All Girl 2 - Victoria Rush 2021-09-21

Only a woman really knows how to satisfy another woman... Enjoy the all-lesbian discounted bundle - now 50% off! Book 1: Webcam Chat When lonely divorcée Jade searches online for a distraction one night, she uncovers a lesbian chat room where naked women have private conversations using webcams. Eventually she meets a young college girl who confides that she's attracted to her straight roommate. They strike up a conversation, and before long the two women are sharing an intimate exchange. But just as things begin to get interesting, their

conversation is interrupted when the girl's roommate returns earlier than expected to their dorm... Book 2: The Spa When Jade's best friend invites her to a private women's spa, she gets more than they bargained for. Starting with a relaxing couples massage, the two girls are shocked when they're greeted by two nude masseuses. But it's not until they get to the rooftop pool that they realize this spa is much more than a typical rejuvenation center. With beautiful naked women parading in and out of the water, it's a feast for their eyes. Becoming increasingly aroused by the sight of everyone's dripping bodies, Jade heads to the sauna to try

The First Time Lesbian Lesbian Erotica And Lesbian Sex Stories English Edition

to relax. But when she finds a pretty African-American girl lounging in a provocative pose, one thing leads to another, and before long the girls are enjoying a private tryst in the hot steam room... Book 3: The Toy Party When Jade decides to hold a girls-only party at her place, she invites the owner of the local adult store to provide a demonstration of some of her latest sex toys. But Jade has a hidden agenda. She's had her eye on the sexy neighbor next door and she's hoping the demonstration will stimulate her interest in exploring a new phase of their relationship. The party starts off innocently enough, with Cheryl demonstrating some of the more basic toys. As she passes free samples around for the girls to examine, some of them can't resist experimenting with them in more intimate ways. Jade notices that her neighbor Alana is becoming more excited by the activity of the group, but so far everyone has remained relatively composed keeping their clothes on... Book 4: Swedish Sauna When Jade takes a

holiday flight to Sweden, she's floored by how beautiful the flight attendants are on the plane. As she watches the sexy stewardesses go about their duties, she curls up in her seat by the window and has a silent climax under her cozy blanket. On the way off the plane, the lead flight attendant passes her a note, inviting her to go skiing with her and some of the other stewardesses during her stayover. When Jade gets picked up at the ski resort, things quickly escalate as the four girls become increasingly friendly... Book 5: The Therapist When Jade's sex therapist friend Hannah invites her to attend one of her private sessions, she's shocked at what she finds. Instead of merely talking through her clients' problems, she encourages them to actively explore their bodies while she helps them lose their inhibitions. During the initial session, Jade hides in a secluded location while a young college coed touches herself behind a private screen. As she listens to Hannah guiding the girl through her process of self-discovery,

she becomes increasingly aroused in the privacy of her broom closet. But when Hannah asks the girl if she's ready to move on to a partnered session, Jade's thrilled when Hannah invites her to join the girl in a mutual guided session. Join Jade as she watches the girl lose her inhibitions and eventually pair up with her in an exciting and highly erotic rendezvous... Lesbian - Eliza Duncan 2016-09-27

Download for FREE with Kindle Unlimited This is a 8,000 words EROTIC stand-alone story with an HEA, so no cliff-hangers! Denise and her son were never close until he was an adult. They have finally built a close relationship now that he is in college. She decides that it is time to tell

The First Time Lesbian Lesbian Erotica And Lesbian Sex Stories English Edition

him why she and his father got a divorce: she is gay. Myrtle doesn't get along with her mother. Her mother is a born again christian who does not approve of her "lifestyle." When her mother brings a "former homosexual" to talk to her, it's the last straw. She runs away from home and runs into...Adam. He takes her into his dorm room and takes care of her. She pretends to like him so that she can stick around. But something goes wrong when she meets his mother and is hopelessly attracted to her. -----

----- EXCERPT FROM BOOK This was something like twentieth of these dinners that she and Adam had taken part in, but it didn't make Denise less nervous for this particular dinner. This one was going to be different. She had made up her mind. She was going to share something with her son that she had not been able to come to terms with for herself until she was nearly forty years old. It was kind of a big deal. She felt that her relationship with Adam had progressed to the

point where she felt comfortable sharing that kind of information with him. Of course, she knew that it was always possible for him to take it poorly, to be angry, frustrated or upset. She knew that was not just a possibility, but often a distinct possibility in these types of situations. She had done this before. Just not with her son. She pulled into the university's guest parking lot and shut off her car. She stayed for a moment with the car running, just sitting there with her eyes closed, taking deep breaths. She was forty five and still having trouble. It never got any easier for her. She passed people on the street sometimes, or saw them on television, or heard them on the radio...and she was jealous of how easy it was for them to claim what they were. They not only claimed it, but were proud of it. Even at her age, Denise can mostly be said to have come to terms with it. She had never participated in a parade or a march or anything like that. She told herself it was because she was a private person, didn't like to share too much

The First Time Lesbian Lesbian Erotica And Lesbian Sex Stories English Edition

with other people. But that wasn't the truth. The truth was that she was still a little bit ashamed. She was a part of a generation that had not accepted her, and she was still letting that define who she was. AUTHOR'S NOTE: This is a 8,000 words stand-alone story with an HEA, so no cliff-hangers! Story contains mature themes and language, and is intended for 18+ readers only.

Hard Love (A Steamy Lesbian Romance) - A. Ashton

I love you. Three simple words. I have said them before; I have had them said to me; were they meant sincerely? I like to think so. Were they actually true deep down in their heart? Maybe. This is a love story. This is my love story. It is a complex love story, filled with conflict, desire, sex, and sadness. Is it true? Did these things really happen? Does that matter? My love story is a messy, complicated, addictive and, yet I think, pure love story. It wasn't until I was 26 and my best friend announced she was engaged and getting married that I realized I was in love. Pure, unconditional love. A love that overwhelms you. It is intoxicating; bewildering; overwhelming; haunting. This is the story of how

I found such a love. And this is a story of how my love ruined a wedding...

[Eat My Wife](#) - Rachel Jordan 2020-07-24

"I would love to go down on your wife." I am convinced. My husband, is nuts. How else could

you explain him fixing his lips to encourage me to have sex with a woman, who is also a stranger... ON OUR ANNIVERSARY? What kind of woman does he think I am? I've never been interested in being with a woman and I never will be... I don't care how much he begs me. I don't care how much SHE begs me... Still, there's something about this breathtakingly gorgeous, mysterious woman that is intriguing. As much as I want to tell her to go to hell and reject her... As much as I want to deny my husband his so-called ultimate fantasy... Something about her keeps pulling me to her. Her promises of a night of toe-curling, mind-blowing, ecstasy perhaps? Damn. Should I throw caution to the wind and say yes? Just this one time?
