

What Men Really Want Straight Talk From Men Sex

What Men Really Want - Susan Crain Bakos
1991-12-15

In their own words, men of all ages, from coast to coast, describe their experiences, their expectations, what feels good to them, what they fantasize about, what they fear. Some of their candid questions and comments are X-rated, some are taboo, some are surprising, but all have one thing in common: they reveal crucial differences between male and female sexuality. In this groundbreaking book, Ms. Bakos shows women how to accept these differences, instead of trying to force male sexuality to fit female specifications. By acknowledging men's very real

feelings about sex and by learning to relish the yin and yang of the male/female union, women can enjoy honest and more mutually fulfilling sexual relationships.

Straight Talk to Men - James C. Dobson
2014-08-27

God's job description for men! In this classic work on the biblical roles and responsibilities of a man, Dr. James Dobson shares timeless wisdom you can use as a husband and father. A deeper understanding of God's perspective on manhood will help you provide stability and leadership in your home—and ultimately enjoy these benefits of a family that pleases God: A

God-given sense of your purpose in the home
A clear understanding of masculinity in today's world
A wife who feels supported and loved
Children who know God and feel good about themselves
A solid system of family finances
Meaningful times of togetherness and mutual encouragement
Straight Talk to Men is a clear-headed, trustworthy resource that belongs on every man's bookshelf. (This new edition is part of Dr. James Dobson's Building A Family Legacy initiative.)

Straight Talk - Gerry Wright 2001

Finally! A Man Speaks to Men. Never have books promised to pry men away from their six-packs and remote controls to take a two-part course on the sport of seduction. As an author who has given new meaning to the word 'touch down', he shows you how to 'touch her'. No subject is off-limits --- or out of bounds. So ladies, get ready to play ball!!
Straight Talk: Volume One Playing For Keeps
How To Love A Woman And Make Her Love You Back
Round One - The Try-Outs

In this first of two sizzling volumes, Wright gives raw tutorials on winning a woman's affections. In locker room voice former pro basketball player Gerry Wright answers all the questions that aspiring Casanovas are dying (but too proud) to ask. From what to wear, to how to smell, to how to equip the bachelor pad, Volume I gets a man to first base ---without striking out. Loaded with clever, hard-nosed information, Straight Talk elevates men from sitting on life's bleachers as all of the quality babes walk by to becoming an All-Star at love. Unlike books like Men Are From Mars, Women Are From Venus, this two-book series deals with the real world, and gives the low down of what women really want --- in "guy talk"! Crammed with nuggets of practical information spiked with sporting terms, Playing For Keeps is savvy, sexy, and funny.

foot in the door and into her head --- Volume II Papa's Got A Brand New Bag pitches step-by-step details on how to perform in her bed. Gerry Wright, personal trainer and former pro basketball player gets straight to the point --- most men are lousy lovers. Perceptive, real and wise, in Volume II Wright teaches men the blow-by-blow moves that leave a woman crying "time-out!" In the same no-holds-barred locker room style of Volume I, Wright explicitly coaches mankind on the sensual techniques to win over the opposite sex. Based on the shared experiences on different continents as Wright played basketball, he delivers the low down on the sexual "left hooks" and "curve balls" - that American women are dying for men to throw. More than a primer on body parts (and yes) oral sex the book also instructs men to listen to their partners. Perceptive, clever, and graphic --- Wright's instincts brand him as America's personal trainer at love. Wright's hand size (a full 11 1/4 inches spread) afforded him the

ability to earn Sports Illustrated notoriety as a slam-dunk king. In two erotically raw volumes he gives tips that will have women in the palm of your hand (regardless of how many inches you're wielding). Wright's coaching a new team of men --- and, frankly fellows, she won't be trading you to another team after you read Wright's Straight Talk. Letter to Gerry Wright: Dear Mr. Wright, I went to a little book store called "Consider The Alternatives" on Thursday, April 19, looking for a book about relationships. I told Judy, the owner, that I have read many books to try to understand my man. And I couldn't seem to find one about women for men to read that wasn't just about sex. She called me at my home the very next day and left me a message that two books came in about the subject we were discussing and would I mind coming and taking them to read and review. I went to the store the very next day and read the cover letter, then the contents of the books. I immediately took them home to read. I am 2/3 through Volume 1 and I can't put it

down. You must promote this book every where. Your book is heroic to all of us who have been criticized for saying the things you had the balls to say and say it straight. These two books must be marketed ASAP. Get

Female Superior Position - Susan Crain Bakos 1994

Take an erotic, earthy, riotous journey through the bodies and hearts of America with outspoken heroine Carolyn Steel. Millions of men and women read her monthly erotic advice column in Playhouse Magazine. But Carolyn's status as the Superlady of Sex proves dangerous when she receives death threats.

