*Gay Slave* Corbin Cody, 2015-01-30 A question often asked by those who deal with psychological problems is: What is normal? The answer to that seemingly simple question will probably never be answered. For example, it is normal for some primitive inhabitants of South American jungles to perform, before the entire village, what Americans would consider depraved sexual acts. The people within a particular society usually are well aware of what is considered acceptable behavior for them. And therein lies the problem for the main character of this novel. For eighteen-year-old Davey, it is a major step to admit, then accept his homosexuality. Yet even as he is adjusting to his new insight into his nature, Davey finds himself introduced, and drawn into, another facet of gay sex - into the dark world where souls mix pleasure with pain, agony with ecstasy, until they learn what is considered acceptable behavior whether in the role of slave or master. CHICKEN SLAVE - a story dealing with a sexual dilemma that confronts all of us in one form or another. We cannot pass judgment on how individuals seek and find sexual pleasure. We can only look at them with an open mind, seeing how some members of our society face the problem.

*Slave Boys* Winston Gieseke, 2014 Being a slave boy means always having to say you're sorry. Never making decisions or grappling between right and wrong. Because slave boys always know their place. And whether or not they're tied down, they feel happily powerless. At times their humiliation is painful, but it always leads to enlightenment. Featuring off-the-cuff tales of men in cuffs - or slings, or collars - *Slave Boys* is a titillating erotic collection of slaves and masters.

*Carnal Spellbound* Gideon Elliot, 2014-04 WARNING! This story contains Light Bondage, Hypnotism and Slavery. If these things offend you, DO NOT read. Otherwise, enjoy! Hypnotism and sex slavery. These are the unifying themes of the five stories in this compilation. Meet five men who become willing slaves, each to his own master, and how the masters introduce hypnotism to own their slaves. For some, hypnotism both excites and frightens them. The stories in this compilation include: Now The Half-life of Loss Then There Were None Repetitions Entirely Jason SAMPLE 1: Clay smiled and nodded. Take your shorts off, he said, and the briefs. Ben stood before him erect. It won't work if you're erect, he laughed, and gently began to rub Ben's cock until a frenzy of energy rippled through him and he came. Clay eased one testicle from inside Ben's scrotum through the circle of the cock ring and then helped the one behind it through too. No hard-on, he said, and licked Ben's cock so it was slippery enough to worm through into the circle. He had to be quick because it was beginning to stiffen again,

anyhow. Once the ring was secured at its base, a tight cap around cock and balls, the cock stood hard as steel and sharp as a blade. SAMPLE 2: I want to fuck you, he whispered. I want you to fuck me, I answered. I'm going control of you, he said. I want to surrender to you, I said. You have no other choice, he said. I know, I said. On my knees, bowed low before him, very slowly and with great devotion I took his ankle in my palms, put my lips to his instep and began poring myself out to him. I tongued his foot and became hard like iron. A feeling of worshipfulness, of gratitude flooded through me, gratitude that he was there and allowing me to worship him.

Rough and Raw Chris Johns,2015-01-02 Do you have a creative imagination and are into master and slave role playing? Then this book will suit your choice of entertainment. WARNING: Not for the faint of heart. This compilation contains lots of man to man sex, gay romance, and lots of erotic scenes. Read at your own risk. In *More Than A Friend*, Matt never thought what to expect after he was abducted to be straightened out. But when he meets his master, Sky, everything in him softens, and he starts to fall in love with the man who was tasked to discipline him and inflict pain. Nick learns this the hard way, when the contract he signs to eliminate his gambling debts turns him into the star and slave of handsome, pornography mogul Steve Leandros. Things go from bad to worse when Nick lands in the hospital after suffering from his customer's cruel abuse, leading Nick's strict, wealthy parents to discover what their son has been up to in college. Will Nick ever regain his self-confidence after his devastating trauma? Max neglects Ralph's warning and goes to the wrong side of the Pacific Beach. He falls into a trap and becomes a slave to four guys. Luckily, he is saved by Kolby. And together, they discover true salvation by each other's company. There is a place where bad boys go to, and that is Boy Island. Topha expects breeze and sunshine, where he can relax and have fun in an unfamiliar place. But he is in for a real surprise. Roughed up lips and a swollen hole later, Topha feels like giving up. But he meets some boys who make the island experience worth it, making it more pleasurable than his first few experiences. Nick is a tough guy and a ladies' man. He always has more than his fair share of girls. But things start to change when he meets Cass. Nick can't explain the heightened pleasure he gets when Cass jacks him off. Then out of the blue, Nick suggests that they do a Role Play, he be the Master and Cass be the Slave. It's an interesting agreement.

