The Gatekeeper Paradise James, 2012-08-07 *The Kiss of Death Awaits Thy Hand, My Dear* Something strange is happening in the sleepy little town of Dawsons Grove. When a beautiful young mystery writer named Terry Parker moves into a palatial Victorian home on the outskirts of town, she is unaware of the dark legacy buried deep within its crumbling walls. Her charming lover has turned against her, and one by one, bodies turn up all over town. When Detective Rory Franklin is put on the case, he learns that the key to solving the murders may lie with a man who died nearly a century ago. Terry soon finds herself at the center of a fierce battle between good and evil as she tries to save her life, her home and her newborn son.

The Gatekeeper James Byrne, 2022-06-07 *A NATION IN DANGER. ONLY ONE MAN CAN SAVE IT.* 'Great plot, great pacing, and a voice that jumps off the page' GREGG HURWITZ 'Adrenaline charged...an action-packed, twist-a-minute thrill ride' LISA GARDNER Dez Limerick is a retired mercenary, previously known as The Gatekeeper - the man who opened doors that others wanted shut. He's checking out sunny California when his hotel suddenly falls under attack. In the wrong place at the right time, Dez stops a meticulously planned scheme to kidnap Petra Alexandris, the daughter of a major military contractor. While helping her uncover a secret plot buried within her father's company, Dez exposes a conspiracy that becomes more sinister at every explosive turn: a deadly operation involving media manipulation, militias, an armed coup, and an attempt to fracture the United States themselves. There's only one obstacle between the conspirators and the downfall of a nation . . . The Gatekeeper. 'The Gatekeeper is a flat-out, high speed winner. I loved it.' ROBERT CRAIS

Deadworld: Tattoo Ralph Griffith, Stuart Kerr, 2020-04-25 Before there was THE WALKING DEAD there was DEADWORLD. Deadworld is one of the longest running independent, acclaimed horror comic series, with over 1,000,000 copies sold that attacks the zombie menace from a different 'supernatural' perspective. The dead return to walk the earth...but this is no standard zombie story. In addition to having intelligent zombies with a mission and goal, Deadworld also explores the human interactions as mankind finds itself facing extinction. And while some groups organize in the best interests of self-preservation, others use this as an opportunity to explore their own self-deluded dreams. Deadworld is a story of horror...of survival...of hope and despair. It is an ongoing saga of modern man facing his darkest side...where science and technology are no longer his allies. With Deadworld: Tattoo - THE ORIGINAL CREATORS OF DEADWORLD RETURN!

Ralph Griffith and Stuart Kerr deliver a self-contained spin-off story from the Deadworld universe. Here is the saga of a female hybrid between the living and the dead known as Tattoo. In order to piece together the answers to why there are an increasing number of intelligent zombies leading the onslaught of the dead armies against humanity, the zombie slayer Tattoo must travel into the depths of zombie hell in the city of New Orleans. There she will find the ruling warlord of the dead... The Rasta Man. Collects comic issues 1-4. A Caliber Comics release.

The Gatekeeper's Curse: The Complete Trilogy Emma L. Adams, Ilsa Lynn has made it her life's goal to avoid the curse that binds her family to serve the Summer Court of Faerie. With her magically talented twin sister given the role of Gatekeeper, Ilsa is content to hide under the radar amongst the regular humans. At least until a mysterious spell book falls into her possession, granting Ilsa with a sudden and inconvenient affinity with the dead, and dangerous magic that paints a neon target on her head. With her family's questionable past quite literally refusing to stay buried, the last thing Ilsa needs is an untrustworthy self-proclaimed faerie bodyguard, even if he does come with a deadly skillset of his own. Dealing with zombies and fae assassins would be difficult enough on its own, but now someone's out to frame her for murder, too. While dodging enemies at every corner, Ilsa must get a handle on her new powers before the armies of Faerie invade Earth. She might just be in over her head... The Gatekeeper Samuel T. Fuller, 2010-03 The story opens in the autumn of 1954, where a flat, fat rain beats a tattoo on Peter Stolland as he stumbles away from the Gate, then kneels to get his bearings. Nothing seems to have changed in the three years since his last visit. The night sounds and smells of Norfolk's coastal marsh at Cley close around him. The wretched weather that greeted his arrival quickly saturates both his clothes and his appetite for making an untimely visit to Alan Brandon, Head of Norfolk's CID. This time, the reason for his appearance through the Gate is not as simple as a hunt for one man. Now his mission involves a military research establishment: a place where the absolute need for secrecy can so easily breed duplicity. Stolland must recruit help to unravel a web of deceit fuelled by political ambition and criminal greed. However, first our traveller from the year 2105 must interrupt a man who is busy playing host at the wedding celebrations of his beloved daughter. Lightning can strike twice in the same place, as Stolland is about to find out.

