**Daddy Knows Best** Winston Gieseke,2013-08-01 What is it about older men that gay boys find so irresistible? Some say young men in search of a daddy to partner up with-sometimes for life, sometimes just for the night-are looking for someone to mentor them. Take care of them. But there are plenty of young studs with dirty minds who simply find that men get better with age. Older men are hotter. More confident. More experienced. For some, it's all about dominance and submission. For others, it's about getting off with a guy who turns you on. These are the couplings explored in *Daddy Knows Best*, a sizzling collection of erotic stories-some romantic, some raunchy-that probe the younger man-older man dynamic in sensual, graphic detail.

*Model Men* Neil Plakcy,2011-11-01 Who hasn't experienced a pang of lust or longing at a photo of a male model? Whether a hundred times life size on a billboard or romping through the pages of a glossy magazine in his Calvins, Tommys or Ralphs, the male model is the gold standard for masculine beauty. The characters in these stories run the gamut, from the billboard-gracing Aiden in Cynthia Hamilton's "Big Picture," to life models in drawing classes, to runway models, to ordinary guys immortalized in a catalog shoot in T. Hitman's "When Gary Met Larry." They hook up with artists, photographers, roommates and lovers, in locations from New York to Miami to a beach in Australia, and many places in between. One thing all the male models here have in common is sex appeal and a yen for man-on-man action. These aren't the kind of guys who say, "look but don't touch" — they want to be touched, and in all the right places! The authors here, some of the best writing in gay erotica today, have taken hold of the idea of the male model and run with it. Here's hoping you enjoy reading these as much as Neil Plakcy enjoyed working with the authors and assembling this collection. Teen twinks, fresh-faced twenty-somethings, and the ravishing runway rogues in *Model Men* make for a tribute to the glory of gorgeous gay men. These erotic stories explore the undeniable attraction to classic good looks, charisma, and glamour. Neil Plakcy has gathered sensational stories of sizzling porn bodies, sexy boys next door, tantalizing tricks, and sublime Mr. Right Nows. Intertwining favorite fantasies and gay lust, this collection is guaranteed to sing a siren song to those embodiments of perfection who walk among us. More than just pretty faces and heavenly bodies, the men in this volume give as good as they get.

**I Like to Watch** Christopher Pierce,2011-01-01 The dance between the viewer and the viewed fuels the stories of this collection of erotic fiction exploring the fantasies of watching and being watched. Pierce has assembled a cast of stellar contributors including Shane Allison, T. Hitman, Jeff Mann, Rob Rosen and more in this collection devoted to spying, teasing, flaunting and showing off to a lover or a stranger. Every exhibitionist needs a voyeur - and in the intimately charged scenarios of I Like to Watch, the special thrill of getting caught is as much fun as completely shedding one's inhibitions.

Boys In Heat Richard Labonte,2009-06-01 This incendiary collection contains a wide range of erotic short stories that burns up the pages with unabashed, uninhibited sex between men. Here two young guys' internet hookup leads to an exhibitionist encounter at a local shopping mall; a boy on the verge of manhood loses his gay cherry to the handyman of a local brothel; a college-bound boy raised by strict Christian parents comes out in the arms of his older brother's best surfer buddy; and two sexual dynamos have their way with a willing military man. These stories will definitely make you sweat.

Frat Boys Shane Allison,2011-09-15 Paddlings, partying, hazing, wrestling at the frat house — these gorgeous undergrads know how to have fun, especially with each other. The stories of Frat Boys not only make the grade but go to the head of the class with page-turning, arousing action featuring hunky college boys getting it on. A pledge is literally put to the test in front of fellow classmates by his horned up professor in Gavin Atlas' The Latus League. There is hot action of every kind in the name of higher education in A. Ferguson's Date Night at the Delta Tau Delta. There's a little lust and romance between a b-baller and a frat boy in newcomer C. C. William's The Pick-Up Game. A student with a jockstrap-sniffing fetish goes wild in Jeff Funk's Frat House Midnight Snack. A pledge finds himself on the receiving end of a drag queen in Rachel Kramer Bussel's Stripped. In erotica scribe veteran M. Christian's Hard College Days, a college dean gets the high, hard one by a few sexy frat brothers. Jeff Mann returns with his signature lyricism and lust in Blue Briefs. Top erotic writers Logan Zachary, Neil Plakcy, Rob Rosen make this an A+ anthology.

