Just a Miracle - Neena George
2021-11-01

It's a privilege to be a woman. Gifted with the ability to procreate, she stands apart. Being able to carry a child and become a mother is a dream for most women. When dreams don't become realities, life seems meaningless. Using her own journey, Neena George in her memoir *Just a Miracle - My Tryst with Infertility* shares the

roller-coaster ride she endured. She aims to bridge the literary gap about the associated stigma, societal pressures and emotional trauma which are hardly talked about. The book provides stress relief, support, hope and even encourages the reader to cling on to life, faith and love, especially when you're at a cross-road and the end seems too far. Her experiences give an insight not only into the strategies to effectively handle infertility, but also any situation in life across the barriers of age, gender and background. The journey would resonate with many, make them understand how fortunate they are and would highlight the importance

of being more empathetic and sensitive to others facing challenges. Rising like a phoenix each time she hit a roadblock, forms an integral part of her narrative. The book concludes with many learnings and takeaways. You're sure to draw inspiration to pursue your dreams with rock-solid determination and faith despite all odds. It's all about understanding your potential and empowering yourself to handle situations. After all, everything is just a mind game.

How to Get Pregnant -

Rachel Sanders 2019-09-20

How to Get Pregnant If you've tried everything imaginable to conceive fast, but have never been able to make your dreams of rocking your own baby in your arms come true, then this could be one of the most important books you have read in years. Are you a resourceful and determined individual, but still find it hard to conceive or get your partner pregnant? Go Get Me Back - Clementine Nicholson 2013-06

This book is for you if you have ever: done a handstand after lovemaking to work with gravity. - overdosed on black licorice to heighten fertility. - faked a thermometer reading for good measure. In between the "heavy boot" chapters of infertility, I share a hodgepodge of our Friday night date escapes. I give creative date ideas to feed the relationship and give it a vacation. On Friday night, we take turns creating and surprising each other with a theme date. The dates are a mix of fun, artsy, outdoorsy, adventurous, glamorous, silly, cultural, sentimental, elaborate, and humbly homemade. It is on these dates we found our answer. What happens if you are kind, optimistic, spiritual vegetarians who have tried every natural and Western medical measure to get pregnant and still you have no bump? How long would you defy your real purpose? I gave it longer than I

should have, I didn't realize I wanted to be healthy and in a good marriage more than I wanted to have a baby. I sacrificed a lot in trying to get pregnant, but when it came down to trading in my health and husband for a child, my choice became clear. I wanted our lives to be happy, giving and prosperous. This is my journey there.

Confinements - Helena Michie 1997

When a woman in the United States becomes pregnant or tries to become pregnant, she enters a world of information, technology, and expertise. Suddenly her body becomes public in a new way: medicine, law, and popular culture all offer her sometimes contradictory expert advice. This text explores the advice offered to pregnant and infertile women by examining assumptions about femininity, class, and the reproductive body that structure the language of expertise. Even advice books written from a specifically countercultural or feminist point of view often

attempt to police the way women think about their bodies.

How to Get Pregnant with a Girl

- Cythia Lewis 2012-10-15

Who Said Getting Pregnant

With A Girl Is Hard? This book

is a step-by-step guide that

reveals the various strategies

you can try today to conceive

your baby girl. Full of tips and

tricks, that are easy to apply,

the book focuses on natural,

non-invasive methods and

techniques you can implement

in the privacy of your own

home at no cost and without

risk. These methods are simple

and cost-effective ways to

achieve a beautiful baby girl of

your own. Read This Book and

Discover: The best foods and

supplements to eat pre-

conception How to time your

intercourse for the best results

Powerful Meditations and

Visualizations to manifest your

baby girl The Pros and Cons of

using High Tech Methods Not

only mothers-to-be, but also

fathers-to-be will find:

complete and interesting

advice for having your desired

baby girl. You do not have to

leave the gender of your baby entirely to fate. The book shows you the steps to take to up your chances of having the baby girl you are dreaming of. Mistakes that you may be making are covered, along with the factors that influence the conception of a baby girl. It shows why pH levels are important for the mother-to-be as well as how to determine ovulation and using that information to your advantage. In a nutshell, the book is a complete manual drawing together, in an easy to read and understandable manner, the various non-risk and natural methods for choosing the gender of your baby, the baby girl of your dreams. About The Author As a proud mother of 7, her extensive background in natural health therapies and biology inspired her to create a book that is both entertaining and full of useful information that can easily be implemented by soon to be moms. Her own experiences with the techniques covered as well as her family, friends and readers experiences have been distilled

