work for him . . . until I discover he's the gorgeous stranger I locked lips with on Friday night. It's obvious the man has demons. He's got control freak written all over him. But instead of some strapping hunk, a gorgeous twenty-something girl turns up at her door. Casey is a girl's name? It wasn't the date Helen planned but it was the date she needed ... Another hot short story from Emily Cantore. Contains oh so many erotic situations, adult themes and two girls being very naughty. Part 1 in the Blind Date series.

*Billionaire Broken: My Billionaire Boss, Part 8 (A BDSM Erotic Romance)* - Emily Cantore

Stone-Black is on the brink of destruction and Delilah's heart threatens to tear her and Jackson Stone apart. They face a clever foe and their own demons. Will he finally take off his mask and give his heart to her? Or is it truly over between them? This is the eighth and final part of the "Billionaire Boss" series by Emily Cantore and is 7750 words long. EXCERPT: They say the only thing worse than not getting what you want is getting what you want. Well, I had wanted Stone-Black destroyed. I'd studied the owners and seen pictures of Mr. Stone and swore that I would do my best to take him and his company down. Then I'd met him. Then I'd fallen for him. And I'd found that he wasn't the culprit. But still, Stone-Black was going to be destroyed. And there I was, wrapped in a towel still dripping water on to an expensive carpet, a length of rope in my hands that had very recently been used to bind me, and my boss, Mr. Jackson Stone, in front of me, his eyes mirrors, doubt creeping like a poison through his body. "I would never..." I begun. Normally, Mr. Stone was in control of his emotions. He had his standard Mr. Stone face - flat and unreadable - and this was the one he showed the world. It was his mask and he had worn it so long it had become him. But now, there was no mask. He was furious. He let go of the phone and took two steps across the room to stand in front of me. Was this it? I was about to be fired and thrown out while wearing a towel?

By a gorgeous man wearing a towel? Mr. Stone slipped the coiled rope from my hands and placed it on the carpet beside him. Then he stroked his fingers up my arm until they came to rest on my collar. "Even after all we've been through ... you still don't trust me," he stated. "I do trust you. It's just ... how this looks. The files gone and I asked you to come here." "You don't trust my feelings about you. That I'm fickle or that I'll suspect you're lying to me and it's all over, even without any proof."

*Billionaire Bind: My Billionaire Boss, Part 7 (A BDSM Erotic Romance)* - Emily Cantore

Delilah has promised to trust Jackson Stone but can he trust her? After all, she did take a job at Stone-Black with the intent to destroy the company. And now things are starting to topple around both of them. Will he believe she is innocent? This is the seventh part of the "Billionaire Boss" series by Emily Cantore and is 6380 words long. EXCERPT: "I told you I would earn your trust." He opened the case to reveal a length of thin rope. "Kinbaku means tight binding. Or sometimes people call it kinbaku-bi. The beauty of tight binding." As he spoke he unspooled the rope and tested it in his hands. With every movement I found my desire growing. He gave me the rope and I ran it through my hands. It was soft but I could feel it was strong. "Do you remember your safety word?" Mr. Stone asked, arching an eyebrow. "Yes, sir," I answered. Red crept up my face. "Molotov." "Do you trust me?" he asked, sliding the rope out of my hands. He had asked me this question before but my answer before had been ... well, not a lie. I did trust him and he could trust me. I just had secrets before. "Absolutely, sir." "I'm going to tie one arm behind you and connect it to the ceiling beam. The rope will wrap around your body. Then I'm going to use a toy. But you will be the one in control of it." I'll be in control?

