Depression and despair rock The Family as they deal with losses suffered during the battle with the SS Luciferian Brigade. Hitler attempts to put on a new face as Nazi Germany hosts the 1936 Summer Olympic Games. The Führer hopes to polish the tarnished reputation of his party and his nation as the world comes for a visit. President Franklin Roosevelt comes to Will Danger bearing gifts of new equipment and manpower but also with a request. He wants Danger's group to provide security for the U.S. Olympic Team during the games in Berlin. This opens doors of opportunity into the heart of Germany for Danger and The Family. This open door allows Danger's group to investigate the alleged atrocities being carried out at Dachau. What they find is even more disturbing than what rumor made it out to be. Danger and The Family must act. Danger's daughter and The Kid's son, now desperately in love with each other despite being only fifteen years old, are given roles on the Olympic security detail, but the shadowy, demon-possessed former priest informs Hitler that Danger's daughter will be coming to Berlin. The ensuing mayhem engulfs Sean and Stormie as they are forced into a desperate struggle for survival while the spectacle of the Olympics unfolds in Berlin.

Dagger of the Underworld: The Adventures of Will Danger Gary Cosby Jr, 2018-12-08 A legendary dagger sleeps somewhere beneath the sands of ancient Egypt. King George of England is growing increasingly nervous as his former enemies race to find the object that could lend untold power to them and possibly shift the balance of global power to his enemies. The only answer is to find and destroy the dagger before anyone else can locate it. The king calls on Will Danger and The Family for help. He dispatches them to Egypt in a race against Germany and Italy, but Danger must find a way to overcome deadly assassins whose sole mission is to guard the tomb and prevent its looting. They have been successful for four thousand years.

Cavern Of Secrets Gary Cosby Jr, 2020-03-17 A badly needed family vacation to Hawaii turns into the adventure of a lifetime for Will Danger and The Family. Their vacation wanderings turn up the remains of one of the world's most famous explorers. They also find a mysterious object that could change the course of world events. Danger and The Family also face, for the first time, the most potent and deadly enemy they will ever face. It takes all they have and the help of an old friend to drive this enemy out of the Caribbean. Along the way, Danger undergoes a trial that tests him beyond anything he has ever imagined. This trial threatens to rip the family apart. This far-ranging adventure takes Danger and The Family from Panama, to Hawaii, to Cuba, and finally to England.

Into The Lion's Den Gary Cosby, Jr, 2020-05-26 Will Danger and his intrepid family take on two formidable foes, equally matched for their hatred as they pursue a long-lost diary that holds a secret that should not be exposed. Along this perilous journey, Danger and The Family encounter an American born hate that pursues them and overtakes them. The sacrifice necessary to free them is overwhelming and The Family experiences grief at a nearly unimaginable level. And that is only half the problem. The growing nemesis, the Nazi Party in Germany rears its ugly head and takes captive someone very dear to The Family. It takes all the ingenuity and courage they can muster to even attempt a rescue mission that is at once harrowing and groundbreaking.

The Trinity Cubes Gary Cosby, Jr, 2021-10-27 The theft of gold from a legendary mine in the Western United States draws Will Danger to Arizona while they must send Captain Curtis Willingham and his ship and crew half way around the world in an attempt to locate a pair of legendary cubes that appeared on the Mount of Olives at the moment Christ ascended into

heaven. Mary Magdalene took possession of the cubes and two of the three have become lost to history. The cubes possess nearly unlimited power and must be kept from the hands of agents of the Order of the Black Sun and of the Nazi Party. Terrible conflict brings a terrible cost to Will Danger and The Family as they pursue these goals that ultimately prove to be, as Will Danger characterizes it, different ends of the same snake.

Sheltered by God Jennifer Pitts Adair,2012-08-29 On April 27, 2011 sixty two tornadoes touched down in Alabama claiming two hundred and fifty three innocent lives. One of those tornadoes, an EF5 that tracked across Northern Alabama and into Tennessee, killed seventy people over a 132 mile path. Jennifer Pitts Adair, alone in her Capshaw home, huddled under blankets and pillows in her master bathroom closet as the massive tornado ripped her home apart around her. His discovery will also lead to intrigue, subterfuge, and ultimately a trial of unimagined proportions that will cast Curtis, Jahkie and their wives into a situation that is out of time and beyond the experience of mankind. To meet this challenge, the two young leaders must not only come to terms with how their decisions will impact their lives in their past, their present and their very uncertain future.Danger and The Family will face another set of challenges from the Order of the Black Sun as they travel to England to deliver a series of lectures to the British military establishment.

