Alcoholism and Sexual Dysfunction - Bruce Carruth 2014-04-04

Experts provide specific methodologies for clinicians working with recovering alcoholics and their families. This landmark study of sexual issues in alcoholism treatment addresses impotence in male alcoholics, the sexual dynamics of the client-counselor relationship, homosexual alcoholics, and many other important issues.

Aging and Male Sexuality - Raul C. Schiavi 1999-06-17

Awareness of the importance of sexuality and its disorders in the aging population is increasing as the proportion of older people increases. Based in part on the author's clinical experience and research at Mount Sinai Medical Center in New York, this book presents an up-to-date overview of the sexuality of aging men in health and illness, within a multidimensional conceptual framework. It takes into account physiological, psychological, interpersonal, and social influences. The book also discusses the impact of medical illness, psychopathology, and drugs, with a review of coping strategies in shaping individual sexual responses to aging and disease. The author incorporates many case studies and vignettes, and devotes a chapter to the sexuality of older gay men. A balanced account of medical and psychosocial evaluation and treatment concludes the book, which will be of broad interest to clinicians and students interested in sexuality and aging.

A Feminist Analysis of Young Women's Experiences of Alcohol and Sexuality - Brooke E. Wells 2008

Alcohol and Sexuality - 1992-09

Includes: effects of alcohol on both the male and female reproductive systems, prenatal alcohol exposure, deviant sexual behavior, the alcoholic

woman, gays and alcohol, and alcohol and mortality. Photos. Extensive bibliography.

Alcohol and Sexuality - Gayna McConnell 2010

Alcohol and Sexuality - Kate Butterfield 2013

Alcohol and Sexuality - United States. Alcohol, Drug Abuse, and Mental Health Administration 1991

Sex and Sobriety - Jack Mumey 1993

A caring, candid guide to a difficult and central issue for people in recovery. After reviewing how sex is connected with alcohol and other drugs, Mumey provides valuable guidelines to achieving intimacy and also covers rejection, performance anxiety, making a meaningful commitment to another person, AIDS, sex for gays and lesbians, and more. Index.

Risk-Takers - Moira Plant 2002-09-11

Risk-Takers gives a comprehensive view of youthful involvement with drinking, smoking, drug use and sex. It provides a challenging assessment of health education for young people showing that, despite the threat of AIDS and HIV infection, risk-taking remains a feature of normal adolescent behaviour, difficult to restrain or curb.

Sex, Alcohol and Other Drugs - Jeanie Lynch 2004

Drawing heavily on the perspectives of young people, professionals and research, Sex, Alcohol and Other Drugs provides a much-needed foundation for developing policy and practice that is relevant to young people's lives, and addresses the issues in a holistic fashion.

Alcohol and Sexuality . An Annotated Bibliography on Alcohol Use, Alcoholism. and Human Sexual Behavior - Timothy J.. O'Farrell 1983

Alcohol and Sexuality - BPI Information Services 1991-01-01

Includes: effects of alcohol on both the male and female reproductive systems, prenatal alcohol exposure, deviate sexual behavior, the alcoholic woman, gays and alcohol, and alcohol and mortality.

Alcohol Use and Sexual Risk Behaviour - Organización Mundial de la Salud. Department of Mental Health and Substance Abuse 2005-07
 "The link between alcohol use and sexual behaviour has serious implications for the health of populations due to the advent of HIV infection. WHO coordinated a multi-country study to identify factors related to risky sexual behaviour among alcohol users in diverse cultural settings. The countries involved included: Belarus, India, Mexico, Kenya, Romania, the Russian Federation, South Africa and Zambia."--Back cover.

