Sex and Society in Islam - B. F. Musallam 1986-08-21

In this study of birth control in the classical Islamic world, Basim Musallam demonstrates the wide range of evidence available to dispel many assumptions that are rampant in many people's beliefs. Medieval Arabic discussions of contraception and abortion in Islamic jurisprudence, medicine, materia medica, belles lettres, erotica and popular literature show that birth control was sanctioned by Islamic law and opinion. Contraceptive methods were available throughout pre-modern times and were used to meet social, economic, personal and medical needs. Sex and Society in Islam considers the impact of birth control as a factor in demographic change, and therefore in social history.

The Little Girl Who Gave Zero Fucks - Amy Kean 2018-11-01

This is the story of a brave young girl, Elodie-Rose, who one day decides to change the world and keep all her fucks in her basket. Wait a minute. You're confused. What are fucks, you ask? It's quite simple, really. Fucks are her self-esteem; all the happy, sad and wonderful thoughts that sit in her basket. That sit in every girl's basket! And every girl must give these fucks away every time someone asks. One day Elodie-Rose decides to break rank and find out what happens if those fucks stay where they are...

Girls & Sex - Navigating the Complicated New Landscape - Peggy Orenstein 2016-10-06

'If you're going to talk about women in the 21st century, you MUST read Peggy Orenstein's Girls & Sex.' - CAITLIN MORAN, author of How to Be a Woman *TIME Top 10 non-fiction books of 2016* *Amazon Best Non-fiction of 2016* A generation gap has emerged between parents and their daughters. Mothers and fathers have little idea about the pressures and expectations they face or how they feel about them. Drawing on in-depth interviews with young women and a wide range of psychologists and experts, renowned journalist and bestselling author Peggy Orenstein goes where most others fear to tread, pulling back the curtain on the hidden truths and hard lessons of girls' sex lives in the modern world.

[Youth, Pornography, and the Internet - National Research Council 2002-07-31](#)

The Internet has changed the way we access the world. This is especially true for kids, who soak up new technologies like eager little sponges. They have access to an enormous array of material, including educational links, sports info, chat rooms and, unfortunately,

pornography. But we must approach our need to protect children with care to avoid placing unnecessary restrictions on the many positive features of the Internet. Youth, Pornography, and the Internet examines approaches to protecting children and teens from Internet pornography, threats from sexual predators operating on-line, and other inappropriate material on the Internet. The National Research Council's Computer Science and Telecommunications Board explores a number of fundamental questions: Who defines what is inappropriate material? Do we control Internet access by a 17-year-old in the same manner as for a 7-year-old? What is the role of technology and policy in solving such a problem in the context of family, community, and society? The book discusses social and educational strategies, technological tools, and policy options for how to teach children to make safe and appropriate decisions about what they see and experience on the Internet. It includes lessons learned from case studies of community efforts to intervene in kids' exposure to Internet porn. Providing a foundation for informed debate, this very timely and relevant book will be a must-read for a variety of audiences.

Clinical Atlas of Retreatment in Endodontics - Viresh Chopra 2021-10-19

CLINICAL ATLAS OF RETREATMENT IN ENDODONTICS Explore a comprehensive pictorial guide to the retreatment of root canals and failed endodontic cases with step-by-step advice on retreatment management Clinical Atlas of Retreatment in Endodontics delivers an image-based reference to the management of failed root canal cases. It provides evidence-based strategies and detailed clinical explanations to manage and retreat previous endodontically failed cases. It contains concrete evidence-based and practical techniques accompanied by full-colour, self-explanatory clinical photographs taking the reader through a journey of successful management of the failed clinical cases. Using a variety of clinical cases, the book demonstrates why and how endodontic failures occur, how to prevent them, and how to manage them in clinical practice. It also emphasises on evaluating the restorability and prognosis of the tooth in order to make a proper case selection for providing retreatment. This book also discusses the various factors that can help the clinician to make a case for nonsurgical or surgical retreatment. Readers will benefit from the inclusion of clinical cases that provide: A thorough introduction to perforation repair, with a clinical case that includes the repair of pulpal floor perforation caused due to excessive cutting of the floor of the pulp chamber An explanation of various factors for instrument separation, supported with a case that includes the removal of a fractured instrument Practical discussions of instrument

retrieval, with a case that includes a fractured instrument at the apical third of mandibular molar A step wise pictorial description for guided root canal therapy Selective root canal treatment as a treatment option for retreatment of failed endodontic cases A detailed clinical description for how to explore and modify the endodontic access cavity for locating extra/missed canals Perfect for endodontists, endodontic residents, and general dentists, Clinical Atlas of Retreatment in Endodontics is also useful for undergraduate dental students and private practitioners who wish to improve their understanding of endodontic retreatment and are looking for a one-stop reference on the subject.