**Billionaire Black: My Billionaire Boss, Part 4 (A BDSM Erotic Romance)** - Emily Cantore

Brooding billionaire Jackson Stone wants Delilah to be his slave. To wear his collar. But she's afraid of what that will mean. Afraid of who she'll become... After giving her a few days to decide, Mr. Stone invites her to be his date at an extravagant party but he has a plan to punish her for sneaking into his office without

permission. Will she finally give herself to Mr. Stone or will she let fear destroy everything? Meanwhile, her past is catching up with her. Someone knows what happened all those years ago when Stone Pharma burned to the ground... This is the fourth part of the "Billionaire Boss" series by Emily Cantore and is 10150 words long. Keywords: billionaire bdsm alpha male erotic romance

Date my billionaire boss? No way... Too bad it was a blind date. Bella: My dream of a successful art career consumes my life, so I didn't want to join the dating app. I don't have time for it, but somehow, my best friend persuaded me. Fine. What's one night? One date? I ended up matched with YourMan01, a guy who seems only interested in hooking up. I'm not interested in forever, so YourMan01's plans sound okay with me. Besides, meeting this stranger might turn my thoughts from the only man I truly want—a man completely off limits: My boss, Chase O'Malley. This new dating site is unique: they screen the applicants and set up the date. I have no idea what he looks like. We

just have a time and place to meet. And if sex enters the picture, good. That might distract me from Chase. I need my job with O'Malley Financial to keep myself afloat while I pursue my art, and daydreaming about my demanding boss is the surest way to get myself fired. Even if he were interested, Chase always has a new woman on his arm. Anything between us wouldn't last. What would happen when it ended? That would ruin everything. Chase: I've waited too long to claim her, but now, Bella is mine. What's the point of being a billionaire if you can't use your wealth to sway your fortune? Membership dating sites are lucrative right now, but that's not even close to why I started one. For once, I don't care about the money. My entire objective: My new assistant, Bella Renfro. When she finds out what I've done, she'll be furious, but that won't stop me. She's going in blind, but this date will open her eyes. Soon, she'll be in my bed, in my life, and totally, irrevocably mine.

I've never been a cute, petite little thing. And my stepsister Ella and her friends never let me forget it. In fact, growing up, I always felt like Cricket, the jolly, mean giant—not that I'm mean. More like I'm a scapegoat. Now, I have one month until I get the heck out of Dodge and escape my family, this city and all the people who've called me Beast all these years. I'm never coming back. Until then, I just need to avoid my parents, Ella and the gorgeous billionaire she has her eye on. Not so hard. I know how to fly under the radar. Except...he has no interest in my stepsister. No, his eye is on me. He calls me his princess. And there's nothing I can do to escape my fate, especially when Ella discovers his interest. She's determined to prove I'm Cricket the Beast again. And maybe, I should let her, just so I can leave here before I get hurt. Because hot guys like him? They're definitely not into beasts like me.

BDSM Erotic Romance) - Emily Cantore

2013-09-01

Delilah's plan worked a little too well... She thought a low-level job in the records department of the Stone-Black Corporation would allow her to uncover wrong-doings she could show to the world to take the company down. But after only three days she's suddenly promoted to work as executive assistant to Jackson Stone, mercurial CEO and number #1 on her list of bastards who deserve a slap in the face. He has a temper. He has a secret. He is absolutely gorgeous. When he punishes her for snooping around his office, she realizes she may be in over her head. Billionaire Bound: Part 1, Billionaire Bond: Part 2, Billionaire Bondage: Part 3, Billionaire Black: Part 4, Billionaire Blackmail: Part 5, Billionaire Bought: Part 6, Billionaire Bind: Part 7, Billionaire Broken: Part 8 (the final book) are now available! EXCERPT: "I've been what?" I adjusted my glasses and tried to swallow but my throat had gone dry.