*Rough & Ready* Barry Lowe,2013 Rough as guts, tough as nails - and twice as horny. Alpha males are top of the fantasy fodder food chain. Guys with scars, tattoos and piercings, tough working-class men who aren't afraid to get down and dirty, ex-cons and skinheads who reek of danger and hard, crude sex. These guys are always ready to pop a load: anywhere, anytime, anyhow. In this hot collection of Barry Lowe's hardest erotica you'll meet a cross section of tough guys, such as the former prison inmate who breaks into a young student's room expecting to find his girlfriend who has long since departed. Or the guy, brutally robbed, who runs into his mugger in a supermarket; the intimidating skinhead who lives in the apartment above a frightened gay couple; the razor gang thug who is forced to fight for his life among the debris of the Depression; the graffiti artist who lives by his wits on the streets but whose secret life is discovered by his brother's violent gang; the plumber who is greeted at the door by a writer dressed in ludicrous drag because he works under a woman's name; the top

notch businessman who resorts to bondage to wreak his revenge on the co-worker he fancies; the builder who tries subterfuge to seduce his workmate and also the man whose house he is repairing; and, the ex-con who will do anything to turn his sister's boyfriend. Some of these tough guys are the stuff of nightmares, but they'll get you good and hard while you read of their adventures. Rough & Ready was originally published by loveyoudivine Alterotica and includes - Stocks & Shared, Scarface, Ceps Mad about Muscle, The Plumber's Mate, Climbing Up the Wall, Little Red Rides da Hood, The Dex Factor, Jailhouse Cock, and The Skinhead Upstairs, all previously published as individual eBook by loveyoudivine Alterotica. Climbing up the Wall was first published in Hard Hats: Gay Erotic Stories, edited by Neil Plakcy (Cleis Press, 2008) in a slightly shorter version Excerpt: He was demonically handsome. Envy had it that he'd had commissioned a well known artist to paint his portrait and the result was stored in his attic. His thick, burnished russet hair reflected his fiery personality, and his piercing green eyes could see through weakness, scams and bullshit like Superman through brick. To make it even more unfair on the rest of us mere mortals who had to sweat for a living, Mitch Badham was athletic, good at social sports, tennis, golf and squash, aided immeasurably by powerful tanned legs with a dusting of light hair like icing sugar on a cake, and had a package that his tight carefully tailored Armani slacks hugged like cling wrap does to beef in the freezer. Wealth, adoration, and success stalked him. And so did I. What attracted me and got me instantly hard was his incredible sculpted ass. Perfectly round cheeks, full but not flabby, encased tightly enough that you couldn't help but notice them, especially if you were behind him as, inevitably, I was. I could not compete with the fucker, either in looks, physique, or economic ability. I hated the bastard. I believed I had more reason than most. Perhaps I should explain how Mitch came to be at my mercy. Well, my obsession...there I've said it, and I don't feel any great sense of relief in my admission...caused my stocks at the firm to plummet. While Mitch was in ascendancy, I was very definitely in descendency. In fact, I suspected that the meeting called for 11a.m. Monday in the boardroom was to seal my dismissal. Basically, I was past caring. With my dismissal imminent, I was unlikely to find another job in my area of expertise, so why not wreak revenge on my nemesis.

**Daddies** Richard Labonte,2009-04-01 One of the most powerful icons for gay men is the hunky, rough-hewn, authoritative daddy figure, who can offer hot kisses, warm embraces, and a firm hand with equal intensity. This collection of erotic stories reveals the unique sexual and emotional bonds between these older daddies and younger gay men: from twink hankering for silver foxes to men with the meat of years on their bones mentoring spunky lads just coming out. Everything goes in these stories, from the sexually playful to the wistfully romantic, to hardcore S/M, to role playing, to extreme kink. Written by such masters of the genre as Doug Harrison, Jeff Mann, Xan West, Barry Alexander, Dale Chase, Shaun Levin, and more, these sizzling stories explore the world of men who may differ in age but have the same thing on their mind.

Hard Hats Neil Plakcy,2008-04-01 Construction workers, plumbers, gardeners or any hard working man with a tool belt play a part in many gay male fantasies. In this steamy collection we take a ride to the top of a high rise under construction

for a precarious steel beam encounter, go down in the belly of a dark steamy mine, hang out with some hunky sweaty landscapers and slip into the construction manager's office for a quickie. Wherever we go, you'll find sexy, men loving men who are turned on by more than their buddies' tools, in this world the hats are not the only thing that's hard.

**Show-Offs** Richard Labonte,2013-04-22 Some men like to watch, and some men like to be watched. Some men are real Show Offs.The universe has a way of balancing things out, doesn't it? We're not talking sidewalk cruising here, that natural inclination for one man to appreciate another man's body in passing, perhaps leading to full-on sex, perhaps fueling, once he's alone, a climactic fantasy. No, the stories in this collection are more furtive: the desired body savored voyeuristically through a window, through a crack in the closet door, through a camera lens, sometimes from right across the room; the body desired flaunting manly wares while bathing in a river, playing in a bathhouse, wearing a leaving-nothing-to-the-imagination thong. Forget "like": some men need to be watched; some men need to watch. These are their stories.

*Take This Man* Neil Plakcy,2015-05-14 A rarity — romantic erotica focused on male couples in committed relationships — Take This Man comes from one of the top-flight gay fiction writers, Neil Plakcy. Many erotic stories focus on the thrill of first contact, but Take This Man is thrillingly different, taking a close look at how much sexier an encounter can be when the two men involved have been together for long enough to make a commitment to each other. Formalized or not, the fact remains that knowing what turns your partner on — and vice versa — makes encounters even hotter, especially when the erotic encounter is an expression of an emotional bond.