Arthur's Halloween - Marc Tolon Brown 1982

Arthur finds everything about Halloween scary but he's most afraid of the big spooky house on the corner. His fears are eventually soothed once Arthur realizes things don't always turn out the way you imagine. Arthur Adventures.

365 Sex Moves - Randi Foxx 2012-12-01

Get ready for the best year of your life! 365 Sex Moves offers couples hot and exciting positions for every day of the year. Filled with stunning photography and short technique descriptions that get right to the point, this book allows you to simply pick-up-and-play and do the position shown. Whether you're interested in trying something just a little different or are ready for an advanced acrobatic position, 365 Sex Moves has it all. With this sexy little guide, you'll never know what the day—or night—will bring.

Dangerous Sex, Invisible Labor - Prabha Kotiswaran 2011-07-05

Popular representations of third-world sex workers as sex slaves and vectors of HIV have spawned abolitionist legal reforms that are harmful and ineffective, and public health initiatives that provide only marginal protection of sex workers' rights. In this book, Prabha Kotiswaran asks how we might understand sex workers' demands that they be treated as workers. She contemplates questions of redistribution through law within the sex industry by examining the political economies and legal ethnographies of two archetypical urban sex markets in India.

Kotiswaran conducted in-depth fieldwork among sex workers in Sonagachi, Kolkata's largest red-light area, and Tirupati, a temple town in southern India. Providing new insights into the lives of these women—many of whom are demanding the respect and legal protection that other workers get—Kotiswaran builds a persuasive theoretical case for recognizing these women's sexual labor. Moving beyond standard feminist discourse on prostitution, she draws on a critical genealogy of materialist feminism for its sophisticated vocabulary of female reproductive and sexual labor, and uses a legal realist approach to show why criminalization cannot succeed amid the informal social networks and economic structures of sex markets. Based on this, Kotiswaran assesses the law's redistributive potential by analyzing the possible economic consequences of partial decriminalization, complete decriminalization, and legalization. She concludes with a theory of sex work from a postcolonial materialist feminist perspective.

World Migration Report 2020 - United Nations 2019-11-27

Since 2000, IOM has been producing world migration reports. The World Migration Report 2020, the tenth in the world migration report series, has been produced to contribute to increased understanding of migration throughout the world. This new edition presents key data and information on migration as well as thematic chapters on highly topical migration issues, and is structured to focus on two key contributions for readers: Part I: key information on migration and migrants (including migration-related statistics); and Part II: balanced, evidence-based analysis of complex and emerging migration issues.

Dating and Sex - Andrew P. Smiler 2016-09-05

Bronze Medal Winner for Young Adult Nonfiction, 2016 Foreword INDIES Book Awards Silver award winner in the Eureka! Children's Nonfiction Awards 2017 National Indie Excellence Award Winner for Young Adult Nonfiction Best Typographic Cover and Best in Show in Washington Book Publisher's Design and Effectiveness Awards "There's a good chance you've had the "sex talk" with your parents. Or not. Or learned about human reproduction in health class. Or maybe you've heard a lot about dating, sex, and relationships from friends, movies, and surfing online. So you are all set, right? Maybe.... But everything you think you know and everything you really want to know is inside this book." Written for teen boys, Dating and Sex provides them with the knowledge they need to understand dating, relationships, and sex. It goes beyond basic descriptions of biological processes with a progressive, practical approach that relies on secular ethics and emphasizes sexual health and personal responsibility. The book addresses common questions like: What's a hook-up? How do I know if

someone likes me? Can I masturbate too much? How do I know if I am ready for sex? How do I know what my sexual orientation is? Why is it important to get and give consent? How can I make a relationship last for more than a couple days? The perfect book for helping teen boys understand both themselves and the complexity of the sexual world around them.

All This While F*cking - Kelsey Straight 2017-02-15

"All This While F*cking" is a true account of the years the author spent living in Brooklyn and dating, compulsively, off Tinder. In the process of meeting and sleeping with an impressive diversity of strangers - approximately 200 dates, 100 one-night stands, and 1000s of joints - she was ultimately forced to meet and go to bed with herself - first on the page, and then in practice. The uncensored stories open the door to an array of personal and mental health issues that crack the spine on the corresponding cultural implications for the millennial generation. There are things we don't talk about, but this book speaks openly and honestly re: those stigmas and secrets. That said, if you don't read books, just think of this as a super long text you can download and read on your phone.

Sex Positions You Never Thought Possible - Editors of Liberator 2012-09-15

Even the most acrobatic positions are attainable with a little help from Liberator® ramps and wedges—or standard pillows and cushions you have in your home. Authored by the creators of the iconic Liberator® sex cushions, Sex Positions You Never Thought Possible features dozens of sex moves that incorporate carefully-calibrated body angles and inclines to take sex to more orgasmic levels while targeting key hot spots and enabling deeper penetration and easier thrusting. This exciting guide shows you how to intensify sensations on standard positions such as cowboy and missionary, add kinky twists to oral sex, and make doggy-style positions more comfortable. Reach new heights of orgasmic pleasure with Sex Positions You Never Thought Possible!

