminating ancient, universal human challenges that still exist today. Together with in-depth explanations of goddess archetypes and their relevance to 20th century living, this book will lead you to a state of conscious awareness that can change your life.

Crones Don't Whine - Jean Shinoda Bolen M. D.
2009-11

"For women there is nothing more liberating than age if we learn to use our energy, power and compassion." -- Back cover.

Women Who Run with the Wolves - Clarissa Pinkola Estés Phd 1995-08-22

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In Women Who Run with the Wolves, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and

stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

If I Knew Then - Jann Arden 2020-10-27

NATIONAL BESTSELLER Jann Arden--bestselling author, recording artist and late-blooming TV star--is back with this funny, heartfelt and fierce memoir on becoming a woman of a certain age. The power, gravity and freedom she's found at fifty-seven are superpowers she believes all of us can unleash. Digging deep into her strengths, her failures and her losses, Jann Arden brings us an inspiring account of how she has surprised herself, in her fifties, by at last becoming completely her own person. Like many women, it took Jann a long time to realize that trying to be pleasing and likeable and beautiful in the eyes of others was a loser's game. Letting it rip, and damning the consequences, is not only liberating, it's a hell of a lot of fun: "Being the age I am--that so many women are--is just the best time of my life." Jann weaves her own story together with tales of her mother, grandmother, and great grandmother, and the father she came close to hating, to show her younger self--and all of us--that fear and avoidance is no way to live. "What I'm thinking about now aren't all the ways I can try to hang on to my youth or all the seconds ticking by in some kind of morbid countdown to death," she writes, "but rather how I keep becoming someone I always hoped I could be. If I'm lucky one day a very old face will look back at me from the mirror, a face I once shied away from. I will love that old woman ferociously, because she has finally figured out how to live a life of purpose--not in spite of but because of all her mistakes and failures."

The Crone's Book of Charms & Spells - Valerie Worth 1998

This work offers practical directions for carrying out numerous spells, charms, recipes and rituals.

It teaches how to concoct herb brews for mental vigour and to strengthen passion as well as how to inscribe talismans and amulets to gain wealth, happiness or relief from pain.

Women Writers and Old Age in Great Britain, 1750-1850 - Devoney Looser

2008-08-01

This groundbreaking study explores the later lives and late-life writings of more than two dozen British women authors active during the long eighteenth century. Drawing on biographical materials, literary texts, and reception histories, Devoney Looser finds that far from fading into moribund old age, female literary greats such as Anna Letitia Barbauld, Frances Burney, Maria Edgeworth, Catharine Macaulay, Hester Lynch Piozzi, and Jane Porter toiled for decades after they achieved acclaim -- despite seemingly concerted attempts by literary gatekeepers to marginalize their later contributions. Though these remarkable women wrote and published well into old age, Looser sees in their late careers the necessity of choosing among several different paths. These included receding into the background as authors of "classics," adapting to grandmotherly standards of behavior, attempting to reshape masculinized conceptions of aged wisdom, or trying to create entirely new categories for older women writers. In assessing how these writers affected and were affected by the culture in which they lived, and in examining their varied reactions to the prospect of aging, Looser constructs careful portraits of each of her subjects and explains why many turned toward retrospection in their later works. In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to acceptance in later life, Looser opens up new scholarly territory in the burgeoning field of feminist age studies.

The Crone - Barbara G. Walker 2013-04-16

A probing account of the honored place of older women in ancient matriarchal societies restores to contemporary women an energizing symbol of self-value, power, and respect.

Man Made God - Barbara G. Walker 2010-04

Extraordinary independent scholar of comparative religion and mythology Walker

examines a time when the Goddess and her consort/son ruled supreme and forward into the era when the patriarchy usurped Her worship.

The Way of the Mysterial Woman - Suzanne Anderson, MA 2016-04-12

The Way of the Mysterial Woman is for every woman who feels the call into greatness, authenticity, and meaningful living. This is The Way for women who are stepping into their lives with mind, body, heart, and soul fully engaged, ready to awaken to their true potential. We hear the clarion call, but how will we meet it? It's almost like we need a completely new internal operating system. The Mysterial Way is the upgrade we've been searching for. Women's leadership development pioneers and co-authors Suzanne Anderson and Susan Cannon know that we're not alone in our yearning to meet this call. In fact, they assure us that this is a naturally occurring global imperative for women. The Way of the Mysterial Woman reveals a Feminine source code, helping us once and for all break through our old limitations, and effectively take our lives to the next level so we can meet the unique callings and urgent challenges of these dynamic times. This is not a passive book for armchair travelers. Drawing upon real life success stories, based on their 12 years of running University certificate women's leadership programs, readers are guided through a step-by-step, transformative "Mysterial Sequence." Each interactive chapter offers practical and fun insights and practices that compel us toward genuine shifts and solid growth. The Way of the Mysterial Woman is a blend of cutting edge transformational psychology, ancient Mystery school secrets, and visionary evolutionary thinking delivered in a warm, down-to-earth style. Here is the elegant code we've been searching for that finally unlocks our greatest potential.

Witch Wisdom for Magical Aging - Cait Johnson 2022-08-16

- Presents four loving, feisty old witches, one for each season, who share earth-honoring wisdom,

rituals, and spells to help you embrace your journey through the sacred latter half of life • Filled with magical recipes, inspiring ceremonies, playful activities, and meaningful meditations You are invited into the magical world of four loving, feisty old witches, one for each season, who share earth-honoring wisdom, rituals, and spells to help you embrace your journey through the sacred latter half of life. In the season of Winter, the earthy Root Witch reminds us that bodies are made for pleasure and that Winter is made for dreaming. She offers spells, rituals, and ceremonies to reframe your perspectives on aging and promote acceptance of your changing appearance. She also shares secret recipes for a healthy, happy body, focusing on preparations that help maintain and restore hair, skin, and bone. In Spring, the airy Winged Witch offers a witchy approach to spring cleaning, both in the traditional sense and in self-understanding and relationships. She shares recipes and rituals for jettisoning the dead past, discovering your own authentic style, adding magic to your clothes, and feathering your nest so it feels like home to your spirit. The fiery Summer Merwitch helps us to be more joyfully creative, with activities and wisdom to help overcome the obstacles that prevent us from fulfilling our creative dreams. She honors the senses, encourages us to embrace our sexuality, and gives us ways to express our fiery anger cleanly and powerfully. The watery Autumn Kitchen Witch shows us how to honor our harvests and our ancestors, how to make peace with death, and how to make every meal a celebration of life, with magical recipes and rituals that bring joy to the soul. The Kitchen Witch also explores several goddesses and wise old women from folklore who can offer templates for a rich and spiritualized maturity. Offering practical and enjoyable ways to make aging an empowering, magical, and transformative adventure, this book of spiritual guidance will help you love yourself through the aging process.