Her Way - Paula Kamen 2000

Chicago-based journalist Kamen (women's studies, Northwestern U.) argues that Monica Lewinsky's ambition and audacity are characteristic of a whole generation of women now in their 20s. She chronicles the sexual evolution of young women over the past decade. Annotation copyrighted by Book News Inc.,

Straight Talk for Men about Marriage - Martin

Downloaded from
legacy.opendemocracy.net on
2020-06-08 by guest

G. Friedman 2005

Real Men Don't Read Books on Relationships They'll Read This One. What do men want in marriage? More sex Less criticism. This book deals with the issues of marriage and relationship with intelligence, strength, and, well, sensitivity. Guys want good marriages and relationships, just like women do. Really. It's just that their approach is different. And that's the genius of this book; it looks at marriage in ways men and women can relate to and DO something about. There's also a section in here for women that gives insights into how men think

Women in Relationships with Bisexual Men -

Maria Pallotta-Chiarolli 2016-03-08

Framed by a comprehensive review of international research, literature, and film, this book is an intimate journey into the experiences and insights of 79 Australian women in relationships with bisexual men. It takes us into the daily lives, sexual intimacies, and families of MOREs (mixed-orientation relationships) that

span the gamut from extremely oppressive experiences with bi-misogynist men to extremely liberating with bi-profeminist men. Aged 19 to 65, the women are in monogamous, open, and polyamorous relationships with bisexual-identifying and/or bisexual-behaving men. The women themselves are bisexual, lesbian, heterosexual, while others refuse to categorize their own sexualities. The book addresses the discovery or disclosure of the man's bisexuality, how the relationships work and where they flounder, how the partners negotiate and establish 'new rules' and boundaries to maintain their relationship, and the impact of class, rural/urban setting, ethnicity, indigeneity, race, religion, and education on these relationships. But this book isn't only about MOREs. The research, revelations and reflections in this book tell us much about current and shifting global constructions and understandings of intimate relationships, sexual desires and love, and the socio-cultural representations and labeling of

Partners, a personal introduction and search company in the Washington, D.C. area. After interviewing several hundred men and women, she found that most working adults were achieving what they wanted in the world of work, but could not seem to establish a loving relationship. What was far more disconcerting, however, was the realization that most women are entirely confused about how men think and what men really want in a relationship. Understanding this is essential in establishing the beginning bonds of trust that can grow into a solid, long-term, committed relationship. Women it is not just about you. You cannot simply dictate demands: I want this and I want that. I have a list of attributes that I require in a man and if he doesn't get a checkmark in every box, he just isn't good enough for me. Relationships are about not only love and companionship, but also communication and compromise. Whether or not you believe this, let me be the first to tell you that you are not

perfect. Men are not perfect either and you can simply not hold them to the impossibly high standards that 90% of women seem to have! There are many self-help relationship books out there, however, none seems to apply in today's society; and, none really covers all stages of a relationship. After setting many clients on the right track to establishing a successful relationship, I can tell you that this book will give you guidance on not only what you are doing wrong, but also how to make positive changes that will lead to a successful life and relationship. You will discover further insights into how to achieve a happy, healthy, successful life, and long-term loving relationship.

Why You're Not Married-- Yet - Tracy McMillan 2012

This paperback edition includes an exclusive conversation between Bill and Giuliana Rancic, hosts of NBC's Ready for Love, and Tracy McMillan, one of its expert matchmakers. This new relationship show features three of

America's most eligible guys searching for their soul mates. If you're looking to get married and you're not, there's most likely a very good reason: you. Hey, you're certainly not a bad person! You just haven't yet become the woman you need to be in order to have the partnership you want. That's where this book comes in. Based on her wildly popular Huffington Post article, Tracy McMillan's *Why You're Not Married . . . Yet* dishes out no-holds-barred practical wisdom for women hoping to head down the aisle. And this new edition features even more candid advice and sisterly insight. McMillan points out the behaviors that might be in your blind spot and shows you how to adjust them to get the relationship you deserve. Do any of these chapter headings sound familiar? * *You're a Bitch: How defensiveness can hide behind a tough exterior, and why being nice is never a sign of weakness.* * *You're a Liar: How to stop lying to men--and get honest with yourself--about the kind of relationship you really want.* *

You're Selfish: The big secret about marriage: It's about giving something, not getting it. A funny, insightful guide, Why You're Not Married . . . Yet will change your life and the way you think about relationships, and it may very well lead you down the aisle. "Very wise . . . Give this book to every single girlfriend [you] have."--Marie Claire "Equal parts BFF, boot-camp instructor, and relationship guru, Tracy McMillan will change the way you think about yourself and your relationships. This book is for every woman out there who wants to have a great marriage."--Ricki Lake

