**What the Heart Wants** Audrey Carlan 2020-07-28 From the #1 bestselling author of the beloved Calendar Girl books comes the first in a witty, wise and emotionally compelling new series, where coming home is just the beginning... "Fly free." For ten years those words, written on pink parchment paper in her mother's beautiful handwriting, have been Suda Kaye Ross's guiding star. Every year on her birthday, Suda Kaye opens another of the letters her mother penned before she passed, heeding the advice inside as she fills her life with experiences. From Italy to Australia, from Rio to Russia, she's slaked her wanderlust. And then, on her twenty-eighth birthday, she opens the letter that sends her home. Returning to Colorado means confronting everything—and everyone—she left behind, including her cherished sister, Evie, and her first love, Camden Bryant. Suda Kaye and Cam spent four years and one unforgettable night together. Given the way she ran out on him, it's no surprise that he's wary, resentful...and engaged to someone else. Evie, hardworking and überresponsible, just wants her sister to put down roots at last. For Evie's sake, and her own, Suda Kaye is trying to build a new life, all the while wondering whether it's too late to come back home—or if the most important part of her never really left. Don't miss *On the Sweet Side*, the next book in Audrey Carlan's *The Wish* series! With the emotional pull of Susan Wiggs' and Robyn Carr's engaging family dramas, *On the Sweet Side* is a sassy and emotional strangers-to-sisters story about the enduring power of family—both the one you're born with and the one you choose.

But this brave new world is not as safe as it might seem. The Russians, unhappy that Venus has proved far less hospitable, covet Britain's colony. And the Martian creatures, while not as intelligent and malevolent as HG Wells had predicted, are certainly dangerous to the unwary. What, then, of the young girls of the Martian colony? Their brothers might be sent to Earth for education at Eton and Oxbridge, but girls are made of sterner stuff. Be it unreasonable parents, Russian spies, or the deadly Martian wildlife, no challenge is beyond the resourceful girls of the Crater School.

**Martian Panahon Virus** Kevin F. Owens 2009-11-20 Martian prospectors Sonia Androff and Fisk Banzer are convinced that they are too threatened to use local mining teams to establish a claim on a suspected rich gold discovery. They hire a primitive support crew from the Philippines to help dig out gold in a remote Martian canyon. During an on site cave exploration, Apollo Panahon, a teenage miner with that team, discovers a Paleolithic ice puddle with tiny fish embedded in the ice. When he thaws and tastes the fish, a virus in the fish infects Apollo with a disease that has a side effect that duplicates Nostradamus ability to communicate through time. Apollo's sense of events -- yet to come -- enables him to warn Sonia that they must flee to survive. The two barely escape the claim-jump murders of their companions. However, their freedom is precarious. In desperate need of medical attention, both survivors are infected, both are getting worse, and both slip into comas while on the run. Media journalist Terra Newton, at a conference on the Moon, gets distracted by strange events surrounding the epidemic that has her friends from a Filipino barrio in quarantine. She identifies the odd side effect of the virus as a Nostradamus Syndrome, the ability of some of the afflicted to communicate through time.

