The Gay Haunting of a Straight Frat Bro Biggly,2019-10-14 Waking up dead was never this much fun.I'm a big guy, especially where it counts. Lately, though, seems like a lot of people in this college town are looking right through me. I've got to nudge a guy pretty hard to get his attention. And now my place is getting a reputation as a so-called haunted house.Some of the frat guys say I'm a ghost. Not sure I'm ready to hang that label on myself, but... *shrug*Anyway, we've dreamed up a wild plan to haze this year's crop of incoming freshmen. Let them spend a night in my big gay haunted house. When I say, Boo, one wild party is going to fire up. And it's guaranteed to turn all those straight frat boys completely gay.All characters are open-minded consenting adults, and all readers should be too. This ghost doesn't fade to black when the action heats up.

Frat Jock's First Jason Young,2022-11-25 Adrian: I can't help the boner I gets every time I think about Steven Albrecht-the Adonis jock-star of the Union University track team. He gives me wetter dreams than I've had since middle school. Two problems: Steven's straight, and he has a girlfriend. But when I stumble on Steven at a frat party, vulnerable and in need of some special kind of help, I can't pass up the opportunity to show my teammate my skill, and the back of my throat. Steven: I've had a hard enough time with my breakup, but to now have Adrian Russo on my mind every second of the day? Well, that's just torture. I've never had feelings like this for a guy before, and now I'm suddenly touching myself to fantasies of the

other man every night. All I need is to be inside Adrian once, and I can finally move on. Right?

Twink on Top Ethan Scarsdale,2016-12-17 Tim is the only gay man at a college party with a bunch of sorority girls, and a few studly frat boys. When they decide to play Seven Minutes in Heaven, Tim has no idea what he's in for -- he ends up crammed into a tiny closet with the college quarterback, who's willing to do anything (and let Tim do anything) as long as Tim puts in a good word for him with a beautiful girl. Will Tim get everything he can out of that big football brute? Can his delicate body handle being a twink on top?

Poster Boy Anne Tenino,2014-04-21 It's all fun and games until someone puts his heart out. After being outed to his hockey team and then changing schools, Jock figures he's due for something good — like the sex he missed out on in the closet. Toby, the hot grad student he meets at a frat party, seems like a great place to start, and their night together is an awesome introduction to the fine art of hooking up. Toby's heart takes a bruising after the near-perfect experience with Jock leads to...nothing. He's been left on the outside as his friends pair up into blissful coupledness, and he's in danger of never completing (or starting) his thesis. Can't something go right? Then Toby's coerced into chaperoning a Theta Alpha Gamma trip to France. Not that he's complaining. What better place to finish his thesis and get over that frat boy? Except Jock's outing is leaked to the press, turning him into an unwilling gay rights martyr, and he decides France would be a great escape, too. It's a break from reality for both guys, but they soon find their connection is as real as it gets.

Penetrating the Defense Finn Donovan,2024-04-08 In *Penetrating the Defense*, collegiate football players Jamie and Cole attend a college frat party with an Underwear theme. The party is filled with athletic bodies moving in time with the music, creating an atmosphere charged with sexual tension. Jamie and Cole feel a magnetic pull towards each other, their bodies instinctively moving closer amidst the sea of hard bodies clad in minimal clothing. As the night progresses, Jamie and Cole gravitate toward a hidden corner of the party, their bodies magnetically drawn together. They watch with rapt attention as the other men mingle, flirt, and dance, their eyes tracing the confident, seductive movements of each man. The sight of so many attractive, self-assured men ignite a fire within them, causing their inhibitions to dissolve and their most primal desires to surface. The novel explores the themes of self-discovery, vulnerability, and the courage it takes to be true to oneself as Jamie and Cole navigate their growing attraction to each other in a hyper-masculine world. The resolution of their story is in line with these themes as they overcome their challenges and emerge stronger and more confident in their love, sexuality, and identity. The chapters are characterized by vivid, erotic language that conveys the romance, desire, and intimacy between Jamie and Cole while also showcasing their intense chemistry and deep emotional bond.
