In this unique YA anthology, thirteen acclaimed, bestselling authors team up with thirteen influential BookTubers to reimagine fairy tales from the oft-misunderstood villains' points of view. These fractured, unconventional spins on classics like "Medusa," Sherlock Holmes, and "Jack and the Beanstalk" provide a behind-the-curtain look at villains' acts of vengeance, defiance, and rage--and the pain, heartbreak, and sorrow that spurned them on. No fairy tale will ever seem quite the same again! Featuring writing from . . .

I Only Say This Because I Love You - Deborah Tannen 2003

Why does talk in families so often go in circles, leaving us tied up in knots? Linguist Deborah Tannen reveals why talk among adult family members so often leads to arguments and hurt feelings. Learn to separate the word meaning, or 'message' from the heart meaning, or 'metamessage' - the unstated but powerful meaning that comes from the history of our relationships in the family, where our hopes for being understood and our experience of criticism can painfully meet. Using real conversations from the lives of real people, Tannen shows us how talk in a family is a high-wire act as we balance connection and power, struggling to get close without giving up our freedom. By helping us understand what conversations in the family really mean, she shows how to improve relationships with family

members throughout our lives.

I Wrote This Book Because I Love You - Tim Kreider 2018-02-06

A People Top 10 Book of 2018 The New York Times essayist and author of *We Learn Nothing*, Tim Kreider trains his singular power of observation on his (often befuddling) relationships with women. Psychologists have told him he's a psychologist. Philosophers have told him he's a philosopher. Religious groups have invited him to speak. He had a cult following as a cartoonist. But, above all else, Tim Kreider is an essayist—one whose deft prose, uncanny observations, dark humor, and emotional vulnerability have earned him deserved comparisons to David Sedaris, Sarah Vowell, and the late David Foster Wallace (who was himself a fan of Kreider's humor).

"Beautifully written, with just enough humor to balance his spikiness" (Booklist), *I Wrote This Book Because I Love You* focuses Tim's unique perception and wit on his relationships with

women—romantic, platonic, and the murky in-between. He talks about his difficulty finding lasting love and seeks to understand his commitment issues by tracking down the John Hopkins psychologist who tested him for a groundbreaking study on attachment when he was a toddler. He talks about his valued female friendships, one of which landed him on a circus train bound for Mexico. He talks about his time teaching young women at an upstate New York college, and the profound lessons they wound up teaching him. And in a hugely popular essay that originally appeared in *The New York Times*, he talks about his nineteen-year-old cat, wondering if it's the most enduring relationship he'll ever have. "In a style reminiscent of Orwell, E.B. White and David Sedaris" (*The New York Times Book Review*), each of these pieces is "heartbreaking, brutal, and hilarious" (Judd Apatow), and collectively they cement Kreider's place among the best essayists working today. talked to them and sang for them and told them stories. He gave them everything they needed. And with his own hands Shaddai built a protective wall around their village, rock by rock. He did all of this for just one reason—because he loved them. One day Paladin, the village's most curious child, discovers something troubling about the wall. Something that makes him wonder about Shaddai's love. Could there be a mistake? Young Paladin is about to discover the answer. And when he does, he will come to understand just how deeply he is loved. And so will you. Everything God does for your children, He does because of love. He protects them. He listens to

their prayers. He provides for their needs. He even gives warnings and sets boundaries—for no other reason than love. As an adult you already know this. Now your children can know it too through this captivating tale, which was first published in the award-winning children's bestseller *Tell Me the Story*. Let this timeless story of a curious boy's choice and a caring man's sacrificial response help you make the infinite love of their Heavenly Father as real to your kids as your own love. Because they need to understand about Him what you have already learned—that everything God does throughout our lives, He does for one reason only, and for the best reason of all: "Because I Love You."
