Lady 52 (A Jack Daniels/Nicholas Colt Novel-A Nicholas Colt Prequel Book 2) - Joe Konrath 2021-07-16

Two great authors, one great collaboration. A gripping second prequel to the critically-acclaimed Nicholas Colt thriller series, and a lightning-paced addition to the phenomenal Jaqueline "Jack" Daniels mystery series! What do Lt. Jacqueline "Jack" Daniels and private investigator Nicholas Colt have in common? Billiards, bourbon, bad jokes... And murder. Several, in fact. A homeless woman's remains are found near Chicago twenty-six years after she disappeared. Her daughter-now retired in Florida-suspects foul play, and she hires Colt to fly up there and check it out. A prominent Chicago physician is slain outside a convenience store, horribly mutilated. A senseless street killing? A robbery gone wrong? Or something much worse? As the homicide cases and those involved converge, it quickly becomes apparent that Jack Daniels and Nicholas Colt are in for the

most challenging-and deadly-time of their lives. Filled with humor, suspense, and mystery, LADY 52 is sure to satisfy longtime Daniels and Colt fans, and is a perfect introduction to both series. It's approximately 250 pages long. Konrath and Hardin previously collaborated on the Daniels/Colt short story RACKED.

Calling for a Blanket Dance - Oscar Hokeah 2022-07-26

Winner of the PEN America/Hemingway Award for Debut Novel * Finalist for the 2023 Aspen Words Literary Prize * Finalist for the L.A. Times Book Prize/Art Seidenbaum Award for First Fiction "A profound reflection on the intergenerational nature of cultural trauma... Hokeah's characters exist at the intersection of Kiowa, Cherokee and Mexican identity, which provides a vital exploration of indigeneity in contemporary American letters." —The New York Times Book Review A moving and deeply engaging novel about a young Native American man as he learns to find strength in his familial identity. Oscar Hokeah's electric debut takes us into the life of Ever Geimausaddle, whose family—part Mexican, part Native American—is

determined to hold onto their community despite obstacles everywhere they turn. Ever's father is injured at the hands of corrupt police on the border when he goes to visit family in Mexico, while his mother struggles both to keep her job and care for her husband. And young Ever is lost and angry at all that he doesn't understand, at this world that seems to undermine his sense of safety. Ever's relatives all have ideas about who he is and who he should be. His Cherokee grandmother, knowing the importance of proximity, urges the family to move across Oklahoma to be near her, while his grandfather, watching their traditions slip away, tries to reunite Ever with his heritage through traditional gourd dances. Through it all, every relative wants the same: to remind Ever of the rich and supportive communities that surround him, there to hold him tight, and for Ever to learn to take the strength given to him to save not only himself but also the next generation. How will this young man visualize a place for himself when the world hasn't made room for him to start with? Honest, heartbreaking, and ultimately uplifting, *Calling for a Blanket Dance* is the story of how Ever Geimausaddle finds his way home. "STUNNING." —Susan Power, author of *The Grass Dancer*

Pool of Life - Kailāsha Jī Purī 2013

This life story of Kailash Puri, a Punjabi author and advice columnist, connects the narrative of her life to the history of Punjabi diaspora and themes in Sikh studies. Beginning with her memories of childhood in West Punjab, the work evokes the rural customs and religious practices consistent with recent scholarship on Punjabi religion rather than with the currently dominant Sikh discourse of a religion sharply distinguished from Hindu society. An arranged marriage at the age of 15 to scientist Gopal Puri brought Kailash ever-widening horizons as they moved from India to London. Through such life experiences, and with her husband's constant encouragement, Kailash gained the confidence to begin writing and publishing numerous stories and articles. As her name recognition grew, those in distress began writing this agony aunt for advice and the descriptive narrative of her responses and advice and increasingly public profile provides insight into Sikhs' experience in their adopted country. An engaging look at the

Hooked - Samantha X 2015-05

Samantha X is not your typical hooker. She's the wrong side of 35, has two kids, and counts dining at her local pizzeria as a wild night out. Career-wise, Samantha had it all: writing for Australia's top-selling women's magazines, appearing as a media expert on television, and traveling the world for the sake of a good story. But after a marriage breakdown, and with two kids, she turned her back on the media.

Samantha decided to dust off her stilettos and work at Sydney's most infamous brothel, where she soon became one of their most in-demand girls. Not only was she making great cash, but she was also privy to the real-life stories of her clients irresistible to the journalist in her. How could she not keep a record of their salacious stories? She heard everything: from tearful married men confessing their secrets, to lesbian threesomes, to servicing the odd married couple trying to reignite their relationship. But while whoring can be lucrative and fun, it also comes with a hefty price, as Samantha soon finds out. The only problem is, can she kick her addiction to what she believes to be the best job in the world?"

