

Ancient Lovemaking Secrets The Journey Toward Immortality

Bone Marrow Nei Kung - Mantak Chia
2006-10-25

A guide to nourishing the body through bone marrow rejuvenation exercises • Presents exercises to “regrow” bone marrow, revive the internal organs, and prevent osteoporosis • Explains the use of bone breathing and bone compression, “hitting” to detoxify the body, and sexual energy massage and chi weight lifting to enhance the life force within Most Westerners believe that a daily physical exercise program helps slow the aging process. Yet those whose bodies appear most physically fit on the outside often enjoy only the same life span as the

average nonathletic person. It is the internal organs and glands that nourish every function of the body, and it is the bone marrow that nourishes and rejuvenates the organs and glands through the production of blood. By focusing only on the muscles without cultivating the internal organs, bones, and blood, the Western fitness regimen can ultimately exhaust the internal system. In Bone Marrow Nei Kung Master Mantak Chia reveals the ancient mental and physical Taoist techniques used to “regrow” bone marrow, strengthen the bones, and rejuvenate the organs and glands. An advanced practice of Iron Shirt Chi Kung, Bone Marrow

Nei Kung was developed as a way to attain the “steel body” coveted in the fields of Chinese medicine and martial arts. This method of absorbing energy into the bones revives the bone marrow and reverses the effects of aging through the techniques of bone breathing, bone compression, and sexual energy massage, which stimulates the hormonal production that helps prevent osteoporosis. Also included is extensive information on chi weight lifting and the practice of “hitting” to detoxify the body.

Celibacy in the Ancient World - Dale Lauderville 2010-07-01

Celibacy is a commitment to remain unmarried and to renounce sexual relations, for a limited period or for a lifetime. Such a commitment places an individual outside human society in its usual form, and thus questions arise: What significance does such an individual, and such a choice, have for the human family and community as a whole? Is celibacy possible? Is there a socially constructive role for celibacy?

These questions guide Dale Lauderville, OSB, in his study of celibacy in the ancient cultures of Israel, Mesopotamia, and Greece prior to Hellenism and the rise of Christianity.

Lauderville focuses especially on literary witnesses, because those enduring texts have helped to shape modern attitudes and can aid us in understanding the factors that may call forth the practice of celibacy in our own time. Readers will discover how celibacy fits within a context of relationships, and what kinds of relationships thus support a healthy and varied society, one aware of and oriented to its cosmic destiny. Dale Lauderville, OSB, is professor of theology at Saint John's University School of Theology 'eminary, Collegeville, Minnesota. He is the author of *Piety and Politics: The Dynamics of Royal Authority in Homeric Greece, Biblical Israel, and Old Babylonian Mesopotamia* (Eerdmans, 2003) and *Spirit and Reason: The Embodied Character of Ezekiel's Symbolic Thinking* (Baylor University Press, 2007).

The Healing Promise of Qi: Creating Extraordinary Wellness Through Qigong and Tai Chi

- Roger Jahnke 2002-03-22

An internationally respected doctor of Chinese medicine and author of the bestselling "The Healer Within" clearly and simply explains the concepts of qigong. 125 illustrations.

Touching the Heart - William J. Bausch 2007

No one can write about storytelling like Father Bill Bausch. Both his words and his stories are compelling, convincing, and completely absorbing. Here in this landmark work, which he insists is his last, his goal is to help readers see

the centrality of stories, to read and hear Scripture as story and not as history, and to learn to enrich and expand their lives by looking at the "story behind the story." He wants to break readers out of the literalism that constricts their spiritual and social lives, so they might gain an appreciation of metaphor and symbol and the "sacramentality" of the world.

Encyclopedia of Ancient Deities - Charles Russell Coulter 2021-12-06

Throughout history, humans have pondered the question of their existence. In nearly every society, part of the answer has included some form of god or goddess. For the Mayans, one such deity was Ajtzak, who tried to create humans from wood; for the Yorubas of Africa, Shango controlled the thunder and lightning. The Chinese of the Shang dynasty era worshipped Shang Ti. Evil deities were also part

of the answer, as in the case of the Kuvera, the Hindu chief of evil in the Vedic period, and Tu, the Persian or Islamic demon of fatal accidents. All of the known ancient gods, many heretofore obscure or known only from mythological literature, are included in this exhaustive reference work. The focus is on their origins, histories, and functions. The people who believed in each deity are identified, along with alternate names or spellings both old and modern. The descriptions that follow are of the functions, origins and physical nature of the deities. Extensive cross references are provided for alternate spellings and names.