Will Danger Gary Cosby, Jr,2023-03-30 Will Danger and The Family find themselves suddenly abandoned by the American government at a time when they are under direct threat of attack by a group of Nazis dispatched to the Caribbean to establish a stronghold in the region and with specific orders to wipe out Danger and The Family. With three pregnant women

nearly ready to give birth, Danger faces a quandry. Their British allies force Danger and The Family to take a vacation to give them a safe time for the babies to be born. A Will Danger vacation will not be your garden variety trip to visit relatives. Danger leads the family on a trek to Hawaii, but what he finds there will shake the entire British Empire. A hero, long lost to history, is rediscovered. When Danger and The Family return his remains to England for burial, they will be feted as heroes, but, before they can make that trip, they must face the new menace in their own backyard. Before any battles are fought on land or sea, Will Danger must face the most difficult battle he has ever fought. His best friend will be by his side and the Kunya people will stand with him, but the battle ultimately comes down to Will Danger. Can he overcome his darkest fears and win the day?

Will Danger Gary Cosby, Jr,2024-05-11 An unusual situation arises at the southern end of the world as the Nazis attempt to establish themselves in Antarctica. What they find beneath the ice could change the course of world history if they can find a way to exploit it. Sir Arthur Dukes, the liaison to Will Danger and The Family on behalf of his Royal Majesty King George VI, finds out the Nazis are up to something on the icy southern continent. He is filled with disquiet but he cannot identify precisely why. Nevertheless, he begins to press Danger to take action, to go south and explore. Danger and The Family have other concerns and do not wish to go to the ends of the Earth based on nothing more than a hunch. Finally, however, solid intelligence is developed that leads Danger to mount a polar operation, sending Danger and The Family into a situation that is both unexpected and filled with unanticipated perils as well as opportunities. Ultimately, Will Danger and The Family are brought face-to-face with Adolf Hitler in a meeting that could change the course of the future history of the world. Or perhaps not.

The Birth and Impact of Britpop Paul Laird,2022-09-15 Remember the nineties? Of course you do. Cool Britannia, New Labour, Blur vs Oasis, Geri Halliwell's Union Flag dress, TFI Friday, "wassssuuuuuuppppppp", Opal Fruits turning into Starburst without anyone asking your permission...crazy times. This book doesn't have anything to say about Geri's dress or Opal Fruits but it has lots to say about Britpop. But this isn't a book about the Britpop you think you know about, this is the story of a truly remarkable period of creativity in British guitar music told through the experiences of someone who was there from the first note of "Popscore" through to the run out groove of "This is Hardcore". This is the story of the Britpop that didn't make it onto the evening news or the cover of The Face. This is the story of the bands nobody remembers but that everybody should. This is the story of what it was like to be an outsider in 1991 and be too cool for school by 1994. This is the story of a magnesium flash in British popular music that has, for good or ill, defined British guitar music ever since. Here are Flamingoes and Pimlico, Strangelove and David Devant and His Spirit Wife, The Weekenders and Thurman...and Blur, Pulp, Oasis, Sleeper and Elastica too. These are Britpop memories from someone who was actually there. The definitive story of Britpop...

Will Danger Gary Cosby, Jr,2024-03-13 The Nazi SS launch a new unit designed to ferret out occult objects to empower Adolf Hitler and the Third Reich. A shadowy former priest, now employed by demons, becomes an advisor to the German Chancellor. His appearances at the Chancellory leave Hitler's minions quivering with fear, but Hitler welcomes the occult power this sham priest offers. The Luciferians, the special SS division that works under the direction of The Priest, travel the world at his direction. One object he desires above all others is a complete copy of a Gnostic Gospel, the Gospel of Mary Magdalene. He has heard that one exists in Egypt. If he can lay his hands on it, he intends to prove that Jesus Christ married Mary of Magdala and that they produced physical offspring who became the forefathers of the German Aryan. It matters not to him that there is no truth in the supposition. Where there is a great evil, great good must rise to oppose it. That is where Will Danger and The Family take their stand. Danger and his group must fight on both the natural and the spiritual levels to prevent the Luciferians from laying their hands on the ancient manuscript. The battles that follow are both natural and spiritual and are fought in the unseen realm of spirits as well as the natural realm of man.

Even if they survive the fight, an even more unexpected mission awaits them with implications in both the natural and the spiritual realms. This adventure will test The Family as they have never been tested before but it will also reveal heroes and villains previously only hinted at.
