Sista Sister - Candice Brathwaite 2021-07-08

Candice Brathwaite's much-anticipated second book about all the things she wishes she'd been told when she was young and needed guidance. *I Am Not Your Baby Mother* was a landmark publication in 2020. A thought-provoking, urgent and inspirational guide to life as a Black British mum, it was an important call-to-arms allowing mothers to take control and scrap the parenting rulebook to do it their own way. It was a Sunday Times top five bestseller. *Sista Sister* goes further. It is a compilation of essays about all the things Candice wishes someone had talked to her about when she was a young Black girl growing up in London. From family and money to Black hair and fashion, as well as relationships between people of different races and colourism, this will be a fascinating read that will have another profound impact on conversations about Black Lives Matter. Written in Candice's trademark straight-talking, warm and funny style, it will delight her fans, old and new.

*Black Girl In Love (with Herself)* - Trey Anthony 2021-01-05

Speaker, writer, and producer Trey Anthony breaks it down, giving black women a relatable voice and personalized "keeping it real" to-do list on how to practice self-love and self-care. Therapy is not just for white women-no matter what your momma told you! After a lifetime of never truly relating to the personal development experts because of the color of her skin, Trey Anthony has written the book she needed to read as a black woman trying to navigate a world filled with unique challenges that often acts like she doesn't exist. On the outside Trey Anthony was the overachieving, reliable, and strong black woman she was raised to be, but on the inside the pressure of sacrificing her own needs to please others was building. When her grandmother and mother raised her

strong, they also unknowingly taught her that self-love and expressing emotions were weak, creating an unhealthy dynamic that had Trey facing burnout and rock bottom. In *Black Girl in Love (with Herself)*, Trey breaks down the lessons and tools that she used to heal her life, including how to: Set clear and healthy boundaries-even with the people who raised you Quit being the family ATM Sort out who is a real friend, and who is just there for parties and gossip Confront microaggressions at work without missing a beat Forget who black women are "supposed" to be And fall in love with yourself!

The Perfect Find - Tia Williams 2021-03-30

Soon to be a Netflix movie starring Gabrielle Union! Will a forty-year-old woman with everything on the line - her high-stakes career, ticking biological clock, bank account - risk it all for a secret romance with the one person who could destroy her comeback, for good? Jenna Jones, former It-girl fashion editor, is forty, broke and desperate for a second chance. When she's dumped by her longtime fiancé and fired from *Darling* magazine, she begs for a job from her arch nemesis, Darcy Vale. Darcy, the beyond-bitchy publisher of *StyleZine.com*, agrees to hire her rival - only because her fashion site needs a jolt from Jenna's old school cred. But Jenna soon realizes she's in over her head. Jenna's working with digital-savvy millennials half her age, has never even "Twittered," and pretends to still be a Fashion Somebody while living a style lie (she sold her designer wardrobe to afford her sketched-out studio, and now quietly wears Walmart's finest). What's worse is that the twenty-two-year-old videographer assigned to shoot her web series is driving her crazy. Wildly sexy with a smile Jenna feels in her thighs, Eric Combs is way off-limits - but almost too delicious to resist.

**Black Girls Must Have It All** - Jayne Allen 2023-04-11

In this final installment in the acclaimed Black Girls Must Die Exhausted trilogy, Tabitha is juggling work, relationships, and a newborn baby—but will she find the happy ending she’s always wanted? After a whirlwind year, Tabitha Walker’s carefully organized plan to achieve the life she wanted—perfect job, dream husband, and stylish home—has gone off the rails. Her checklist now consists of diapers changed (infinite), showers taken (zero), tears cried (buckets), and hours of sleep (what’s that?). Don't get her wrong, Tabby loves her new bundle of joy and motherhood is perhaps the only thing that's consistent for her these days. When the news station announces that they will be hiring outside competitors for the new anchor position, Tabby throws herself into her work. But it’s not just maintaining her position as the station’s weekend anchor that has her worried. All of her relationships seem to be shifting out of their regular orbits. Best friend Alexis can’t manage to strike the right balance in her “refurbished” marriage with Rob, and Laila’s gone from being a consistent ride-or-die to a newly minted entrepreneur trying to raise capital for her growing business. And when Marc presents her with an ultimatum about their relationship, coupled with an extended “visit” from his mother, Tabby is forced to take stock of her life and make a new plan for the future. Consumed by work, motherhood, and love, Tabby finds herself isolated from her friends and family just when she needs them most. But help is always there when you ask for it, and Tabby’s village will once again rally around her as she comes to terms with her new life and faces her biggest challenge yet—choosing herself.

