**Full Service** - Scotty Bowers 2014-05-09

The wholesome image of America propagated by Hollywood in the 1940s, '50s and '60s is one of the most persistent in popular culture: loving wives, smiling children. But off the set, many of the actors who helped create this image were secretly leading very wild lives, and one man in particular was helping them: Scotty Bowers. At a time when sex outside of marriage was taboo, Scotty built up a reputation as the guy who could discreetly fix you up. Scotty slept with many stars himself, and connected others with his friends. Here, he tells his story for the first time. Scotty came to Hollywood after serving in the Marines in World War II, and began working at a gas station on Hollywood Boulevard. One day, he was approached and picked up by actor Walter Pidgeon, who whisked him off to a friend's villa for the first of many encounters with Hollywood's rich and famous. He developed long-term friendships with stars like Katharine Hepburn and Noel Coward, but he always kept it quiet--until he now provides a lost chapter in the

history of the sexual revolution.

**Sex Lives of the Hollywood Idols** - Nigel Cawthorne 2003-07

**Sex Lives of the Hollywood Goddesses** - Nigel Cawthorne 2012

Sex has been the common currency of Hollywood from the beginning. The early tycoons packed their epics with ravishing dancing girls and frequently used the casting couch method of employment. Hollywood has always used sex to sell, but in the early days went to great lengths to cover up the erring ways of their top stars. The screen goddesses of Hollywood could have anybody, and frequently did: from producers and directors on the way up, to money-grabbing no-goods on the way down. In this title, Nigel Cawthorne lifts the lid on Hollywood sex - the wild parties, secret lovers, sordid pasts and tragic endings - and in this volume focuses in particular on Greta Garbo,

Marlene Dietrich, Ava Gardner, Lana Turner, Grace Kelly, Marilyn Monroe, Joan Crawford and Jean Harlow.

**Fallen Stars** - Julian Upton 2004

Twenty-one tales of stardom turned sour, these are the tragic final years of some of the world's best-loved actors and comedians, a latter-day Hollywood Babylon that includes Benny Hill, Diana Dors, Peter Sellers, Carry On legends and many others.

**Hollywood Gomorrah** - Skip E. Lowe  
2014-05-01

Skip E. Lowe's memoirs of growing up in Hollywood, traveling all over the world as an entertainer and hobnobbing with the rich and famous. Sexual romps and heartbreaking adventures, this is a memorable, sexy, and poignant look at the lives of the stars when the camera is turned off. Follow the remarkable adventures of Skip E. Lowe through the glory of early Hollywood, New York, Europe, multiple wars, decades of globe-trotting, and non-stop sexual adventures. Artist salons with Paul Bowles, Truman Capote, and Tennessee Williams... buying produce for Marlon Brando, showering with James Dean, crashing with Barbara Hutton in Tangiers, cooking for Troy Donahue- here is a funny, poignant, and sexy look at the real people behind the celebrity names- from someone who partied, sheltered, and jumped in bed with the best of them. At times outrageously shocking, at times painfully touching, this a memorable read if you have ever wondered about the lives of the Hollywood stars.

**Full Service** - Scotty Bowers 2013

A World War II veteran and Hollywood gas

station attendant describes how his good looks and open bisexuality culminated in liaisons with numerous celebrities, providing a chronicle of Hollywood's sexual underground in the 1940s and 1950s.

**Full Service** - Scotty Bowers 2012-02-14

The legendary hustler of Old Hollywood reveals thirty years of scandalous secrets in this tell-all memoir of Tinseltown's X-rated underworld. Newly discharged from the Marines after World War II, Scotty Bowers arrived in Hollywood in 1946. Young, charismatic, and strikingly handsome, he quickly caught the eye of many of the town's stars and starlets. He began sleeping with some himself, and connecting others with his coterie of sexually free-spirited friends. For decades, he kept their explosive secrets under wraps—but now he tells all in Full Service. Scotty's own lovers included Edith Piaf, Spencer Tracy, Vivien Leigh, Cary Grant, and the abdicated King of England Edward VIII. He arranged tricks or otherwise crossed paths with Tennessee Williams, Charles Laughton, Vincent Price, Katharine Hepburn, Rita Hayworth, Errol Flynn, Gloria Swanson, Noël Coward, Mae West, James Dean, Rock Hudson and J. Edgar Hoover, to name but a few. A fascinating chronicle of Hollywood's sexual underground, Full Service also exposes the hypocrisy of the studio system that propagate a myth of a conformist, sexually innocent America. Scotty Bowers provides a vital lost chapter in the history of the sexual revolution.