Drained by the Country Boy (Gay Slave Training Erotica) Archer Vale,2023-01-15 "Take it off. Show your body for the camera." My boyfriend watches as the straight cowboy stud films my naked, muscular body. This all began when the country

boy showed us his guns—his rifles and his biceps. He called us disobedient sissies. He said he could fix us. We fell to our knees for him. He locked us into chastity and began feeding us a diet laced with his seed. He's reprogramming us. Now he's our master and we're his devoted servants. We live to serve straight alpha males. **A Slave to My Husband 1 (Gay Erotica)** Nathan J Morissey,2014-01-06 A young man in pain after being rejected for being gay. His ex-lover, a handsome rugged older man, who saves him. A reintroduction to the carnal pleasures of the male flesh. But then, one day, they explore the sordid yet arousing world of BDSM, pushing the boundaries of normal gay sex to a level where the ultimate orgasms await. And there, the young man finds himself addicted and bound to his dominant husband, succumbing to the sweet temptations, and ultimately, becoming his husband's submissive sex slave. Does it get any better than that? Please note that this story contains explicit homoerotic and homosexual content and is not appropriate for readers under 18. Mature readers only. Reader discretion is advised.

**Ask the Man Who Owns Him** David Stein,2009 ASK THE MAN WHO OWNS HIM is the first book to present, in their own words, the real lives of long-term gay Master/slave couples and families. Sixteen slaveowners and their properties around the U.S. and in Canada welcomed the authors into their homes and spoke candidly about how each relationship started, how it evolved to meet the challenges of living in conventional society, and how it works today. All of these bonds have lasted for at least three years - some for well over a dozen years. These relationships are different from the Master/slave stereotypes of erotic fiction. They're also different from what you may find in how-to books and Internet postings on the subject. Instead of reading what a single writer says this lifestyle should be, discover what a generous sampling of gay Masters and slaves are actually doing. Most striking is how different their relationships are from each other. Tradeoffs are made, deals struck, and power exchanged in ways that work for these unique individuals pursuing their respective dreams. Who should read this book? Anyone who's wondered if being a Master or slave is right for him, or who wishes to understand this lifestyle better. If you've read the fantasies and felt something was missing, or tried the experts' prescriptions and found them wanting, this book is for you. ASK THE MAN WHO OWNS HIM describes real-life strategies and tactics for success. Joseph W. Bean, the famed BDSM author, teacher, and leather community organizer, says in his foreword: No other book has accomplished what this one does. In these pages, you will discover that living as Master or slave means defining that life for yourself. Here, the man who is considering an M/s life, or living one and wondering if he is doing it 'right,' finds that 'right' and 'wrong' are not the operative terms. Good Mastery, good slavery, and good M/s relationships are the ones in which the men are true to themselves, living lives that are rewarding to both Masters and slaves.

He must meet the exacting demands of his exasperating new master. And somehow, he must try to regain his freedom. Lucian struggles to resist Marcus' sexual needs. Emperor Tiberius, in retirement on the Isle of Capri, knows little of what is actually happening, that Sejanus wishes to seize ultimate power for himself. **My Fair Master** Gideon Elliot,2014-04 WARNING! The stories in this compilation contain Gay Sex, Sex Slavery and Light Bondage. If Gay Sex offends you, DO NOT read. Otherwise, enjoy! Some people will never understand it, but there's

something satisfying about serving another person: a slave to his master. It's all about worshipping, obeying and accepting punishments from their masters. It's about submitting to bondage, slavery, and underdoing pain and punishment when needed. For slaves, this lifestyle is not degrading. In fact, some slaves find that being under the control of another person is what completes their existence. It is the kind of life they want to live. In this compilation, six men find themselves slaves to their masters. It contains the following stories: Absinthe Leather Boundaries Royce The Hollow Man Lucas Headfucking

*Winner Takes All* Christopher Pierce,2011-06-01 The prolific author Christopher Pierce (christopherpiercerotica.com) has appeared in practically every gay magazine and more than three dozen story anthologies. WINNER TAKES ALL, his newest collection, offers the title novella and 16 shorter stories about gay Master/slave relationships, ranging from the edgiest to the most romantic with every variation in between. While only a few stories are set in other times or other worlds than our own, they are all sex fantasies, not slices of life. Their aim is to entertain, which they do splendidly. Advance readers of WINNER TAKES ALL have said that Masters and slaves pop off the pages like heroic figures from the leather underworld (Jay Starre) in lip-smackingly kinky tales (Jeff Mann) featuring beautiful language, touching characterization, poignant plotting, and a full-bodied eroticism (M. Christian, in his Foreword). The stunning original cover images are by Thom Magister, himself a Perfectbound Press author (THE SLAVE JOURNALS AND OTHER TALES OF THE OLD GUARD).

Relon can't help but agree, he doesn't want to be passed around to the other men of the clan.
