**A Rose for My Mother** - Nancy Lee Canfield

2010-06-14

In this extraordinary true story, parapsychology expert Nancy Lee Canfield reveals how her early years shaped and prepared her for a lifetime of studying the paranormal. *A Rose for My Mother* chronicles Canfield's turbulent childhood in and out of foster homes and orphanages before the age of thirteen, her early marriage at seventeen, and her awakening to paranormal phenomena. *A Rose for My Mother* is an intriguing blend of memoir and the study of parapsychology.

"Learning only occurs in response to challenges, and Nancy has written an absorbing account of how, in her case, overcoming incredible challenges has led to the emergence of a higher

intelligence. It is not only a tale of triumph over adversity, but of the certainty of rescue from hopelessness." Edward Green, PhD, Emeritus, Guerry Professor of Psychology "Against the backdrop of her family's heartbreaking difficulties during the Great Depression, this story begins with a little girl who tries valiantly to understand the meaning of grown-ups' rather confusing words and silences. Her intuitive successes told the adults that she managed well and was self-confident, but they left her feeling isolated and unloved. Does everyone have higher sensory perception? Nancy shows us that with focused work and discipline, we can nurture that infant part of us so that it can help us enjoy life to the fullest." Dr. Joan Ashkin, EdD, LCSW, RN

*Damaged Goods: The Restoring Power of the Father's Love* - Pastor Lewis L. Tucker Jr

2009-05-05

DAMAGED GOODS shares revelation that will break the bonds that the enemy has used to hold God's daughters hostage in the chains of abuse, mistreatment, low self-esteem and self worth. It destroys the patterns of poor choices that have led them from one unhealthy relationship to another, and finally answers the age-old question why can't I find a good man? This book pours out the heart of The Father through the heart of a father, so that you will know once and for all what it means to be daddy's little girl and can be restored from damaged goods to the priceless gems He created you to be.

**White Collar Crimes** - George Foster

2022-11-03

White-Collar Crimes is a personal story of a Catholic layperson fighting against child abuse and corruption in his own church. He examines not only what happened but how such a crime

could be continued with the cooperation of church leadership. These are real life stories from a small blue-collar diocese in Altoona and Johnstown, PA. He explores the reasons for the problem and answers why it stays hidden. Finally, how it was exposed and came to light detailing decades of priestly abuse of hundreds of children. This was not written to just expose a past problem but to call upon you the reader to help STOP a culture of immorality.

*From Darkness to Light* - B. Mazzie 2013-08  
This is a small history of the life of a girl born in 1953. She was raised by her grandmother. Back in those days, there were things we could not ask, which means there were things we did not know. They say you learn from your mistakes. There are a lot of things that could be avoided through communication and listening; without it, a child could feel like he or she isthey are not loved by their family. This will cause you to go through life with blinders on, but sometimes, love will prevail. My timeline started when I was four years old. This is when my father died. He died in a car accident, and he and some of his friends were partying and drinking. They all got

in the car with their girlfriends; my father was cheating on my mother. Nonetheless, it was six of them three men and three ladies. They were speeding and drunk. The driver lost control of the car and ran off the road into a canal, and the car ended up in the canal of water . My father was in the backseat of the car; he died, and so did his girlfriend. Wasn't that a blimp? He left Mama and six children behind because of his foolishness. This was a disaster for my mother. It was so hard for her, but she did what she had to do to keep us together as a family. We were so young, from four months to sixteen years. Mother did not get along with my dad's mother, so she did not have much help. Her mother stayed far away from where we lived, but if or when she needed her mother, she was there. Eventually, my mother was forced to move to where her mother lived so she could help her raise us children. We were raised rough. My daddy's parents had a farm that we were raised working on it I loved it. By the way, I am a twin.

Everything my twin did, I did it too. I and my twin are one you can't get between us unless you want to fight. We are identical twins. My mother had another set of twins; they were boy and girl, Erick and Eva. We moved to Chestnut Grove. My uncle and aunt came and moved us all. No one wanted to move, but we had no choice. It was not open for discussion. We were brought to a strange town where we knew no one. Mom was very unhappy. She tried to move back but was brought right back. After a few attempts, she gave up and settled in. Mom confined herself to her room for quite a while; she was drowning in sorrowshe was drowning . We lost our mother for a while; we had only ourselves and Grandmother. One thing my mother always insisted on was that we all stayed together. She always had the satisfaction in knowing that her children were always there with her. We know she loved us just as we loved her only my grandmother was running the show. It's been five years now since we made the move. Mom is

straight, and we all have adjusted to our new home. My granny has some very strict rules, which were too hard to follow. We were having serious problems. We were not allowed to go anywhere unless it was church. Don't get me wrong, I love church, but there are other things that I would like to have done also, like going to a friend's house. We all call it the jailhouse; we stayed on lockdown around there. After we (me and my twin) gotreached sixteen years old, things were getting rough around there. Some of us began to speak up for ourselves. With that, there were major problems and repercussions. There were a lot of things that we should have known about the facts of life that we were never told. We were not able to discuss sex at all. If we asked questions about sex, we were called hoes and sluts and were accused of having sex so no questions, no problems. One day, we were looking at a soap show on TV, and Snapper kissed Jill, and because they were kissing, my granny turned the TV off and called us hot in the

