

# The Opposite Of Falling Apart

[After I Do](#) - Taylor Jenkins Reid 2023-01-05

From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo*, comes a breath taking novel about modern marriage, the depth of family ties, and the year that one remarkable heroine spends exploring both. When Lauren and Ryan's marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren's ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It's about staying in love, seizing love, forsaking love, and committing to love with everything you've got. And above all, *After I Do* is the story of a couple caught up in an old game-and searching for a new road to happily ever after.

**Prescription for Disaster** - Candace LaFleur 2014-05-21

A book about the hilarious side of being ridiculously diseased - laughing through life and encouraging others to do the same. This is not a book about a disease itself, nor does it have any 'woe is me' or forced epiphanies on the meaning of life and health. It's a book about sobbing student nurses wielding sharp needles, falling hospital elevators, having to be surgically removed from your own sweater for an X-ray and support group brawls. About getting my whole family pulled off into a cement bunker at British customs for being more radioactive than a truck full of Russian nails. It's about sneaking nachos into the hospital at seven in the morning and making sweet, sweet love to the back of a parked taxi while having a stroke. This is a book about laughing and joyfully embracing the bizarre and the truly funny side of being ridiculously, incurably diseased. So sit back, take a hit off your oxygen tank and get ready to laugh at the funny side of falling apart. At the very least you'll never look at a bed pan or an IV pole the same way again.

[The Consequence of Falling](#) - Claire Contreras 2019-01-12

The list of things I hate is short. Not even my soon-to-be ex-husband is on that list. Nope. I save only the worst of the worst, the crème de la crème, the absolute I cannot even for this list. . . .1. Black coffee2. Rude people3. Nathaniel BradleyWhich is why when my father informs me that he's making Nathaniel Bradley his new business partner, and in turn, my boss, I flip out. 1. He's an annoying know-it-all. 2. He calls me a spoiled princess every chance he gets. 3. He disapproves of everything I do.I go into this knowing I'll hate every second in his presence. Except the longer he's around, the more I find myself staring at his lips and remembering the one time they were on mine. I randomly find myself looking at his hands and wondering how they'd feel on my skin. I try to snap out of it, but I guess I'm not as smart as I thought I was. No matter how many times I remind myself of the times I've practically thrown myself at him and he's pushed me away, I keep falling little by little.I'd always heard that it was a bad idea to mix business with pleasure and if that's the case, this thing with Nathaniel has demise written all over it.

**The Opposite of You** - Rachel Higginson 2017-03-12

Vera Delane has returned home, after three years in Europe and an expensive culinary degree, and has sworn off all men. She finds herself buying a food truck and she's out to prove to the pompous Killian Quinn that her food truck is every bit as good and his fussy five course monstrosities -- he can keep his unsolicited advice and his late night visits and his cocky smiles.

[The Music of What Happens](#) - Bill Konigsberg 2019-02-26

From the award-winning author of *Openly Straight*, a story about two teens falling in love over a summer that throws everything possible to keep them apart.

**Tweet Cute** - Emma Lord 2020-01-21

"A witty rom-com reinvention ... with deeply relatable insights on family pressure and growing up." - Emily Wibberley and Austin Siegemund-Broka, authors of *Always Never Yours* and *If I'm Being Honest* "An adorable debut that updates a classic romantic trope with a buzzy twist." - Jenn Bennett, author of *Alex, Approximately* and *Serious Moonlight* A fresh, irresistible rom-com from debut author Emma Lord about the chances we take, the paths life can lead us on, and how love can be found in the opposite place you expected. One of *Forbes* Best YA of 2020 Meet Pepper, swim team captain, chronic overachiever, and all-around perfectionist. Her family may be falling apart, but their massive fast-food chain is booming — mainly thanks to Pepper, who is barely managing to juggle real life while secretly running Big League Burger's massive Twitter account. Enter Jack, class clown and constant thorn in Pepper's side. When he isn't trying to duck out of his obscenely popular twin's shadow, he's busy working in his family's deli. His relationship with the business that holds his future might be love/hate, but when Big League Burger steals his grandma's iconic grilled cheese recipe, he'll do whatever it takes to take them down, one tweet at a time. All's fair in love and cheese — that is, until Pepper and Jack's spat turns into a viral Twitter war. Little do they know, while they're publicly duking it out with snarky memes and retweet battles, they're also falling for each other in real life — on an anonymous chat app Jack built. As their relationship deepens and their online shenanigans escalate — people on the internet are shipping them?? — their battle gets more and more personal, until even these two rivals can't ignore they were destined for the most unexpected, awkward, all-the-feels romance that neither of them expected.