"Promoted to executive assistant. Take your things, these papers and go to the top floor," Ms. Green, the HR manager, said in a cold voice. I tried to find my voice but only a croak came out and I felt myself break out in the sweat. "I'd hurry if I were you. Mr. Stone doesn't like to be kept waiting," she said, not looking up from her computer screen. "But I'm meant to be working as a records clerk," I protested. I'd only been at Stone-Black for three days and I'd already been promoted? "And now you're an executive assistant. Take these with you. Good luck with your short-term career." She handed me an elevator fob and waved her hand at a stack of papers. I picked up the papers and headed in the general direction of the elevator, trying to work out whether I should just walk out the front door. And what did she mean by "short-term career"? Executive Assistant to Mr. Jackson Stone. The CEO of Stone-Black and reputed to be a mercurial tyrant who hired and fired people on a whim. I'd only seen his picture on the web - various charity balls, meetings with government officials - and what could I say? The man was hot. Tall with blond hair and blue-green eyes, he was a billionaire to boot. In every photo he seemed to be wearing a scowl as though there was a volcano inside him, barely held in check. I got halfway to the elevator before I decided to

bail on my plan. The Stone-Black corporation had practically destroyed my home-town of Bedford and then gotten away with it via various sneaky legal maneuvers. I thought being hired in the records department was the perfect way to discover something that could topple the whole business. I knew it had been too perfect to get that job and after only three days I had been "promoted" to executive assistant. I turned abruptly and crashed directly into a man who'd been striding behind me. I dropped the papers to the ground, along with my bag. Bits and pieces went everywhere. "Oh, I'm sorry," I stammered, trying to pick up all the papers at once from the floor. A red-leather briefcase came down next to my handbag and its contents strewn across the floor. The man scooped up the contents and put them back into the bag as I gathered the papers. "Ms. Neri?" I swallowed again and croaked something that could possibly have been yes as I followed the line of an Italian suit up to two blue-green eyes. Jackson Stone. CEO of Stone-Black. Keywords: billionaire bdsm erotic romance, alpha male, free, freebie, free erotica, free bdsm Billionaire Bondage: My Billionaire Boss, Part 3 (A BDSM Erotic Romance) - Emily Cantore Delilah Neri knows what is like to fall down the rabbit hole. Her life has been turned upside down by her brooding and damaged boss, Jackson Stone. He's a billionaire with a dark side that includes a secret sex dungeon and a plan to make her his slave. After a chase through a maze that leaves her breathless, he takes off his mask to reveal more of his dominant nature. The pain and pleasure push Delilah to the brink and then he makes her an offer that shocks her to the core. This is the third part of the "Billionaire Boss" series by Emily Cantore and is 6900 words long. EXCERPT: I know how Alice in Wonderland felt when she tumbled down the rabbit hole. One moment your life is normal. You're getting up, eating breakfast, having a shower, riding the bus to work. Surrounded by people who are moving through the motions of their day. There is a rhythm and flow to your days and nights and sometimes it's boring but mostly it's comfortable. Then something changes. A new person enters your life and flips it upside down. Black is white. Day is night. Up is down. Your billionaire boss is a dom and he wants you. And you want him. But I didn't fall down a rabbit

hole. I walked down a lush corridor in a mansion and followed my boss, Mr. Stone, through a black door. Keywords: free, freebie, billionaire bdsm erotic romance, alpha male erotica, domination, submission

**Billionaire Bought: My Billionaire Boss, Part 6 (A BDSM Erotic Romance)** - Emily Cantore 2013-09-20

Delilah's past has caught up with her and the secret she has been carrying far too long can't stay hidden. When Jackson Stone finds out the truth, he must punish her for betraying him. After the bachelor auction, he'll have his way with her... This is the sixth part of the "Billionaire Boss" series by Emily Cantore and is 9560 words long. EXCERPT: "I found contracts

today. They had your name on them..." "You don't trust me." His voice was low and hard. We pulled up in front of his mansion and Mr. Stone turned to me. "Come with me. Now." I followed him out of the car and up the front steps, my stomach churning. He took me by the hand and pulled me inside and up the stairs, heading for his study. We stopped in there and he suddenly turned and grabbed the leather collar around my throat. "You need to be punished for your lack of trust," he said. I felt the strength of his body close to mine and trembled at the tone in his voice. Why had I said that? He'd opened himself to me and my response was that I found contracts with his name on them? I could have said anything and I blundered in with that?
