Halliwell's Film & Video Guide 2004 Leslie Halliwell,2003 This guide to the film industry from the 1900s to the present day has now been updated with John Walker's critiques of the films that have been turning heads in 2002/3. It delivers all the cast and crew credits, fun trivia and behind-the-scenes information you need on thousands of movies (over 23,000) including hundreds of new ones. This perennial guide also includes plot synopses and critical evaluations, as well as video cassette, laser disc and DVD availability. The guide also contains lists of four-star and three-star films by title and year.

Based on a True Story Norm Macdonald,2017-06-20 Wild, dangerous, and flat-out unbelievable, here is the incredible #1 bestselling memoir of the Canadian actor, gambler, and raconteur, and one of the greatest stand-up comedians of all time. A Globe and Mail Best Book of the Year As this book's title suggests, Norm Macdonald tells the story of his life—more or less—from his origins on a farm in the backwoods of Ontario and an epically disastrous appearance on Star Search to his account of auditioning for Lorne Michaels and his memorable run as the anchor of Weekend Update on Saturday Night Live—until he was fired because a corporate executive didn't think he was funny. But *Based on a True Story* is much more than just a memoir; it's the hilarious, inspired epic of Norm's life. In dispatches from a road trip to Las Vegas (part of a plan hatched to regain the fortune he'd lost to sports betting and other vices) with his sidekick and enabler, Adam Eget, Norm recounts the milestone moments, the regrets, the love affairs, the times fortune smiled on his life, and the times it refused to smile. As the clock ticks down, Norm's debt reaches record heights, and he must find a way to evade the hefty price that's been placed on his head by one of the most dangerous loan sharks in the country. As a comedy legend should, Norm peppers these pages with classic jokes and long-mythologized Hollywood stories. This wildly adventurous, totally original, and absurdly funny saga turns the conventional "comic's memoir" on its head and gives the reader an exclusive pass inside the mad, glorious mind of Norm Macdonald.

Dodging the shady beach police as his case begins to break open, and with his temperamental editor Clara pushing for his article, he soon discovers that Stanwyk has a lot to hide and this plan is anything but what it seems.
