## Nathan J Morissey

**The Trouble with Furies** David Sharp,2013-12 Daniel is young, confident, gay, and fascinated by the wolf, feeling that the animal is a reflection of himself. After losing his boyfriend, the alpha in their relationship, he craves a new alpha and finds Patrick, a handsome thirty year old, at club Trade. When Daniel begins working at the club, he meets a flirtatious blond who introduces him to his world, the unfamiliar world of the furry. Bringing Chad into his relationship with Patrick, Daniel carefully navigates the intricacies of an ongoing threesome while delving deeper into a world he fears, yet feels that he belongs. Excerpt: The man was a little taller than his own six feet, a little older by about ten years, and Daniel was caught by the man's brown appraising eyes, barely visible from the long bangs parted to the side. Intense desire emanated from the man. What's your name? Daniel, Daniel bit his lip, and yours? Patrick. Daniel curled his lip in an unconscious manner. What are we doing after this? In pure confidence, Patrick moved closer. Daniel felt intimidated and he liked it. Taking you home. Patrick's loft was a conversion of two separate apartments, neatly arranged and antiseptic. Daniel, regardless of his initial discomfort, strutted in and eyed the furniture, aware that he was being watched. Patrick's eyes hardened, curious to figure out the guy he had picked up. Are you really cool with this? You're the Alpha, you tell me. Daniel stepped closer and felt the body heat pass between them. Alpha, Patrick was perplexed. Daniel continued, I've always been fascinated by the wolf pack. I can be your Alpha. Images of running naked through the night woods filled Daniel's excited head. He wanted to say more but could not find the words. I'm fine with that. I can be a good Beta.

The fox didn't leave his name, just his scent in Lonnie's fur—but a scent is enough for a wolf to follow a trail. With his friends Derek the gym wolf and Jeremy the

fashionplate rat helping him, Lonnie will learn lessons of dating, sex, and trust, and maybe he'll find the fox whose scent is just right before the clock chimes midnight.

*Double Trouble + Mans Best Friend* Jasonafex,2020-03-18 Down on his luck, Tyler befriends a friendly stray dog who follows him home. Red Devil Kyell Gold,2014-03-01 When Alexei seeks the help of a ghost to deal with a swaggering bully, he gets the strength and confidence he hopes for. If in the process he hurt his best friend Sol, well, he can make it up to the wolf later. Things get worse when the ghost, an old Siberian soldier, demands that Alexei give up his gay life, which Alexei fled his home country for. The young fox is resolved to send the ghost away--until his sister, left behind with their abusive parents, falls into mortal danger from which only the ghost can save her. Now Alexei must choose between living the life he risked everything to have and rescuing his beloved Caterina from death...or worse.

**Green Fairy** Kyell Gold,2012-07-15 If Sol can just survive his last year of high school, he can escape his homophobic small town and go live with his Internet boyfriend for the summer. But when he loses his starting spot on the baseball team and converts to vegetarianism--a wolf, giving up meat!--his father threatens him with a hot, muggy summer working in the peach cannery unless he gets his act together. His teammates, who suspect his sexuality already, won't make it easy for him. But even with nobody on his side but his best friend Meg (who is even less popular than he is), the teenager finds answers and solace in an unlikely place: a 1901 book about a tragic gay romance in the bohemian district of Lutece, around the famed Moulin Rouge. Inspired by the spirit of the era, Meg and Sol share a glass of absinthe, with startling effect: Sol begins to dream that he is a cabaret dancer named Niki, offered a chance to escape his difficult life through romance--at the price of his beloved art of dance. When the dreams seep into his waking life, Sol adds going crazy to his worries, and the problems of a couple that lived a hundred years ago to the ever-growing list of his own. To save both Niki and himself, Sol will have to learn the difference between reality and illusion, and discover what love and life mean to him.

