Daddy Knows Best Winston Gieseke,2013-08-01 What is it about older men that gay boys find so irresistible? Some say young men in search of a daddy to partner up with-sometimes for life, sometimes just for the night-are looking for someone to mentor them. Take care of them. But there are plenty of young studs with dirty minds who simply find that men get better with age. Older men are hotter. More confident. More experienced. For some, it's all about dominance and submission. For others, it's about getting off with a guy who turns you on. These are the couplings explored in *Daddy Knows Best*, a sizzling collection of erotic stories-some romantic, some raunchy-that probe the younger man-older man dynamic in sensual, graphic detail.

Daddies Richard Labonté,2009-04-01 One of the most powerful icons for gay men is the hunky, rough-hewn, authoritative daddy figure, who can offer hot kisses, warm embraces, and a firm hand with equal intensity. This collection of erotic stories reveals the unique sexual and emotional bonds between these older daddies and younger gay men: from twink hankering for silver foxes to men with the meat of years on their bones mentoring spunky lads just coming out. Everything goes in these stories, from the sexually playful to the wistfully romantic, to hardcore S/M, to role playing, to extreme kink. Written by such masters of the genre as Doug Harrison, Jeff Mann, Xan West, Barry Alexander, Dale Chase, Shaun Levin, and more, these sizzling stories explore the world of men who may differ in age but have the same thing on their mind.

Being forced to do stuff that you wouldn't have imagined yourself doing, falling in love with people who are most times off-limits. Just like a dominant is waiting to subdue, a submissive is waiting to be subdued and there is nothing like a twink who wants to be subdued and filled to satisfaction. Sometimes, people need a little push and nudge in the right direction to get them to where they need to be. This book follows the adventure of several men who are waiting to discover their true submissive and cock-loving nature but never really knew it. Come take a walk - or read - with these guys who are pushed into their destinies by different situations. From those that seem life threatening, to the sweet and innocent ones that just needed an eye opener.