[The Art of Not Falling Apart](#) - Christina Patterson 2018-05-03

New Statesman's Best Books of the Year, 2018 Mail on Sunday, Books of the Year, 2018 We plan, as the old proverb says, and God laughs. But most of us don't find it all that funny when things go wrong. Most of us want love, a nice home, good work, and happy children. Many of us grew up with parents who made these things look relatively easy and assumed we would get them, too. So what do you do if you don't? What do you do when you feel you've messed it all up and your friends seem to be doing just fine? For Christina Patterson, it was her job as a journalist that kept her going through the ups and downs of life. And then she lost that, too. Dreaming of revenge and irritated by self-help books, she decided to do the kind of interviews she had never done before. The resulting conversations are surprising, touching and often funny. There's Ken, the first person to be publicly fired from a FTSE-100 board. There's Winston, who fell through a ceiling onto a purple coffin. There's Louise, whose baby was seriously ill, but who still worried about being fat. And through it all, there's Christina, eating far too many crisps as she tries to pick up the pieces of her life. *The Art of Not Falling Apart* is a joyous, moving and sometimes shockingly honest celebration of life as an adventure, one where you ditch your expectations, raise a glass and prepare for a rocky ride.

**The 48 Laws of Power** - Robert Greene 2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

**When Things Fall Apart** - Pema Chodron 2000-09-26

The beautiful practicality of her teaching has made Pema Chödrön one of the most beloved of contemporary American spiritual authors among Buddhists and non-Buddhists alike. A collection of talks she gave between 1987 and 1994, the book is a treasury of wisdom for going on living when we are overcome by pain and difficulties. Chödrön discusses:

- Using painful emotions to cultivate wisdom, compassion, and courage
- Communicating so as to encourage others to open up rather than shut down
- Practices for reversing habitual patterns
- Methods for working with chaotic situations
- Ways for creating effective social action

**Things Fall Apart** - Chinua Achebe 2018*The Opposite of Falling Apart* - Micah Good 2020-02-27

Jonas had done two things when he'd come home from the hospital for the first time after The Accident. 1. He'd taken a permanent marker and scribbled out the lower half of the left leg on his Bones of the Human Skeleton poster, which had hung on his closet door since fifth grade. 2. He'd looked at the newly altered poster and cried, for the first time after and the only time since. -----

----- AN UNMISSABLE and UPLIFTING DEBUT NOVEL for fans of JOHN GREEN and JENNIFER NIVEN. ----- Jonas Avery has lost his leg in a terrible car accident. All he wants is to leave for college, where he can finally start over. Brennan Davis is dreading leaving home. It is the only place she can manage her anxiety. When Jonas and Brennan meet by chance the summer before they move away, can they push each other to overcome what's holding them back? And will allowing themselves to fall in love be the most daring thing of all?

**Opposite of Always** - Justin A. Reynolds 2019-03-07

'One of the best love stories I've ever read.' Angie Thomas, bestselling author of *The Hate U Give*. From debut author Justin A. Reynolds comes *The Opposite of Always*, a razor-sharp, hilarious and heartfelt novel about the choices we make, the people we choose and the moments that make life worth reliving. Perfect for fans of Nicola Yoon and John Green. When Jack and Kate meet at a party, he knows he's falling - hard. Soon she's meeting his best friends and Kate wins them over as easily as she did Jack. But then Kate dies. And their story should end there. Yet Kate's death sends Jack back to the beginning, the moment they first meet, and Kate's there again. Healthy, happy, and charming as ever. Jack isn't sure if he's losing his mind. Still, if he has a chance to prevent Kate's death, he'll take it. Even if that means believing in time travel. However, Jack will learn that his actions are not without consequences. And when one choice turns deadly for someone else close to him, he has to figure out what he's willing to do to save the people he loves. 'Read this one, reread it, and then hug it to your chest.' Becky Albertalli, bestselling author of *Simon vs. the Homo Sapiens Agenda*