The Year of Magical Thinking - Joan Didion 2005  
[In this book, the author] explores an intensely personal yet universal experience: a portrait of a marriage - and a life, in good times and bad - that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an induced coma and placed on life support. Days later - the night before New Year's Eve - the Dunes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a

second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This ... book is Didion's attempt to make sense of the "weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself."--Jacket.

**What Every Man Wishes His Father Had Told Him** - Byron Forrest Yawn 2012-02-01  
A powerful and compelling new voice in Christian publishing, with a message urgently needed by today's Christian men. Every man encounters significant struggles in life—struggles that result in poor choices and decisions. Frequently these mistakes can be traced back to a common problem—a father who (even unintentionally) failed to provide counsel or a positive role model. In What Every Man

Wishes His Father Had Told Him, author Byron Yawn offers vital input many men wished they had received during their growing-up years. This collection of 30 simple principles will help men to... Identify and fill the gaps that occurred in their upbringing Benefit from the hard-earned wisdom of others so they don't make mistakes Prepare their own sons for the difficult challenges of life The 30 principles in this book are based in Scripture and relevant to every man. They include affection, courage, balance, consistency, and more. A true must-read!

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high

school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

*Daughter(S) with Absent Fathers* - Derwin Wince  
2010-01-12

Daughter(s) with Absent Fathers is a short book of letters a man on a train is regularly sending to his daughter he rediscovered. They reintroduced themselves after she became an adult. They met by accident. He was simply trying to stop a young man from yelling and pulling on his girlfriend out in public. The man had finished yanking her and her child out the car by the time

he approached them. Papers fell out. Her purse fell out. Now the couple was looking at an interfeerer. That is, until they saw his eyes. It was then and there they came to realize it wasthat womans father. Suddenly this young man had the door opened for her and her child to get back in. Her eyes never left her fathers. Her body was helped back into the car. Next he had thrown her purse into her laps. Then he got in and they were gone. Embarrassment in the public caused this father to look down. Eighteen years had flashed by with repeats of horrors, screeches and pain since he last saw this sight. Except then it were she, he, her mother and her new boyfriend. Now this time around, on the ground, were envelopes. There lay an address that, for him, spelled change on the horizon. From those papers came one letter with his daughters name and address. He thought a contact. He thought to keep it a secret from her boyfriend. How does one keep secret letters from him, he thought. Thus you have in this book

those letters. Letters of advice about dealing with relationships in this book called Daughter(s) with Absent Fathers.

**1 Girlfriend 2 Another** - Diane 2016-07-06

### **My Daddy's Handbook** - Regina Ross

2019-04-09

Do you remember the funny little quirky moments that you shared with your dad or the one that stands in for your dad? You know the cute little stories of how you and your dad hung out and sometimes things went a little off track while others were absolutely magical? Well, My Daddy's Handbook embraces those memories that we all have. There is something special about a Daddy's love for his children. As a father, some men don't realize their influence on their daughters. It can be good, sometimes bad. Nevertheless, My Daddy's Handbook is sort of a guide, but more so a time for daddies to reflect on their relationships with their children. Since our focus is on daughters, I believe some men need to revamp their relationships with their daughters. I also want to say kudos, to those dads that have chosen to be in their children's lives regardless of the circumstances with wives, ex-wives, girlfriends, ex-girlfriends, etc. Thank

you for choosing to help raise your children and to be the voice of reason diffusing all unnecessary drama. My challenge to the readers: "Do something different with your children." --Build beautiful memories now and later they will respect, protect, honor and love you.

[The One Year Book of Inspiration for Girlfriends](#)  
- Ellen Miller 2010-10-05

If you're living a perfect, charmed life . . . well, then this book isn't for you. But if, like the rest of us, you are at times broken, confused, lonely, or scared—if you're struggling with problems that you think "good Christians" don't have—then welcome, girlfriend, and pull up a chair! This quirky, friendly, and gut-honest devotional comes straight from the heart of Ellen Miller (CEO, marketing executive, mom, and unapologetic "glorious mess"). Despite the serious struggles she's faced, Ellen today lives a life of profound joy, and The One Year Book of Inspiration for Girlfriends contains 365 days'