Bonnie Kaye's Straight Talk - Bonnie Kaye
2008-09-28

"Bonnie Kaye's Straight Talk" is a collection of the best of her monthly newsletters from 2001-2008. These are the newsletters that her support network members call their lifeline when unraveling the complexities of their marriages to their gay husbands. In Kaye's own words, "This is the best survival guide for women who suspect

or find out that their husbands are homosexual. These newsletters were written from my heart about my own life experiences as well as those of some of my support network members. I clearly explain how and why your husbands are gay, as well as provide good advice on how to handle those difficult situations such as rebuilding your sexual and self-esteem. After reading this book, you will understand how to make the only rational choice to survive emotionally after this happens to you. It will help you identify with the millions of other women in this situation who can identify and feel every raw emotion you are going through now, and understand the challenges you face in the years ahead of healing and starting over. " Kaye, who has counseled over 35,000 women since 1984, is considered the national expert on Straight/Gay marriages by the media. She is a consultant and guest for the major talk shows and news shows throughout the country. Kaye has written four other books to address this topic, but she

believes that this collection of her newsletters is, The best of my best! About the Author Bonnie Kaye is recognized as an international expert in the field. She acts as a consultant for major news networks and television shows including Oprah, Montel Williams and Tyra Banks. Kaye's other books include: "The Gay Husband Checklist for Women Who Wonder; Doomed Grooms: Gay Husbands of Straight Wives; ManReaders: A Woman's Guide to Dysfunctional Men; Straight Wives: Shattered Lives;" and "How I Made My Husband Gay: Myths About Straight Wives."

Straight Talk with Gay Guys - Daylle Deanna Schwartz 2007-02-01

Gay Men Can Be a Girl's Best Friend! "You deserve to be treated like a queen--or at least be complimented by one. you need and want to know about the opposite sex than gay guys? Straight Talk with Gay Guys, written by a relationship expert and author of the megahit *All Men Are Jerks Until Proven Otherwise*, gives you the real deal on how and why men think and act as they do. Featuring constructive advice from experts on masculine behavior--33 smart, hilarious, observant, and caring gay men who are corporate executives, journalists, musicians, hairstylists, and a variety of other professions--this empowering guide offers the most insightful relationship advice you've ever had. Learn to set boundaries for inappropriate behavior and stop jerks in their tracks Hone skills for avoiding sexual mishaps and being manipulated into bed Learn how to translate "manspeak" Discover what women do that drives men away Quit searching for Mr. Right and start having more fun dating Identify and avoid the "now you see him-now you don't" guy Close the book on Prince Charming and the Cinderella fairy-tale ending Straight Talk with

what-men-really-want-straight-talk-from-men-sex

Gay Guys is a fun and eye-opening discussion that will help you improve your self-esteem, heat up the bedroom, and take control of your own behavior with men to get more of what you want.

Between a Man and a Woman? - Ludger H.

Viefhues-Bailey 2010

Through a probing investigation of conservative Christianity and its response to an issue that, according to the statistics of conservative Christian groups, affects only a small number of Americans, Ludger Viefhues-Bailey alights on a profound theological conundrum: in today's conservative Christian movement, both sexes are called upon to be at once assertive and submissive, masculine and feminine, not only within the home but also within the church, society, and the state. Therefore the arguments of conservative Christians against same-sex marriage involve more than literal readings of the Bible or nostalgia for simple gender roles. Focusing primarily on texts produced by Focus on the Family, a leading media and ministry

Downloaded from
legacy.opendemocracy.net on
2020-06-08 by guest

organization informing conservative Christian culture, Viefhues-Bailey identifies two distinct ideas of male homosexuality: gender-disturbed and passive; and oversexed, strongly masculine, and aggressive. These homosexualities enable a complex ideal of Christian masculinity in which men are encouraged to be assertive toward the world while also being submissive toward God and family. This web of sexual contradiction influences the flow of power between the sexes and within the state. It joins notions of sexual equality to claims of "natural" difference, establishing a fraught basis for respectable romantic marriage. Heterosexual union is then treated as emblematic of, if not essential to, the success of American political life?yet far from creating gender stability, these tensions produce an endless striving for balance. Viefhues-Bailey's final, brilliant move is to connect the desire for stability to the conservative Christian movement's strategies of political power.

Self-Help That Works - John C. Norcross Ph.D. 2013-03-05

Self-help is big business, but alas, not always a scientific one. Self-help books, websites, and movies abound and are important sources of psychological advice for millions of Americans. But how can you sift through them to find the

ones that work? Self-Help That Works is an indispensable guide that enables readers to identify effective self-help materials and distinguish them from those that are potentially misleading or even harmful. Six scientist-practitioners bring careful research, expertise, and a dozen national studies to the task of choosing and recommending self-help resources. Designed for both laypersons and mental-health professionals, this book critically reviews multiple types of self-help resources, from books and autobiographies to films, online programs, support groups, and websites, for 41 different behavioral disorders and life challenges. The revised edition of this award-winning book now features online self-help resources, expanded content, and new chapters focusing on autism, bullying, chronic pain, GLB issues, happiness, and nonchemical addictions. Each chapter updates the self-help resources launched since the previous edition and expands the material. The final chapters provide key strategies for

consumers evaluating self-help as well as for professionals integrating self-help into treatment. All told, this updated edition of Self-Help that Works evaluates more than 2,000 self-help resources and brings together the collective wisdom of nearly 5,000 mental health professionals. Whether seeking self-help for yourself, loved ones, or patients, this is the go-to, research-based guide with the best advice on what works.

Crossed Signals - Memory VanHyning 1993

As well as supporting and encouraging women to confront their harassers and initiate verbal action in a manner that diffuses the harassment without jeopardizing their jobs, this book also helps readers identify specific types of harassing behavior and illustrates commonly experienced situations.
