Calendar Girl - Carlan Audrey 2017-05-03

Det är väldigt enkelt. Jag behövde pengar. Mycket pengar. En miljon dollar för att vara exakt. Tidsfristen var ett år. Jag hade tolv månader på mig att betala, annars skulle min pappa bli dödad. När man ställs inför ett ultimatum som det här, gör man vad man måste göra. Och det är precis vad jag gjorde. Mia Saunders har knappt hunnit flytta till Los Angeles innan hon får beskedet att hennes pappa har blivit grovt misshandlad för att han inte betalat en enorm spelskuld. Och inte nog med det, det är hennes ex-pojkvän Blaine som står bakom misshandeln och utpressningen. Mia ser en enda lösning, och det är att börja jobba på hennes mosters företag Exquisite Escorts. Uppdraget: att tillbringa en månad åt gången tillsammans med rik man och vara hans dejt i alla sorters sammanhang. En rik man som hon dessutom inte behöver ligga med om hon inte själv skulle vilja. Det skadar förstås inte att den första killen är en het Hollywood-regissör. Del 12 - December.

Enlightened End - Audrey Carlan 2018-06-26**March** - Audrey Carlan 2015-08-03

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know why. I'm paid \$100,000 to be his escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis Vegas, Viscous Exes, and Ventilators. My life felt like a fast ride on a too short highway. Coming home should be roses and rainbows, but nothing that comes out of the desert blooms free. I was most certainly not free. I'd missed my payment to Blaine, owed the last client a hundred grand I didn't have, and my father was on his deathbed. To make matters worse, Wes was missing in action. As in, no one had seen or heard from him in three weeks. Devastation didn't begin to explain where my mental state was at. Like anything life had thrown my way, I pulled on my big girl panties, not the sexy lacy ones I enjoyed teasing my guy with, but the kind that said, "This ass means business." I had no choice but to make the decision I made. My ex, the man that ruined the

concept of love for me, put my father in the hospital, was about to get everything he ever wanted...at least that's what I led him to believe. *** In the ninth book of the Calendar Girl serial, Mia rushes back home to Las Vegas, Nevada. Things have taken a turn for her father, putting her into debt up to her eyeballs. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.

December - Audrey Carlan 2015

Mountains, miracles, and marriage. I had no idea what to expect when the producers of Dr. Hoffman sent me to the pristine white mountains of Aspen, Colorado. As the town of Aspen is known for being a winter haven for uber-rich Americans, I knew this desert cactus was going to be way out of her element. The ace up my sleeve however, was a high-class movie-making surfer whose family owned a cabin in those snowy hills. With him by my side, I'd make the most out of the experience. The job was assigned under unusual circumstances. An anonymous mountain man paid a hefty fee to persuade the producers of my show to send me out for a segment on local artisans. Suited up in my parka and Ugg boots, I put the warmth of the California sun in the rearview mirror and headed to a winter wonderland. With my newfound family in tow, I was prepared to celebrate the best month the year had to offer...until the one woman who drastically changed my life all those years ago appeared like a shadow out of pure frosted air, shattering my soul all over again. *** In the twelfth and final book in the Calendar Girl serial, Mia is off to Aspen, Colorado to film a segment on local artists. Prepare to be wowed as Mia's journey merges into the ending everyone has been waiting for. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Calendar Girl Anthology - Audrey Carlan 2018-08-01