The Immortality Key - Brian C. Muraresku

2020-09-29

THE NEW YORK TIMES BESTSELLER As seen on The Joe Rogan Experience! A groundbreaking dive into the role psychedelics have played in the origins of Western civilization, and the real-life quest for the Holy Grail that could shake the Church to its foundations. The most influential

religious historian of the 20th century, Huston Smith, once referred to it as the "best-kept secret" in history. Did the Ancient Greeks use drugs to find God? And did the earliest Christians inherit the same, secret tradition? A profound knowledge of visionary plants, herbs and fungi passed from one generation to the next, ever since the Stone Age? There is zero archaeological evidence for the original Eucharist - the sacred wine said to guarantee life after death for those who drink the blood of Jesus. The Holy Grail and its miraculous contents have never been found. In the absence of any hard data, whatever happened at the Last Supper remains an article of faith for today's 2.5 billion Christians. In an unprecedented search for answers, *The Immortality Key* examines the archaic roots of the ritual that is performed every Sunday for nearly one third of the planet. Religion and science converge to paint a radical picture of Christianity's founding event. And after centuries of debate, to solve history's

greatest puzzle. Before the birth of Jesus, the Ancient Greeks found salvation in their own sacraments. Sacred beverages were routinely consumed as part of the so-called Ancient Mysteries – elaborate rites that led initiates to the brink of death. The best and brightest from Athens and Rome flocked to the spiritual capital of Eleusis, where a holy beer unleashed heavenly visions for two thousand years. Others drank the holy wine of Dionysus to become one with the god. In the 1970s, renegade scholars claimed this beer and wine – the original sacraments of Western civilization – were spiked with mind-altering drugs. In recent years, vindication for the disgraced theory has been quietly mounting in the laboratory. The constantly advancing fields of archaeobotany and archaeochemistry have hinted at the enduring use of hallucinogenic drinks in antiquity. And with a single dose of psilocybin, the psychopharmacologists at Johns Hopkins and NYU are now turning self-proclaimed atheists

into instant believers. But the smoking gun remains elusive. If these sacraments survived for thousands of years in our remote prehistory, from the Stone Age to the Ancient Greeks, did they also survive into the age of Jesus? Was the Eucharist of the earliest Christians, in fact, a psychedelic Eucharist? With an unquenchable thirst for evidence, Muraresku takes the reader on his twelve-year global hunt for proof. He tours the ruins of Greece with its government archaeologists. He gains access to the hidden collections of the Louvre to show the continuity from pagan to Christian wine. He unravels the Ancient Greek of the New Testament with the world’s most controversial priest. He spelunks into the catacombs under the streets of Rome to decipher the lost symbols of Christianity’s oldest monuments. He breaches the secret archives of the Vatican to unearth manuscripts never before translated into English. And with leads from the archaeological chemists at UPenn and MIT, he unveils the first scientific data for the ritual use

of psychedelic drugs in classical antiquity. The Immortality Key reconstructs the suppressed history of women consecrating a forbidden, drugged Eucharist that was later banned by the Church Fathers. Women who were then targeted as witches during the Inquisition, when Europe's sacred pharmacology largely disappeared. If the scientists of today have resurrected this technology, then Christianity is in crisis. Unless it returns to its roots. Featuring a Foreword by Graham Hancock, the NYT bestselling author of *America Before*.

Cultural Encyclopedia of the Penis - Michael Kimmel 2014-09-26

Peter. Pecker. Wiener. Dick. Schlong. Penis. Whatever we choose to call it, the penis is more than just a body part. This A-to-Z encyclopedia explores the cultural meanings, interpretations, and activities associated with the penis over the centuries and across cultures. Scholars,

activists, researchers and clinicians delve into the penis in antiquity, in art, in religion, in politics, in media, in music, and in the cultural imagination. They examine the penis as a problem, a fetishized commodity, a weapon, an object of play. Penile décor and fashions—from piercings to koteka—are treated with equal dignity. Explanation of common medical terms and not-so-common subcultural practices add to the broad scope of the book. Taken together, the *Cultural Encyclopedia of the Penis* offers refreshing, thoughtful, and wide-ranging insight into this malleable, meaningful body part.

The King Who Refused To Die - Zecharia Sitchin 2023-11-17

The King Who Refused to Die - Zecharia Sitchin 2013-09-20

Zecharia Sitchin's secret allegorical novel that brings to life the key concepts of his bestselling book *The 12th Planet* • Reimagines the Epic of Gilgamesh in the context of Sitchin's discoveries