Same-Sex Love in India - R. Vanita 2000-09-11

Same-Sex Love in India presents a stunning array of writings on same-sex love from over 2000 years of Indian literature. Translated from more than a dozen languages and drawn from Hindu, Buddhist, Muslim, and modern fictional traditions, these writings testify to the presence of same-sex love in various forms since ancient times, without overt persecution. This collection defies both stereotypes of Indian culture and Foucault's definition of homosexuality as a nineteenth-century invention, uncovering instead complex discourses of Indian homosexuality, rich metaphorical traditions to represent it, and the use of names and terms as early as medieval times to distinguish same-sex from cross-sex love. An eminent group of scholars have translated these writings for the first time or have re-translated well-known texts to correctly make evident previously underplayed homoerotic content. Selections range from religious books, legal and erotic treatises, story cycles, medieval histories and biographies, modern novels, short stories, letters, memoirs, plays and poems. From the Rigveda to Vikram Seth, this anthology will become a staple in courses on gender and queer studies, Asian studies, and world literature.

Desistance from Sex Offending - D. Richard Laws 2011-03-11

This book offers a fresh perspective on treating a population that is often demonized by policymakers, the public, and even clinicians. The authors argue that most sex offenders are "people like us," with the potential to lead meaningful, law-abiding lives—if given a chance and appropriate support. They describe an empirically and theoretically grounded rehabilitation approach, the Good Lives Model, which can be integrated with the assessment and intervention approaches that clinicians already use. Drawing on the latest knowledge about factors promoting desistance from crime, the book discusses how encouraging naturally occurring desistance processes, and directly addressing barriers to community reintegration, can make treatment more effective and long lasting.

Scared Selfless - Michelle Stevens, PhD 2017-03-21

"A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success."—Dave Pelzer, author of A Child Called "It" Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her PhD in psychology—and the university's

award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle's powerful memoir, *Scared Selfless*. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was "Chelsey," the rebellious teenager; "Viscous," a tween with homicidal rage; and "Sarah," a sweet little girl who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle's courageous testament to their power.

Indian Sex Life - Durba Mitra 2020-01-07

"During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

School's Out - Catherine Connell 2014-11-14

"How do gay and lesbian teachers grapple with their professional and sexual identities at work, given that these identities are constructed as mutually exclusive, even indeed as mutually opposed? Using rich

interview and ethnographic materials from Texas and California, *School's Out* explores how teachers struggle to create a classroom persona that balances who they are and what's expected of them in a climate of pervasive homophobia. Catherine Connell takes readers into the private and professional lives of gay and lesbian educators, along the way developing the innovative concept of racialized homophobia, which thwarts challenges to sexual injustices in schools. She also uses her own experiences as one point of intersection with the ideas in this volume. Connell's exploration of the tension between the rhetoric of gay pride and the professional ethic of discretion insightfully connects and considers other complicating factors, from local law and politics to race and gender privilege. With a sense of ethnographic verve and an engaging authorial presence, *School's Out* is essential reading for specialists and students of queer studies, gender studies, and educational politics."--Provided by publisher.

Boys & Sex - Peggy Orenstein 2020-03-26

The New York Times Bestseller Peggy Orenstein broke ground with her bestselling *Girls & Sex*, exploring young women's right to pleasure and agency in sexual encounters. Now she turns her focus to boys with an examination of how young men are navigating sexual culture in these changing times - and what we need to do help them. Drawing on comprehensive interviews with young men, psychologists and experts in the field, *Boys & Sex* dissects 'locker room talk'; pornography as the new sex education; the role of empathy; boys' understanding of hookup culture and consent; and their experience as both perpetrators and victims of sexual assault. By presenting young men's experience in all its complexity, Orenstein unravels the hidden truths, hard lessons and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

Sex Drive - Andy Behrens 2008-10-16

Now a major motion picture! Ian's best friend, Lance, has a knack for finding both. Unfortunately Ian's too nice to get close to either. He's never kissed a girl-or even had a chance-until he meets the perfect girl online. Now only a 935-mile road trip lies between Ian and something that he's been thinking about roughly every eleven seconds since puberty hit. There's also the small problem of the Creature, Ian's ancient yellow Oldsmobile, and its impending collapse on the side of the road. As if that weren't enough, Lance and gal pal Felicia crash the ride for what seems to be the sole purpose of taunting Ian. With all these obstacles in the way, will Ian's drive bring him any closer to what he wants?