Volume One: Mia Saunders needs money. A lot of money. She has one year to pay off the loan shark who has threatened her father's life and is coming after his unpaid gambling debts. One million dollars to be exact. Her mission is simple—serve as a high-priced escort for her aunt's Los Angeles-based company and pay monthly against the debt. Spend a month with a rich man whom she doesn't have to sleep with if she doesn't want to? Easy money. Unlucky in love with a spirit that never gives up, this curvy motorcycle-riding vixen plans to get in, make her money, and get out. Part of that goal is keeping her heart locked up tight and her eye on the prize. At least that's the way it's supposed to go... Volume Two: Unwilling escort Mia Saunders's journey continues in the second anthology of the Calendar Girl series! In the next three months, Mia heads to Boston, Oahu, and Washington DC. In April, she poses as girlfriend to philandering Mason Murphy, a professional baseball player who needs a better image, only to find he's not at all what she expected. However, his devastatingly handsome son, Aaron, a California Senator, is nowhere near as kind. Volume Three: Mia Saunders journey continues in the third wicked hot anthology of the Calendar Girl Series! In the next three months, Mia heads to Miami, Texas, and her hometown, Las Vegas. In July, she serves as the seductress in a music video to platinum selling hip hop artist Anton Santiago. Still dealing with the trauma from June, our girl opens her heart and finds that taking risks in life and love could give her all that she ever needed and more. In August, Mia heads to Texas to put on her acting hat and pretend to be the long lost sister of oil tycoon and big business man Maxwell Cunningham. The job should have been a snap, only secrets are revealed from her past that change everything she knew to be true. In September, Mia dashes home to sin city where the world around her seems to implode. The people she loves are fighting battles she isn't prepared for, but desperate to solve before she loses it all. Volume Four: Calendar Girl Mia Saunders has come a long way. February - Audrey Carlan 2015-08-03

"Mia's whirlwind journey is a refreshing mix of adventure, soul-searching, and steaming hot physical intensity that packs an emotional punch." -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A muse. Me. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist's muse. For a month. I had no idea when I took the escort job with Exquisite Escorts I would be standing naked in front of a blank canvas in a Seattle warehouse. "Love on Canvas" he calls his exhibit, a combination of photographic stills and paint entwined to create the most awe-inspiring pieces the world will ever see. Except every last one of them features me and a moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities, teaching me lessons about love and life that would stay with me through the rest of my days. *** Mia Saunders continues her mission to bail out her comatose father whose life is on the line to a dangerous loan-shark who happens to be Mia's ex-boyfriend. For this journey, she serves as a high-priced escort to French artist named Alec Dubois in Seattle, Washington. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." -Meghan