**Pola Negri** - Mariusz Kotowski 2014-02-20

Weaving together universal themes of family, geography, and death with images of America's frontier landscape, former Kentucky Poet Laureate Joe Survant has been lauded for his ability to capture the spirit of the land and its people. Kliatt magazine has praised his work, stating, "Survant's words sing.... This is storytelling at its best." Exploring the pre-Columbian and frontier history of the commonwealth, *The Land We Dreamed* is the final installment in the poet's trilogy on rural

Kentucky. The poems in the book feature several well-known figures and their stories, reimagining Dr. Thomas Walker's naming of the Cumberland Plateau, Mary Draper Ingles's treacherous journey from Big Bone Lick to western Virginia following her abduction by Native Americans, and Daniel Boone's ruminations on the fall season of 1770. *Survant* also explores the Bluegrass from the perspectives of the chiefs of the Shawnee and Seneca tribes. Drawing on primary documents such as the seventeenth-century reports of French Jesuit missionaries, excerpts from the Draper manuscripts, and the journals of pioneers George Croghan and Christopher Gist, this collection surveys a broad and under-recorded history. Poem by poem, *Survant* takes readers on an imaginative expedition -- through unspoiled Shawnee cornfields, down the wild Ohio River, and into the depths of the region's ancient coal seams.

" Les mémoires de Scotty Bower, c'est un époustouflant récit de première main, qui raconte l'envers du décor de la vie à Hollywood, ses secrets d'alcôve dans les années 40 et 50. " Griffin Dunne acteur/ réalisateur - Peuplées de stars, écrites par celui qui coucha avec plusieurs - parmi les plus éblouissantes d'entre elles - , ces mémoires révèlent la vie sexuelle officieuse et secrète du Tout-Hollywood des années 40 à 80 et éclairent un pan entier de l'histoire de la révolution sexuelle. Immédiatement après avoir servi dans les Marines durant la Seconde Guerre mondiale, Scotty Bowers, jeune homme charismatique et remarquablement beau, arrive à Hollywood en 1946 et tape rapidement dans l'œil de nombreuses stars et starlettes de la ville. Dans cette ère puritaine, Scotty qui entretient un rapport au sexe et à la sexualité très en avance sur son époque, apprécie indifféremment la compagnie des hommes ou celle des femmes. Sa volonté de voir ses nouvelles relations du showbiz comblées sexuellement, le conduit à leur " arranger le coup " avec une coterie de jeunes et séduisants amis à lui, très libérés sexuellement. Travaillant en plein centre de Hollywood Boulevard, dans une station à essence, Scotty devint rapidement l'entremetteur idéal pour quiconque était à la recherche d'un partenaire sexuel sur mesure. À

l'âge de trente ans, celui qui donne de sa personne tout en favorisant les rencontres sexuelles des " riches et célèbres " de Los Angeles, a déjà couché avec des milliers de personnes. Et bien plus innombrables encore, sont ceux et celles, dont il aura été le pourvoyeur. Il compte parmi ses partenaires : Edith Piaf, Spencer Tracy, Vivien Leigh, Cary Grant, ou Edouard VIII, le roi d'Angleterre qui a abdiqué ; et parmi les liaisons qu'il a suscitées : Tennessee Williams, Charles Laughton, Katharine Hepburn, Rita Hayworth, Errol Flynn, Noël Coward, Mae West, James Dean, Rock Hudson et J. Edgar Hoover, pour n'en citer que quelques uns ... Écrit avec beaucoup d'élégance, *Full Service*, offre au lecteur la vision d'une époque révolue - celle d'avant le Sida et du mouvement Gay de libération -, et tend à montrer que les racines de la révolution sexuelle puisent ses origines dans ce Los Angeles libéré de la belle époque des années 40 et 50.

**Cary Grant** - Scott Eyman 2021-11-02

**Go Ask Ali** - Ali Wentworth 2018-04-24

New York Times bestselling author Ali Wentworth offers her hilarious and unique advice on surviving the absurdity of modern life in her third collection of laugh-out-loud comic vignettes. Ali Wentworth's first two books, *Ali in Wonderland* and *Happily Ali After*, were lauded by readers, critics, and fellow comedians alike. *Entertainment Weekly* included *Happily Ali After* on its "Must List" and hailed it as "hilarious. . . . Her glass isn't half full—it's "empty and cracked," while *Cosmopolitan* praised it as "razor-sharp." Chelsea Handler called *Ali in Wonderland* "truly hilarious," and Kathy Griffin christened it, "Chicken Soup for the Vagina." Alec Baldwin has described Ali as "funny and warm and crazy all at once. Like Barbara Eden. But on something. Like crystal meth," and Jerry Seinfeld has raved, "Everything that comes out of Ali Wentworth's mouth is funny!" At once endearing and hilarious, thoughtful and far-fetched, this third collection offers Ali at her

wisest and wittiest as she delivers tips, pointers, and quips on a host of life's conundrums and sticky situations, including the funny, sometimes embarrassing yet unforgettable situations that have shaped her inimitable world view as a wife, mother, actress, comedian, and all around bon vivant. Thoroughly entertaining, *Go Ask Ali* is packed with thoughts and musings from "the girlfriend you want to have a glass of wine with, the one who makes you laugh because she sees the funny and the absurd in everything" (Huffington Post).