to create a roadmap to your personal success. Start your journey to a beautiful baby girl today with The Gender Selection Manual!
Fertility - Kristina Duclos
2015-09-07
Getting Pregnant Fast and How to Predict Your Baby Gender Box Set Learn Now How to Optimize Ovulation and Getting Pregnant Fast There are millions of couples who have been trying to get pregnant for a long time. For some couples it takes the first month of trying. For other couples, it can be a tedious wait of 6 years or more! If you find yourself in this category, remember that you are not alone! While it can be an incredibly frustrating journey that is out of our control, there is hope. This reference book is here to optimize your chances of getting pregnant as you through the journey of conception. Conceiving a child is truly a miracle! Being fertile at the right moment is not an easy proposition. There are many factors that need to be taken into consideration when

trying to get pregnant. Once you start the journey of conception, you'll find that people advise you to exercise patience. According to these people, getting pregnant is no similar than turning on a light switch. However, this is not necessarily true. Patience, although good and solid advice, may not be enough to help you get pregnant. Patience may not be enough due to many factors that determine whether you will get pregnant in this month or not. You may have all the time in the world to get pregnant, but if you aren't paying attention to some of the key factors, you'll miss the mark every time. Here Is A Preview Of What You'll Learn... The Fundamental Principles of Ovulation and Getting Pregnant A Guide on Optimizing Your Chances of Getting Pregnant by Tracking your Ovulation A Guide on Optimizing Your Chances of Getting Pregnant through Sexual Intercourse A Comprehensive Health and Nutrition Checklist during Conception Discover How To

Achieve the Baby Gender of Your Dreams You will soon discover the ultimate strategies on how to turn your dreams into reality and achieve the baby gender you desire. Millions of people around the world would love to have the baby boy or girl of their dreams. Whether it's because they already have one gender and they desire the other, or they simply have a gender preference: some are successful, some are not. Learn the strategies and techniques for predicting your baby's gender from experienced educator, Kristina Duclos. In addition to determining her own baby's gender, she has been successful in predicting the baby gender of other couples and helping them achieve pregnancy in difficult circumstances. Here Is A Preview Of What You'll Learn... Kristina Duclos' Personal Testimony Natural Birth Control The Female Fertility Cycle The Three Fertility Signs for Conception Scientific and Semi Scientific Methods Old Wives Tales The Chinese

Gender Calendar Ovulation Timing, Diet, Orgasms, Sex Positions Let's optimize your ovulation and get pregnant the natural way!

The Impatient Woman's Guide to Getting Pregnant -

Jean M. Twenge 2012-04-17
Comforting and intimate, this “girlfriend” guide to getting pregnant gets to the heart of all the emotional issues around having children—biological pressure, in-law pressures, greater social pressures—to support women who are considering getting pregnant. Trying to get pregnant is enough to make any woman impatient. The Impatient Woman’s Guide to Getting Pregnant is a complete guide to the medical, psychological, social, and sexual aspects of getting pregnant, told in a funny, compassionate way, like talking to a good friend who’s been through it all. And in fact, Dr. Jean Twenge has been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. A renowned

sociologist and professor at San Diego State University, Dr. Twenge brought her research background to the huge amount of information—sometimes contradictory, frequently alarmist, and often discouraging— that she encountered online, from family and friends, and in books, and decided to go into the latest studies to find out the real story. The good news is: There is a lot less to worry about than you’ve been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when thinking about conceiving; how to talk about it with family, friends, and your partner; and how to handle the great sadness of a miscarriage. Also covered is how to know when you’re ovulating, when to have sex, timing your pregnancy, maximizing your chances of getting pregnant, how to tilt the odds toward having a boy or a girl, and the best prenatal diet. Trying to conceive often

involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With comfort, humor, and straightforward advice, *The Impatient Woman's Guide to Getting Pregnant* is the bedside companion to help you through it.

Pink for a Girl - Isla McGuckin 2006

This emotionally honest account of one woman's experience of unexplained infertility will strike an emotional cord with the one in six couples that experience fertility problems. The book will help to promote discussion between partners who are finding it difficult to name their feelings surrounding their own infertility. It will also prove invaluable for the friends, family, doctors and therapists of those couples; people who may have no idea of the depth and complexity of emotions surrounding the issue. *Pink for a Girl* is sometimes funny, sometimes sad, always real.

The Ultimate Guide to Pregnancy for Lesbians - Rachel Pepper 2008-09-05

The Ultimate Guide to Pregnancy for Lesbians covers everything you need to make the thrilling and challenging journey to motherhood: from choosing a donor to tracking fertility to signing the right papers on the dotted lines. Rachel Pepper's lively, easy-to-read guide is the first place to go for up-to-date information and sage advice on everything from sex in the sixth month to negotiating family roles. Why a second edition? When the acclaimed first edition appeared, the author's daughter was only a few months old. This new edition takes into account the parenting know-how Pepper has developed over the intervening six years, as well as the evolving legal status of lesbian parents, and the increasing importance of the Internet for information on fertility, sperm banks, and donors. The resource section is greatly expanded, as are the sections on each trimester of pregnancy, on childbirth, and on life with a newborn. And Pepper provides more insight

Downloaded from

on 2019-12-11 by guest

into preconception planning for both single lesbians and couples. An indispensable resource, *The Ultimate Guide to Pregnancy for Lesbians* is now bigger and better.