*I Am Not Your Baby Mother* - Candice Brathwaite 2020-05-28

\*THE SUNDAY TIMES BESTSELLER (May 2020)\* 'Really good ... accessible, sometimes shocking, honest, and feels written from the heart' - Bernardine Evaristo 'I gobbled it in one weekend and encourage everyone - mother, or otherwise - to do the same' - Pandora Sykes 'Remarkable' - Lorraine Kelly 'Searing' - Dolly Alderton 'I absolutely loved I Am Not Your Baby Mother' - Giovanna Fletcher 'Brilliant' - Sophie Ellis-Bextor 'An essential exploration of the realities of black motherhood in the UK' - Observer 'Urgent part-memoir, part-manifesto about black motherhood' - Red '[An] original and much-needed guide to navigating black motherhood' - Cosmopolitan 'The woman bringing a fresh perspective to the mumfluencer world' - Grazia 'Every mother, everywhere, should read this book' - OK Magazine \_\_\_\_\_ It's about time we made motherhood more diverse... When Candice fell pregnant and stepped into the motherhood playing field, she found her experience bore little resemblance to the glossy magazine photos of women in horizontal stripe tops and the pinned discussions on mumsnet about what pushchair to buy. Leafing through the piles of prenatal paraphernalia, she found herself wondering: "Where are all the black mothers?". Candice started blogging about motherhood in 2016 after making the simple but powerful observation that the way motherhood is portrayed in the British media is wholly unrepresentative of our society at large. The

result is this thought-provoking, urgent and inspirational guide to life as a black mother. It explores the various stages in between pregnancy and waving your child off at the gates of primary school, while facing hurdles such as white privilege, racial micro-aggression and unconscious bias at every point. Candice does so with her trademark sense of humour and refreshing straight-talking, and the result is a call-to-arms that will allow mums like her to take control, scrapping the parenting rulebook to mother their own way.

**Sometimes I Trip On How Happy We Could Be** - Nichole Perkins 2021-08-17

"Hear the dark liquor of her laughter rippling behind her sentences" in this magnetic memoir as it explores a journalist's obsession with pop culture and the difficulty of navigating relationships as a Black woman through fanfiction, feminism, and Southern mores (Saeed Jones). Pop culture is the Pandora's Box of our lives. Racism, wealth, poverty, beauty, inclusion, exclusion, and hope -- all of these intractable and unavoidable features course through the media we consume. Examining pop culture's impact on her life, Nichole Perkins takes readers on a rollicking trip through the last twenty years of music, media and the internet from the perspective of one southern Black woman. She explores her experience with mental illness and how the TV series Frasier served as a crutch, how her role as mistress led her to certain internet message boards that prepared her for current day social media, and what it means to figure out desire and sexuality and Prince in a world where marriage is the only acceptable goal for women. Combining her sharp wit, stellar pop culture sensibility, and trademark spirited storytelling, Nichole boldly tackles the damage done to women, especially Black women, by society's failure to confront the myths and misogyny at its heart, and her efforts to stop the various cycles that limit confidence within herself. By using her own life and loves as a unique vantage point, Nichole humorously and powerfully illuminates how to take the best pop culture has to offer and discard the harmful bits, offering a mirror into our own lives.

