**Gay Chastity Virgin** Mark Maguire,2017-06-23 Frank, 42, is under the complete control of his younger gay partner Dominic - and he loves it. With Frank's complete consent, Dom's fitted him with a rigid, ringed metal chastity device which completely encases his penis, keeping it resolutely pointing downward. Frank can SEE it, but he can't TOUCH it. There's room for just a little expansion inside the cage, so problems occur whenever Frank starts to get aroused, which happens with increasing regularity the longer he's kept locked in chastity. Dominic's excellent chastity routine goes on for many days at a time, and of course Frank's periods of denial are very, very difficult for him. In this highly erotic gay adult story for over 18s only, you'll read about how an established gay couple first came to agree on this challenging regime for Frank who had previously been a compulsive masturbator. Not any more! Now his only thought is to please his partner Dominic all the time, in the hope that he'll unlock him for a bit of relief at the weekend. Read also what happens when Dominic tells some of their gay friends about Frank's life locked up, and how Dominic's own best friend Luke witnesses Frank receiving some well-deserved corporal punishment after he breaks Dom's favourite vase. This is a must-read for anyone interested in man to man discipline and chastity, and a long awaited addition to Mark Maguire's extensive library of quality gay stories for over 18s.

He sealed me into chastity. He bound me to his bed. He turned on his laptop and began playing hours of gay porn. I'm not into that stuff, but it felt so good to watch. I couldn't stop staring. Something strange is happening to me. I'm developing cravings... Format: Short story Length: ~10,500 words \*\*\*CONTAINS EXPLICIT GAY SEXUAL CONTENT\*\*\*

Headcase Onley James,2022-01-31 Asa Mulvaney is half of a psychopathic whole. He and his twin brother live together, party together...kill together. In the Mulvaney family, murder is the family business and business is good. So, when an experiment separates Asa and his brother, Asa is forced to navigate the world on his own for the first time in his life. Zane Scott is a small-time crime blogger, but he dreams of a byline in a major paper and his suspicions surrounding Thomas Mulvaney are about to make that dream a reality. When an invitation to a boring fundraiser lands him not beside Thomas, as he had hoped, but Asa Mulvaney, they share an intensely passionate encounter that leaves Zane trapped in a cage of his own making. At a nearby college, a cluster of suicides isn't what it seems. When Asa's father asks him to look into it, he sees the perfect opportunity to exploit his little crime reporter and make him fall in line. And Asa needs him to fall in line. Zane is suspicious of Asa's motives and half-convinced he's dead either way, but he won't say no to a chance to peek behind the Mulvaney family curtains. As the two unravel a sinister plot, Asa's obsession with Zane grows and Zane finds being Asa's sole focus outweighs almost anything, maybe even his career—which is good for Asa because loving a Mulvaney is a full-time job. Can he convince Zane that he's worth navigating a family of psychopaths and tolerating an almost too close for comfort twin? Or will Zane learn the hard way that the Mulvaney boys always get what they want? Always. Headcase is a high heat, intense, lovers-to-frenemies, psychopath romance with an HEA and no cliffhangers. It features an obsessive, calculating psychopath and a wannabe reporter who will stop at nothing to earn himself a major byline. As always, there's gratuitous violence, very dark humor, enough killers to fill an auditorium, and enough heat to melt your kindle. This is book four in the Necessary Evils series. Each book follows a different couple.

Defiled by the Bodybuilder (Gay Chastity Cage Findom Erotica) Archer Vale,2023-06-25 Locking yourself into chastity for a straight man...there's no greater sign of devotion. My parents have always been ashamed of me...and now I understand

why. When I'm around straight men, I feel so weak. An amateur bodybuilder offered to help me get in shape, but his training program is only making me worse. I put on a chastity cage for him. I broke up with my loving boyfriend. My life is transforming. He wants to dip into my trust fund. He wants to take everything from me. And it's starting to feel so good...

**Washed and Waiting** Wesley Hill, 2016-09-13 Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can prove, live out, and celebrate the grace of Christ and the power of the Holy Spirit. For many who are on this path, it's a lonely one. The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of the gospel-centered life. To those on a similar journey, it's often a life of uncertainties and questions. In *Washed and Waiting*, Hill explores the three main struggles that have been part of his daily effort to live faithfully: What exactly does the gospel demand of gay and lesbian Christians, and how can it enable them to fulfill its commands? How do Christians who experience homoerotic desires live with the loneliness such desires entail? Is there any relief for it? What comfort does the gospel offer? Can those of us who struggle with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness? Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs. Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay Christian, he gives us a glimpse of what it looks like to wrestle firsthand with God's No to same-sex sexual intimacy and contemplate serious and difficult questions.

**Locked by the Ringmaster (Gay Chastity Erotica)** Archer Vale, 2023-11-26 "FREAK SHOW - CREATURES OF PLEASURE" Rural America in the 1930s...it's a rough place. I joined the circus to put food on the table, but I didn't realize what the job entailed. The ringmaster said he'd train my body. I thought I'd become a strong performer—like an acrobat. But that's not what happened at all. He's training me to be a "boxboy". Locked in chastity and locked in a tiny wooden box, only my head and my plump, naked rear protrude. He's prepping me for my grand debut. I can't wait. I want it so badly. Men from far and wide will pay to use my dirty, sweaty body. They'll pay to use a circus freak. **Family Outing** Chastity Bono, 1999 As the most famous lesbian daughter of all, Chastity interweaves the story of her own experience on coming out in 1990 at the age of 20 and her parents Sonny and Cher with those of many others, offering practical, sane advice on seeing yourself as normal - parents and children alike.