Narrative Strategies in Television Series - G. Allrath 2005-08-10

In the context of a systematic overview of the possibilities of applying narratological concepts to a study of TV series, ten case studies are explored in depth, demonstrating how series such as *24*, *Buffy*, *Twin Peaks*, *Star Trek*, *Blackadder*, and *Sex and the City* make use of innovative audiovisual means of storytelling. Transgressing the traditional confines of narrative theory, the chapter authors address the question of how form, content, and function intersect in these series.

Looking Like what You are - Lisa Walker 2001-04

Looks can be deceiving, and in a society where one's status and access to opportunity are

largely attendant on physical appearance, the issue of how difference is constructed and interpreted, embraced or effaced, is of tremendous import. Lisa Walker examines this issue with a focus on the questions of what it means to look like a lesbian, and what it means to be a lesbian but not to look like one. She analyzes the historical production of the lesbian body as marked, and studies how lesbians have used the frequent analogy between racial difference and sexual orientation to craft, emphasize, or deny physical difference. In particular, she explores the implications of a predominantly visible model of sexual identity for the feminine lesbian, who is both marked and unmarked, desired and disavowed. Walker's textual analysis cuts across a variety of genres, including modernist fiction such as *The Well of Loneliness* and *Wide Sargasso Sea*, pulp fiction of the Harlem Renaissance, the 1950s and the 1960s, post-modern literature as Michelle Cliff's *Abeng*, and queer theory. In the book's final chapter, "How to Recognize a Lesbian," Walker argues that strategies of visibility are at times deconstructed, at times reinscribed within contemporary lesbian-feminist theory.

The State of Sex - Barbara G. Brents 2009-12-16 The State of Sex is a study of Nevada's brothels that situates the nation's only legal brothel industry in the political economy of contemporary tourism. Nevada is part of the "new American heartland," as its pastimes, people, and politics have become more central to the nation. The rise of a service and leisure economy over the past sixty years has propelled sexuality into the heart of contemporary markets. Yet, neoliberal laws in the United States promote business but limit sexual commerce. How have Nevada's legal brothels survived, while the rest of the country criminalizes prostitution? How do brothels operate? Who works in them? This book brings social theory on globalizing economies, politics, leisure consumption, and emotional labor in interactive service work together with research on contemporary prostitution and sexual commerce. The authors employ an innovative, multi-method sociological approach, combining historical analysis of how the brothels came to be with over a decade's worth of ethnographic research on the current state of the industry.

Joe Konrath has sold over two million books under various names. As JA Konrath he's written the Lt. Jacqueline "Jack" Daniels series and the Timecaster series. As Jack Kilborn he's written several horror novels. As Melinda DuChamp he's written funny erotica. With Ann Voss Peterson, he's written the Codename: Chandler spy thrillers. Plus he's written a whole bunch of other stuff, a lot of it related to one or more of his series. It can get pretty confusing. This complete bibliography contains every Konrath book, in all the genres he writes in. It's a checklist for readers who want to make sure they don't miss a book, or want to make sure the books are read in the proper order. It also includes cover art, links to all of Konrath's ebooks, and a bonus Jack Daniels short story, ON THE ROCKS.

every last scrap of information from her broken body and mind. SPREE Despite impossible odds, Chandler launches a desperate rescue mission, recruiting old allies (Jack Daniels and Harry McGlade, from Konrath's novel Whiskey Sour), and new ones (Val Ryker and David Lund from Peterson's Pushed Too Far, and Tequila Abernathy from Konrath's Shot of Tequila) to break into a black site--an ultrasecret military prison on US soil where no one gets out alive. But standing in her way is a squad of deadly psychopaths and a rogue government agency determined to destabilize the nation--and conquer the world. Buckle up. It's going to be one hell of a ride...

Boy-Wives and Female Husbands - Stephen O. Murray 2021-04-01

Among the many myths created about Africa, the claim that homosexuality and gender diversity are absent or incidental is one of the oldest and most enduring. Historians, anthropologists, and many contemporary Africans alike have denied or overlooked African same-sex patterns or claimed that such patterns were introduced by Europeans or Arabs. In fact, same-sex love and nonbinary genders were and are widespread in Africa. Boy-Wives and Female Husbands documents the presence of this diversity in some fifty societies in every region of the continent south of the Sahara. Essays by scholars from a variety of disciplines explore institutionalized marriages between women, same-sex relations between men and boys in colonial work settings, mixed gender roles in east and west Africa, and the emergence of LGBTQ activism in South Africa, which became the first nation in the world to constitutionally ban discrimination based on sexual orientation. Also included are oral histories, folklore, and translations of early ethnographic reports by German and French observers. Boy-Wives and Female Husbands was the first serious study of same-sex sexuality and gender diversity in Africa, and this edition includes a new foreword by Marc Epprecht that underscores the significance of the book for a new generation of African scholars, as well as reflections on the book's genesis by the late Stephen O. Murray. This book is freely available in an open access edition thanks to the generous support of the Murray Hong Family Trust.