Gatekeeper Adam Collins, 2017-07-10 Having crossed the wide expanse of Lake Myre the Pathfinders at last find themselves shipwrecked on its eastern shore. Anabel's return to Jarro at the head of the Free Slave Army has turned the tide of the war in favour of the western kingdom. Megan has fallen into the hands of the cannibal witch Silvene. Imprisoned in the witch's tower, she awaits her fate with growing trepidation. Ben Preem stands ready for the next phase of the war. Kan-Ta

has been saved but The Horde are still a dangerous foe. For the first time in many years the Jarrian army is on the offensive. Now all that he needs to do is find out where the enemy has gone, and destroy them. Like the shepherd upon his mountain rock, the Gatekeeper stands and guards the lock... Anon

The Gatekeeper Ian Taylor, 2020-08-28 Paul Milton, a dynamic young vicar, is successful at bringing folk back to the Church. Fresh from a South London triumph, he and his wife Sarah, an emotionally fragile English rose, head north to a new rural appointment. However, the position is not what they expect. Soon after their arrival, Sarah becomes distant and oddly changed. Paul finds himself caught in a war between Olwen - a Celtic sorceress - and Julius Dodds, the church's implacable troubleshooter. Under pressure from both sides, Paul suffers a crisis of faith. As the ancient ritual of All Saints' Eve approaches, Sarah disappears and Paul has to battle against Olwen and Dodds to save his wife from a fate too terrible to contemplate.

The Summoning - Book 1 in the Gatekeepers Series Norah Wilson, Heather Doherty, Wilson Doherty, 2011-04-27 All is not well in Chthonic City, Maine. People are anxious, sleepless. Road rage is on the rise, and the ERs overflow with domestic and workplace violence. Why? Because the citizens of Chthonic City are having recurring, terrifying nightmares about demons rising to walk among them, and they're snapping. In fact, demons ARE rising. Slowly. One at a time, to dwell unnoticed among us as they multiply our misery. And they're rising in Chthonic City where the veil between the Chthonic (the Underworld for which the City was named, though the meaning of the word has been long forgotten) and earthly reality is very thin. Demons cannot rise until a human soul is driven mad. Over the millennia, demons have crossed as they could, but never before has humanity been so stressed as it is now in the Western world. Never before have we been so starved for

time, touch, meaning, purpose. Never have our circuits been so overloaded with gloom and doom, economically, environmentally, spiritually. Never before have the demons had such a vulnerable population. Scouting a chance to break free in numbers, they hurl themselves into our dreams, battering at our sanity. But these demons are not unopposed. In a crumbling church on the edge of town, an ancient Guardian has been watching and waiting. When the threat from the Underworld surges, the Guardian's job is to send out a call to a fresh crop - a cell - of Gatekeepers, and train them to descend into the Chthonic through the dream state and do battle with the demons, slaying them there before they can cross the threshold. In Chthonic City, a new cell of Gatekeepers - teenagers all - has just been summoned....

The Opening of the Gates Thomas Paschal,2019-10-01 The first three stories of the Von Star System, and the many fantastical worlds contained within. Worlds of magic, worlds of science, worlds of imagination, worlds dwelling at the crossroads of time. In *Dark Gatekeeper: Endings and Beginnings*, a weary traveler finally reaches the Dark Gate. This mysterious Gate serves as the boundary between the known and the unknown. The one who watches over this Gate challenges the traveler. Does the wandering one seek the end of the story? Or the beginning of a new one? In *Gatekeeper Lecata: Rising Tide*, a forensic scientist leads a comfortable life within a cutting-edge research laboratory. That is, until one minor discovery sends her entire world into a tailspin. As the danger rises and time runs short, Ophelia Ulliard finds herself on the run from alien forces that want her and her loved ones dead. But, why are the aliens willing to destroy her entire lab just to get to her? And what does this all have to do with the unknown crystal she was given so many years ago? In *Gatekeeper Trimas: Breaking Away*, a high school Senior struggles with navigating social cliques, crushes, and the impending graduation. While most would look forward to this as their transition into adulthood, for Brittany Thornton, it's a never-ending nightmare. On the world of Trimas, graduation means moving into a phase of life where all is pre-determined. Whom you'll marry, what job you'll have, and where you'll live. That is the way of the Eternal Masquerade. A way of life Brittany wants nothing to do with. As the clock ticks to her confinement, Brittany must choose to surrender to the will of others, or defy them and fight for a life of freedom. This book also includes a prelude to the next story, *A Distant Thunder*. As situations intensify on Lecata and Trimas, a whispered prayer is made to an ancient God. The answer, is a bolt of lightning and the return of a God's favorite servant. What will happen when all of these forces collide? Only one thing is for certain, everything is about to change.

