Your Girlfriends Only Know So Much - Finesse Mitchell 2007-11-06

Face it. Your girlfriends can tell you what you need to know about just about everything...except men. For that, you need comedian and Essence columnist Finesse Mitchell. Eager to help his sistas out and show them how to avoid the types of men who have left them baffled, blue, or just plain bitter, Mitchell tells the truth, whether it's good, bad, or downright despicable. Your Girlfriends Only Know So Much clues women in to what men are really thinking at every stage of a relationship, from first contact through deciding to propose. Lighthearted and brutally (if hilariously) honest,

A Spectacular Catastrophe - Dushka Zapata 2017-04-29

When Dushka Zapata comes across any perspective in life that she finds useful or that contributes to her suffering less, she writes about it. This book is a collection of those lessons she hopes prove useful to others. This book is not intended to be read cover to cover but rather in snippets of time across the day.

The Start-up of You - Reid Hoffman 2012

From the co-founder and chairman of LinkedIn and author Ben Casnocha comes a revolutionary new book on how to apply the strategies of successful entrepreneurship to your career: in other words, how to run the 'start-up of you'. In a world where wages are virtually stagnant, creative disruption is rocking every industry, global competition for jobs is fierce, and job security is a thing of the past, we're all on our own when it comes to our careers. In the face of such uncertainty, the key to success is to think and act like an entrepreneur: to be nimble and self-reliant, to be innovative, and to know how to network and stand out from the crowd. And this is precisely what Hoffman and Casnocha show you how to do in a book that is both inspirational and supremely practical. Just as LinkedIn is the one online community that no professional can afford not to belong to, this is the book that no

professional can afford to be without.

Retroactive Jealousy - Ryder Winchester 2021-04-19

If you're tired of the pain & destruction caused by your intrusive thoughts & are ready to empower your life then keep reading... Get your life back in your control. This book is a completely transparent, in-depth, and detailed account of my journey through retroactive jealousy. From its vulnerable, innocent origins, to its ultimate epic defeat. This book is also a comprehensive guide on how I personally struggled with and eventually transformed the insidious beast into personal strength and power. At the risk of offending you the reader and retroactive jealousy sufferer, I bring you this piece of truth; Retroactive jealousy was one of the greatest things to ever happen to me. That thought may seem impossible to you at this stage. It may even anger you. But you will likely one day feel a deep sense of gratitude that you suffered through this pain once you have undergone enough of a positive transformation. My Retroactive Jealousy's healing and defeat was a physical, spiritual, and mental evolution. Although its grasp caused much pain, heartbreak, and despair, victory over it blossomed a more loving, strong, patient, thoughtful, and confident version of myself. I was reborn anew in the ashes of Retroactive jealousy's defeat and spread my wings into a brighter future that would not have been known to me had I not suffered the way I had suffered. Inside You Will Discover... The roots of pain within you & ways to rip them out (that no one

ever told you about) Insider mindfulness secrets used by the worlds most peaceful masters These unique strategies to crush triggers before they crush you & your relationship Simple to apply methods to find peace & dissolve your turmoil Your own unique life-altering positive actions How to easily re-write your own self-image & transform into the dream version of yourself Secrets to approach happiness with a never before felt sense of power & strength How to shrink the monstrous Retroactive Jealousy into a teeny, tiny spec (& in some cases, as in the authors, be rid of it altogether!) And Much Much More... Making the brave, empowering decision to overcome your Retroactive Jealousy will enrich your life beyond your current comprehension! This easy-to-follow guide is designed to produce results for you from the comfort of your own home, even if you've never worked on yourself or read a self-help book before. No shelling out thousands of dollars on a therapist, no hard traumatic work, & no expensive life coach needed. Life is simply too short to continue living with this pain. 101 Ways Black Women Can Learn to Love Themselves - Jamie Walker 2002

Heart and Soul magazine 101 Ways is like talking to your sister when she's got all the right answers. Black Issues Book Review An ambitious...guide to personal growth and fulfillment through the practice of loving one's self. Walker touches upon topics as diverse as respecting your elders and loving your hair, devoting each chapter to a single principle. Walker often seems to be thinking out loud, as if she's writing a journal entry or letter to a close friend...The very completion of this 101-chapter volume is no small feat and should serve as an inspiration to aspiring writers. Midwest Book Review An impressively practical self-help guide written especially to aid black women to get in touch with their spiritual side, experience a zest for life, and achieve a personal liberation. Walker articulately and persuasively takes the position that true healing does not come overnight, but rather it gradually evolves over time, once we learn not to look outward for validation and approval, and only when we

