A Man's Field Guide to Dating - Robert Wray 2017-11-08

Why did I write this book? I found myself single again after several years of marriage. Like many others I simply stumbled into the world of dating and made lots of mistakes. I also met some wonderful people. The whole process fascinated me. I discovered that most people were as mystified by dating and relationships as I was. I talked about this incessantly with my friends and colleagues. What do women want? Why do we behave the way that we do? Why can't guys commit? You have heard all of the questions. I reviewed the literature in the bookstore. There are many excellent books about relationships -- how to fix them, how to improve them. There are some good books about dating. However, most of them were written by women for women. The ones that did address both genders still seemed to emphasize the problems from a woman's point of view. I really couldn't find one that would help me improve my dating life as a man. I thought that

guys would appreciate a book that approached the subject purely from a male perspective. I have always enjoyed the company of women and have nurtured platonic friendships with them when I could. Often I would receive desperate calls late at night asking for my advice "as a guy." I thought that it would be a lot simpler if the guy in question were in the loop. Then I could get more sleep. This book includes many of the insights I gleaned from these tearful conversations. Now I can just suggest that her boyfriend read the book before she calls. I asked dozens of women to read the manuscript before we published. They were brutally honest. Because of this, I feel very confident that the ideas presented here are valid. They are telling you what they want. You only have to listen and adjust. I wish I had had this information years ago. Why is the book written in first-person plural? (We) I had so much help from friends and family that I could not represent these ideas and suggestions as purely my own. Much of the information is conventional wisdom. I was not comfortable speaking to you as an individual. Many women contributed their thoughts and feelings to these pages. You get the benefit of their honest perspectives on dating. That is who the "we" is. I sincerely wish you the best in your search for happiness. Being single and dating can be a wonderful period in your life. It's all up to you and how you look at it. People don't date enough. Guys are afraid of rejection. They don't extend enough invitations. (Women say "no" too often, but that's another story.) It is my hope that this book will have some impact on the problem. Date more. Enjoy yourself. Make as many women smile as possible. I think that will make everyone happier, especially your mom.

Missing Your Smile - Jerry S. Eicher 2012-02-01

Readers will delight in this heartfelt novel by bestselling author Jerry Eicher, a former Amishman, who writes with authenticity and compassion about the people he grew up with. When Susan Hostetler has a falling out with her boyfriend, Thomas Stoll, she leaves her Amish community and moves to Asbury Park to experiment in English life. There she learns to drive a car, takes her GED test, and falls in love with young and handsome Duane Bower. Back home, her parents are devastated and miss their daughter terribly. But what can they do? Susan has a mind of her own. Just as Susan is enjoying her new life, her plans are interrupted. She meets Teresa Long, a young, unwed, expectant mother who asks Susan to help her have her baby adopted by an Amish family. As Susan is drawn into the young woman's life, she also finds herself drawn back to her Amish roots. But can she truly leave her life behind...and Duane?

25 Best Tips on How to Get Your Girlfriend. Techniques to Tell the Girlfriend Love You. (for Men Only) - Romance Six 2017-05-16

Welcome to the World of Love And the good feeling that comes with human beings together. This book is written and compiled for Men worthy to give something more valuable than anything else in the world. That is friendship (love) and generosity towards the woman you mean (friend or acquaintance). If you do not know that you are worthy enough to give something called love and good feelings. With women you mean PUP (friend or acquaintance) Please do not continue reading. (You closed this book) Because you have no value worthy of giving love and being loved for sure. It's your brain to lose. Take this time to play the game you like with your regular man. And a man with a handsome face like Brad Pitt or Robert Pattinson does not need to read it. Because you just act cool. I brush my hair. Plain dress The girls are ready for you. The book will tell you how to develop a mind. Male attitude And know the rules of gravity. Between men and women It will give you the confidence that a man has for a loved one to see and perceive with art and tact. Get to know the body language of women what to think about you. For example, how do you act like this or say this, what do you mean, and what do you want from you? To use stillness But attracted to her heart. How did she miss you? The agitation she gave her began to show her sympathy for us. Making her feel warm when we do something to her in a rhythm and time. This book has the answer that you have used to life forever. Of course, you are lucky to know about tips that make women like you. More than 90% of men are unaware of it. What is good for women? You can do it in the right way and at the right pace. The book tells the gambit. Don Juan Style Girl He is a woman who is going through divorce because he is like a prize that women want to meet. He is a man in the self and latent with confidence in himself. Ready to share the joy Make them excited They are the ones who make them laugh and smile. Don Juan is a rare man, 100 men. Don Juan will not exceed 1-2 people only So when they met It's like being rewarded in a woman's life. In addition, this book also describes what is called. Chemistry in the brain of women in judgment Or how did one feel about the man she first encountered? She decides that this guy is interesting for her in just one