Forever yours, Vigilante

Gatekeeper III - The Keeping R. Nelson,2017-07-15 What happens after the dream comes true? Surely this must be happily ever after. Anna Merritt is going to live in England, she has a job with the Truman Foundation, and she is being reunited with all her old companions - even Nicholas. But when life in London turns out to be quite different from how she'd imagined it, and when Mr. Diggs turns up again with a plan to destroy what the Trumans have worked so hard to build, Anna and her friends must all reconsider the dream of home - and what they are willing to sacrifice for it. Interview with the Author Q: What makes the Gatekeeper trilogy special? A: Who doesn't like a bit of adventure, particularly of the European kind? The Gatekeeper trilogy takes the reader through adventure in every form. In the first book, adventure finds us unexpectedly; in the second, we learn the dangers of trying to manufacture adventure for ourselves; in the third, we realize that the truest and biggest adventures always turn out to be rather different than what we've planned. Q: What is the main character like? A: Anna Miranda Merritt is a girl very much like me - a likeness which is the cause of most of her woes, alas. Her unquenchable thirst for beauty and meaning leads her right into the literary, cultural arms of Oxford University, a place which captures her heart and awakens new dreams in her soul. It is this love of all things British - and, more importantly, the deep and surprising relationships she discovers in England, Ireland, and beyond- that makes her coming of age story uniquely poignant. Q: Do I have to read the books in order? A: I have an abiding devotion to order, particularly of the chronological kind. I wrote these books over a period of thirteen years, so they are a kind of authorial autobiography. Ergo, reading the trilogy in order certainly gives some insight, as you can chart the personal and artistic growth of the author along with the main character. That being said...I also have an abiding commitment to personal freedoms. Do what you will; I believe you will enjoy Anna's story in whatever sequence. :-) Q: Why should readers give these books a try? A: This is a story about beginnings, endings, and all the quietly real drama that occurs in the most ordinary of lives during these in-between times. For anyone who's ever found themselves, lost themselves, or is still searching, these characters have something to say. I wish you joy of the journey!

The Gatekeeper Vanderbilt Brabson III,2018-10-08 A young woman named Danielle has been given shapeshifting ability

as a teenager following an occult ritual. She subsequently assumes the persona of Desiree, a cunning seductress who entices unsuspecting men as a form of revenge for an unspeakable horror perpetrated on her as a youth.

The Gatekeeper James Byrne,2022-06-07 James Byrne's *The Gatekeeper* introduces Dez Limerick in the most anticipated new thriller in years. A highly trained team of mercenaries launches a well-planned, coordinated attack on a well-guarded military contractor - but they didn't count on one thing, the right man being in the wrong place at the right time. Desmond Aloysius Limerick ("Dez" to all) is a retired mercenary, and enthusiastic amateur musician, currently in Southern California, enjoying the sun and sitting in on the occasional gig, when the hotel he's at falls under attack. A skilled team attempts to kidnap the Chief legal counsel of Triton Expeditors, a major military contractor - in fact, Petra Alexandris is the daughter of the CEO - but their meticulously-planned, seamlessly executed scheme runs into the figurative 'spanner-in-the-works,' Dez himself. After foiling the attack, and with nothing better to do, Dez agrees to help Alexandris with another problem she's having - someone has embezzled more than a billion dollars from her company and left very few tracks behind. But Dez is a gatekeeper - one who opens doors and keeps them open - and this is just a door of another kind. And the door he opens leads to a dangerous conspiracy involving media manipulation, militias, an armed coup, and an attempt to fracture the United States themselves. There's only one obstacle between the conspirators and success - and that is Dez, *The Gatekeeper*.

The Other End of the Needle David C. Lane,2020-11-13 *The Other End of the Needle* demonstrates that tattooing is more complex than simply the tattoos that people wear. Using qualitative data and an accessible writing style, sociologist Dave

Lane explains the complexity of tattoo work as a type of social activity. His central argument is that tattooing is a social world, where people must be socialized, manage a system of stratification, create spaces conducive for labor, develop sets of beliefs and values, struggle to retain control over their tools, and contend with changes that in turn affect their labor. Earlier research has examined tattoos and their meanings. Yet, Lane notes, prior research has focused almost exclusively on the tattoos—the outcome of an intricate social process—and have ignored the significance of tattoo workers themselves. Tattooists, as Lane dubs them, make decisions, but they work within a social world that constrains and shapes the outcome of their labor—the tattoo. The goal of this book is to help readers understand the world of tattoo work as an intricate and nuanced form of work. Lane ultimately asks new questions about the social processes occurring prior to the tattoo's existence.