*Dream Teams* - Shane Snow 2018-06-05

'An adventure into the very human science of making breakthroughs together.' - Charles Duhigg, Pulitzer Prize-winning journalist and author of *The Power of Habit* The best groups are more than the sum of their parts - but why does teamwork so often fail to fulfill this promise? Award-winning entrepreneur and journalist Shane Snow takes us on an extraordinary tour of the hidden science of team dynamics, revealing the counterintuitive reasons that some groups break out while far too many break down. Examining history-making groups like the Wu Tang Clan and the Russian national hockey side alongside teams whose failures have had lasting impact, Snow reveals the answers, and what the rest of us can learn from the rare teams that do the impossible together. In this stimulating, pacy adventure through history, neuroscience, psychology, sports and business, Snow explores the secrets of the best teams the world has to offer. You'll discover:

- How ragtag teams - from soccer clubs to startups to gangs of pirates - beat the odds throughout history
- Why DaimlerChrysler flopped while the Wu-Tang Clan succeeded, and the surprising factor behind most failed mergers, marriages, and partnerships
- What the Wright Brothers' daily arguments can teach us about group problem solving
- The true stories of pioneering women in law enforcement, unlikely civil rights collaborators, and underdog armies that did the incredible together
- The team players behind great social movements in history, and the science of becoming open-minded. Provocative and entertaining, *Dream Teams* is a landmark work that will change the way we think about progress and collaboration.

**The Falling Sky** - Pippa Goldschmidt 2013-04-08

A blackly comic campus satire combined with a heart-breaking family mystery, *The Falling Sky* brilliantly mixes fiction and astronomy into a fascinating, compelling and moving narrative. Jeanette is a young, solitary post-doctoral researcher who has dedicated her life to studying astronomy. Struggling to compete in a prestigious university department dominated by egos and incompetents, and caught in a cycle of brief and unsatisfying affairs, she travels to a mountain-top observatory in Chile to focus on her research. There Jeanette stumbles upon evidence that will challenge the fundamentals of the universe, drawing her into conflict with her colleagues and the scientific establishment, but also casting her back to the tragic loss that defined her childhood. As the implications of her discovery gather momentum, and her relationships spiral out of control, Jeanette's own grip on reality is threatened, finally forcing her to confront the hidden past. Pippa Goldschmidt's bittersweet debut novel blends black comedy, heart-breaking tragedy and fascinatingly accessible science, in this intricate and beautiful examination of one woman's disintegration and journey to redemption.

*The Upside of Falling* - Alex Light 2020-02-18

A fun, flirty teen debut from Wattpad phenom Alex Light about a fake relationship and real love. Perfect for Jenny Han fans. It's been years since seventeen-year-old Becca Hart believed in true love. But when her former best friend teases her for not having had a boyfriend, Becca impulsively pretends she's been secretly seeing someone. Brett Wells has it all. As captain of the football team and one of the most popular guys in his school, he should have no problem finding someone to date, but he's always been more focused on his future than who to bring to prom. When he overhears Becca's lie, Brett decides to step in and be the mystery guy. It's the perfect solution: he gets people off his back for not having a meaningful relationship and she can keep up the ruse that she's got a boyfriend. Acting like the perfect couple isn't easy, though, especially when you barely know the other person. But with Becca still picking up the pieces from when her world was blown apart years ago and Brett just barely holding his together now, they begin to realize they have more in common than they ever could have imagined. When the line between what is pretend and what is real begins to blur, they're forced to answer the question: Is this fake romance the realest thing in either of their lives?

*The Opposite of Falling Apart* - Micah Good 2021-05-04

"It's the last summer before college, and Jonas Avery knows he should be excited. Instead, he hides out at home, avoiding his friends, his family, and everything that resembles his old life. Because nothing will be normal again--because of The Accident, when everything started falling apart. Brennan Davis knows she needs to stand up and face her anxiety--the deep, dark, debilitating dread that rules her everyday life. Because what stops her from going out into the world and just living is going to get a whole lot worse: she's leaving for college in the fall, where she'll be confronted with even more to worry about"--Dust jacket flap.