second. Of course, if your brain chemistry says yes, you have the right to be your girlfriend. It is beyond emotions and reason. All answers are in this book. It is important that you have enough motivation to read this book. The ideal man to read this book. Just a regular guy But with a spirit of pursuing friendship and ready to give her love. People you know and already familiar enough. That is, she is as a friend (friend or acquaintance). In the book, it tells the trick. And psychological techniques The research has already received a positive response from her. People you mean PUP (friend or acquaintance), but we do not support the technique. These are used to hurt the soul, such lady, lady, or any other person. Because it will keep you stuck for a long time. And do not expect to use these techniques to exploit sex with women strictly. Just knowing what you want to get from someone you are willing to give back gives you the advantage over the man who does not know the secret. As you were blessed by God. In the laws of gravity. You can be content with your love. And take advantage of it without end. Contents 1. Attitude of self. 2. Apply the laws of gravity. (The power of belief that such things actually happen. It will be attracted to each other.) 3. Reconciliation (using the power of the subconscious) 4. Improve yourself always look good. 5. Ask yourself before you start pleating. 6. Do everything the same and have something special with her on some subjects. 7. What his friends have to offer. 8. What type of message? Who says she likes you !! 9. Eliminate competitors. It Pays to Smile - Nina Wilcox Putnam 2015-07-13

It Pays to Smile How many persons must perforce get all their romance at second hand! Of course, as my dear father often said, gentlewomen should get their experiences from books and from the stage, and no lady experiences the primal emotions except vicariously. But none the less I had occasionally been aware of the desire to live more full a life than hitherto circumstance had rendered possible. Now I was brought into such intimate contact with a young career that I felt almost as though I were indeed living it myself, and not half an hour after my entrance upon my new duties I was, as it were, engulfed in the personality of my charge. "Come on into your room!" she said, picking up my carpetbag as easily as if it had been a mere trifle. "Come on, Dicky; bring the box!" The Dicky person obeyed whistling a jaunty tune, and presently I found myself established in a most luxurious bedroom. The chauffeur vanished, closing the door, and Peaches, disposing the luggage upon a receptacle constructed for that very purpose, perched upon the foot of the bed, her long limbs making that lofty elevation none too high for her. I soon learned that she seldom sat upon a chair if anything else offered. "Say, Miss Talbot," she began as I laid out my toilet articles—"say, Miss Talbot, isn't Dick a king?" "Eh?" said I, startled. "I said isn't Dick a corker?" she repeated. "Do you know, I would have just about died out on the ranch if it hadn't been for him. Pa picked him up in Fresno when he was a hopper—picking hops with a bunch of greasers. Brought him home for me to play with. We went swimming together and riding together and everything when we were kids. Then pa sent him to school with me, and when he got some learning he gave him a job as foreman on the home outfit." "He seems a nice young person," said I, "but he is a chauffeur!" "You bet he is!" said Peaches enthusiastically. "The first car pa bought made him that! He can do anything with a car. I am in love with him!" "Miss Pegg!" I said horrified. "A servant! What would your father say!" "He'd say considerable!" remarked Peaches. "But he doesn't know it. And anyhow, I don't want to marry Dicky, even if he is your cousin. I just like being in love with some one, and he's simply crazy about me!" Her innocence, not to say ignorance, was appalling. High time, indeed, that she had a proper chaperon! "You must not play with so serious a subject!" I said severely. "And the young man is no relation of mine!" "How can you be sure of that?" asked the terrible young woman. "There may have been some live wire in your family that went West, you know!" To this I had no reply, for in point of fact my father's younger brother had indeed been a wild spirit who refused to enter the ministry and had vanished to the West, from which region he had never returned nor sent any token of his existence except, upon one occasion shortly after his departure, a specimen of polished redwood, which at that very moment was reposing in our curio cabinet at home. I determined, however, to make no mention of the circumstances. One is so seldom able to avoid one's relatives. "Do you not think a simpler frock would be better for luncheon?" I asked, changing the subject. Love was rather too personal a matter on which to press just at first, but really the girl's clothing was certainly somewhere within my legitimate province. "Your gown is very beautiful. And you won't be offended, but I am sure your father expects me to tell you these things."

