*Love-about*s - Mary Beth Egeling 2009-08

'Mommy, one thing I love about you is...you take us to the beach.' 'Michael, one thing I love about you is...you hold my hand in the grocery store.' 'One thing I love about myself is...I have a really good sense of humor.' What's a Love-about, you ask? It's an opportunity to share with your family, friends, houseguests, and co-workers those special things they that cause you to love them for who they are. A longstanding ritual in her own family, author Mary Beth Egeling gives, from her family to yours, Love-about, a simple and dependable tool for enriching lives and strengthening relationships. **The Relationship Book** - Matt Bird 2017-02-07

The Bible is the relationship book. It is a book of relationships not a book of religion. It demonstrates how God has reached out through history to have a relationship with humanity. In turn, it teaches us how we can build relationships with God and one another. The Relationship Book explores 28 Biblical principles which when applied will enable you to build life-transforming relationships in your family, business and community.

*Love Yourself* - Destiny S Harris 2020-09-04

The first step to a better life is to love yourself

unconditionally. How others love you is a reflection of how you love yourself. Furthermore, you attract into your life what you feel you deserve. Be careful that you prioritize unconditional self-love towards yourself. How can you expect positive opportunities to be attracted to you if you don't even see yourself positively? How can you be upset with how others treat you if you are treating yourself similarly? Love yourself in a high-quality manner. Love yourself so much that you repel people who do not love themselves, which prevents you from surrounding yourself with people who will not love you. Look at yourself in the mirror today and think of how you can love yourself better; this is step one to establishing and building loving, genuine, joyous, and enriching relationships with others and also a quality lifestyle for yourself. It starts with you. "Love Yourself: Affirmations" is Book 7 in the Post-Incarceration Series that Destiny S. Harris created to give back to those affected by

### *THE ART OF RELATIONSHIPS*

- RICHARD MARTINEZ

2021-07-19

Do you feel that your current relationship is hopeless, that the passion is gone, and that the person you are with does not understand you, value you, or provide what you need? Everything that matters most in life revolves around people. Our relationships determine our quality of life. Therefore, toxic relationships will create a dysfunctional life. The relationship with our partner is the most intimate, since we share more time, space, and energy with that person than any other. The way we treat our partner, and the relationship with our children

and the rest of our family, are great challenges, yet they are the most important and enriching relationships in our lives.

Improving Father-Daughter  
Relationships - Linda Nielsen  
2020-05-27

Improving Father-Daughter  
Relationships: A Guide for  
Women and Their Dads is  
essential reading for daughters  
and their fathers, as well as for  
their families and for  
therapists. This friendly, no-  
nonsense book by father-  
daughter relationships expert,  
Dr. Linda Nielsen, offers  
women and their dads a step-  
by-step guide to improve their  
relationships and to  
understand the impact this will  
have on their well-being.  
Nielsen encourages us to get to  
the root of problems, instead of  
dealing with fallout, and helps  
us resolve the conflicts that  
commonly strain relationships  
from late adolescence  
throughout a daughter's adult  
years. Showing how we can  
strengthen bonds by settling  
issues that divide us, her book  
explores a range of difficult  
issues from conflicts over  
money, to the daughter's  
lifestyle or sexual orientation,  
to her parents' divorce and  
dad's remarriage. With quizzes

**Never Knew Love Like This** - D. L. Williams 2021-07-03

How is your relationship with love? Do you think you understand love as much as you should? In this book, you will grow to have a healthy relationship with love, and in turn learn how that relationship translates into every other possible human relationship one can have in the earth; including the people who even dislike you! Being that God is love, understanding His love for us as his crown creation is key to knowing how we are called and expected by God to function in its capacity, and reflect His nature to others. Once we discover love as it is perfectly demonstrated in the very essence of God, we set ourselves up to share in enriching relationships with

God, ourselves, and a multitude of various personalities that exist among us.