Infertility and Patriarchy -

Marcia C. Inhorn 1996

Infertility and Patriarchy explores the lives of infertile women whose personal stories depict their daily struggles to resist disempowerment and stigmatization. Marcia C.

Inhorn has produced a unique study of gender, politics, and family life in contemporary Egypt.

Infertility - Annette L. Stanton
2013-06-29

As a researcher whose work focuses largely on the causes and consequences of unwanted pregnancy, I may appear to be an unlikely candidate to write a foreword to a book on infertility. Yet, many of the themes that emerge in the study of unwanted pregnancy are also apparent in the study of infertility. Moreover, this volume is an important contribution to the literature

on fertility, women's health issues, and health psychology in general, all topics with which I have been closely involved over the past two decades. Neither pregnancy nor its absence is inherently desirable: The occurrence of a pregnancy can be met with joy or despair, and its absence can be a cause of relief or anguish. Whether or not these states are wanted, the conscious and unconscious meanings attached to pregnancy and in fertility, the responses of others, the perceived implications of these states, and one's expectations for the future all are critical factors in determining an individual's response. In addition, both unwanted pregnancy and failure to conceive can be socially stigmatized, evoking both overt and subtle social disapproval. Further, they involve not only the woman, but her partner, and potentially the extended family. Finally, both of these reproductive issues have been poorly researched. Because both are emotionally charged and

socially stigmatized events, they are difficult to study. Much of the early literature relied on anecdotal or case reports.

Am I the Reason I'm Not Getting Pregnant? - Rosanne Austin 2020-05-05

Am I the Reason I'm Not Getting Pregnant? gets women struggling with infertility ready to unleash unshakable confidence and certainty on the road to motherhood. Am I the Reason I'm Not Getting Pregnant? reveals the secret to trading that fear for the unwavering confidence and certainty that women are truly doing everything they can. Rosanne Austin is the coach women around the world turn to when they want success on their fertility journey. In Am I the Reason I'm Not Getting Pregnant? Rosanne shares: The genius hack for getting back on the road to fertility success, regardless of age, past "failures," and scary statistics. The secret to making fertility decisions like an expert, so women improve their chances of getting pregnant

immediately and don't waste time or resources. How to create the perfect Bump Squad, so women can finally get the support they really want - even from people they think won't "get" it. What it takes to crush fear, doubt, negativity, and spinning in "what-ifs", so women don't wreck their results or set themselves up for soul-searing regret. Daily practices that empower women to never have to utter the words, "What should I do," ever again.

The Worst Girl Gang Ever: A Survival Guide for Navigating Miscarriage and Pregnancy Loss - Bex Gunn 2022-08-04

'Bex and Laura really have pieced together the parachute we all need to help us land safely after falling into the world of loss and fertility struggles.' Elle Wright, author of *A Bump In The Road: Infertility Around the Globe* - Marcia Inhorn 2002-05-30. These essays examine the global impact of infertility as a major reproductive health issue, one that has profoundly

Downloaded from
legacy.opendemocracy.net
on 2019-12-11 by guest

affected the lives of countless women and men. The contributors address a range of topics including how the deeply gendered nature of infertility sets the blame on women's shoulders.

Quest for Conception - Marcia C. Inhorn 1994-08

In *Quest for Conception*, Marcia C. Inhorn portrays the poignant struggles of poor, urban Egyptian women and their attempts to overcome infertility. The author draws upon fifteen months of fieldwork in urban Egypt to present moving stories of infertile Muslim women whose tumultuous medical pilgrimages have yet to produce the desired pregnancies. Inhorn examines the devastating impact of infertility on the lives of these women, who are threatened with divorce by their husbands, harassed by their husbands' families, and ostracized by neighbors.

Pink For A Girl - Isla McGuckin 2006-05-26

This emotionally honest account of one woman's

experience of unexplained infertility will strike an emotional cord with the one in six couples that experience fertility problems. The book will help to promote discussion between partners who are finding it difficult to name their feelings surrounding their own infertility. It will also prove invaluable for the friends, family, doctors and therapists of those couples; people who may have no idea of the depth and complexity of emotions surrounding the issue. *Pink for a Girl* is sometimes funny, sometimes sad, always real.

What to Expect Before You're Expecting - Heidi Murkoff 2017-10-03

What to expect. . . the first step. Answers to all your baby-making questions. Are there ways to improve our chances of having a girl (or boy)? Does stress affect fertility? Should we be having sex every day? Every other day? Three times a day? I'm 37. Does that mean I'll have a harder time getting pregnant? How long should we keep trying to conceive before we get some help? What
