How to Talk with Your Kids about Sex John T. Chirban 2012

Having trouble talking to your kids about sex? Their friends at school don't... Unfortunately, for many parents, the most important conversations are the hardest. Ninety-three percent of adults are dissatisfied with the sex education they received as children, which is precisely why they are so bad at teaching their kids-they have no frame of reference. Renowned Harvard Medical School psychologist and frequent Dr. Phil guest John Chirban helps parents talk to their kids . . . about sex. Kids are going to learn about sex, and it is up to parents to decide if their kids are going to learn from them or from MTV. How parents address sex-their openness, the context, and their attitudes-will impact how their children view their own sexuality and self worth. Dr. Chirban helps parents know when, how, and how much. He uses humor, compassion, and real-life examples to prepare parents for a healthy and ongoing conversation that will equip their kids to own their own sexuality and an understanding of the larger issues of relationships, love, commitment, and intimacy. In addition, parents understand how helping their children understand these veiled yet critical keys of a fulfilling life deepens their own connection with their children.

Stark So, I want you to know how it is for me. The thought of you finding it arousing to hear my kind of story makes me wet between my legs. You're drawn to a story about a woman liking to have her panties pulled down and her bare bottom spanked by a man who enjoys doing such things to naughty girls like me. Now, I'm no child, even if I sound that way. Being the way I am does require regressing in age around certain kinds of sexual situations. But in fact, I'm a grown woman in her thirties with responsible job. In fact, I pride myself on having a reputation as something of a ball-buster at work, which is rather ironic. For the story I feel compelled to tell you, the one that makes my pussy wet is about what happens when I come home at night to my special Daddy. About how he is with me, and how he wants me to be with him, and how we found each other and learned to make each other so happy...

Crosstown Crush Cara McKenna 2015-09-01 The first in a new series from the "wicked-hot"* author of *Hard Time* and *Give It All* explores the fantasies of a daring married couple—and those of a stranger invited to play along in their scandalous little games... When he's working, Mike Heyer is all business—every inch the alpha male, with the hard, capable body to back up his persona. But at home he can be a different man entirely, harboring appetites only his wife gets to glimpse... When Samira first learned of her husband's fantasies, she was reluctant, even alarmed. But after witnessing the way they set him on fire, she yielded, and happily indulged. As their games have intensified, so has the rush. And now so has the risk—they're poised to take Mike's indecent desires to the next level, by opening their bed to a sexy, brazen stranger. A man seeming custom-made to grant every last one of Mike and Samira's sinful wishes. Welcoming someone new into their lives was always a dangerous proposition, but the couple imagined if anything was at stake, it was their privacy...not their hearts. *New York Times Bestselling Author Jaci Burton

Sexy Beast Piper Rayne 2017-12-08 It's time. Time to get a life.

Time to start over. Time to move beyond the past. The guys in the Single Dads Club would tell you it was time years ago, but until recently, the risk of hurting my little girl outweighed the benefit of getting a piece of ass. Now that I have a tween daughter on my hands? It's becoming more apparent with every poster hung on the wall, every fight over make-up and every uncomfortable conversation about puberty, that at least one of us needs a female touch in our lives. Jesus. I can't even think the words 'female touch' without thinking of her. Charlotte Rose. Charlie. She's everything I shouldn't want, but someone needs to tell that to my damn libido because every time she's around I have a constant case of blue balls. There's a list of reasons why I shouldn't give into what I feel—she's my best friend's little sister, she's seen me at my most vulnerable, and the biggest one—she's the first person in eleven years who has the potential to break me.

door to me for as long as I could remember. I was the recent high school grad who'd just turned eighteen. He was on his way out of our small town to become a marine. I was a virgin who found herself lucky enough to be the last girl he'd see before leaving for war the next morning. Soft caresses, silky kisses, and velvety murmurs took me to a place I'd never been, and I knew only he would be able take me back to that place of pure bliss. But he had to go. One night of unadulterated, hot as sin, lust-filled passion was all that was in the cards for us. Seven years passed before I saw him again. Santa's Naughty Helper: A Bad Boy Christmas Romance I'm the type of guy you don't tell what to do. I'm the guy who knows what he wants. I bend the rules: things go my way, and I don't pay the consequences. So, when I get into legal and financial trouble, I'm more than happy to take the plea deal to avoid a scandal. And what is that deal? Playing the part of Santa in one of the largest malls in New York. I'll get through it, go through the motions. Then I meet Alexis. She's timid, she's innocent, she's se*y. She should be on the Nice List for sure, but I'll put her on the Naughty List. The Hunter's Treasure: A Holiday Bad Boy MC Romance I didn't come to the abandoned hospital where my crew and I stashed two million dollars' worth of diamonds to spend the night flirting with a hot young cutie-pie. But here we are. I really like Amanda, and I feel bad about lying to her. But if I can distract her long enough to grab the diamonds, it'll be time well spent. If I'm very lucky, I'll end the night in her bed, too. There's just one problem. My second-in-command has decided it's his time to take over the crew, and he's come with his brother to hunt me through this maze-like complex. Yes, I've got a guide; but since they captured Amanda's old cameraman, Chad, so do they. And unlike me, they have working guns. The world's hottest ghost hunter and I will have to combine our wits, skills, and resources, and figure out how to trust each other. Otherwise, the hot ending to Halloween night that we're both gunning for will turn into a bloody ending instead. Keywords: Holiday

Girl Up Laura Bates 2017-07-11 "They told you that you need to be thin and beautiful. They told you to wear longer skirts, avoid going out late at night, and move in groups. Wear shoes you can run in more easily than heels. Dress to flatter your apple, pear, hourglass figure, but don't look like a slut. They said if you're strong or opinionated, you'll be shrill, bossy, a ballbreaker. They said 'That's not for girls,' 'Take it as a compliment,' 'Don't rock the boat.' They told you 'Beauty is on the inside,' but you knew they didn't really mean it. Well screw that. I'm here to tell you

something else. Everyday Sexism Project founder Laura Bates mocks the ludicrous pressures and stereotypes faced by young women today. Hilarious, bold, and unapologetic, *Girl Up* sets the record straight."--Back cover.
