

Gay Gym Locker Room

Erick Alvarez

Gym Boys Shane Allison,2015-12-08 Gym Boys examines what takes place behind the closed doors of the locker room. This book is a tribute to the body beautiful, where men who look like Greek gods are worshiped for their outsized attributes. Editor and Gaybie Award-winner Shane Allison takes us into the erotic world of hard-working guys who like to work out, along with hard-bodied body builders and the men who desire them. These uninhibited stories are by the masters of the genre, and editor Shane Allison gets the party started with a true confession of his own. At the gym, in the locker room, and especially in the steam room, the hunks who look hard, work hard, and play hard inspire fantasies the world over. Come along for the ride and explore what goes on both in the gym and in those showers and locker rooms after a hard, sweaty work out. What happens when a personal trainer takes things to a whole new level with his lusty client? How rowdy does it get when rock hard jocks get it on in the showers after a game? The steamiest gay erotica ever!

Muscle Boys Erick Alvarez,2010-05-26 What was once a lifestyle for a small number of gay men in big cities has become a way of life for many, and the gay gym is now a culture on its own. Muscle Boys: Gay Gym Culture explores the evolution and current structure of this gay subculture that surfaced in San Francisco, West Hollywood, and New York during the 1970s. Covering ancient Greek gymnasium culture, modern bodybuilding practices, and homoerotic muscle-bound media, Muscles Boys examines the origins of the male athletic ideal. A sociological investigation on masculinity, fitness, HIV, steroids, and sex in the locker room, Muscle Boys dissects the gay gym experience, and celebrates gay body culture and its role in modern gay life. Author Erick Alvarez offers a candid study of the gay gym from his perspective as a physical trainer in the San Francisco Bay area, and from his interviews and online surveys of nearly 6,000 gay men. Muscle Boys: Gay Gym Culture is an enlightening read for anyone interested in gay body culture, and a valuable resource for academics working in GLBT studies, human sexuality, psychology, or athletics.

Locker Room Lance Lafong,1978

Queer Voices from the Locker Room Cuhullan Tsuyoshi McGivern,Paul Chamness Iida,2017-07-01 The editors intended for this volume to provide queer and ally athletes a space to have a voice and share the experiences that have been significant in their identity as an athletic member of the LGBT+ community. To that end, this book is a collection of autobiographical short stories of LGBT+ athletes and their experiences in sports and athletics, some who are publicly out and

some who are not. Based on the narratives collected, the book is organized around themes that illustrate various perspectives and the power that sport can play in 1) finding one's true identity, 2) bridging communities, and 3) challenging gender norm stereotypes. The goal of this book is to help change the expectations of what it means to be a successful athlete and promote greater inclusivity of LGBT athletes. Providing the space for these voices to be heard will help to pave the way for a non-discriminating sporting environment, allow LGBT+ athletes to focus on their given sport without any distractions, and enable these athletes to live an authentic life without having to hide their true identity.

Hard William Giancursio,2008-09 As a gay man, I am part of a culture that is obsessed with rock hard gym bodies. This is the inspiration for HARD, my second photo book in the ongoing series of gay-play books that represent my visual journal into a miniature world of make-believe. Our Gay Wedding Day, the first in the series, is a lyrical look at a fictitious couple of gay men who decide to get married. HARD follows a group of gay men throughout the day at a gay gym. This second photo album is also created in small scale using action figures. Countless hours of time went into building the sets, making props and equipment, then staging and shooting the photographs. The book contains more than 150 voyeuristic photos of the boys as they do cardio and resistance training, then relax playfully in the juice bar, shower and locker room.

Muscle Boys Erick Alvarez,2010-05-26 Muscle Boys: Gay Gym Culture is an inside look at the secret world of exercise and fitness that's become one of the country's fastest growing and most influential gay subcultures. The author, a personal trainer on the San Francisco gym scene for more than a decade, offers an in-depth look at gay body culture and its role in modern gay life.

Wrestling With The Coach Dixon Cox, "Say, Ben. Isn't today your birthday? 18 now, aren't you?" As the captain of his school wrestling team, Ben's spent more than enough time with his head locked in sweaty male thighs. Today is his birthday, and he's finally allowed into the adult locker room. Coach Smith is only too happy to show him the sauna and grant him a single birthday wish. Ben has fantasized about the coach for months... the sauna just got a lot hotter! WARNING: Wrestling With The Coach is a 3900+ word gay erotic hardcore short story featuring a very special one-on-one session between a black coach and his white star player in a sauna. Excerpt: "I guess you know what you want for your birthday, Ben." he grinned. "Well, we're so early here that I think we'll be all alone for quite a while longer." Coach Smith paused, suddenly thinking. "Hmm. I know what you want, and since it's your birthday, I'll let you have it. But first, you're going to have to tell me what it is. So... what do you want for your birthday?" I gulped. "I want you, sir." "Yes, I figured that out some time ago. But what do you want?"