Downloaded from

2019-01-08 by guest

• Details ancient Sumerian sex rituals, the Anunnaki lineage of the gods who lived in Sumer, Anunnaki spacecraft technology, the workings of the Oracle of Anu, and Gilgamesh's relationship with the goddess Ishtar. Written in secret so as not to incite criticism about his controversial discoveries, this novel from the late Zecharia Sitchin brings to life the key themes of his bestseller *The 12th Planet*. The story begins in London as Astra arrives at the British Museum's opening for their new Gilgamesh exhibit. There she meets a handsome stranger who knows secrets about her that no stranger should know, including the source of the unusual scar on her hand. Taking her to his apartment, he reveals that she is descended from the goddess Ishtar and that he is the modern-day avatar of Gilgamesh seeking to claim the eternal life Ishtar denied him so long ago. Reenacting their sacred sex ritual from eons ago, they find themselves transported to ancient Sumer as Gilgamesh and Ishtar, where

he is at last able to continue his quest for immortality. But as Gilgamesh fulfills his sacred duties with Ishtar, something goes awry and the Oracle of Anu will not renew its blessing upon his kingship. Following the direction of his mother, the Anunnaki goddess Ninsun--the source of his partial divinity--Gilgamesh flees the city for the Anunnaki forbidden zone in search of a way to the planet Nibiru and eternal life. Travel alongside Gilgamesh and his immortal companion Enkidu as they escape the fate pronounced by the oracle, discover a Tablet of Destiny meant for Ishtar, fight off Marduk's raiders, and foil the plot of the high priest, Gilgamesh's half-brother who is seeking Gilgamesh's crown for himself. Retelling the Epic of Gilgamesh in the context of his discoveries about the Anunnaki, Zecharia Sitchin weaves a tale of ancient ceremony, accidental betrayal, gods among men, interplanetary travel, and a quest for immortality spanning millennia.

10 Minutes Sex Meditation - Surinder Leen

2018-03-22

USE SEXUAL ENERGY FOR YOUR AWAKENING AND IMPROVE YOUR LIFE! You suppress many things in your life including sex. And under this suppression, you lose your many precious years of life including money, and peace of mind. Life seems a mystery to us under suppression of mind. Then we feel guilty, abandoned, jealous, impotent, anxious, miserable, bound, insecure, and helpless. And we merry go round endlessly in our confined suppressed territories. However, the present book, 10 Minutes Sex Meditation is a solution for all these problems. After reading this book: -You get peace, fulfillment, financial success and mental health. -You get out of your sexual obsession and addiction with just starting 10 minutes sex meditation. -You destine to a free unconditioned mind and spiritual enlightenment. -You go from a sleepy suppressed mind to beyond super consciousness and destine to a natural state of being. -With witnessing power that you create with 10 minutes sex meditation,

you pass any hurdle of your life quickly. -You get out of the triviality of your life with more courage, quality, and understanding. -You become a real practical man to achieve anything in life. Your growth to achieve anything in life increases manifold. ABOUT THE AUTHOR SURINDER LEEN is a sort of philosopher, author, and teacher who has no link with any particular religion and tradition. He writes and tells about the things precisely what they are. He lives in Calgary Canada.

[Journey to Virginland](#) - Armen Melikian 2012-10
At turns heartbreaking and diabolically funny, Journey to Virginland is a tour de force, delivered by a master storyteller. The protagonist, a loutish and bercerebral antihero known simply as Dog, takes on the challenge to navigate the perilous paradigm shifts of our age, determined to find his proper place under the sun. Is he doomed to failure? Or will he pull it off by heeding his own irreducible voice, given the

ebb of the old certainties? Dog pursues the answer unrelentingly through an impassioned quest for identity and meaning. He revisits his relationships with women, family, literature, and homeland, in the process illuminating his journey with commentaries on history, religion, politics, and culture that unravel our very fabric. Marked by biting satire and tapings into lushest scholarship, Dog's naked critique touches on some of the most pressing issues facing humanity: the arrogance of empire and organized religion; the persistence of bigotry, xenophobia, and social Darwinism; the double standards of sexual politics; the bankrupt rationale behind patriotism and state propaganda; and hypercapitalism and consumerism, among others. What emerges from the protagonist's odyssey is not only a cogent depiction of what makes us tick, but, as day follows night, a dazzling new vista for social

and spiritual transformation. With its vibrant style, thematic breadth, and, ultimately, unfettered sense of humanity, Journey to Virginland establishes itself as a groundbreaking literary enterprise and a true original.

Slaughter God's Journey to Immortality - Yue XiaHanChan 2020-04-08

The Sect Leader, Li Yifeng, was sent to the Grace Mainland by the aftermath of the battle. He received the inheritance of the three devils, and others received the Three Corpses Slaughtering the Dao, but he gathered the strength of three devils and trained himself to become a Dao Lord, Buddha, and Demonic Lord, seeing all the beauties! The Elf Princess, the beautiful Goddess of Life, the flirtatious Dark Saintess, the cold and beautiful Grand Princess of the Royal Family. Yet, looking at him, it seemed as though ... □