A Killing Smile - Christopher G. Moore 2004

A Killing Smile First in the Land of Smiles Trilogy by Christopher G. Moore n 1957 Richard Mason's The World of Suzie Wong shocked the world with an exotic tale set in Hong Kong, then in 1973 Paul Theroux's Saint Jack followed with a powerful story set in Singapore, and in 1991 Christopher G. Moore's A Killing Smile has registered a tour de force with a haunting drama set in Bangkok. A Killing Smile is a simple but deep story about the aftermath of events following the death of a successful Los Angeles attorney's wife. Lost, confused, and angry, Lawrence Baring, Esq. goes to Bangkok and confronts Tuttle--the man his wife, Sarah, had once loved. The story follows the conflict and enveloping relationship of Baring and Tuttle in the underworld of Bangkok's Patpong, Soi Cowboy, and the late night meeting spot called HQ where spies, gangsters, diplomats, pimps, businessmen, writers, teachers, travellers gather along side the women they buy for the night. The novel is filled with twists and turns and atmosphere and absolutely fascinating characters shipwrecked in a society they vaguely understand.

The Breathing Sea - E.P. Clark 2020-04-16

Dasha is a gift. Only she's not very gifted. Both books in the awarding-winning Breathing Sea mini-series in one omnibus edition! Dasha was born at the behest of the gods, her mother's pledge between the world of women and the world of spirits. The Krasnograd kremlin looks to her to rule with fire, steel, and magic, just as her Imperial foremothers did. Instead, she's shy, retiring, and the least magically talented girl her tutors have ever seen. Now that she's almost a woman grown, she needs to learn to harness her gifts, but all she can do is have fits and useless visions. When her father offers to take her on her first journey away from Krasnograd, Dasha jumps at the chance to see her native land. But their journey quickly turns into more than a mere pleasure trip. The wide world is more dangerous than Dasha had imagined, and her rapidly growing gifts may be the most dangerous thing in it. But Dasha is not the only danger in Zem'. War is raging on its borders, and threatens to spill into Zem' itself. No matter which side Dasha's people choose, they may not be able to keep their freedom and their way of life. Dasha may hold the key to protecting Zem'—but she may have to lose herself in order to save her people. If you loved First Lessons or The Bear and the Nightingale, try this epic fantasy saga set in a magical Slavic world where trees walk, animals talk, and women rule. With discussion questions at the end.

Stop Telling Women to Smile - Tatyana Fazlalizadeh 2020-02-04

The debut book from a celebrated artist on the urgent topic of street harassment Every day, all over the world, women are catcalled and denigrated simply for walking down the street. Boys will be boys, women have been told for generations, ignore it, shrug it off, take it as a compliment. But the harassment has real consequences for women: in the fear it instills and the shame they are made to feel. In Stop Telling Women to Smile, Tatyana Fazlalizadeh uses her arresting street art portraits to explore how women experience hostility in communities that are supposed to be homes. She addresses the pervasiveness of street harassment, its effects, and the kinds of activism that can serve to counter it. The result is a cathartic reckoning with the aggression women endure, and an examination of what equality truly entails.