Macho Men in South African Gyms Jacques Rothmann,2022-10-10 This book explores the experiences of self-identified heterosexual and gay men in contemporary South African gym contexts, particularly as it relates to how the intersection of spornosexual and inclusive masculinities inform their views and enactment of their masculine and sexual identities. Chapters engage with findings from an in-depth qualitative sociological exploration on issues surrounding these masculinities among men living in South Africa who engage in gym work. The author demonstrates that men, when given the opportunity to reflect on their own and the masculinity of others, acknowledge how they promote softer, kinder, disciplined, playful, and sexually agentic masculinities through their look and touch.

Exposed Dixon Cox, Dwayne's got a secret, and he's not going to tell anybody. Dwayne is the star quarterback of the college football team, and after another victory he's ready to hit the bar. But Joel has other ideas. Convinced that Dwayne is a deeply-closeted gay man, the nerd is prepared to do anything it takes to get the beefy football player to admit his desires. Set in the confines of a hot and steamy locker room, the two men engage in even hotter and steamier acts! EXCERPT: Joel rolled his eyebrows. "Well, gee, thank you so much." He looked at the showers, now empty. "You know, I wish I could play football. I can just see all those naked, hot guys showering after the game right there. It must get pretty steamy in here, huh?" "Not really. I'd rather shower with the cheerleaders anyway, know what I'm saying?" "There you go again. You can talk the talk, but you're not walking the walk. You, my dear, are as gay as I am." Joel grinned. "I think I'm going to try out the facilities, actually. Just ignore me!" Dwayne creased his eyebrows in confusion as Joel stripped off his top, revealing a surprisingly tan and toned body. For a nerd, it was pretty damn fit.

Sexual Deviance and Society Meredith G. F. Worthen,2016-06-10 In a society where sexualized media has become background noise, we are frequently discouraged from frank and open discussions about sex and offered few tools for understanding sexual behaviors and sexualities that are perceived as being out of the norm. This book encourages readers to establish new ways of thinking about stigmatized peoples and behaviors, and to think critically about gender, sex, sexuality and sex crimes. *Sexual Deviance and Society* uses sociological theories of crime, deviance, gender and sexuality to construct a framework for understanding sexual deviance. This book is divided into four units: Unit I, *Sociology of Deviance and Sexuality*, lays the foundation for understanding sex and sexuality through sociological frameworks of deviance. Unit II, *Sexual Deviance*, provides an in depth dialogue to its readers about the sociological constructions of sexual deviance with a critical focus on contemporary and historical conceptualizations. Unit III, *Deviant Sexual Acts*, explores a variety of deviant sexual acts in detail, including sex in public, fetishes, and sex work. Unit IV, *Sex Crimes and Criminals*, examines rape and sexual assault, sex crimes against children, and societal responses to sex offenders and their treatment within the criminal justice system. Utilizing an integrative approach that creates a dialogue between the subjects of gender, criminology and deviance, this book is a key resource for students interested in crime and deviance, gender and sexuality, and the sociology of deviance.

Swole Michael Andor Brodeur, 2024-05-28 From a Washington Post critic and self-described meathead: a witty, incisive, poignant exploration of male body image, from the history of the gym to the politics of superheroes to the world of manfluencers Michael Brodeur is a Gen-X gay writer with a passion for bodybuilding and an insatiable curiosity about masculinity--a concept in which many men are currently struggling to find their place. In our current moment, where manfluencers on TikTok tease their audiences with their latest videos, where right-wing men espouse the importance of being alpha, as toxic masculinity and the patriarchy are being rightfully criticized, the nature of masculinity has become murkier than ever. In excavating this complex topic, Brodeur uses the male body as his guide: its role in cultures from the gymnasias of ancient Greece to Walt Whitman's essays on manly health, from the rise of Muscular Christianity in 19th-century America to the swollen superheroes and Arnold Schwarzeneggers of Brodeur's childhood. Interweaving history, cultural criticism, memoir, and reportage, laced with an irrepressible wit, Brodeur takes us into the unique culture centered around men's bodies, probing its limitations and the promise beyond: how men can love themselves while rejecting the aggression, objectification, and misogyny that have for so long accompanied the quest to become swole.