Gay and Catholic Eve Tushnet, 2014-10-20 Winner of a 2015 Catholic Press Award: Gender Issues Category (First Place). In this first book from an openly lesbian and celibate Catholic, widely published writer and blogger Eve Tushnet recounts her spiritual and intellectual journey from liberal atheism to faithful Catholicism and shows how gay Catholics can love and be

loved while adhering to Church teaching. Eve Tushnet was among the unlikeliest of converts. The only child of two atheist academics, Tushnet was a typical Yale undergraduate until the day she went out to poke fun at a gathering of philosophical debaters, who happened also to be Catholic. Instead of enjoying mocking what she termed the “zoo animals,” she found herself engaged in intellectual conversation with them and, in a move that surprised even her, she soon converted to Catholicism. Already self-identifying as a lesbian, Tushnet searched for a third way in the seeming two-option system available to gay Catholics: reject Church teaching on homosexuality or reject the truth of your sexuality. Gay and Catholic: Accepting My Sexuality, Finding Community, Living My Faith is the fruit of Tushnet’s searching: what she learned in studying Christian history and theology and her articulation of how gay Catholics can pour their love and need for connection into friendships, community, service, and artistic creation.

*A War of Loves* David Bennett, 2018-11-13 At 14, David Bennett came out to his parents. At 19, he encountered Jesus Christ. At that moment, his life changed forever. As a young gay man, David Bennett saw Christianity as an enemy to freedom for LGBTQI people, and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way, he was led down a path he never would have predicted or imagined. In *A War of Loves*, David recounts his dramatic story, from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God, he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the profligate, unqualified grace of God for all people. David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him.

**I Can't Date Jesus** Michael Arceneaux, 2018-07-24 NEW YORK TIMES BESTSELLER Featured as One of Summer’s most anticipated reads by the Los Angeles Times, Vogue, Vulture, Entertainment Weekly, ELLE, BuzzFeed, and Bitch Media. From the author of *I Don't Want to Die Poor* and in the style of New York Times bestsellers *You Can't Touch My Hair*, *Bad Feminist*, and *I'm Judging You*, a timely collection of alternately hysterical and soul-searching essays about what it is like to grow up as a creative, sensitive black man in a world that constantly tries to deride and diminish your humanity. It hasn't been easy being Michael Arceneaux. Equality for LGBTQ people has come a long way and all, but voices of persons of color within the community are still often silenced, and being Black in America is...well, have you watched the news? With the characteristic wit and candor that have made him one of today’s boldest writers on social issues, *I Can't Date Jesus* is Michael Arceneaux’s impassioned, forthright, and refreshing look at minority life in today’s America. Leaving no bigoted or ignorant stone unturned, he describes his journey in learning to embrace his identity when the world told him to do the opposite. He eloquently writes about coming out to his mother; growing up in Houston, Texas; being approached for the

priesthood; his obstacles in embracing intimacy that occasionally led to unfortunate fights with fire ants and maybe fleas; and the persistent challenges of young people who feel marginalized and denied the chance to pursue their dreams. Perfect for fans of David Sedaris, Samantha Irby, and Phoebe Robinson, *I Can't Date Jesus* tells us—without apologies—what it's like to be outspoken and brave in a divisive world.

**Locked with Love** Darrex Rogers,2016-12-10 What is it like for a man to have his sex locked away, at the mercy and discretion of another man? Unable to feel... unable to touch... until that special someone in his life has decided he has earned some pleasure. Here are six stories about what life locked in a chastity cage might be like. If you dared.

**Space at the Table** Brad Harper,Drew Harper,2016 Love does not begin with condemnation. Can an evangelical theologian and his gay son overcome the differences in belief that threaten to destroy their relationship? For Brad and Drew Harper, that question wasn't theoretical and neither was the resounding yes they found after years of struggle. Writing to each other with compassion, grit, and humor, Brad and Drew take us on their journey as parent and child from the churches of Middle America to the penthouses of New York's party scenes, through a pastor's-kid childhood and painful conversion therapy to the hard-won victories of their adult relationship. But *Space at the Table* is more than just a memoir. It is a guide, showing us a way through the roadblocks that threaten to devastate both families and the broader evangelical and LBGTQ communities. Speaking from their own experience, Brad and Drew offer an invitation to join them at a place where love is stronger than the beliefs that divide us.

**Caged and Contused** G.R. Richards,1901 BDSM takes center stage in four erotic stories by G.R. Richards. In the 1960's, when New York's gay clubs were raided weekly, clever guys got together in the meat-packing district. Read all about it in our first erotic tale. Next up, Willy's just another university student who entertains strangers via webcam. He's a voyeur and exhibitionist all rolled into one. As much as he loves playing in front of other guys, he loves being told what to do even more. Big Boy's sub had a body with a mind of its own until he slapped a chastity devise on it. But that old plastic cage was an eyesore and it never did fit right. Time they switch to steel. Last but not least, Jens can't stand the rude young neighbors. When they traipse into his house uninvited, he tells them to get lost, but Cooper and Logan aren't going anywhere. Is it time for the muscle man to tame them? Because Jens sure knows how to put a couple sk8er boys in their places.

He made me move into his palatial mansion. He made me sign away everything I own. He's crafting an empire, and he's transforming me into a loyal foot soldier. Chest on the ground, hole in the air, and cheeks spread wide, I'm ready to be deflowered. Tonight, I'll surrender my body and my brain. Tonight, he assumes full control.