**Going Home to Africa** Dot Bekker 2021-04-28 Dot Bekker was born and raised in Bulawayo in the south-west of Zimbabwe. After thirty-eight years away -- twenty of those in Europe - she decided to return to the country of her birth; however rather than hop on a plane, Dot chose to drive there: all by herself at the age of sixty, in a twenty-year-old 2WD Ford Transit van that she converted into her home. Dot spent eight and a half months covering 20,000km of some of the toughest overlanding routes in the world, through West and Central Africa. This is her story. Follow Dot's extraordinary 20,000km adventure in her first book, *Going Home to Africa*, where she describes the ups and downs she faced over the course of her grand expedition: the countries, the people, insane traffic, corrupt borders, marriage proposals, perilous potholes and good old Africa Roadside Assistance. Her fascinating journal also highlights the varied landscapes and cultural history of Africa that she discovered along the way, the strange, funny and sometimes terrifying situations that she encountered, and the numerous challenges that she and BlueBelle endured - all the while navigating her own personal internal journey. At the time of writing Dot still lives in and travels with BlueBelle whenever possible and can be seen out and about meeting people and making things happen in her beloved Zimbabwe. Since her return to Bulawayo, Dot has been tirelessly seeking ways to improve the future for rural communities in Zimbabwe. Her twenty years of business coaching experience is helping to enhance their traditional lifestyle with 21st Century technology in order to actively encourage sustainable development. Another of her passions is giving vulnerable and disadvantaged girls access to education, to which end she created the non-profit organisation, Kusasa. She very much believes that making progress in the gender equality/equity agenda through education is vital for her country. She is also already working on the sequel to *Going Home in Africa*, which will detail the experience of returning to her homeland and the many joys and challenges she has faced since her return, it will be titled *Being Home in Africa*. Alongside all this, she has also decided to encourage more women to visit Africa and will be running small women-only group tours from 2022 in Zimbabwe, Namibia and South Africa. Watch her Facebook page for details of *Going Home to Africa Tours*. June Audrey Carlan 2015-08-03 "Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." -Hooks & Books Blog Synopsis Politics, phallic statues, and pretty women. Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms. Looks as though my hot streak ended when Warren Shipley, one of the nation's wealthiest men, hired me to play arm-candy to save face with the other one percenters he did business with. At least that's what I thought when I arrived in Washington, DC, until I was met by old man Shipley's debonair and insanely handsome son. The Senator from California, Aaron Shipley. Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere wanted a taste of that power. Me, I'd always thought politics were boring...boy was I wrong. Democracy had never been more exciting. \*\*\* In the sixth book of the Calendar Girl serial, Mia is sent to our nation's capital, Washington, DC. Still on her mission to save her father, she embraces the life of a gold-digging mistress in order to get a life-saving project off the ground. January Audrey Carlan 2015-08-03 "Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Bestselling Author It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

*Calendar Girl. Marzo* Audrey Carlan 2016-06-21 Marzo, Chicago, un ex pugile imprenditore dal cuore spaventato. Avevo bisogno di soldi, tanti soldi. In ballo c'era la vita di mio padre. Io però non avevo un centesimo, per arrivare a fine mese facevo la cameriera. Non avevo un amore e, diciamo, all'amore, quello con la a maiuscola, non ci credevo neanche più tanto. Le mie storie fino ad allora erano state solo fonti di guai e delusioni. Mi hanno offerto un lavoro. Recitare il ruolo della fidanzata di uomini di successo. In pratica per un mese dovevo fingere di essere la loro compagna davanti agli occhi di tutti e in cambio ognuno di loro sarebbe stato disposto a pagarmi centomila dollari. 12 mesi, 12 città, 12 uomini ricchi, famosi, inarrivabili, 12 ambienti esclusivi, 12 guardaroba diversi. Più di un milione di dollari. Il sesso, chiariamoci, non faceva parte degli accordi. Quello dipendeva e dipende sempre solo da me. L'amore neanche quello faceva parte del piano. Ma intanto quello non dipende da nessuno... Sono tutti uomini da sogno. Che poi sono persone. Intriganti, fragili, che hanno paure, segreti e verità nascoste. Loro hanno scelto me. Per un mese sono entrati nella mia vita. Tutti mi hanno lasciato qualcosa. E uno mi sta chiedendo di cambiare le regole del gioco... ma l'amore, tutti lo sanno, di regole non ne ha. Ho intrapreso questo viaggio perché era l'unico modo per salvare la vita di mio padre. Mi sono fidata, ho buttato il cuore oltre l'ostacolo. Ed è iniziata la favola. Il viaggio ha salvato la mia, di vita. Trust the journey, Mia

**April** Audrey Carlan 2015-08-03 "Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." -Katy Evans, NYT Bestselling Author Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. \*\*\* Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