March, USA Today Bestselling Author Synopsis Life, Love, Laughter. Three things I never expected to experience in the month of giving thanks, but that is just what I received. Wes had survived Hell on Earth, and was back where he was meant to be...in my arms and my bed. For good. There would be no breaking us apart after the trauma we experienced up to this point. My new job with Century Production sent me to the big apple to interview celebrities for a special segment on being thankful. What is a girl to do when she has an entire host of celebrity friends from her past year of travels? You better believe I called up my friends Mason Murphy, all-star pitcher for the Red Sox, and Anton Santiago, the Latin Lov-ah, to participate. They were all too happy to oblige, only my guy's feathers were a bit ruffled by the ease with which they came running. Add in my new family and you've got a fairytale Thanksgiving. Except for one tiny detail...the single seat at the table, left open by the hole in my heart that only one person could fill. *** In the eleventh book of the Calendar Girl serial, Mia is off to New York City to film a segment for her new job. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live life as an escort. Only life has thrown her some new challenges to round out her year. Each installment in the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Bestselling Author It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." -Hooks & Books Blog Synopsis Politics, phallic statues, and pretty women. Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms. Looks as though my hot streak ended when Warren Shipley, one of the nation's wealthiest men, hired me to play arm-candy to save face with the other one percenters he did business with. At least that's what I thought when I arrived in Washington, DC, until I was met by old man Shipley's debonair and insanely handsome son. The Senator from California, Aaron Shipley. Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere wanted a taste of that power. Me, I'd always thought politics were boring...boy was I wrong. Democracy had never been more exciting. *** In the sixth book of the Calendar Girl serial, Mia is sent to our nation's capital, Washington, DC. Still on her mission to save her father, she embraces the life of a gold-digging mistress in order to get a life-saving project off the ground. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." -Meredith Wild, #1 NYT Bestselling Author Synopsis Hip-hop, Miami heat, and the Latin Lov-ah. The second half to this year-long journey has taken me to Magic City...Miami. I've been hired by the nation's top hip-hop artist, Anton Santiago. His name is as sexy as he is, and it rolls off the tongue the same way his muscled form rolls to his music. He goes by the name Latin Lov-ah, and boy does he work that title from his rock-hard body, Latin hip-hop fusion dance moves, to the way he beds his women. He's raw, dirty, and one hundred percent player...and I want to wrap my naked body all over him and forget about everything. Every word that comes out of his mouth is a siren's song. Every thrust of his hips draws me closer. Every breath against my neck sends me into a tailspin of need and desire. After what happened in June, I need to rip the bandage off. Move on. Anton could be just the thing I need to get my groove back. I was hired to play the part of a seductress in Anton's new music video, but, in the end, I'm the one being seduced. *** In the seventh book of the Calendar Girl serial, Mia is sent to Miami, Florida. Still on her mission to save her father, she is hired to be in a hot new music video where her unique look and recent popularity will prove invaluable. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. "Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." -Katy Evans, NYT Bestselling Author Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. *** Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. "Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." -Hooks & Books Blog Synopsis Mountains, miracles, and marriage. I had no idea what to expect when the producers of Dr. Hoffman sent me to the pristine white mountains of Aspen, Colorado. As the town of Aspen is known for being a winter haven for uber-rich Americans, I knew this desert cactus was going to be way out of her element. The ace up my sleeve however, was a high-class movie-making surfer whose family owned a cabin in those snowy hills. With him by my side, I'd make the most out of the experience. The job was assigned under unusual circumstances. An anonymous mountain man paid a hefty fee to persuade the producers of my show to send me out for a segment on local artisans. Suited up in my parka and Ugg boots, I put the warmth of the California sun in the rearview mirror and headed to a winter wonderland. With my newfound family in tow, I was prepared to celebrate the best month the year had to offer...until the one woman who drastically changed my life all those years ago appeared like a shadow out of pure frosted air, shattering my soul all over again. *** In the twelfth and final book in the Calendar Girl serial, Mia is off to Aspen, Colorado to film a segment on local artists. Prepare to be wowed as Mia's journey merges into the ending everyone has been waiting for. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Calendar Girl - Georgia Beers 2018-11-13

For Addison Fairchild, success is a guarantee. Groomed since childhood to run a division of Fairchild Enterprises, she takes her birthright seriously. Maybe a little too seriously if you ask her friends. But work is so much easier than the rest of her life. Her employees hate her, her best friend is worried about her, and her last date was hide-in-the-restroom awkward. If all that wasn't bad enough, she's stuck with a new cheerful-happy-annoyingly-morning-person assistant just when the head of FE is about to choose a successor—a job Addison wants so badly, she can taste it. For Katie Cooper, money has never been important. That is, until her father gets dementia and needs full time care. As the bills start to pile up, Katie takes a second job as a temporary personal assistant. Two minutes and one spilled cup of coffee later, she's sure she's not ready for Addison Fairchild—her hard head, her know-it-all attitude, or her gorgeous face. Forced to work together, Addison and Kate discover that opposites really do attract.

"Mia's whirlwind journey is a refreshing mix of adventure, soul-searching, and steaming hot physical intensity that packs an emotional punch." -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis Pretending. I've always been good at pretending. Being someone else is easy, and that ability has served me well these last seven months. This time, I've been hired to be the long lost sister of oil tycoon, and down to earth cowboy, Maxwell Cunningham. Recently, Maxwell's father passed away and in his last Will and Testament he dropped a bomb no one saw coming. One of the richest men in the world, left forty-nine percent of his company to a sister my client never knew he had. A woman named Mia Saunders. Stetsons, soul-searching, and sisterly duty all come into a sharp tangle with twists and turns I never saw coming. *** In the eighth book of the Calendar Girl serial, Mia is sent to Dallas, Texas.