*The Flatshare* - Beth O'Leary 2019-04-10

'Beth O'Leary is that rare, one-in-a-million talent who can make you laugh, swoon, cry and ache all in the same book' EMILY HENRY \*\*\*\*\* Tiffy and Leon share a flat Tiffy and Leon share a bed Tiffy and Leon have never met... Tiffy Moore needs a cheap flat, and fast. Leon Twomey works nights and needs cash. Their friends think they're crazy, but it's the perfect solution: Leon occupies the one-bed flat while Tiffy's at work in the day, and she has the run of the place the rest of the time. But with obsessive ex-boyfriends, demanding clients at work, wrongly imprisoned brothers and, of course, the fact that they still haven't met yet, they're about to discover that if you want the perfect home you need to throw the rulebook out the window... \*\*\*\*\* THE SUNDAY TIMES TOP FIVE BESTSELLER | NOW A MAJOR TV SERIES \*\*\*\*\* See what everyone is saying about *The Flatshare* 'A Sleepless In Seattle for the 21st century' Sunday Express 'I devoured *The Flatshare*. Original, funny and touching. Read it' Clare Mackintosh 'If Richard Curtis and Nora Ephron made a story baby' Zoella Book Club 'It's fiction to make you feel good - endlessly enjoyable and brilliant fun' Daily Express 'In the league of Bridget Jones and Marian Keyes' Walsh sister books' Claire Allan 'Funny, emotional and uplifting' Sun 'A quirky, feelgood read, bursting with character and warmth' Prima 'The Flatshare is a huge, heartwarming triumph' Josie Silver 'Uproariously funny with characters you fall for from the first page' Woman & Home 'Deliciously funny and truly uplifting' Lucy Diamond 'Touching, funny and skilful, a delightful read' Katie Fforde 'It's funny and charming but there are

moments of real poignancy, too. Guaranteed to leave you with a smile on your face' Good Housekeeping 'Heartwarming and brilliant' Closer 'Funny and winning... a Richard Curtis rom-com that also has its feet firmly planted in real life. A real treat' Stylist

**The Opposite of Falling Apart** - Micah Good 2020-02-25

To get back up sometimes you have to fall down, hard . . . What's the point of pretending nothing has changed when everything has? It's the last summer before college, and Jonas Avery knows he should be excited. Instead, he hides out at home, avoiding his friends, his family, and everything that resembles his old life. Because nothing will be normal again—because of The Accident, when everything started falling apart. Brennan Davis knows she needs to stand up and face her anxiety—the deep, dark, debilitating dread that rules her everyday life. Because what stops her from going out into the world and just living is going to get a whole lot worse. She's leaving for college in the fall, where she'll be confronted with even more to worry about. When Jonas crashes into Brennan—in a harmless, albeit embarrassing fender bender—the two teens connect in ways they never expected. As friends, they help each other overcome their biggest falls

and faults, and soon discover that while love can't fix everything, it's sometimes a place to start. Sensitive, wry, and unabashedly authentic, The Opposite of Falling Apart isn't about finding perfection in another person or fixing the things we think are broken. Instead, Micah Good has penned an enchantingly honest novel about accepting the very pieces of ourselves that make us unique, whole, and undeniably human.

The Falling in Love Montage - Ciara Smyth 2021-04-27

Two girls embark on a summer of montage-worthy dates (with a few strings attached) in this hilarious and heartfelt lesbian rom-com that's perfect for fans of Becky Albertalli and Jenny Han. Seventeen-year-old cynic Saoirse Clarke isn't looking for a relationship. But when she meets mischievous Ruby, that rule goes right out the window. Sort of. Because Ruby has a loophole in mind: a summer of all the best cliché movie montage dates, with a definite ending come fall--no broken hearts, no messy breakup. It would be the perfect plan, if they weren't forgetting one thing about the Falling in Love Montage: when it's over, the characters have fallen in love...for real. Ciara Smyth's debut is a delightful, multilayered YA rom-com that will make you laugh, cry, and absolutely fall in love.