***Well-Read Black Girl*** - Glory Edim 2018-11-01

'Required reading.' - *Cosmopolitan* 'This should be read as a sacred text. Here, you will bear witness to a perpetual salvation song.' - Jason Reynolds Remember that moment when you first encountered a character who seemed to be written just for you? That feeling of belonging remains with readers the rest of their lives - but not everyone regularly sees themselves reflected on the pages of a book. In this timely anthology, Glory Edim, founder of the online community, *Well-Read Black Girl*, brings together original essays by some of America's best black women writers to shine a light on how important it is that we all - regardless of gender, race, religion, or ability - have the opportunity to find ourselves in literature. Whether it's learning about the complexities of femalehood from Zora Neale Hurston and Toni Morrison, finding a new type of love in *The Color Purple*, or using mythology to craft an alternative black future, each essay reminds us why we turn to books in times of both struggle and relaxation. As she has done with her book club-turned-online community, Edim has created a space where black women's writing, knowledge and life experiences are lifted up, to be shared with all readers who value the power of a story to help us understand the world, and ourselves. Contributors include: Jesmyn Ward, Lynn Nottage, Jacqueline Woodson, Gabourey Sidibe, Morgan Jerkins, Tayari Jones, Rebecca Walker, and Barbara Smith. 'Essential reading for the twenty-first-century reader. This book is smart, powerful, and complete.' - Min Jin Lee, author of *Pachinko*

***Carefree Black Girls*** - Zeba Blay 2021-10-21

'Searing and timely' Tarana Burke, founder of the MeToo movement, and author of *You Are Your Best Thing* 'Carefree Black Girls is the testimony I've been waiting to witness.' Robert Jones, Jr., author of *The Prophets*;

creator of *Son of Baldwin* 'Standout... one you'll struggle to put down.' Bad Form INCLUDES A FOREWORD WITH CLARA AMFO In 2013, film and culture critic Zeba Blay was one of the first people to coin the viral term #carefreeblackgirls on Twitter. As she says, it was "a way to carve out a space of celebration and freedom for Black women online." In this collection of essays, Blay expands on this initial idea by delving into the work and lasting achievements of influential Black women in Pop Culture - writers, artists, actresses, dancers, hip-hop stars - whose contributions often come in the face of bigotry, misogyny, and stereotypes. Blay celebrates the strength and fortitude of these Black women, while also examining the many stereotypes and rigid identities that have clung to them. In writing that is both luminous and sharp, expansive and intimate, *Carefree Black Girls* seeks a path forward to a culture and society in which Black women and their art are appreciated and celebrated.

**Black Girls Must Die Exhausted** - Jayne Allen 2021-09-28

"It's a good thing that this is only the first book of a trilogy, because after getting to know Tabitha, you won't want to leave her at the end. . . . Written intimately as if you're peering into the mind of a close friend, this book is a true testament to the stresses on women today and how great girlfriends (and grandmothers) are often the key to our sanity." — Good Morning America The first novel in a captivating three-book series about modern womanhood, in which a young Black woman must rely on courage, laughter, and love—and the support of her two longtime friends—to overcome an unexpected setback that threatens the most precious thing she's ever wanted. Tabitha Walker is a black woman with a plan to "have it all." At 33 years old, the checklist for the life of her dreams is well underway. Education? Check. Good job? Check. Down payment for a nice house? Check. Dating marriage material? Check, check, and check. With a coveted position as a local news reporter, a "paper-perfect" boyfriend, and even a standing Saturday morning appointment with a reliable hairstylist, everything seems to be falling into place. Then Tabby receives an unexpected diagnosis that brings her picture-perfect life crashing down, jeopardizing the keystone she took for granted: having children. With her dreams at risk of falling through the

cracks of her checklist, suddenly she is faced with an impossible choice between her career, her dream home, and a family of her own. With the help of her best friends, the irreverent and headstrong Laila and Alexis, the mom jeans-wearing former "Sexy Lexi," and the generational wisdom of her grandmother and the nonagenarian firebrand Ms. Gretchen, Tabby explores the reaches of modern medicine and tests the limits of her relationships, hoping to salvage the future she always dreamed of. But the fight is all consuming, demanding a steep price that forces an honest reckoning for nearly everyone in her life. As Tabby soon learns, her grandmother's age-old adage just might still be true: Black girls must die exhausted.
