The Life of Jesus: Junior High Group Study - Kara Powell 2009-01-02

Who loves young teens more than they could ever imagine? Who longs to give them self confidence and a strong identity, to help them be what they were meant to be? Jesus. Help youth workers introduce young teens to the radical messages of Jesus. This study points students to the supernatural power of Jesus Christ and the lessons He taught, which still ring true today for young people. From the miracle of raising Lazarus to Christ's own resurrection and ascension, students will be filled with awe and amazement that the eternally powerful Christ wants a personal relationship with them. Key themes throughout show the balance Christ showed between His power to heal and to cast out demons, and His tenderness to love and care for His disciples and followers, and for us. His parables communicate a spiritual truth or religious principle through simple, but powerful, stories that students can relate to. The three four-week modules explain who Christ is, and how each of us can follow His example to a fruitful and fulfilled life.

Side-Stepping the Rules - Edward Galluzzi 2010-12-20

Side-Stepping the Rules: Broken or Not provides the reader with the gift of laughter from the male perspective as it offers men childish ways for escaping the clutches of the woman who thinks she is Mrs. Right. Quite by accident, it offers women time-tested strategies how to snag their man. First, there was The Rules: Time-tested Secrets for Capturing the Heart of Mr. Right by Ellen Fein and Sherrie Schneider (Warner Books, 1995). Several years later came the parody book, Breaking the Rules: Last-ditch Tactics for Landing the Man of Your Dreams by Laura Banks and Janette Barber (Career Press, 1997). As a parody of The Rules, it offered, "All rules are made to be broken." Now it is time for the sensitive man's point of view in this parody of a parody, Side-Stepping the Rules: Broken or Not. Unlike the previous two books, The Rules and Breaking the Rules, the parody Side-Stepping the Rules: Broken or Not offers men childish ways for escaping the clutches of the woman, even a RB (Rule Breakin') woman, who thinks she is Mrs. Right. Side-Stepping the Rules: Broken or Not provides the sensitive male with 11 manifestos that will serve as countermeasures to the wiles of RB women. No worries mate! If you fail to apply successfully the first manifesto, you still have 10 more chances to fight off those pesky RB women. Even if you are unsuccessful with the first 10 manifestos, the final manifesto, "Sell your house and blend invisibly with the homeless," still provides you-the most pitiful representation of mankind-a way out. For those readers who are impatient and used cliff notes to float through high school, save yourself time by

turning to Chapter 12 now and Consult Your MAN Index. The MAN Index offers you the chance to pinpoint immediately how you will fare with the approaches of a RB woman. The MAN Index is based grossly on an unscientific and nebulous study with the underlying theorem: You are what you eat! Finally, the reader is escorted or forced into the 21st century-dependending on whether you now use an abacus or a computer. A glossary of terms is provided that help you understand women in Cyberspace. Don't enter the 21st century without it! About the Author: I began writing little stories for children of friends and relatives that included their personal data about their personal lives. This happened about 15 years before such books became popular commercially. It was these stories that formed the basis of my first children's book, Twelve Upon A Time ... I also wrote a mystery/adventure novel, Mirror, Mirror at 1600 D.C. This political intrigue novel gives you characters in believable relationships bound up in a mystery and an adventure that will keep you speculating throughout the book. After that serious effort, I took a light-hearted approach in this parody book, Side-Stepping the Rules: Broken or Not. This parody provides the reader with the gift of laughter from the male perspective as it offers men childish ways for escaping the clutches of the woman who thinks she is Mrs. Right. Side-Stepping the Rules: Broken or Not provides the sensitive male with 11 manifestos that will serve as countermeasures to the wiles of RB women. No worries mate! Even if you are unsuccessful with the first 10 manifestos, the final manifesto, "Sell your house and blend invisibly with the homeless," still provides you-the most pitiful representation of mankind-a way out.

Getting God Wrong - G. S. Kohler 2023-10-06

Reading a tone of voice into printed words, especially the personal experience of an email or text, can disconnect two people, even friends. Having one friend reinterpret the way another "heard" the words with their own tone of voice may lead them into discovering how Jesus seems to hear God differently, even though he read the same Bible. In *Getting God Wrong*, the reader is invited into a conversation on how they taught themselves to misunderstand the One who loves them best.

"Instructions" is the same word that gets translated "commandments," and "guidance" is the same word sometimes translated "law." This shift of translations can affect one's emotional engagement with the ideas. People have told themselves for centuries that God marched the people of Israel out of four hundred years of slavery, out into the desert, to tell them, "Now you'll be my slaves and live under my commandments!" What if God used a different tone of voice, and not the one people usually "hear" as they read? *Getting God Wrong* suggests that God wants people to hear his heart as clearly as Jesus lived it out in front of them. Jesus is God's tone of voice.

Broken Jar - Jan Doke 2009-07

Broken Jar is for those who wish to be transformed by the Potter from a showboat into an ark of testimony for Him. It is for earthen vessels who know that to be continually molded by His hands—even broken and reformed, if need be—is the only way to keep bearing His hallmark—the only way to continue glorifying the true Potter. From January through December, these daily devotionals, anchored deeply in the Word of God, ask challenging questions about growing pains and comfortable stagnation: - Are we allowing the Potter to do as He pleases with us, the clay? - Do we trust Him to put pressure where it is needed to mold us to His liking, or do we stiffen at and shrink from His touch? - When we arrive at a shape we like, do we grow so proud and possessive of this present form that we disengage ourselves from the wheel to harden into an independent and finished pot to remain permanently "fixed"? This book is for those jars who refuse to stay fixed. Jan Doke is a retired high school English/Bible Literature teacher. She lives in Belton, Texas with her husband, Larry. When she is not writing, she enjoys studying and teaching the Bible, speaking at women's retreats, mentoring at a drug-rehab center, traveling, hiking, fishing, cooking, and playing with her five grandchildren. She has been published in *Christian Woman* magazine and is currently working on her first novel, *Out of the Chute in Azalea Heights*.

RELATIONSHIPS - Dr. Danna Brissie 2014-06-06

This book evolved from years of practice of a psychotherapist treating hundreds of individuals and couples. After several years, Dr. Brissie began to notice patterns in the problems of couples and devised a theory

as to why relationships fail and developed solutions which proved successful in her practice. The most popular part of the book is an identification of roles individuals assume in their primary relationships with their spouses or significant others. For example a Critical (controlling) person usually chooses a Rebellious (Passive or Aggressive) person. A Rescuer chooses a Compliant person; both groups could never understand how they were ever attracted to each other or complained "he/she is not the same person I first met." After couples were able to see these characteristics in themselves and others, they learned to better communicate and work on undesirable behaviors. Most couples learned the greatest enemy to a relationship is 'built resentment' by one or both parties, thus making communication a vital part of a healthy relationship. The realities of divorce is also included in the book describing the ultimate impact on all members of the family and the families of origin.

Another part of the book is designed to help individuals gain insight into knowing themselves better, thus improving communications skills and improving all relationships. No self help book is complete without helping readers improve their self esteem and educating them about how therapy can help. The author presents suggestions for finding a good therapist. The book is written without psychological jargon thus making it easy to read and understand. Many find it excellent as a future reference. After the first publication, the author was invited to be a keynote speaker at McLean Hospital (one of Harvard's teaching hospitals)during a mental health week. The book is currently on Dr. Harville Hendrix's recommended reading list. It remains timely after many years in our current social networking, multiple marriage, complex society. The author hopes you will find it helpful to you as it has been to the majority of her clients and readers.
