A Guide to Screenwriting Success - Stephen
V. Duncan 2020-07-24
A Guide to Screenwriting Success, Second
Edition provides a comprehensive overview of

writing—and rewriting—a screenplay or teleplay
and writing for digital content. Duncan's handy
book teaches new screenwriters the process of
creating a professional screenplay from
beginning to end. It shows that inspiration,
creativity, and good writing are not elusive
concepts but attainable goals that any motivated
person can aspire to. Duncan includes sections
on all aspects of screenwriting—from character
development to story templates—and breaks
down the three acts of a screenplay into
manageable pieces. A Guide to Screenwriting
Success contains dozens of exercises to help
writers through these steps. The second half of
Duncan's practical book covers another, often
overlooked, side of screenwriting—the teleplay.

Aspiring writers who also want to try their hand at writing for television will need to learn the specifics of the field. The book breaks down this area into two parts, the one-hour teleplay and the situation comedy. There is a section on writing and producing digital content that embraces the “Do It Yourself” attitude to approaching a career in the entertainment industry. Success in screenwriting is no longer a dream but an achievable goal for those who pick up Duncan's guide.

Boys' Love, Cosplay, and Androgynous Idols -

Maud Lavin 2017-06-01

Chinese-speaking popular cultures have never been so queer in this digital, globalist age. The

title of this pioneering volume, *Boys' Love, Cosplay, and Androgynous Idols: Queer Fan Cultures in Mainland China, Hong Kong, and Taiwan* already gives an idea of the colorful, multifaceted realms the fans inhabit today. Contributors to this collection situate the proliferation of (often online) queer representations, productions, fantasies, and desires as a reaction against the norms in discourses surrounding nation-states, linguistics, geopolitics, genders, and sexualities. Moving beyond the easy polarities between general resistance and capitulation, *Queer Fan Cultures* explores the fans' diverse strategies in negotiating with cultural strictures and media censorship. It further outlines the performance of subjectivity, identity, and agency that cyberspace offers to female fans. Presenting a wide array of concrete case studies of queer fandoms in Chinese-speaking contexts, the essays in this volume challenge long-established Western-centric and Japanese-focused fan

scholarship by highlighting the significance and specificities of Sinophone queer fan cultures and practices in a globalized world. The geographic organization of the chapters illuminates cultural differences and the other competing forces shaping geocultural intersections among fandoms based in Mainland China, Hong Kong, and Taiwan. “This important collection complicates our understanding of fan practices, showing how national and regional factors play an important role in how media texts and identities are understood. It also shows how the Chinese-speaking world is home to dense and often conflicting modes of audience reception of cultural texts deriving from Sinophone, Japanese, and Western contexts.” —Mark McLelland, University of Wollongong “An exciting anthology by a talented group of emergent scholars whose vibrant studies offer fresh insights on the diverse practices and transregional flows of queer fandom in the Chinese-speaking world. Local in its specificity

and transnational in its scope, this book highlights the creativity of queer fan practices while critically locating them within the political and social structures that produce them.”

Red, White & Royal Blue - Casey McQuiston

* Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo

involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the

first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

your creativity with a wide range of ideas that help you add astrology to your writing practice. Learn how to use the planets for characters, the signs of the zodiac for plot and themes, and the houses of the horoscope for settings. Develop unique characters based on mythic archetypes, use astrological imagery and symbolism for your descriptions and dialogue, and put theory into practice with writing prompts and examples. Invite the gods and goddesses of astrology to enter your writing and share their stories through you.

Zodiac Academy - Caroline Peckham 2021-09-08
I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae. But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my

throne if they could. The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy. Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way. My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell. All I've got to do is survive. But fate might have other ideas. Dammit, why couldn't I have gotten a letter to Hogwarts?

Saturn Return Survival Guide - Lisa Stardust
2021-05-05

The Saturn Return Survival Guide is the perfect companion for those seeking guidance as they enter this turbulent time. Every 27 to 29 years, Saturn returns to the sign it was in when you were born - a cycle called the Saturn return. During this phase, you will typically break down in order to rebuild, and question everything from your career to the past to relationships and even finances. It's a time of deep reflection, turmoil and self-doubt. But after Saturn passes into a new sign, you will also experience great clarity and calm as you enter into a new chapter of your life. Understanding this cosmic rite of passage can help you to advance into your next stage of adulthood and the Saturn Return Survival Guide is the definitive guide to navigating this turbulent time. We break down the basics for

each star sign and offer meditations and manifestations to help you through (using crystals, candles, and bath magic). Fun and easy to read, the Saturn Return Survival Guide is full of astrological truths for the believers as well as novices searching for meaning. Written by Lisa Stardust of the Instagram handle @liststardustastro. Complete with modern vintage full-colour illustrations by London based artist, Emmy Lupin (@emmylupin).

Tarot for Writers - Corrine Kenner 2009

The Luminaries - Eleanor Catton 2013-09-05
WINNER OF THE BOOKER PRIZE FOR FICTION 2013 It is 1866, and Walter Moody has come to make his fortune upon the New Zealand goldfields. On arrival, he stumbles across a tense gathering of twelve local men, who have met in secret to discuss a series of unsolved crimes. A wealthy man has vanished, a whore has tried to end her life, and an enormous fortune has been discovered in the home of a luckless drunk.

Zodiac Signs As Sex Education Characters

Moody is soon drawn into the mystery: a network of fates and fortunes that is as complex and exquisitely patterned as the night sky. The Luminaries is an extraordinary piece of fiction. It is full of narrative, linguistic and psychological pleasures, and has a fiendishly clever and original structuring device. Written in pitch-perfect historical register, richly evoking a

mid-19th century world of shipping and banking and goldrush boom and bust, it is also a ghost story, and a gripping mystery. It is a thrilling achievement and will confirm for critics and readers that Catton is one of the brightest stars in the international writing firmament. Complete Life-Guides - Jideoni Charles
