The Baby Mama Drama Jeffrey Hunter 2016-06-18 The baby mama drama is when a woman gives her baby daddy pure hell, I mean like begging for money, saying he can't see his baby (even before the DNA test results are in), calling when she needs something, won't work, if she does work she thinks the baby daddy should pay for all the expense (even when the DNA results proclaims YOU ARE NOT THE FATHER): always starting drama, and ghetto (or country) to the bone. The baby mama drama is also when a male has a baby with one female while trying to develop a relationship with another female while he may or may not still be involve with his baby mama (in most cases he still may). His excuse to his new lady friend is, "I got to deal with her so I don't have to deal with her

drama. That's my baby mamma, I got to see what she wants or else I will have drama. That is why I gotta go to her house later tonight." While our families are being tested in these hard and difficult times we should not turn on each other and point a finger. We should turn to God and point to the Cross. If families would go to church together, pray together, spend family time together, and talk to one another, God will come in their midst and bless their home. For God bless the child that's got his own. These sermons will make you laugh and cry, dance and shout, convince you and convict you. It is my prayer that you will find comfort and guidance in these sermons. These inspired Words from God will lift your spirit and "draw you nearer to thy bleeding side." I hope that after reading these sermons your family will be closer to God.
