He wanted a willing wife. I wanted someone to break me and build me up again... He wanted no emotions, no connection. A simple transaction, that's what he said it would be. I needed something in me to shatter, so I could finally live. He promised that he was the one... who'd bring me to the edge. Show me how it could be between a man and a woman.... Just... you know... no sentiments involved. I thought I was willing to do as he commanded. Billion Dollar Enemy Olivia Hayle 2020-09-04 My one-night stand turns out to be my billion-dollar enemy. Yeah, I'm screwed-and unfortunately not that way. I meet a handsome man at the bar, the kind you only dream about. You know the one? He drinks his whiskey neat and power oozes from his suit-clad form. The night we spend together is perfect-I'll treasure the memory for as long as I live. Until I discover who he is. Who's the billionaire asshole trying to tear down my bookstore? My one-night stand. Correction: my rich, handsome, calculating one-night stand. I hate his determination and his ruthlessness. I hate the way he smirks and the thick fall of his hair. But most of all, I hate that I can't look at him without remembering our night together-a night he's keen to repeat. During the day, we're at war. At night, we're lovers. Sorry. I think they call it, ahem, fudge buddies. The two things are strictly separated. No funny business. No emotions. And definitely no falling for him.

Billionaire Unwed Zeke J S Scott 2021-01-10 You met Lia and Zeke in Billionaire Unloved, Jett and Ruby's book. Now you can find out what happened to them. Did Lia really end up marrying the wrong guy? Although this story is part of The Billionaire's Obsession series, it can be easily enjoyed as a standalone friends to lovers billionaire romance. Lia: I thought I had my life all worked out. My wedding had been meticulously planned. All I had to do was walk down the aisle and get married to the man I'd been engaged to for over a year. Pretty easy and uncomplicated, right? Unfortunately, all of my well laid plans go up in smoke when my fiancé leaves me at the church alone because he found a woman who was better

suiting for his snobby world of wealth and privilege. After realizing what kind of man my intended groom really was, it was hard not to be more relieved that I'd dodged a bullet than I was heartbroken. Problem is, I still need to get married. All of my hopes and dreams are dependent on me tying the knot by my twenty-eighth birthday, and that date is closing in fast. Way too quickly for me to fall in love all over again. As usual, my best friend Zeke Conner is there to pick up the pieces after I'm left at the altar by a jerk. He helps me work through the demoralizing event so I can put it behind me and move on. I'm stunned when he offers to marry me himself, but it's a bargain I can't really refuse. As my relationship starts to change with my best friend, I find myself caught in a web of sensual desire and unending passion that's as terrifying as it is satisfying. Probably because it seems all too real. Our arrangement was supposed to be temporary. A deal between friends that Zeke swore would benefit both of us, but as our marriage starts to feel like so much more than just a charade for me, what will happen when it all ends? This book was originally published under the title "Temporary Groom" as a part of the now-discontinued Left at The Altar Series. It's been completely re-written with added chapters and material, and retitled Billionaire Unwed as part of The Billionaire's Obsession series.