*DEAD IN BED* by Bailey Simms Adrian Birch,2015-10-14 You've never, ever read a story like this. Ashley Young is stuck in an unsatisfying marriage and a dead-end job. But when a sexually transmitted plague breaks out in her small town—one that slowly transforms everyone infected into crazed zombielike sex fiends—everything about her life changes. Facing quarantine, National Guard barricades, the onset of winter, and a rapidly spreading, mysterious sex plague, Ashley and everyone else in her small Colorado town find their deepest feelings for one another surfacing...both amorously and violently. When everyone in Ashley's life begins taking comfort in one another's arms, no one really knows who's infected and who's not. And because the disease perpetuates itself as an aphrodisiac, sex—the very thing that offers comfort—only contributes to spreading the plague. In a crumbling world with little to lose, Ashley begins to discover a resilience she didn't know she possessed and a strength she's never had before. Her newly acquired agency may come at a price, however, when Ashley must ultimately choose between her own survival and saving the people she loves. *DEAD IN BED* by Bailey Simms delivers a tour-de-force series that's as emotionally incisive as it is shockingly sexy, as heartbreaking as it is hilarious, and as frightful

as it is impossible to put down.

*Out of Position* Kyell Gold,2010-12 Dev is a football player at Forester University, a small liberal arts college where he and his teammates get to strut around and have their pick of the girls on Friday nights. That's as good as it gets-until he meets Lee, a fox with a quick wit and an attractive body.Problem is, Lee's not a girl. He's a gay fox, an activist who never dreamed he'd fall for a football player. As their attraction deepens into romance, it's hard enough for them to handle each other, let alone their inquisitive friends, family, and co-workers. And if school is bad, the hyper- masculine world of professional sports that awaits Dev after graduation will be a hundred times worse.Going it alone would make everything easier. If only they could stop fighting long enough to break up.

*Furry Tales* Fred Patten,2019-09-06 Tales featuring anthropomorphic animals have been around as long as there have been storytellers to spin them, from Aesop's Fables to Reynard the Fox to Alice in Wonderland. The genre really took off following the explosion of furry fandom in the 21st century, with talking animals featuring in everything from science fiction to fantasy to LGBTQ coming-out stories. In his lifetime, Fred Patten (1940-2018)--one of the founders of furry fandom and a scholar of anthropomorphic animal literature--authored hundreds of book reviews that comprise a comprehensive critical survey of the genre. This selected compilation provides an overview from 1784 through the 2010s, covering such popular novels as *Watership Down* and *Redwall*, along with forgotten gems like *The Stray Lamb* and *Where the Blue Begins*, and science fiction works like *Sundiver* and *Decision at Doona*.

*Camouflage* Kyell Gold,2017-12-01 Danilo has found the trick to being not-straight at a Catholic University: just fade into the background. Until the day he can't anymore, and bullies chase him to the river, where he falls in. When he emerges, the year is 1508 and he soon finds himself on the run from armed soldiers with two unlikely friends. As a white tiger in the sixteenth century, Danilo would be welcomed into the oppressive Church, but as a queer person, he could be imprisoned or burned at the stake. Not a hard choice, until one of his friends lands in prison with a death sentence, and Danilo has to embark on a rescue more dangerous than anything he's faced in his life, past or present.

**Furry Nation** Joe Strike,2017-10-03 Winner of the 2017 Ursa Major Award for Best Non-Fiction Work! Furry fandom is a recent phenomenon, but anthropomorphism is an instinct hard-wired into the human mind: the desire to see animals on a more equal footing with people. It's existed since the beginning of time in prehistoric cave paintings, ancient gods and tribal rituals. It lives on today—not just in the sports mascots and cartoon characters we see everywhere, but in stage plays, art galleries, serious literature, performance art—and among furry fans who bring their make-believe characters to life digitally, on paper, or in the carefully crafted fursuits they wear to become the animals of their imagination. In *Furry Nation*, author Joe Strike shares the very human story of the people who created furry fandom, the many forms it takes—from the joyfully public to the deeply personal— and how Furry transformed his own life.