The Whispers of the Streets - J. Earl Loving 2003

But we loved that old ROOSEVELT & when he signed that Order 8802 a whole bunch of us got in the service. But you see I didn't trust them too much, & there was a lot of money to be made with all the work that the war caused. I just met this old girl that came up here from New Orleans, because, well, I thought that she was dirt poor & came up to make some money & find a husband. She was the prettiest thing that we ever seen around here, & we started courting almost as soon as she got off the bus (he chuckled to himself). "Her name was Antoinette. She had the softest light real near white skin that I had ever seen even on white folks, long Black shining hair, and a very pretty smile, you see. She loved to laugh, a&nd I did as much as I could to make her laugh. If she wanted a clown, I sure damned was going to be one. She always spoke in a near whisper in that half French way that they speak down there in the French Quarter down there, & sometimes we didn't know what the hell she was talking about. But she was so damned pretty that I really didn't care since she was my girl. Hell, after a couple of weeks of being together, she started talking that talk to me & whatever she was saying sounded so good to me that I was agreeing all over myself! "She got so excited that we didn't go to see the show like we was suppose to & spent the night together. We made good music that night, if you know what I mean? That was the summer of forty-three, and I was so

happy that I didn't know what to do with myself. The next morning she told me that she had to send her Mama a telegram to let her know that we was coming down so she could meet me & show me off to her family. "That's when I realized that the woman was talking about marriage! Well, I tell you that I was scared to death, because I never thought about marrying her or anybody else at the time, you see! But she was such a pretty thing that I said to myself "BOY, AS UGLY AS YOU ARE, YOU AIN'T GOING TO DO MUCH BETTER."

The Woman in Room Three - Laura Dowers 2021-07-19

A WOMAN WRONGFULLY INCARCERATED. A DOCTOR FIGHTING TO FREE HER. London, 1864. Dr Felix Cowdrey is working in a London free hospital, and hating every minute of it. So many of his patients have illnesses and injuries that cannot be treated, and his inability to help them pains him deeply. Then he meets Dr Miles Wakefield who offers him a position at his private lunatic asylum in Essex. Intrigued by the opportunity to work with patients who have damaged minds rather than bodies, Felix accepts, and sets out for Flete House. Felix enjoys an early success with a female inmate and believes that he has finally found his vocation. But the return of a young woman to the madhouse's best bedroom sets Felix on a new path that will expose a shocking family secret and uncover a deadly conspiracy that will change his life forever.

How to Pick Up Women - Matthew Manson 2019-08-21

Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself.... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice form men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this journey you will discover: - How to pick up women in an ethical way which leaves you BOTH happy and satisfied. - The things you NEED to improve about yourself in order to attract women instantly for the rest of your life. - A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember and apply in your own life. - The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman. - How to make killer first impressions that will make women obsessed with you. - How to master the art of texting and never feel nervous or embarrassed after sending her a text. - How to keep a conversation going in a natural and enjoyable way. - How to create a flirty vibe and sexual tension which will lead to some real action. - How to have a proper one-night stand which will make you stand out and make her come back for more. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. I was the shyest kid in my school and now I can confidently approach any woman I want. If I could learn it, anyone can. If you want to break the cycle of getting rejected by beautiful women once and for all, then scroll up and Order Now!

You Should Smile More - Dawn Hudson 2022-09-06

The Band of Sisters, a collective of women who know firsthand how hard it is to navigate gendered workplace situations in the moment, share their experience and offer realistic strategies every witness can use to confront gender bias and productively address it at work. Each chapter also has tips to help if it's about you, if you're the boss, and if you're the witness.

Heartaches and Pains - Rosa Nell Williams 2007-03-16

Heartaches and Pain, Baby. I can say that with a smile now, but I couldn't say it then. Thank God and AuthorHouse for giving me the opportunity to tell the world that no one don't have to take being

mistreated. Even though my book is not giving a solution to the problem, I'm sure you can feel the hurt, pain, and suffering that I endured. No one can inflict anything upon you unless you let them. Believe it or not, after all that I went through, I still believe in love. They couldn't take that away from me. I give special thanks to God for my mother, Estella Mae Allen, who is now deceased. That woman could tell you off, and make it rhyme.

The Woman Behind the Smile - Debby Montgomery Johnson 2016-10-28

Debby Montgomery Johnson is a woman on a mission. In her book she shares her personal experience with

a love that turned into betrayal and financial disaster and she removes the mask of shame and shows others how do to the same. Many of us have something, something we're hiding, something we're ashamed of, something that through no fault of our own or through our own making, something that we keep hidden and that, in turn, keeps us hidden, from each other and the world.