embrace the love of God. 101 Ways Black Women Can Learn To Love Themselves is definitely recommended as being an unusually powerful, emotionally charged, and uplifting personal improvement and self-help guide. Kanika A. Wade, The Rawsistaz Book Reviewers As a black woman on her own personal journey, I found this book to be powerful, very emotional, and moving to read. I felt that the author at times was speaking directly to me, providing the encouragement and strength that I need as I move forward into new horizons. Jamie Walker offers a book that with an open heart, many can and will find healing. As a young black woman, I am thankful that Ms. Walker heeded the call and wrote a book that all black women, regardless of age should read. Venus Noble Jamie Walker is insightful and wise way beyond her years. A page turner would not describe the inability to put this book down! There is wit and humor in every single passage! No Black woman's bookshelf should be without this manual of self worth and respect. Though apparently geared toward Black women, it is useful for any woman who will open her mind to learning about herself and growing. Social Worker/Activist; Oakland, California Joy Parham, Assistant to the Librarian; UC Merced I believe this is a necessary and encouraging message Jamie is sending out to Black women, especially our young Black women. Most of us didn't tap into our inner selves until we had experienced numerous trials and tribulations in life. We didn't see the value in the valley. This is definitely a book I will add to my collection. Esther Cooper Jackson, co-founder of Freedomways magazine An excellent resource! Columbus Metropolitan Main Library (representing ten branches) A Must Read! BOOK SUMMARY Self-love is the only kind of love that can every truly heal and rescue us, causing us to be more open in all of our other relationships, activities, and endeavors. 101 Ways Black Women Can Learn to Love Themselves this book is about self-actualization, the power of sisterhood, the healing power of sharing our own stories, and the beauty o SongCite - William D. Downloaded from legacy.opendemocracy.net on 2020-12-12 by guest

2012-12-11

Young goodlooking ER medic Travis Stork MD was a hit on the US reality TV dating show, 'The Bachelor'. As a doctor he has found himself listening to countless stories about relationships, hearing tales of low self-esteem and desperate behaviour. He has now combined his personal and professional expertise to provide a fresh new take on male/female dynamics. In *Don't Be That Girl*, Travis identifies 8 types of women who tend to make the same mistakes again and again, and he offers constructive, upbeat advice on how to avoid being 'That Girl'. He cleverly and wittily takes us through all the archetypes: Agenda Girl, Drama Queen Girl, Bitter Girl, Desperate Girl, Yes Girl, Insecure Girl, Lost Girl and Working Girl, while encouraging women to defeat their insecurities and learn to feel confident just being themselves. Travis Stork exudes down-to-earth charm and has an irresistible style of writing that entertains as well as enlightens and is never patronising. He is a passionate advocate of healthy relationships and wants women to stop falling victim to self-defeating behaviour and find their own fairy-tale ending.

A Girl Named Sandy - Paul Kater

Jealous Girl? - Gail Snyder 2014-07-01

Teens have commonly shared experiences with jealousy. Everyone feels jealous or envious at one time or another, but if you constantly feel like the world is unfair to you, you may need some help keeping these negative emotions in check. This guidebook uses real-life examples and quotations to illustrate the causes and

effects of irrational jealousy and envy and provides strategies and tips on how to overcome them.

Behind every mean girl... There's a tragedy - Hermione Daguin 2015-05-18

The average human being spends every second of his day fighting against the force of nature to see another day. But I'm different. I'm not afraid of outside forces to take my life away - only myself. Approximately 10 years ago, something happened to me. Something really bad. But I'm not allowed to talk about it. As a way to release my frustration, I give hell to my body and everyone I come in contact with - especially my parents. No one knows about what happened except the ones who did it...and Him. But he didn't stay. Now, he's back and he's not talking either. I want to stop hurting, I need to stop. Make me stop.

Ex-Girlfriends United - Matt Dunn 2008-10-06
Despite his new-found fame on ITV 5's latest soap, womaniser Dan Davis is failing to score with the ladies. Every time. And he can't understand why. All is revealed when Dan and his friend Ed Middleton come across a mysterious website - slateyourdate.com - where women rate their experiences of their exes, and where Dan is shocked to learn that long after he's given them one, his ex-girlfriends are giving him one - one out of ten, that is. Faced with the prospect of a lifetime of singledom, Dan needs to crack the code of a website that's strictly women only to find out where he's been going wrong. Then he must track down his many exes in order to put things right. Along the way, Dan discovers he has much to learn about himself. Particularly when he meets up again with Polly - and realizes he wants her back. Can Dan convince his former love he's changed? Can Ed convince Dan he needs to change in the first place? Can the two friends use their new-found knowledge to help other men in the same boat?