Sex, Drugs and Young People - Peter Aggleton 2013-09-13

Sexual practices and drug use among the young are examined in this book, calling into question mainstream assumptions about 'adolescence'. Bringing together a range of cross-cultural and cross-national contributions, the book reveals both similarities and important differences that mark sexuality and drug use among young in different social and cultural settings. In doing so, it allows the reader to build up a clearer understanding of the challenges that must be faced in public health and education if we are to develop programs and interventions that really serve the needs of young people. The book will be of interest to professionals working with young people and is suitable for a wide range of multidisciplinary courses covering areas such as human sexuality, sex education, public health and social work.

Alcoholism and Human Sexuality - Gary G. Forrest 1983

This text examines the specific sexual problems, dysfunctions and patterns of aberrant sexual behaviour manifested among alcoholics and substance abusers. It provides detailed treatment strategies and guidelines for each category of dysfunction or conflict.

Alcohol and Sexuality - Timothy J. O'Farrell 1983

Alcohol, Sex and Gender in Late Medieval and Early Modern Europe - L. Martin 2001-01-19

This book examines drinking and attitudes to alcohol consumption in late medieval and early modern England, France, and Italy, especially as they related to sexual and violent behavior and to gender relations. According to widespread beliefs, the consumption of alcohol led to increased sexual activity among both men and women, and it also led to disorderly conduct among women and violent conduct among men. Dr Lynn shows how alcohol was a fundamental part of the diets of most people, including women, resulting in daily drinking of large amounts of ale, beer, or wine. This study offers an intimate insight into both the altered states induced by alcohol, and, by opposition, into normal relations in family, community, and society.

Sexual Health in Drug and Alcohol Treatment - Douglas Braun-Harvey, MA, MFT, CGP, CST 2009-07-27

"Braun-Harvey's manual deserves to become widely adopted at treatment centers across the United States and beyond. His approach offers an effective method for mitigating the shame that binds people to their addictions. In doing so, it may help pave the way to protracted recovery."--Journal of Groups in Addiction and Recovery "The curriculum...provides a vision for chemical dependency treatment I have attempted to address for many years. This looks like an approach that finally meets this need." -- Eli Coleman, PhD Director of the Program in Human Sexuality University of Minnesota "In this new evidence-based curriculum...Doug Braun-Harvey challenges our attitudes and beliefs, as well as our traditional ways of providing treatment....This material on sexual health can help to provide a missing piece for many recovering addicts." --Stephanie S. Covington, PhD, LCSW Author, *Women and Addiction: A Gender-Responsive Approach For men and women in addiction recovery*, sexual behavior linked with drug or alcohol use is too often the primary reason for relapse. When sexuality is not directly and positively addressed in drug and alcohol treatment, it can result in treatment failure or relapse. This group facilitator's guide introduces a pioneering,

evidence-based curriculum, designed to integrate concepts of sexual health, current sex research, and recent developments in relapse prevention research. With this guide, group facilitators can offer clients a positive and safe forum within which to understand and change their sex/drug- linked behaviors. Key Features: Requires no specialized training, and can be integrated into a wide variety of treatment programs with all types of clientele Contains lesson plans on dating and relationships, spirituality and sexuality, non-consensual sex, out-of-control sexual behavior, and more Complete with suggested group activities, guided discussions, questions, role- plays, and more Has been proven to improve client retention and decrease sexual behavioral problems

Alcohol and Sexuality - Carlotta Schuster
1988-02-11

The latest volume in the Sexual Medicine series,

Alcohol and Sexuality provides an extensive review of current literature on the inter-relationship between alcohol use/abuse and sexuality. Topics addressed include the effects of alcohol on sexual responses of male and female social drinkers and male and female alcoholics; the incidence of sexual deviance in male alcoholics; marital sexual adjustment in male alcoholics; the relationship of sex victimization to the intoxicated state in female victims; marital sexual adjustment in actively drinking male and female alcoholics; influence of chronic alcoholism upon homosexual and lesbian relationships; sexual adjustment of single recovering female alcoholics. Also included is a section that focuses upon the influence of other substances--opioids, cocaine, tetahydrocannabinols--on sexual responses.
