The Mystery Method Mystery 2007-02-06 "One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

do a favour to your manhood. Once you completed reading and implementing the things that I told in this book, you will have your dream girl as your girlfriend by the end of next 30 days. You will also learn the following: 1. How to give a girl that same feeling of "I have to have him" that she gets from a guy who is rich, famous, or good looking without being any of those things yourself. 2. How to avoid mistakes almost all guys do while trying to keep a girl interested that "actually repels her twice as fast". 3. A proven exercise to develop a stone cold, unshakable inner confidence that allows you to approach a girl "in any situation without getting nervousness/fear". 4. How to avoid the deadly mistake many guys make while trying to get a girlfriend that guarantees they end up in "the friend zone". 5. What you must do if you want to keep a girl interested in you forever (the key to having a long-term relationship with a dream girl-conversation 2.0.). 6. How to use "unpredictability" and "excitement" to give a girl that addictive rush of adrenaline that keeps her coming back for more (learn these, you will never have to worry about her losing interest in you... leaving you for another guy). 7. You know that "nervous" feeling you get in your stomach when you see a beautiful girl you want to meet. You will find specific exercises to use that instantly eliminate all feelings of nervousness and charge yourself with confidence right there on the spot. 8. Most men are not very good at reading female body language. I will show you how to use and read eye contact & body language that most men don't even know that exist. 10. How to create an irresistible attraction without being rich and handsome that draws pretty girls like a magnet to you and much more... and much more. It has taken me a long time to figure out all of the things--that you are about to learn in this book. I have spent years to understand this stuff.
